

What's New?

FALL 2001 INSTRUCTION BEGINS TUESDAY SEPTEMBER 25

As announced in the Spring 2001 *Schedule of Classes*, instruction for Fall Quarter 2001 begins Tuesday, September 25. Note that this is a change from earlier versions of the official academic calendar.

FINAL EDITION OF PRINTED SCHEDULE OF CLASSES

This edition of the *Schedule of Classes* marks the end of an era for the print version of the publication. From now on, the *Schedule* will be limited to the online version, which includes search features for classes, instructors, units, and GE courses. A PDF version of the *Schedule*, which will have the same format and information as the former print version, will be online each quarter. An online archive of PDF versions of the *Schedule of Classes* goes back to Winter 1998.

STUDENT HEALTH INSURANCE PLAN MANDATORY FOR ALL STUDENTS

Beginning Fall Quarter 2001, all UCLA students, both undergraduate and graduate, are automatically assessed for and enrolled in the Student Health Insurance Plan (SHIP) as a condition of registration at UCLA. Continued enrollment in adequate medical/health insurance must be maintained during all registered terms. See <http://www.studenthealth.ucla.edu/health/insuranc/insurhom.htm>

HAINES HALL REOPENS

Closed in Winter Quarter 1999 for seismic renovation, Haines Hall reopens for Fall Quarter 2001 with 17 classrooms.

A LONG LINE OF SCHEDULE OF CLASSES

An early *Schedule of Classes* dating from 1921 (below left) was called the *Schedule of Exercises*. The entire course listings fit neatly in a three by five inch leaflet that was only 24 pages. At the time, UCLA was known as the Southern Branch of the University of California and was located off of Vermont Avenue. In 1920, only 260 students were enrolled in the College of Letters and Science. By the mid 1920s, nearly 2,286 students were crowding the classrooms, and in 1927, ground was broken for a new campus in Westwood village.

For a graphic look at the history of the Schedule of Classes, see a printed copy of the Fall 2001 Schedule.

To keep pace with the growth that followed World War II, the Office of Records (now the Registrar's Office) employed modern techniques using punch cards and elaborate filing systems. A book from the era (illustrations below left) outlines efficient methods for keeping student records that were similar to those used at UCLA. In 1950, enrollment soared to 14,318, much of the growth resulting from the return of veterans who enrolled under the GI Bill. By then, the *Schedule of Classes* was a hefty booklet that included course listings for recently added schools of law, public health, and medicine, as well as colleges of business administration, agriculture, engineering, and applied arts.

THE LONG LINES FOR CLASS ENROLLMENT

In the 1960s, UCLA was a pioneer in computer technology. Enrollment procedures were automated to a great degree, and the *Schedule of Classes* was replete with complicated instructions on how to process registration materials that included a packet of data cards for fee payment, enrollment, degree candidacy, student information, and a range of procedures.

For a graphic look at the history of the Schedule of Classes, see a printed copy of the Fall 2001 Schedule.

In-person enrollment demanded spending most of the day in long lines at Ackerman Union, and detailed maps showed students where to wait if they had registration packets, if they didn't have registration packets, if they were paying by check, if they were paying using a waiver deferment, and so on, and so on. Enrollment was not pretty in those days.

A NEW LINE OF SERVICES AND TECHNOLOGY

Relief for the lines came in the late 1980s when URSA Telephone allowed students with a touchtone phone to enroll from the comfort of their homes. The URSA Lady—the voice behind the telephone menu—was an instant celebrity on campus. Her reassuring “Welcome Bruins” quickly became a buzzword around campus.

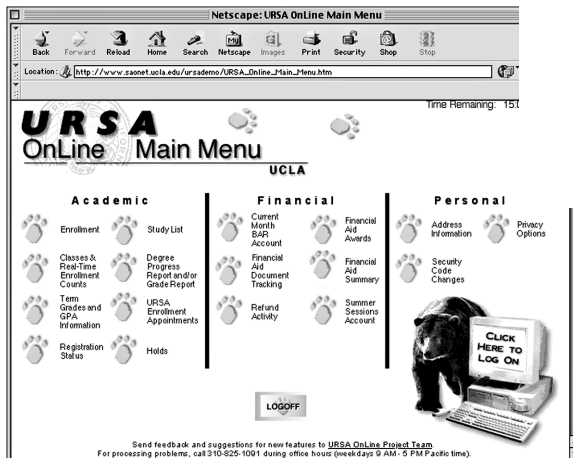

For a graphic look at the history of the Schedule of Classes, see a printed copy of the Fall 2001 Schedule.

Improvements in room scheduling also took place in the mid-1980s when CASA (Computer Assisted Space Assignment) was introduced. Based on a custom-designed scheduling algorithm given to UCLA by UC Berkeley, the program finally replaced the paper and pencil system of room assignment that was used from time immemorial right through the 1970s. Still in use today, CASA helps keep classroom schedulers Doug Thomson and Don McLaurin happy.

THE END OF THE LINE FOR THE PRINTED SCHEDULE

URSA OnLine entered the scene in the mid 1990s and added online enrollment capabilities by the end of the decade. In conjunction with the online *Schedule of Classes*, it provided a powerful tool for students to plan a program of study and enroll in classes. Within three years, the number of printed *Schedule of Classes* bought in the bookstore declined by 70 percent. URSA Telephone usage for enrollment also dropped to under 6 percent of total enrollment. Since course descriptions and class listings are now updated continuously on the Registrar's Office site, a new generation of computer-savvy students have demonstrated little need for a printed *Schedule*.

For a graphic look at the history of the *Schedule of Classes*, see a printed copy of the Fall 2001 *Schedule*.

Fall Quarter 2001 instruction begins on Tuesday, September 25.

Deadlines are subject to change. See www.registrar.ucla.edu/calendar for updates

Registration

Registration consists of paying fees and enrolling in classes.

1. Registration fees and other University charges are paid through the UCLA Student Billing Statement, also called the BAR statement, mailed monthly to students UCLA mailing address by the Student Accounting Office
2. Enrollment in classes is completed through URSA at (310) 208-0425 or www.ursa.ucla.edu (see "URSA" for full details)

Complete both processes by the established deadlines (see "Calendar") to be officially registered and enrolled for the term.

PAYING FEES

Payments can be mailed, deposited in the Administrative Main Cashier's drop slot (1125 Murphy Hall) or paid by credit card via CyberPay, which is accessed through URSA OnLine. After the published deadline, payments must be made in person at 1125 Murphy Hall and are assessed an additional \$50 late fee. For more information on paying fees, see "Billing."

Student Health Insurance Plan

All UCLA undergraduate and graduate students are automatically assessed for and enrolled in the Student Health Insurance Plan (SHIP) as a condition of registration at UCLA. Continued enrollment in adequate medical/health insurance must be maintained during all registered terms.

The SHIP fee is billed each term along with other UCLA fees. SHIP fulfills all of the requirements mandated for adequate medical/health insurance as defined by the University. The Ashe Student Health and Wellness Center is the primary health care provider for SHIP and is where all non-emergency medical care must be initiated for SHIP claim payment consideration. See <http://www.studenthealth.ucla.edu>.

Waiving Out of SHIP

Students may waive out of SHIP if they (1) maintain active enrollment in an adequate medical/health insurance plan that meets all established requirements, (2) apply for a SHIP waiver within established deadlines, and (3) correctly complete the online SHIP waiver form.

Students must apply for a SHIP waiver online. See the Ashe Center website for details, including a definition of qualifying adequate private medical/health insurance. Follow the Online Services link from <http://www.studenthealth.ucla.edu>.

Deadlines for Waiving Out of SHIP

Third-party individuals may not waive out of SHIP for another student. Waivers must be submitted by the stated deadlines whether or not fees have been paid by that date. Deadlines are strictly enforced.

The schedule for waiving out of SHIP is as follows:

Fall Quarter	September 1-20
Winter Quarter	December 1-20
Spring Quarter	March 1-20

Fall Semester	August 1-20
Spring Semester	December 1-20

The above information serves as official notice of the UCLA mandatory medical/health insurance requirement. All students

are responsible for providing complete and accurate information that must be submitted by the stated deadlines.

Reduced Fee Programs

Fee assessment for reduction in fees is based on total units enrolled as of Friday of the third week of classes.

Certain undergraduate students, when properly approved by the dean of their college/school for enrollment in 10 units or less, may be eligible for a one-half reduction in the educational fee. File a Request for Fee Reduction with the academic dean's office by Friday of the second week. Except for these qualified and approved part-time students, there is no reduction in the University registration, educational, student union, or Undergraduate Students Association fee.

Undergraduate nonresident students with college/school approval for enrollment in 10 units or less pay only half the nonresident tuition fee. File a Request for Fee Reduction with the academic dean's office by Friday of the second week of classes for the applicable term.

For graduate students there is no reduction in the University registration, educational, nonresident tuition, student union, or Graduate Students Association fee for less than full-time programs.

Full-time University employees may apply for a reduction of the registration and educational fees at their Campus Human Resources office. If you receive the part-time fee reduction from your academic dean, you may not also use the UC employee reduction; you must use one or the other.

Course Materials Fees

The College of Letters and Science and professional schools are authorized to assess course materials fees for particular courses. These fees are either Materials Use Fees—used to pay for equipment costs associated with a course—or Instructional Enhancement Fees—used to help offset the costs of providing course websites and to provide enhanced computer laboratories. Depending on the academic unit, fees are assessed at the start of the quarter or based on actual enrollment at the end of the fourth week of classes. Students are responsible for ensuring that all Study List errors and omissions are corrected prior to this time. All students in a course with an approved course materials fee are assessed the fee, regardless of major. The fee is nonrefundable once assessed. Students who are approved for a "Late Add" enrollment in a course after the third week of classes are required to pay the course materials fee, which is billed through the BAR statement, for the entire quarter.

In addition, certain professional schools are authorized to charge students in their programs course materials fees that must be paid at the beginning of each term along with other University fees.

For exact fees and updates, see www.registrar.ucla.edu/fees.

Fee Waiver Requests

Late registration, processing, and penalty fees are waivable on request in writing to the office assessing the fees only if they were incurred through the fault of the University or because a student suffered sudden and debilitating injury or accident.

Hold

Students may have holds placed on their student record, which could affect registration, enrollment, financial aid, campus services and/or release of academic transcripts for the following reasons:

1. Failure to comply with admission provisions
2. Failure to settle financial obligations with the University
3. Failure to respond to official notices

Each student who becomes subject to a hold action is given advance notice and ample time to respond. In most cases, the hold must be released from the initiating office before a student may enroll in classes or receive various campus services. Obtain information on holds through URSA at www.ursa.ucla.edu or (310) 208-0425.

ENROLLING IN CLASSES

See “Class Listings” for class times, rooms, instructors, and other enrollment information. For updated listings, see the online *Schedule of Classes*. See “Class Listings” and your school or college advisers (listed in “Academic Counseling”), to assemble a program of courses.

Plan two or three alternate programs in case your first choice of courses is not available (list alternate courses on the “Enrollment Worksheet” on the inside back cover of this schedule). Do not choose two courses in the same final examination group (see the final examination chart in “Class Listings”) or select classes that conflict in meeting times. If conflicts are unavoidable, consult with the instructor of each course at the first class meeting. For enrollment instructions, see “Enrollment” in this schedule.

Hepatitis B Vaccine Requirement

The California State Legislature requires as a condition of enrollment that students 18 years and younger demonstrate immunity from hepatitis B. The Ashe Center offers the hepatitis B vaccine to eligible students. Students who have not had the vaccine should start the series before their first term begins. Because this is a state requirement, students who have not completed the immunization series by the time their third term begins will have a hold placed on their records.

Proof of compliance with the requirement is electronic through the Ashe Center website at www.saonet.ucla.edu/health.htm.

URSA Enrollment

University Records System Access (URSA) enables UCLA students to acquire information from their University academic records and to enroll in classes. Use URSA OnLine at www.ursa.ucla.edu or URSA Telephone at (310) 208-0425 to process class enrollment and determine assigned appointment periods.

Students may also use URSA for other enrollment-related tasks, such as adding, dropping, or exchanging classes, signing onto a wait list or checking waitlist status, or changing the grading basis for a class. See “URSA” for more on services and features.

Study Lists

A Study List is the record of the courses a student enrolls in for the term. Friday of the second week of instruction, the Study List of enrolled courses becomes “official” and all wait lists are eliminated. Check Study Lists through URSA after all enrollment transactions.

Students are responsible for all courses and the grading basis as listed on URSA and cannot receive credit for courses not listed. Errors or omissions should be corrected before the academic dean’s deadline for changes by petition. Unapproved withdrawal from or neglect of a course entered on the Study List results in a failing grade.

UCLA Policy on Cell Phones and Pagers

Any disruption of a class due to the audible beeping or use of cell phones or pagers will be treated as a violation of Section 102.13 of the *UCLA Student Conduct Code* and will subject a student to sanctions up to and including suspension or dismissal. Cell phones and pagers must be turned off while in classes, libraries, or other quiet areas.

Billing

The UCLA Student Billing Statement is generated by Billing and Accounts Receivable (BAR) and known as the BAR statement. It is each UCLA student's bill for registration fees and other University charges. BAR is managed by the Student Accounting Office. See www.studentaccounting.ucla.edu.

BAR STATEMENT

All students are assigned a BAR account and mailed a statement of activity each month according to the following schedule:

BAR Statement Mailing Dates	
<i>Statements are generated on the dates below and mailed within four days</i>	
Fall Semester — Medicine	July 1
Fall Semester — Law	August 1
Fall Quarter	September 1
Winter Quarter/Spring Semester	December 1
Spring Quarter	March 1

The same schedule applies to new and reentering students if they filed both the Statement of Intent to Register and the Statement of Legal Residence and their residence for tuition is determined.

Students must pay all charges (other than registration charges) in full by the statement deadline, the 20th of each month (or the preceding workday if the deadline falls on a weekend or holiday), to avoid assessment of a \$20 delinquent fee.

Students who decide not to attend UCLA must use URSA Telephone to declare nonattendance for a term (option 5# under the Students Records Menu). Check the readmission policies in "Academic Policies" in order to protect student status.

Financial Aid Distribution

The Financial Aid System automatically credits BAR accounts of students who receive financial aid. Registration fees and other outstanding UCLA debts, such as student health or laboratory fees, are deducted. Students must be enrolled at least half time to receive financial aid disbursements. See "Financial Support."

Bruin Direct

With Bruin Direct, BAR system refunds are deposited directly to student bank accounts. Students are notified of transactions via e-mail before each deposit is made. UCLA requires Bruin Direct for BAR refunds, and students not currently enrolled must pick up a form from the Administrative Main Cashier's Office at 1125 Murphy Hall or from Student Accounting at B303 Murphy Hall. Bruin Direct refunds are processed daily.

Medical Insurance Waivers

As a condition of registration, UCLA requires all students to have adequate medical insurance. The UCLA Student Insurance Plan (SHIP) fulfills this requirement and is billed through BAR. Students with adequate private medical insurance may waive out of SHIP by completing the online waiver and submitting it by the published deadline. Students who do not waive out by the deadline may be required to pay the SHIP fee. Students should verify that the waiver has been posted through BAR. For waiver requests, see www.studenthealth.ucla.edu or link to the site through URSA OnLine.

PAYMENT METHODS

Detach the bottom of the BAR statement and mail the remittance, or drop it in the Administrative Main Cashier's drop slot, 1125 Murphy Hall. Allow five working days for mail delivery. UCLA is not responsible for materials lost or delayed in the mail. Missing or incomplete payments or payment documents may result in loss of classes, medical insurance, or assessment of late fees.

In the envelope provided, return the following to the UCLA Remittance Processing Center, 10920 Wilshire Blvd., Suite 107, Los Angeles, CA 90024-6503.

1. Bottom portion of BAR statement
2. Payment (do not send cash; write your nine-digit UCLA student I.D. number on all checks, money orders, or other forms of payment and indicate method of payment)
 - a. Check or Money Order
Make payable to REGENTS-UC. A \$60 fine is assessed if any check for registration fee payment is returned by a bank.
 - b. VISA/MasterCard/Discover Card
Complete and sign the VISA/MC/Discover section on the BAR statement by the published fee payment deadline (see "Calendar"). Credit card statements must be signed and completed to be processed. **Fax payments are not accepted.** Refer to the other payment methods below.

The Administrative Main Cashier's Office (310) 825-2201, is open 9 a.m. to 5 p.m. weekdays. See www.amco.ucla.edu.

AutoPay

Students can have BAR account balances automatically paid by credit card. Credit cards are charged around the fifth of each month, and payments are posted to BAR. To sign up, see the Administrative Main Cashier or Student Accounting offices.

CyberPay via URSA

Students may use CyberPay to pay their BAR accounts by credit card through the financial section of URSA OnLine.

STUDENT RESPONSIBILITIES

Address Change

Students must keep their UCLA Mailing Address up to date and may change addresses

1. On URSA OnLine at www.ursa.ucla.edu/
2. By filling out the Change of Mailing Address portion on the reverse of the UCLA Billing Statement
3. In person at Enrollment and Degree Services, 1113 Murphy Hall. Three times each year, student mailing addresses are updated from the change of address list on file with the U.S. Postal Service. Students must, however, still inform UCLA when they change addresses and verify that their addresses are correct on URSA.

Registration Confirmation

Check URSA to confirm that registration fee payments have been processed. For proof of payment, print a copy of the Registration Status screen in URSA OnLine. Present this and a UCLA BruinCard as proof of student status for the specified term.

LATE PAYMENT

A late payment fee of \$50 is assessed to all students paying registration fees after the deadline. Late registration is complete once students pay registration fees and enroll in classes.

New and Reentering Students

New and reentering students must pay their fees in person once they receive an URSA notification letter or appointment letter from the Registrar's Office. Payments are accepted at the Administrative Main Cashier's Office between 9 a.m. and 5 p.m. weekdays at 1125 Murphy Hall.

After Friday of the Second Week

Students who enroll in classes and pay registration fees after Friday of the second week of classes are assessed both the \$50 late study list fee and the \$50 late registration fee, resulting in an extra \$100 to register and enroll.

Undergraduate students must obtain the instructor's signature for each course listed and obtain approval from the academic college or school.

Graduate students (GD college code) must obtain approval from their authorized departmental adviser.

Dentistry, Law, and Medicine students must have the written approval of their respective Student Affairs Office.

File the Enrollment Petition at 1113 Murphy Hall after paying fees for the term. Late registration is complete when students pay registration fees and enroll in classes.

REFUNDS AND REDUCTIONS

Under the conditions described below, some UCLA students may be eligible for a full or partial refund of fees paid.

Undergraduate Students

Cancellation of Registration. Prior to the first day of instruction, students may cancel registration by mailing a written notice to the Enrollment and Degree Services Office, Attn: Cancellation Clerk, 1113 Murphy Hall, Box 951429 Los Angeles, CA 90095-1429. Refund is as follows: new students receive a 100 percent refund for fees paid except the nonrefundable acceptance of admission fee and a \$10 service fee; all other students receive a 100 percent refund for fees paid minus the \$10 service fee.

Withdrawal. Undergraduate students who withdraw from the University during the course of a term must file an acceptable Notice of Withdrawal form, which is issued at the office of the academic dean.

Failing to attend classes, neglecting courses, or stopping payment on checks tendered for registration does not constitute notice of withdrawal. A \$60 fine is assessed if any check for registration fee payment is returned by a bank for any reason, including stopped payment or insufficient funds. If no credit for courses is received, a full refund of the University registration fee for the regular session is granted to all students entering the armed forces prior to the end of the sixth week of the term, with no refund thereafter.

A percentage of the registration fees paid is refunded according to the calendar date on which the official Notice of Withdrawal or Leave of Absence form is submitted to the academic dean.

The schedule of refunds is applied to the fee paid as follows:

Continuing and Readmitted Students and New Students Who Do Not Receive Financial Aid	New Students Who Receive Federal Financial Aid
100% on or before September 25	90% September 26-October 1
90% September 26-October 1	80% October 2-8
50% October 2-12	70% October 9-15
25% October 13-29	60% October 16-22
0% On or after October 30	50% October 23-29
	40% October 30-November 1
	0% on or after November 2

Refund is as follows: a \$10 service fee is deducted from all 100 percent refunds; for new students, the schedule of refunds is applied to the fees paid minus the nonrefundable acceptance of admission fee and a \$10 service fee. Fees paid by new M.B.A. and Dentistry students are refunded except for their respective nonrefundable acceptance of admissions deposit. Students who receive a 100 percent refund and purchased SHIP are not eligible for any SHIP benefits for that entire term. For students who receive less than a 100 percent refund and purchased SHIP, the SHIP policy remains in effect for the remainder of the term, and refunds are calculated on the remainder of their registration fees. Registration fee refunds take one to two weeks to process.

If a sponsored student (on financial aid) pays registration fees with personal funds, a refund is initiated automatically through BAR. Students who initially pay registration fees with financial aid, a fee deferral, or a fee waiver, and subsequently cancel or withdraw, do not receive a cash refund.

Graduate Students

Graduate Leaves of Absence. For graduate students on official leave of absence, a percentage of registration fees paid is refunded according to the calendar date on which the official Request for Leave of Absence is submitted to the Graduate Division. For refund information, see the chart above; for more on graduate leaves of absence, see "Academic Policies."

Filing Fee. Graduate students may be eligible for and billed the filing fee (half the quarterly registration fee) in lieu of full registration fees for the term in which they expect to complete final degree requirements. See "Academic Policies" for requirements.

Reduced Nonresident Tuition. Nonresident graduate doctoral students who have advanced to candidacy are eligible for a 75 percent reduction in their annual nonresident tuition fee. See "Academic Policies" for requirements.

Fee Deferrals. Academic apprentice personnel are eligible to receive a fee deferral for part or all of the registration fees assessed during the term in which they serve as an academic apprentice. Students are responsible for paying fees by the deferred payment deadline, which is generally two months after the standard term due date. Whether students attend UCLA, take a leave of absence, or withdraw from the University, they are responsible for the fees, but may be eligible to receive a partial fee refund, according to the refund schedule above. Fees not paid by the deadline are subject to the late fee charge.

Financial Support

Financial support at UCLA is handled by the Financial Aid Office, Student Loan Services, and Graduate Student Support Office. Students and their families should also be aware of tax benefits that could help offset the cost of fees and tuition.

FINANCIAL AID OFFICE

A129J Murphy Hall
9 a.m. to 5 p.m. weekdays
(310) 206-0400

<http://www.fao.ucla.edu>
E-mail finaid@saonet.ucla.edu

At the Financial Aid Office students

1. Pick up financial aid packages or petition and revision forms
2. Get counseling on how to prepare the Financial Aid Application and supporting documents
3. Report changes in their financial situation
4. Obtain information on the Federal Family Educational Loan Program (FFELP), Federal Pell and Cal Grants, or undergraduate scholarships
5. Return a Financial Aid Notification (FAN)

Financial Aid Distribution through BAR

UCLA uses a central Billing and Receivables (BAR) system to process bills and payments, including financial aid. Each student is assigned an individual BAR account and receives a statement of activity in the mail each month. Statements list charges, such as registration fees, health insurance, or outstanding debts and may include anticipated financial aid activity and the amount of funds available for a refund.

The Financial Aid System automatically credits BAR accounts with students' financial aid. Students must, however, be enrolled on at least a half-time status (six units for undergraduate and four units for graduate students) for financial aid to be credited to their BAR account.

BAR uses financial aid as a credit to pay student registration fees and most other outstanding UCLA debts (such as student health visits or recreational fees). BAR does not pay housing charges. Students who live on campus, must make payment arrangements directly with the housing office.

Bank Loans and Electronic Processing

Federal Family Educational Loan Program (FFELP) loans include Federal Subsidized and Unsubsidized Stafford loans. These programs are outlined in the *FFELP Guide*, which explains how to apply for loans electronically. Loans processed electronically are credited to student accounts and any credit balance can be transferred directly to personal checking or savings accounts using Bruin Direct (see below).

Another type of FFELP loan is the Parent Loan for Undergraduate Students (PLUS), which is explained in the *PLUS Guide*. When parents apply for PLUS loans, they can have electronic disbursements sent to BAR, which pays registration fees and any outstanding debts, then forwards remaining funds to a specified student's account. Alternatively, parents may request

paper plus checks, which are mailed to the parents once Student Loan Services verifies the student's half-time enrollment.

Bruin Direct

With Bruin Direct students may have refund checks electronically transferred to a personal checking or savings account. The Financial Aid office uses available financial aid to pay registration fees and any outstanding debts, then forwards remaining funds to the specified account.

Bruin Direct enrollment information is available in the Student Accounting Office, B303 Murphy Hall. Bruin Direct is not available to students if they selected a nonelectronic lender. Contact the Financial Aid Office for a list of preferred electronic lenders, or see the FFELP/PLUS guides.

Financial Aid Online Services

In addition to general information about applying for, evaluating, and awarding financial aid, the financial aid website has a calendar with application deadlines and provides links to scholarships, grants, and loan programs. The site also explains aid disbursement and budget adjustments and reevaluations. See www.saonet.ucla.edu/fa.htm.

Students track financial aid information through URSA or view award amounts and verify refund activity. See "URSA" for more information.

Scholarships for Undergraduate Students

The Undergraduate Scholarship Program at UCLA rewards academic excellence and promise and provides assistance to students in need. A scholarship is expected to create opportunities for further academic growth and development.

Each scholarship is awarded for one academic year. A renewal of scholarship application must be submitted yearly. Students must also apply for financial aid by submitting a Free Application for Federal Student Aid (FAFSA). Semifinalists in the Regents Scholarship competition are given preference for these awards.

Information about university and outside agency scholarship programs is at www.saonet.ucla.edu/fa/scholar. More information is on fastWEB (financial aid search through the web), an interactive scholarship search database at www.studentservices.com/fastweb.

Scholarship Resource Center. The Scholarship Resource Center (SRC) helps undergraduate students search for scholarship information. The SRC, located at 233 Covell Commons, is open to all UCLA undergraduates, regardless of financial aid eligibility. The center provides referrals and serves as an information base for scholarships, fellowships, and endowments. The SRC works in conjunction with the Division of Honors and Undergraduate Programs, the Financial Aid Office, and the UCLA community.

Special features of the SRC include counseling for students in the application process, a small library of current scholarship books, a proofreading service for scholarship applications, computer access to various scholarship listings, and work-

shops and general information sessions. For more information, call (310) 206-2875.

Maintaining Satisfactory Progress

Federal regulations require UCLA to establish, publish, and apply standards of Satisfactory Academic Progress for financial aid eligibility. Students who fail to meet the standards become ineligible to receive financial aid until they are in compliance with these requirements. See *A Guide to Satisfactory Academic Progress*, available at the Financial Aid Office, for a detailed explanation.

For students whose unit load is below twelve units as of the third week of class in any term, Federal Pell Grant and Cal Grant B subsistence checks are reduced or cancelled. Increases in units after the third week of class do not result in automatic reinstatement of the grants. Contact the Financial Aid Office for information regarding an appeal. Financial aid is cancelled if students are dismissed, and they are billed for all awards (including loans) received.

Withdrawal and Cancellation

Students who decide not to enroll for one or more terms must notify the Financial Aid Office. Students are not entitled to receive financial aid for these terms.

For students who withdraw for a term, the Return of Federal Aid policy determines the amount of financial aid they are eligible to keep for that term. The calculation is based on the date students submit the official withdrawal form to their college or department.

The amount of financial aid students are entitled to keep is prorated based on the number of days they were enrolled. Any financial aid received in excess of the prorated eligibility, must be repaid. Students who have completed 60 percent of the enrollment period at the time they withdraw are not required to return any funds for the term.

For more information about the exact amount of financial aid students are eligible to keep after withdrawal, see the *Guide to the Return of Federal Aid*, available in the Financial Aid Office.

For students who receive an administrative cancellation for a term, all financial aid for the effected term is cancelled. They are not entitled to receive any funds for the term and are expected to repay any amount received.

Students who withdraw or are cancelled for a term may have to reapply for Stafford and/or PLUS loans. They should contact the Financial Aid Office and indicate the term they plan on returning to UCLA.

STUDENT LOAN SERVICES

A227 Murphy Hall
9 a.m. to 5 p.m. weekdays

(310) 825-9864
<http://www.saonet.ucla.edu/loans.htm>

Services offered by Student Loan Services include

1. Distribution of nonelectronic FFELP loans
2. Processing and distribution of Student Short-Term Emergency Loan Program (9 a.m. to 4:30 p.m. weekdays)
3. Debt management sessions and loan exit interviews

Loan Fund Distribution

Students who pick up a nonelectronic loan check must present a valid driver's license, California DMV I.D. card, or passport, and have no outstanding financial holds on their records in order to receive the check.

Unit Requirement for Loans

According to Federal regulations, undergraduate students must be enrolled in at least six units and graduate students in at least four units continuously throughout the stated loan period to receive loan funds. This information is verified before loans are distributed. If a student withdraws or carries insufficient units during the stated loan period, any remaining loan funds are returned to the lender, any remaining portion of the loan is cancelled, and the student may be billed for funds already received. In such cases, students must reapply for a new FFELP loan that reflects the new loan period. For more information, contact the Financial Aid Office.

Federal Family Educational Loan Program

Federal Family Educational Loan Program (FFELP) loans come from banks and are issued each term based on a student's application date.

Electronic Fund Transfer (EFT) FFELP loans are distributed through BAR. Current registration and all outstanding University debts are deducted from the student's loan funds before the balance is distributed (see Bruin Direct in this section about direct deposit).

Non-EFT FFELP loan checks are available at the beginning of each term at Student Loan Services. Non-EFT FFELP loan checks are held for pick up for thirty (30) days then returned to the lender.

Students must notify the Registrar, Student Loan Services and their FFELP lender in writing within ten days if they

1. Drop below half-time status, withdraw from UCLA, or transfer to another school
2. Change their address or telephone number, graduation date, name, and/or Social Security number (also notify Registrar's Office, either via URSA OnLine at www.ursa.ucla.edu or in person at 1113 Murphy Hall)

First-Time UCLA Borrower Requirement

Federal regulations governing the student loan programs require that anyone borrowing student loans at UCLA for the first time must attend a Debt Management Session prior to receiving loan funds. This workshop explains the rights and responsibilities toward loans and provides solutions for minimizing debt loads. Until this requirement is fulfilled, a University hold will prevent loan(s) from being disbursed. For a schedule and location of Debt Management sessions call (310) 825-9865 or see www.saonet.ucla.edu/loans/sched.htm.

Exit Interview Requirement

Students who have ever received a loan from the Financial Aid Office and are about to graduate, transfer, withdraw, or take a leave of absence from UCLA, are required to complete Exit Interview documents with Student Loan Services, A227 Murphy Hall, (310) 825-9865.

Short-Term eLoans

Interest-free eLOANS are available in Student Loan Services. Applications are accepted in-person only. To qualify for all loans students must be enrolled at UCLA within the current quarter, have paid registration fees, and have not defaulted on previous Short Term Loans within the past year. Students must present one of the following picture ID's: Bruin Card, Driver's License, State ID Card, Military ID, or Passport. Three loan types are currently available:

1. Emergency Loan: A loan of up to \$200.00 for those who meet the above criteria.
2. Living Expense Loan: A loan of up to \$350.00 for those who meet the above criteria and are employed. Written employment verification on letterhead must be provided from the employer.
3. Financial Aid Advance: A "bridge loan" to fill the gap between the awarding of current quarter Financial Aid and the actual receipt of funds. Loans are generally made against Federal Stafford, Federal Perkins, University, and electronically disbursed Parent Loans.

The loan must be repaid on time or a \$10 late fee is assessed. The defaulted loan may be subject to further collection actions and future loan eligibility may be jeopardized. Past-due short-term loans must be paid with cash, money order, or cashier's check in order to receive University services.

GRADUATE STUDENT SUPPORT OFFICE

1228 Murphy Hall
(310) 825-1025
<http://www.gdnet.ucla.edu/>

Merit-Based Awards

Merit-based awards funded by the Graduate Division take the form of stipend, fee, and/or nonresident tuition awards. To receive these awards, students must return a signed contract and necessary supporting documentation to Graduate Student Support, 1228 Murphy Hall.

Fee Remissions

As a result of employment in an eligible academic apprentice personnel title, graduate students may receive certain fee remissions. Eligibility is determined by the following criteria:

1. Appointment(s) must be at least 25 percent time, not to exceed 50 percent time, and only under eligible title codes (students should see their departments for specific details).
2. Work at least 25 percent time during the term.
3. Register and enroll in a minimum of eight units no later than the third week of instruction; Graduate Student Researchers (GSRs) enrolled in 12 units may qualify for a second fee remission.
4. Previous quarter's GPA must be 3.0 or better.

All eligible academic apprentice personnel receive partial fee remissions from the Office of the President; eligible GSRs receive an additional fee remission from the campus.

Fee Deferrals

Academic apprentice personnel can obtain a Fee Deferral from the department to extend the registration fee and nonresident tuition payment deadline by approximately two

months. It is students' responsibility to pay back the deferral with either personal funds or a fee award credited to their accounts. Students who do not meet the extended deadline are charged a late fee.

Medical Insurance Plan Premiums

The mandatory insurance premium is paid for all eligible academic apprentice personnel. Students should not waive out of health insurance if they want the premium paid as part of their employment. To waive out of GSHIP, submit the online waiver before the original registration fee payment deadline. A waiver out cannot be reversed during the term even if students have been given a fee deferral.

Extramural Support

The Graduate and Postdoctoral Extramural Support (GRAPES) database contains information on over 300 awards for graduate study, dissertation research, travel grants, and postdoctoral research. GRAPES is available at www.gdnet.ucla.edu/grpinst.htm or contact the Special Fellowships Office, 1252 Murphy Hall, (310) 825-3521.

EDUCATIONAL TAX BENEFITS

A number of educational tax benefits may have an impact on the federal income tax liability of students and their families. To assist the Internal Revenue Service (IRS) monitor eligibility for tax credits, UCLA must provide certain information to the IRS on its students. A brief summary of the provisions that may apply to students in attendance at UCLA follows:

Hope Scholarship Tax Credit is a nonrefundable tax credit up to a maximum amount of \$1,500 for qualified tuition and fees paid by or on behalf of a student. The credit is generally available for students in their first two years enrolled at least half time in coursework leading to a recognized degree or certificate.

Lifetime Learning Credit is a nonrefundable credit equal to 20 percent of the first \$5,000 of qualified tuition and fees paid by or on behalf of a student in years in which the Hope Scholarship Credit is not claimed. The credit is generally available for students enrolled in course work leading to a recognized degree or certificate. Individuals enrolled in course work to acquire or improve job skills may also be eligible for the Lifetime Learning Credit.

Student Loan Interest Deduction is a federal income tax deduction for an amount up to \$1,000 in interest paid on loans incurred to pay qualified education expenses.

As required by law, UCLA will report to the IRS the identity of students who have paid educational fees that may be eligible for the Hope Scholarship or Lifetime Learning Credit. On or before February 1, of the current tax year, students will receive a corresponding report. Any questions regarding information printed on this form should be directed to TCRS, the University of California's education tax credit reporting service, at their toll free number, 1-877-467-3821, or see www.tcrs.com.

To find out if you qualify for benefits under these or other provisions of the Taxpayer Relief Act, please contact a tax consultant or call the Internal Revenue Service. **The University of California is not authorized to respond to tax questions.**

Enrollment

Use URSA at (310) 208-0425 or www.ursa.ucla.edu to enroll in classes, add, drop, exchange, or change the grading basis of classes, join a wait list, and view Study Lists. Students enroll during appointment times, which they obtain through URSA.

URSA ENROLLMENT

URSA operates Sunday night 6 p.m. through Tuesday 1 a.m. and Tuesday to Saturday from 6 a.m. to 1 a.m., including holidays. See "URSA" for detailed instructions on using URSA.

Refer to the Enrollment Worksheet on the inside back cover of this schedule. Read the directions carefully and fill out the worksheet before using URSA.

Appointments

Enrollment appointments are based on class level and assigned within the time and dates shown on the chart at the end of this section or at www.registrar.ucla.edu/soc/enrolcht.htm.

Current-term degree candidates must redeclare candidacy for a later term to receive enrollment appointment times.

Graduate Student Enrollment

Law, Medicine, and Dentistry students enroll as instructed by their respective Student Affairs Office.

All other graduate students eligible to enroll for the next term are randomly assigned one appointment time or pass and can use URSA from the beginning of the specified appointment time through midnight on Friday of the second week of classes. Students should be enrolled in courses with unit credit by the deadline to avoid the \$50 late filing of study list fee and to avoid having to obtain instructor signatures.

Undergraduate Student Enrollment

A two-pass system is used for UCLA's 23,000 undergraduates to ensure that everyone has the opportunity to enroll in required premajor, major, and GE courses and to graduate.

Undergraduates eligible to enroll for the next term enroll on URSA during two randomly assigned appointments, which fall within pass periods that are prioritized as follows:

1. Students in priority groups
2. Seniors with 160 or more units
3. New and reentering students eligible for advance payment and/or enrollment
4. Seniors with less than 160 units
5. Juniors with less than 135 units
6. Sophomores with less than 90 units
7. Freshmen with less than 45 units

Priority enrollment groups include students in academic difficulty, Regents and Alumni Scholars, recruited scholarship recipients, L&S Honors Programs participants, athletes in NCAA sports, and students served by the Office for Students with Disabilities. Sections are carefully monitored during each priority group pass to ensure that any one group does not exceed 30 percent and that all groups do not exceed 50 percent of a section's spaces, in accordance with recommendations of a task force appointed by the Committee on Educational Policy.

URSA does not allow students to enroll before their specified time and informs them of their correct appointment day and time.

Changes in the appointment sequence are made only to correct an appointment based on an incorrect class level. To request an appointment change, go to 1113 Murphy Hall with a photo I.D. prior to the assigned appointment.

Priority Pass. Students in a priority group who do not enroll during their priority pass appointment period must wait until their first pass appointment to enroll.

First Pass. During their first pass, students may only enroll in 10 units. This gives all undergraduates a better chance to obtain at least two courses needed toward graduation. Students who do not process their enrollment during the assigned first pass must wait until their second pass appointment to enroll.

Second Pass. During their second pass, students can add courses up to the maximum units allowed by their college or school. They can enroll from the beginning of the specified appointment day and time through midnight on Friday of the second week of classes when wait lists are eliminated and Study Lists of enrolled courses become official. Students should be enrolled in courses with unit credit by that date to avoid paying the \$50 late Study List filing fee and obtaining instructor signatures and college/school approval on Enrollment Petitions (for more details, see Official Study Lists below).

After second pass appointments begin, undergraduates may

1. Use PTE # (see the Enrollment in Restricted Classes section below) to enroll through URSA or submit approved PTE forms for restricted or closed classes
2. Submit approved petitions for special studies 199 courses
3. Request enrollment in Passed/Not Passed (P/NP) courses over the eligible limit of units (URSA informs students if this applies)
4. Submit approval for an **excess unit** Study List (more than 18 units for Letters and Science/Engineering; more than 17 for Arts and Architecture/Theater, Film, and Television)

IN-PERSON ENROLLMENT

Any enrollment transactions that students can not complete through URSA may be processed at 1113 Murphy Hall.

1. At any time
 - a. **Graduate students** may submit approved Permission to Enroll forms for restricted or closed classes
 - b. **Undergraduates** may submit approved major change forms that may affect enrollment in courses restricted to particular majors
 - c. **School of the Arts and Architecture students** may have their enrollment processed at 1100 Dickson Art Center
2. After second pass appointments begin, undergraduates may complete any of the four enrollment processes above in person

WAIT LISTS

Wait lists are maintained through Friday of the second week of classes unless a department deletes them earlier. This may happen on the first day of classes for some sections, especially laboratories. Check the notes under the course listing in the *Schedule of Classes*. Students should not assume they will be added to a class

or dropped from a class (if, for example, they are number one or number 100 on the wait list). Students must drop themselves before the official Study List deadline if they do not want the class.

A wait-list position within 10 percent of enrollment capacity (for example, number five for a class of 50), indicates a good chance of being enrolled. Many students drop classes after the first meeting, at which point other students may enroll in the class or advance on the wait list. Sometimes departments increase the enrollment capacity of the class, which automatically enrolls additional students from the wait list. Check URSA before Friday of the second week of classes to determine wait list status.

Students may move backward on wait lists if a class is overenrolled through the use of PTE #s or PTE forms. For example, a student who is first on the wait list for a course that has an enrollment capacity of 100 and is not overenrolled, may move from position 101/100 to 105/100 if four students with PTE #s enroll. The student can not be enrolled until five people drop the course and the enrolled number is less than the enrollment capacity.

ENROLLMENT IN 199 COURSES

To enroll in Special Studies 199 courses

1. Obtain a Petition for Enrollment in Special Studies 199 Course form from the department
2. Fill out the petition and obtain the signatures of the instructor and the instructor's department chair

After the petition is approved, students must check with the department of the course they are enrolling in, or with their college or school, to confirm which of the following options they can use to complete enrollment in the course:

1. Through URSA using the PTE number provided by the department
2. Through the department by leaving the form for processing
3. Through the Registrar's Office by taking the form to 1113 Murphy Hall
4. Through the appropriate School by taking the form to
 - a. 1100 Dickson Art Center for the School of the Arts and Architecture
 - b. 6426 Boelter Hall for the Henry Samueli School of Engineering and Applied Science
 - c. 103 East Melnitz Hall for the School of Theater, Film, and Television

Once a petition is processed, the yellow portion serves as a receipt.

ENROLLMENT IN RESTRICTED CLASSES

Students may enroll in a restricted class if they get a five-digit PTE # through URSA or an approved PTE form. A PTE # or approved form is issued at the discretion of the instructor or department offering the class. When used with the nine-digit course ID., they guarantee enrollment through URSA or in person. Inquire at the respective departmental office regarding any internal department procedures for receiving a PTE # or approved form.

PTE #s or approved PTE forms may be issued in the following cases:

1. The department/instructor offering the class may authorize **selective enrollment** if the enrollment capacity is filled. This is at the instructor's discretion and may only be approved based on criteria established by the instructor and/or department.

2. As an exception to published **restrictions** (consent of instructor, department consent, specified majors, class levels — freshmen only, juniors or above) in the *Schedule of Classes*.
3. **Closed classes** (enrollment capacity reached). When the enrollment capacity is reached, students may choose to be on a wait list. They are moved into the class as enrolled people drop out or if the department increases the enrollment capacity.

If the instructor/department assigns a PTE #, use the nine-digit course I.D. to enroll in the class through URSA.

Once students receive an approved PTE form, they should

1. List **one class per form** and include term, their name and student I.D. number, nine-digit course I.D. number, department and catalog number, section number, units (if variable), and grading basis. Authorized approval signature is monitored by the Registrar's staff before processing. Approval is nontransferable, and alteration of a form, misrepresentation, or forgery is cause for disciplinary action by the Dean of Students.
2. Submit the white portion of the form for processing at 1113 Murphy Hall; the department/instructor issuing the approved form keeps the yellow copy.
3. Keep the white portion of the processed form as their receipt, along with a printout of their Study List.

ENFORCED REQUISITES

Undergraduate students are prevented from enrolling in lower division L&S courses with enforced requisites (as listed in the *UCLA General Catalog* or the online *Schedule of Classes*) if those requisites have not been met. Some courses with requisites may be in warning status, which allows enrollment but informs students that the course requisite has not been met. In "Class Listings," courses with enforced requisites are notated with a Y in the ENF REQ column, located after the course title.

Students with transfer or AP credit that was not evaluated as equivalent to a specific requisite should consult the department offering the course for review of the transfer or AP credit as shown on their DPR. Decisions by the department concerning meeting required requisites are final.

IMPACTED COURSES: L&S STUDENTS

The College of Letters and Science designates certain lower division courses as "impacted," which refers to L&S courses that

1. Meet once a week and are difficult to complete if a student has not attended by the end of the second week of classes
2. Have high enrollment demand that deny qualified students enrollment because of limited resources
3. Have high instructor/student ratios, and/or
4. Involve large commitments of other resources.

Each impacted course is clearly indicated "Class Listings" by a Y in the IM (Impacted) column and an accompanying note.

Students can not drop an impacted course after the second week of a term for other than exceptionally extenuating circumstances as described in Drop Procedures below.

OFFICIAL STUDY LISTS

A Study List is a record of all courses students enroll in for a term. A registered student's Study List of enrolled courses becomes official at midnight on Friday of the second week of classes. Each student is responsible for all courses and grading basis, as listed on URSA, and cannot receive credit for courses not listed. Errors or omissions should be corrected before the student's academic dean's deadline for changes by petition.

Undergraduate Changes to Official Study List

After Friday of the second week, when the Study List becomes official, undergraduate students are charged a fee to add courses (a PTE # is required if the class is closed or restricted) through Friday of the third week; drop courses or change variable units through Friday of the fourth week; and change the grading basis of courses through Friday of the sixth week (see the chart later in this section). A student's BAR account is charged the appropriate fee for each change. For all other changes—including registering late, filing a late Study List, adding after the third week, dropping a course or changing variable units after the fourth week, changing grading basis after the sixth week, and so on—students must file an Enrollment Petition by the published deadline (see "Calendar"). See Enrollment Petitions below for details.

Student athletes must check with their L&S counselor before attempting any drop after fourth week.

Graduate Student Changes to Official Study List

Graduate students can use URSA to add, drop, or change grading basis or variable-unit courses with a fee through the end of the last day of instruction. To add a course that is closed or restricted, students must input a valid PTE #. Their BAR account will be charged the appropriate fee per transaction.

ENROLLMENT PETITIONS

Required approvals, which vary by college/school/division, are outlined on the Enrollment Petition form. No petition is accepted for processing enrollment without all required approval signatures. Such approvals must be CURRENT (an approval dated prior to a published deadline is not acceptable two weeks after the deadline). Enrollment Petitions may be purchased at UCLA Stores. See the petition for processing locations.

Undergraduates: Required for (1) adds with instructor's signature, (2) late study lists, (3) late adds/drops/credit changes, (4) late drop of impacted courses, and (5) retroactive changes. Items 3-5 require a separate petition process with the school/college. An enrollment petition is only given to the student if the request is granted. Enrollment petitions are also required for Nursing students seeking to add, drop, or change variable units after Friday of second week.

Graduate Students: Required for late registration and late study lists. Departmental signatures are required for late registration but not for late study lists. Retroactive petitions require signatures of the department and instructor(s) as well as a supportive memorandum from the department. These are submitted to Graduate Division, 1255 Murphy Hall, for consideration.

Do not use an enrollment petition when URSA enrollment processing is available.

Changes requested after published deadlines (see "Calendar") are considered only under extraordinary circumstances by each college/school, and supportive information may be required prior to approval.

DROP PROCEDURES

Dropping a course may reduce a Study List below minimums required for full-time status, financial aid, the minimum progress requirement, and eligibility for residence halls and other services that require a specific enrollment status. The drop forms remind students about these requirements and consequences that may be triggered if the particular petition is processed. However, it is each student's responsibility to satisfy these other requirements.

Dropping Nonimpacted Courses

Nonimpacted courses constitute the vast majority of courses and may be dropped on or before Friday of second week through URSA with no fee or transcript notation. These courses may be dropped during third and fourth week on URSA with no transcript notation and a \$3 per course fee. Drops after Friday of fourth week may be made by obtaining a Late Drop of Nonimpacted Course form from your L&S College.

Dropping Impacted Courses: L&S Students

Impacted courses may be dropped after the second-week deadline only under extraordinary circumstances. Each impacted course is indicated by a "Y" under the IM (Impacted) column in the class listings in this *Schedule*.

Students have only two weeks to drop an impacted course without a notation on their transcript. After the end of second week, students who need to request a drop of an impacted course should first consult their instructor for advice on other options.

If dropping is advised due to exceptional or extreme circumstances (such as severe illness), pick up the Dropping an Impacted Course form from your College Counseling unit (honors students at Honors Programs, A311 Murphy Hall; AAP students at AAP Counseling, 1209 Campbell Hall; athletes at the Morgan Center; all other L&S students at L&S Counseling, A316 Murphy Hall). Students must explain their situation on the form and obtain a signature from the instructor. Impacted course drop requests are considered by a faculty subcommittee of the L&S Executive Committee. If approved, the dropped course appears on the student's transcript with a notation indicating the date and week of the term in which the drop was filed with the college.

Transcript Notation for Late Drops

Drops of nonimpacted courses processed after Friday of the fourth week are recorded on the permanent undergraduate transcript. The entry records the week the course was dropped using the following format:

COGNITIVE PSYCH	PSYCH	120	4.0	B+
SHAKESPEARE	ENGL	90	4.0	
COURSE DROPPED WEEK 8				

LATE STUDY LISTS

Any registered student who is not officially enrolled in courses for credit as of Friday of the second week of instruction must file a **late Study List**. Use an Enrollment Petition for this process.

There is a \$50 late fee, which is charged in addition to the late payment fee, for filing a Study List after Friday of the second week of instruction as described under Late Payment in "Billing."

1. Obtain the appropriate form (undergraduate students from academic dean; graduate students from department adviser) and complete as instructed.
2. File the approved form at the processing locations noted on the Enrollment Petition form. You are given a receipt of the approved/processed Study List and are responsible for all courses and grading basis as recorded. Your BAR account is charged the \$50 late fee.

INCOMPLETE GRADE PROCEDURE

Students who receive an Incomplete grade in a course and who plan to complete the requirements to remove it, should not reenroll in the course. Have the department send a UCLA Report of

Academic Revision to the instructor. Once the grade is received by the Registrar's Office, a confirmation is issued to the department and/or instructor and a \$5 fee is then charged to the student's BAR account. Fees are subject to change at any time.

The petition and grade assigned must be on file in the Registrar's Office by the end of the student's next registered term to prevent the I grade from lapsing to an F, NP, or U. The UCLA Report of Academic Revision can also be used to remove Incompletes that have lapsed.

Confirm that a grade has been received through URSA and check which term the I grade was removed. If the grade is not recorded, students should check that the instructor forwarded the form with final grade and proper date of completion to the Registrar's Office

STUDY LIST CHANGES VIA URSA

Fees for URSA adds/drops/changes are automatically charged to a student's BAR account on a per transaction basis of \$3. Anything submitted or requested as an exception to a published deadline is subject to a **penalty fee of \$10**. See "Calendar" for deadlines.

	Undergraduate Students		Graduate Students	
	No Fee	Fee	No Fee	Fee
Add a Course	Weeks 1-2	Week 3 ^a (with PTE#)	Weeks 1-2	Weeks 3-10 ^b
Drop a Course	Weeks 1-2	Weeks 3-4 ^c	Weeks 1-2	Weeks 3-10
Change Grading Basis	Weeks 1-2	Weeks 3-6	Weeks 1-2	Weeks 3-10
Change Variable Units	Weeks 1-2	Weeks 3-4	Weeks 1-2	Weeks 3-10

- Undergraduate students adding courses during third week are assessed a \$3 per course fee. For courses added after the official add deadline of Friday of third week, undergraduates are assessed a fee of \$3 per course plus a penalty fee of \$10 per course.
- Graduate students adding courses during third week are assessed a \$3 per course fee. The official graduate add deadline is Friday of third week. For courses added after this date, graduates are assessed a fee of \$3 per course plus a penalty fee of \$10 per course and the enrollments are not counted toward departmental budget allocations.
- L&S students may not drop impacted courses through URSA after Friday of second week. Students in the School of Nursing need approval from their school for any add or drop after the second week. Students in the schools of Arts and Architecture, Theater, Film, and Television, and Engineering and Applied Science need approval from their school for any drop after the fourth week.

URSA

University Records System Access (URSA) gives UCLA students, and those who have been students within the past ten years, real-time access to their University academic records.

URSA operates Sunday night 6 p.m. through Tuesday 1 a.m. and Tuesday to Saturday from 6 a.m. to 1 a.m., including holidays.

URSA is accessed two ways:

1. By logging onto **URSA OnLine** at www.ursa.ucla.edu
2. By calling **URSA Telephone** at (310) 208-0425

Security features insure that only you have access to your information. Access is based on students' nine-digit UCLA student I.D. and a four-digit security code that is assigned to them when they are admitted.

The first time students access URSA, they are asked to change their assigned security code (personal identification number or PIN) to a four-digit number of their own choosing. At any time, they may change this PIN through URSA OnLine.

Do not give your security code to anyone. If you tamper with another student's enrollment or personal data, you are subject to disciplinary action, up to and including suspension.

If the privacy of your security code has been compromised, or if you misplace your code, go to 1113 Murphy Hall with your BruinCard. Your security code is not given over the telephone unless an authorization to release your security code is on file at the Registrar's Office.

URSA OnLine WWW.URSA.UCLA.EDU

For most students, URSA OnLine provides the easiest way to enroll in classes, and to gain real-time access to academic, financial, and personal records. The site is designed with an intuitive visual interface that walks you through the different steps of the procedure you are trying to accomplish, whether it be to check your BAR account, change address information, view your Study List, or see your term grades.

The image displays three overlapping screenshots of the URSA OnLine web interface in a Netscape browser window.

Top Screenshot: URSA OnLine Main Menu
 The browser title is "Netscape: URSA OnLine Main Menu". The address bar shows "http://www.saonet.ucla.edu/ursademo/URSA_Online_Main_Menu.htm". The page features the URSA OnLine logo and a "Main Menu" with three columns:

- Academic:** Enrollment, Study List, Classes & Real-Time Enrollment Counts, Degree Progress Report and/or Grade Report, Term Grades and GPA Information, URSA Enrollment Appointments, Registration Status, Holds.
- Financial:** Current Month BAR Account, Financial Aid Document Tracking, Refund Activity, Financial Aid Awards, Financial Aid Summary, Summer Sessions Account.
- Personal:** Address Information, Privacy Options, Security Code Changes.

 A bear mascot is shown with a sign that says "CLICK HERE TO LOG ON". A timer indicates "Time Remaining: 15:00".

Middle Screenshot: Enrollment Menu - Fall 2000
 The browser title is "Netscape: Enrollment Menu". The address bar shows "http://www.saonet.ucla.edu/ursademo/Enrollment_menu.htm". The page title is "Enrollment Menu - Fall 2000". It lists several options:

- Add a class
- Drop a class
- Exchange one entire class for another
- Exchange secondary sections within the same class
- Change units in a variable unit class
- Change grading basis
- Move from wait list to enrolled status with PTE number

 A "Study List" section includes a table of course information.

Bottom Screenshot: Classes & Real-time Enrollment Counts - Select Class
 The browser title is "Netscape: Classes and Real-time Enrollment Counts". The address bar shows "http://www.saonet.ucla.edu/ursademo/Current_Class_Enroll_Status.htm". The page title is "Classes & Real-time Enrollment Counts - Select Class". It includes a form for selecting a class:

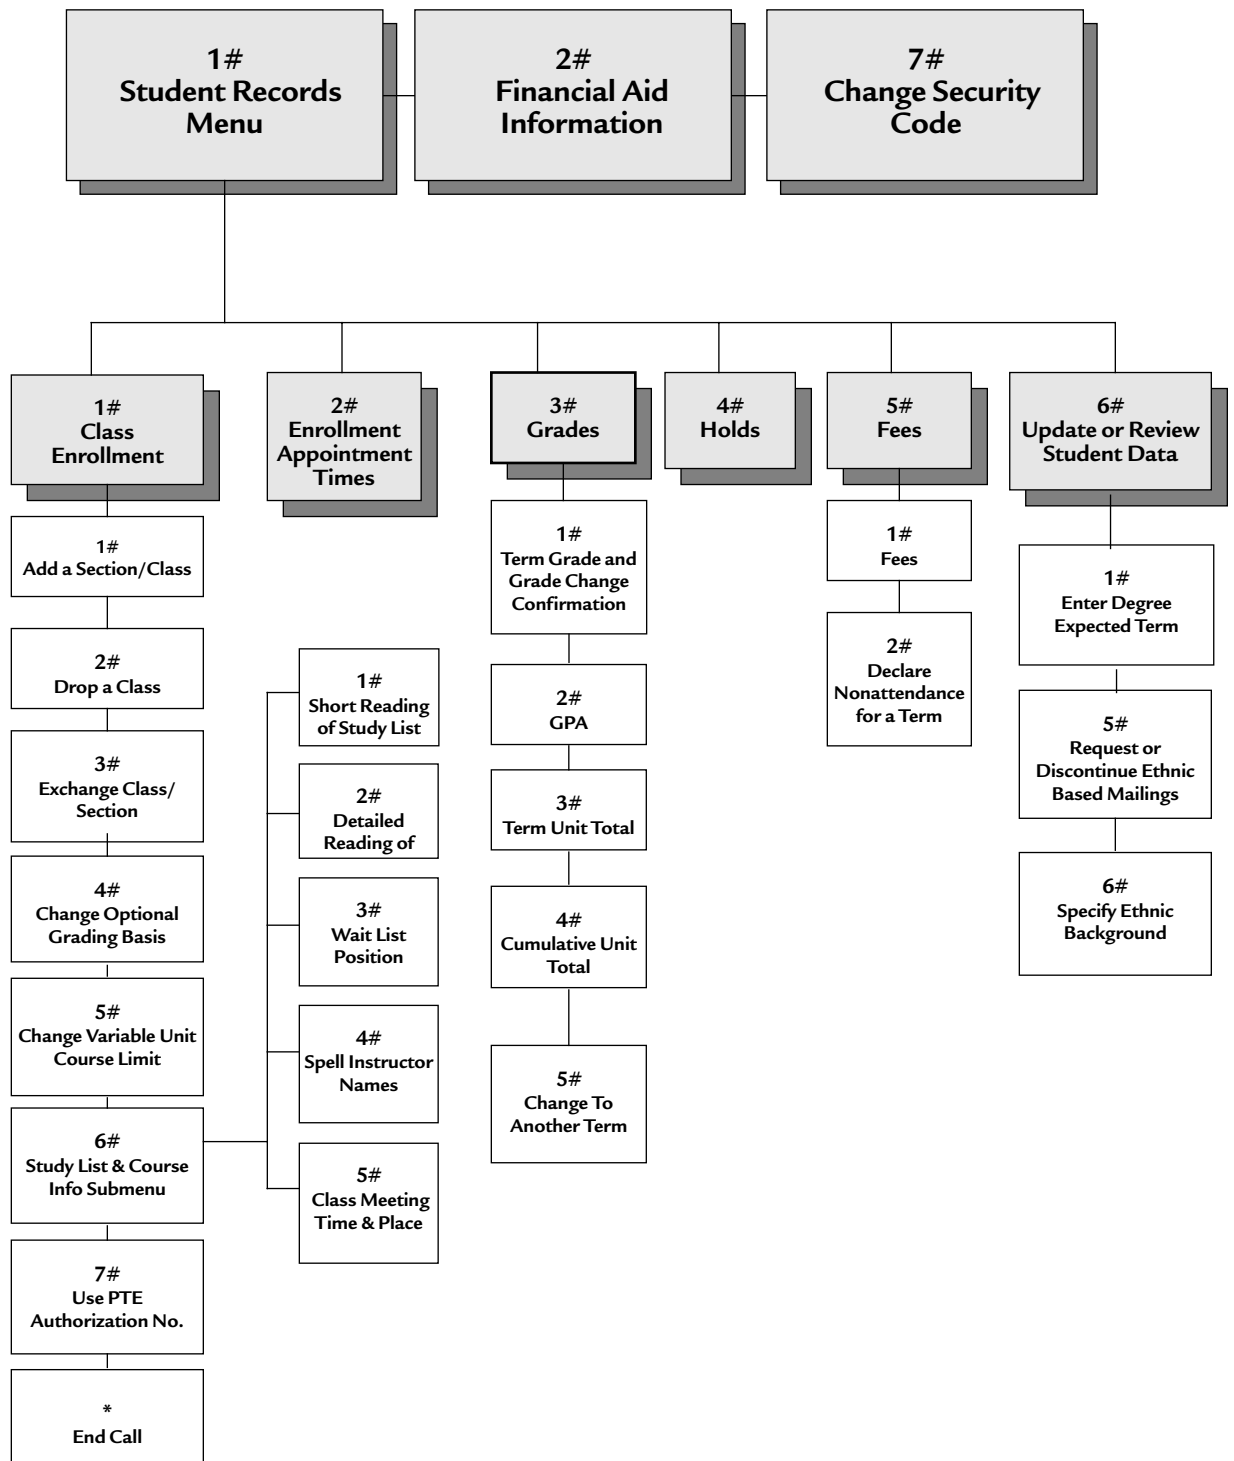

- Subject Area: **MATH**
- Catalog Number (Optional):
- Year: **2000**
- Term: **Spring**
- View Type: **Open And Waitlisted Classes Except Individual Studies Classes**

 Buttons for "SUBMIT", "MAIN MENU", and "LOG OFF" are visible. A date/time stamp at the bottom reads "Date - Time: 01-01-1999 12:01:00.00".

URSA TELEPHONE (310) 208-0425

With a touchtone phone, use URSA Telephone to access student records. When the system requests that you enter information, you are given approximately 10 seconds to make an entry and three attempts to make a correct entry, after which you are disconnected. You can enter information before the instructions are over if you are familiar with the URSA Telephone system and all the messages.

A time limit is announced at the beginning of each call. If you exceed the limit, you are disconnected. If you are in the middle of processing a transaction when your time is up, the system allows you to complete it before disconnecting you. A quick reference to the processes students may complete with URSA Telephone, and to the touchtone commands for transactions, are shown below.

UCLA Online

BRUIN ONLINE

Bruin OnLine (BOL) is a collection of software and services that provide UCLA students, faculty, and staff with access to e-mail, campus network services, and the Internet. Services include dial-up access using PPP at speeds up to 56 Kbps and access to the campus network through ethernet ports.

Use BOL to

1. Check class availability in the online *Schedule of Classes*
2. Enroll via URSA OnLine or access student records, including Study List, and undergraduate Degree Progress Report
3. Access class webpages and discussion groups
4. Search the UCLA Library or online databases via ORION2
5. Review the Calendar of Events for cultural and sporting events
6. Check the online Campus & CHS Directory for telephone numbers and e-mail addresses of faculty, students, and staff
7. Create personal webpages or join discussions on UseNet news-groups
8. Read wire service news from ClariNet

Accessing Bruin OnLine Services

The main places to connect to Bruin OnLine from campus are at

1. Campus computing labs, such as the ATS Computer Commons, CLICC lab, Humanities Computing Facility, or Social Sciences Computing labs, which post instructions for BOL access; consult your department or campus lab staff for further instructions
2. Campus residence hall rooms where, in order to access BOL, students must purchase a network card from the Student Technology Center in Delta Terrace (310-825-3400). BOL software and related instructions are included with the card.

The two ways to access BOL from off campus are

1. By purchasing BOL software at the UCLA Store or downloading it from www.bol.ucla.edu. Once the software is installed and configured, users pay all telephone charges to access the BOL modem pool (310 area code). Setup and configuration instructions are available on the BOL CD, at 4302 Math Sciences, and at www.bol.ucla.edu.

2. By purchasing BOL Gold, a fee-based remote-access service offered in partnership with EarthLink Sprint. BOL Gold provides all the features of BOL, plus access to EarthLink services, including nationwide local dial-up numbers, high speed modem options (v.90), DSL, and additional mail and web page space at a discounted price. See <https://custos.earthlink.net/BOL.html>.

System Requirements

To use BOL from home or a campus residence hall, your computer must meet the minimum configurations below. Departments may have additional recommendations for graduate student computers.

Macintosh or compatible:

1. 16 MB RAM (24 MB strongly recommended)
2. Power PC processor
3. CD-ROM drive

Getting Started

To use BOL, you need a BOL ID, password, and a computer that connects to UCLA's network. You can access BOL from many locations throughout campus or from home. If you are new to BOL, you can learn its features through classes and online tutorials. Personalized assistance is also available from the BOL Help Desk.

For instructions on creating BOL accounts, see the Getting Started section at www.bol.ucla.edu.

Access for Persons with Disabilities

The Academic Technology Service's (ATS) Disabilities and Computing Program (DCP) has specifically adapted configurations of BOL software. Contact (310) 206-7133 for more information or see "Student Services."

For more information on Bruin OnLine, contact the BOL help desk (310) 825-7452, e-mail consult@ucla.edu, drop by 4302 Math Sciences, or see www.bol.ucla.edu/

UCLA HOMEPAGE

The UCLA homepage (www.ucla.edu) offers access to information on campus teaching, research, and service. Its main menu links to sites for admissions, health sciences, resources, the library and the arts, athletics, continuing education, alumni, the UCLA store and MyUCLA. In addition, the student menu on the homepage connects to URSA, student services, computing labs, and campus news. A search feature allows for easy browsing through the thousands of web pages that comprise the UCLA site including those for departments, programs, and services.

MYUCLA

MyUCLA at <http://my.ucla.edu> provides a portal to individual student information. Students can personalize the site by entering either their Bruin OnLine I.D. and password or their University I.D. and the same four-digit passcode used to access URSA. Features of MyUCLA include

1. WebMail to access e-mail, including support for BruinOnLine, Earthlink, HUMNet, SSCNet, and other popular mail systems. Users can also establish a personal address book
2. A personalized study list showing classes and class information for current and previous quarters, including grades and links to course websites
3. A notifications section for important announcements
4. A subscriptions section where students access online information from newspapers, journals, or magazines or from University departments, clubs, and organizations
5. Links to UCLA online resources, including URSA, the *Schedule of Classes*, and *UCLA General Catalog* and much more
6. A personal calendar that includes academic deadlines, subscription calendars, class specific deadlines, and personal entries
7. Scoped InfoSeek searches
8. General academic information.

Letters and Science students obtain additional services including the ability to view their counseling appointments, check the status of petitions, and track their honors progress.

INSTRUCTIONAL ENHANCEMENT

The Instructional Enhancement Initiative, which was launched by the College of Letters and Science, is designed to

1. Provide all Letters and Science undergraduate courses, except independent studies and other similar courses, with an individual course website for faculty, teaching assistants, and enrolled students. The sites facilitate the distribution of supplementary course materials, lecture notes, homework assignments, research links, and electronic communication, including virtual office hours and class bulletin boards for interactive question and answer sessions. Instructors decide which of these online capabilities are best suited to their course websites.
2. Provide enhanced computer laboratories with expanded hours of access for student use

Students enrolled in most Letters and Science courses are assessed a course materials fee — the Instructional Enhancement Fee. For the 2000-01 fee amounts, see www.registrar.ucla.edu/fees. Fee assessment through the BAR billing statement is based on actual enrollment at the end of the fourth week of the quarter.

NEWSGROUPS

UCLA has many newsgroups that can only be accessed from campus accounts. Bruin OnLine has its own newsgroups, for example, that post announcements about their service and where students ask questions about computer software and hardware (ucla.bol.announce, ucla.bol.general, and ucla.bol.webpages). Other newsgroups help with platform questions (ucla.pc and ucla.mac), while still others post announcements and offer forums (for example, ucla.general, ucla.announce, ucla.rumor, and ucla.forsale). Some classes have their own newsgroups as well.

UCLA LIBRARY ELECTRONIC RESOURCES

Locate and identify materials through the library's web-based online information systems (see below), which can be accessed from the library website at www.library.ucla.edu. Reference librarians are available in all library units to answer questions about using online systems, as well as to provide assistance with reference and research topics.

ORION2 contains records for all UCLA Library holdings and other campus collections including the Archive Research and Study Center of the Film and Television Archive, Chicano Studies Research Center Library, Ethnomusicology Archive, Institute for Social Science Research Data Archives Library, and Instructional Media Library. ORION2 also provides library item location and circulation status, and users can request ORION Express services and SRLF items online.

The **California Digital Library**, a tenth library for the entire University of California system, provides access to the Melvyl Catalog, the California Periodicals Database, numerous abstracting and indexing databases, and gateways to other systems. The Melvyl Catalog, which is also available via telnet ([melvyl.ucop.edu](telnet://melvyl.ucop.edu)), contains information on library holdings at all nine UC campuses.

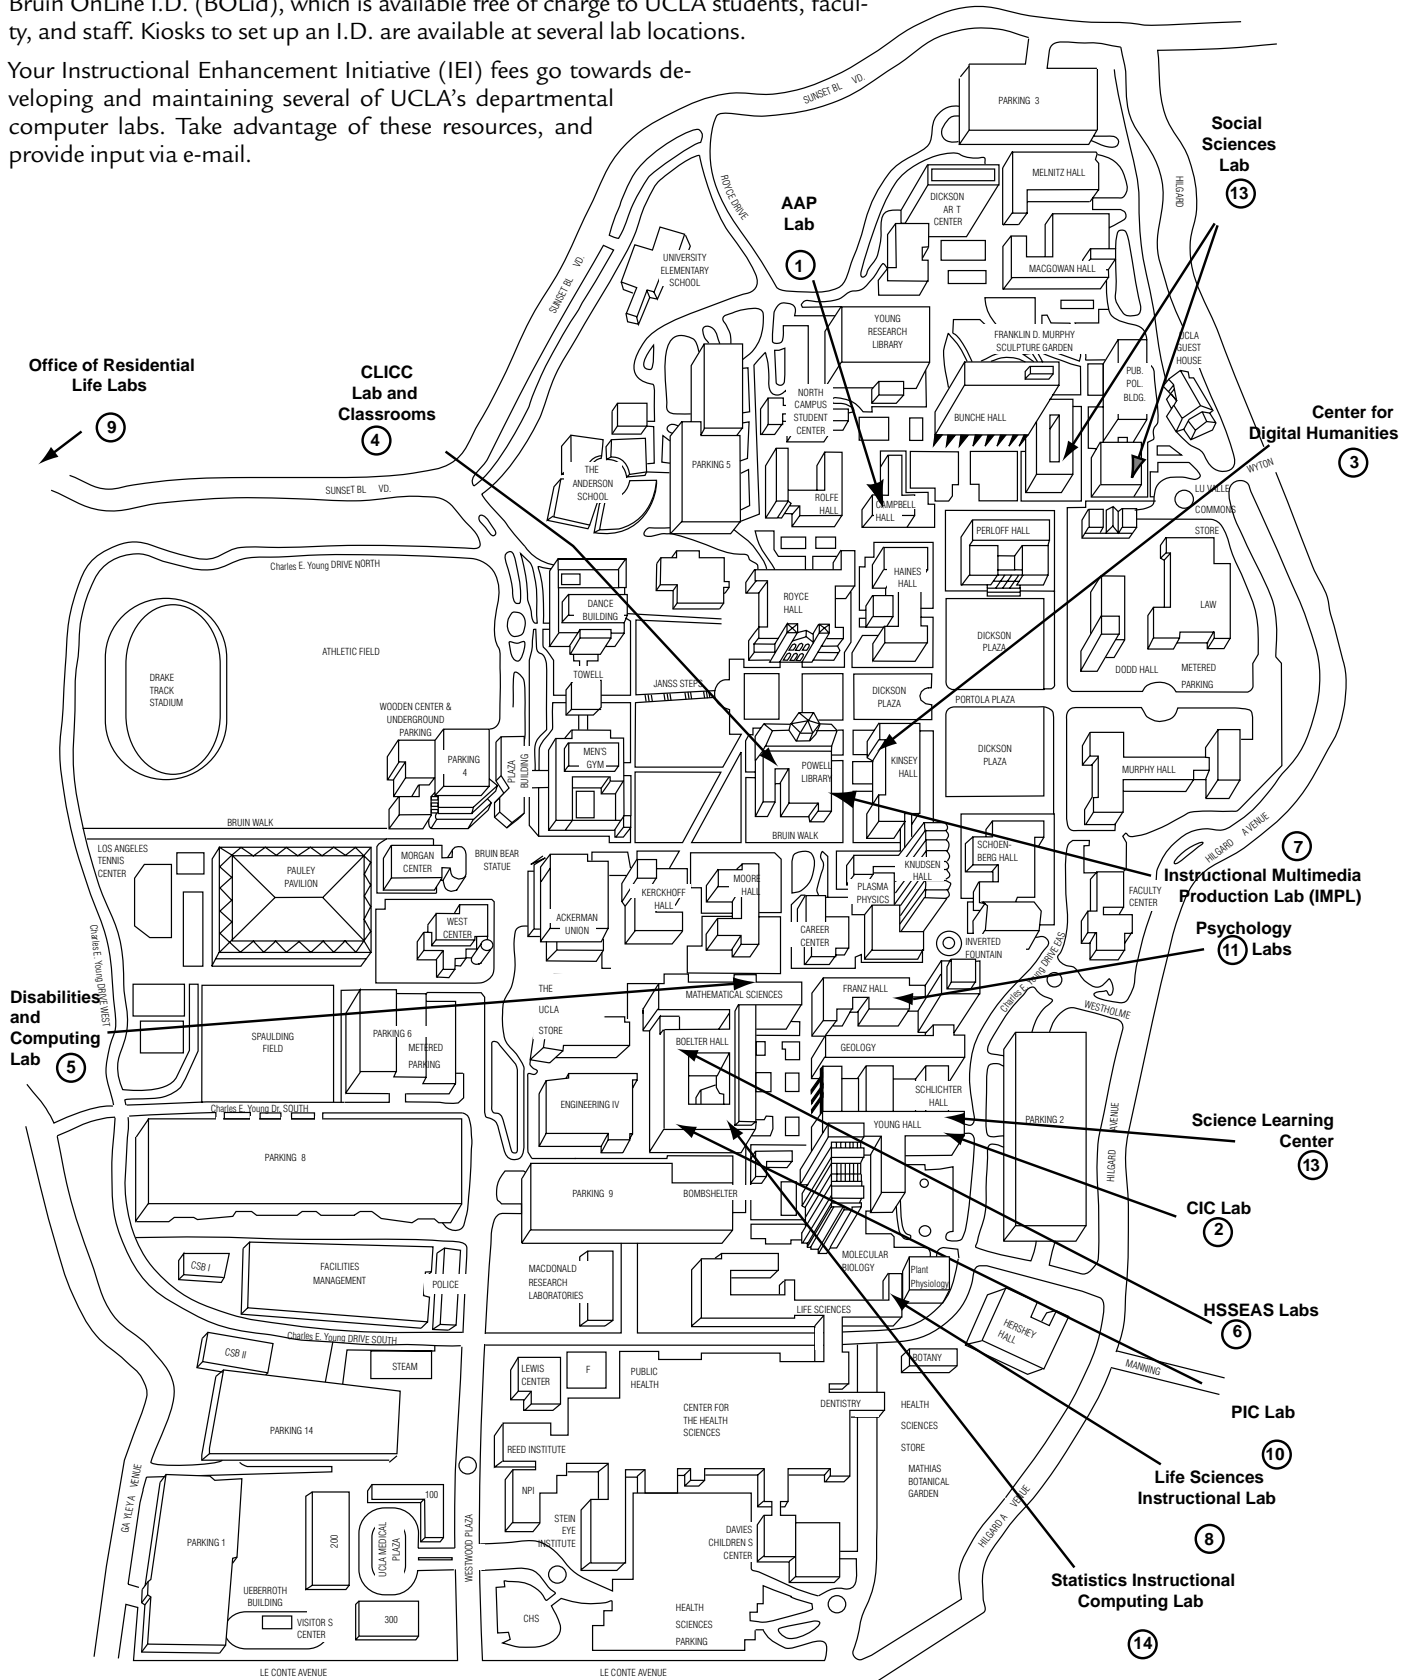

While continuing to develop and manage collections of traditional printed materials, the UCLA Library also makes a number of digital resources available for campus use through the Library site. These include electronic reserves and many electronic journals, texts, reference resources, periodical indexes and abstracts.

COMPUTER LABORATORIES MAP

Locations and hours are as of June 2001. The most current online information is at computerlabs.clicc.ucla.edu.

Access to labs varies. Departmental labs may require enrollment in either the major or a class. General purpose labs merely require a Bruin OnLine I.D. (BOLid), which is available free of charge to UCLA students, faculty, and staff. Kiosks to set up an I.D. are available at several lab locations.

Your Instructional Enhancement Initiative (IEI) fees go towards developing and maintaining several of UCLA's departmental computer labs. Take advantage of these resources, and provide input via e-mail.

Student Services

Student Services support the teaching, research, and public service functions of the university while they promote the academic success of UCLA students and enhance the quality of campus life.

REGISTRAR'S OFFICE SERVICES

In addition to enrollment services, the Registrar's Office helps students determine residence status, change names on official records, and obtain transcripts and degrees.

Establishing Residence for Tuition Purposes

Specific criteria for establishing residence for tuition purposes is included in the Appendix of the current *UCLA General Catalog* and in the Registrar's Office Frequently Asked Questions at www.registrar.ucla.edu. Direct inquiries about residence requirements to the Residence Deputy, 1113 Murphy Hall, (310) 825-3447. No other university personnel are authorized to supply information about residence requirements for tuition purposes.

Petition for Resident Classification is obtained and filed at 1113 Murphy Hall prior to the late registration period for the term in which you are eligible for classification from nonresident to resident status. Documentation of residence will be requested at that time.

Name Change

To change their names on official University records, or to identify capitalization, punctuation, or accent marks (for your diploma) that computer files do not accommodate, students must obtain and file (no fee) the UCLA Correction or Change of Name form at Enrollment and Degree Services, 1113 Murphy Hall. Forms are available in the Murphy Hall North Lobby and at www.registrar.ucla.edu. A new BruinCard must be obtained at 123 Kerckhoff Hall; there is a \$15 replacement fee.

Official Transcripts

Two versions of official UCLA student records are available from Academic Record Services, 1134 Murphy Hall. These are the academic transcript and the verification transcript. Each is designed to meet specific needs.

Academic Record Services provides transcripts for regular and Summer Sessions. For UCLA Extension courses, order from UCLA Extension, P.O. Box 24901, Los Angeles, CA 90024.

Official UCLA transcripts are printed on security paper to safeguard against unauthorized duplication, alteration, and misrepresentation. The security paper is blue with a faint background design and a border with the words "University of California, Los Angeles." The reverse of the document includes the transcript legend and authentication details.

Academic Transcript. The academic transcript is a student's complete academic record, including a listing of courses taken, transfer credit, units, grades, grade-point average (GPA), earned UCLA degrees, and in-progress term information, which in-

cludes a list of the courses that student enrolled in during the term the document was requested, and other in-progress information such as a change in major or the removal of an I grade.

Grades for completed terms are processed immediately following the conclusion of final examinations. Complete academic transcripts are available approximately 30 working days after the last day of the term. For graduating students, academic transcripts with the graduation date included are available approximately seven weeks after the end of the term. If you require earlier proof of graduation, contact your degree auditor in 1113 Murphy Hall. A fee may be charged for this service.

The minimum period required for processing and issuing academic transcripts for both registered and former students is three working days. Expedited service—processing within 24 hours—is available for an additional \$10.00 charge.

Verification Transcript. The verification transcript certifies registration (fee payment), enrollment status, degrees, and "good student" standing for auto insurance. Verification transcripts confirm student status only after registration fees have been paid for the term. Verification of student workload is based on actual enrolled units and does not consider wait-listed units or list courses for a term.

Verification of degree can be issued after your degree has been posted to your student record approximately seven weeks after the term ends. If you require verification before your degree is posted, contact your degree auditor in 1113 Murphy Hall.

The fee for a verification transcript is waived if requested for loan or student aid verifications (proof of request required). Most enrollment verifications for loans and creditors, however, are processed for the University by the National Student Loan Clearinghouse. Approved by the U.S. Department of Education, the clearinghouse is a national organization that facilitates and expedites student enrollment verifications for creditors and other student service-related agencies. The clearinghouse abides by all provisions of the Family Educational Rights and Privacy Act (FERPA).

Ordering Transcripts. Academic and Verification transcripts can be ordered by sending a request to UCLA Registrar's Office, Attn: [Academic or Verification] Transcripts, 1105 Murphy Hall, Box 951429, Los Angeles, CA 90095-1429.

Requests should include

1. The name under which you were registered at UCLA
2. Your dates of attendance
3. Your date of birth
4. Your social security number and/or your student I.D.
5. Your complete address and telephone number
6. The number of copies you need
7. Detailed mailing instructions including any special handling
8. Your full signature

Transcript request forms containing this information are available in the Murphy Hall North Lobby or at www.registrar.ucla.edu/forms.

Transcripts can also be ordered by faxing a request to (310) 825-6235.

More information on ordering transcripts is available by calling (310) 825-3801 or by contacting transcripts@registrar.ucla.edu.

Fees and Payment. Transcripts are regularly \$5.00 per copy. Current students' transcript fees are billed to their BAR account. Former students may be billed or may submit a check or money order payable to Regents-UC. Billing statements are issued at the end of the month by Student Accounting; payments are processed by the Administrative Main Cashier's Office.

In some cases, additional fees may apply. Forms that must be completed by the Registrar's Office are charged a special handling fee of \$15.00 per form. Forms that require official signatures on envelopes are charged \$15.00 per addressee. Expedited service—processing within 24 hours—is available for an additional \$10.00 per addressee. Express Mail or Federal Express services are also available; consult Academic Record Services for special mailing fees.

Transcripts can be faxed with payment of an additional fee of \$5 for domestic and \$10 for international faxes. Transcripts that are faxed are generally not considered official and confidentiality can not be guaranteed.

Transcript requests are not processed for anyone with outstanding obligations to the University. Fees are subject to change at any time.

OTHER STUDENT SERVICES

Programs and services are geared to supporting the mental, social, and physical development needs of students in a healthy, safe, and intellectually challenging environment.

Ashe Student Health and Wellness Center

The Arthur Ashe Student Health and Wellness Center (Student Health Service) is an outpatient clinic for UCLA students. Most services are prepaid by registration fees, and students may be seen by appointment or on a walk-in basis. Core (prepaid) services include visits, most procedures, X rays, and some laboratory procedures. Noncore (fee) services, such as pharmaceuticals, injections, orthopedic devices, and some laboratory procedures, are less costly than elsewhere. If students withdraw during a school term, all Ashe services continue to be available on a fee basis for the remainder of that term, effective from the date of withdrawal.

The cost of services received outside of the Ashe Center is each student's financial responsibility. Students are strongly encouraged to purchase supplemental medical insurance either through the UCLA-sponsored Medical Insurance Plan (see "Registration") or other plans that provide adequate coverage.

Office hours during the academic year are weekdays 8 a.m. to 6:30 p.m. except Tuesday, when service begins at 9 a.m. Patients without appointments and patients with orthopedic or surgery appointments are seen on the first floor; Women's and Men's Clinics and internal medicine appointments are on the second floor; all other patients with appointments (including immunizations) are seen on the third floor. Physical therapy and the insur-

ance office are on the fourth floor. For emergency care when the Ashe Center is closed, students may obtain treatment at the UCLA Medical Center Emergency Room or UCLA Family Practice on a fee-for-service basis.

Campus Ombuds Office

The Campus Ombuds Office responds to issues and concerns from students, staff, faculty, and administrators. Acting impartially, ombudspersons may investigate unresolved conflicts or facilitate the resolution of problems for which there are no established guidelines and may also, where possible and when requested by the visitor, assist in resolving an issue through mediation (including sexual harassment cases). The Ombuds Office is in the Strathmore building at 501 Westwood Plaza. See www.saonet.ucla.edu/ombuds.

Center for Student Programming

The Center for Student Programming (CSP) helps students start a club or join an existing one and serves as the official registry for all campus organizations. CSP assists students with program and leadership development and fund-raising, interprets and enforces University rules and regulations, and administers bulletin boards on campus.

Center for Women and Men

The Center for Women and Men offers services to all UCLA students, with special focus on gender related issues and concerns and reentry/nontraditional student services.

In addition to individual counseling, the center presents workshops and support groups on a variety of topics including assertiveness training, child care, career and leadership development, healthy relationships, mentorship for women in the sciences, men's issues, returning to school, single parenting, sexual violence prevention and education, health and wellness. It also offers referrals for medical, legal, career planning, personal counseling, and other services both on and off campus. In addition, rape services consultants (RSCs) — individuals who provide information, support, and resources for members of the UCLA community who have been raped or sexually assaulted — can discuss options and alternatives, help identify and assist in contacting the most appropriate support services, and answer any questions that may arise. The center is also a designated Sexual Harassment Information Center available to all UCLA students. See www.thecenter.ucla.edu.

Cultural and Recreational Affairs

The Department of Cultural and Recreational Affairs coordinates recreational programming and supervises campus recreational activities and services. See www.saonet.ucla.edu/recreate.

Dean of Students

The Office of the Dean of Students assists students with whatever needs they might have. Direct services include general counseling; sending emergency messages to students; and assisting in understanding University policies and procedures, including grievance procedures regarding student records, discrimination, and student debts. See www.deanofstudents.ucla.edu.

Housing Services

On-Campus Housing. Applications for on-campus housing require a \$30 nonrefundable application fee. Contact the UCLA

Housing Assignment Office at (310) 825-4271 for questions regarding the application process or see www.housing.ucla.edu/housing.

Off-Campus Housing. The Community Housing Office offers rental assistance for students, faculty and staff interested in off-campus housing. The office, located in the east patio of Sproul Hall, lists and accepts ads for a variety of living alternatives from the private sector, including apartments, roommate situations, and rooms in private homes. See www.cho.ucla.edu.

Libraries

The UCLA Library, a campuswide network of libraries serving programs of study and research in many fields, is among the top ten ranked research libraries in the U.S. The total collections number more than 7.5 million volumes, and more than 90,000 serial titles are received regularly.

Undergraduates are encouraged to use the College Library, which features collections and services in support of the undergraduate curriculum. The scholarly and research needs of undergraduate and graduate students and faculty are served by the Arts Library, Louise M. Darling Biomedical Library, Richard C. Rudolph East Asian Library, Hugh and Hazel Darling Law Library, Eugene and Maxine Rosenfeld Management Library, Music Library, Charles E. Young Research Library, and Science and Engineering Library. Lower-use materials for which there is not adequate shelving space on campus are located in the Southern Regional Library Facility (SRLF).

Locate and identify materials through the library's web-based online information systems, which include ORION2, The California Digital Library, and electronic reserves. These systems can be accessed from the library website at www.library.ucla.edu.

Lesbian, Gay, Bisexual, and Transgender Resource Center

The Lesbian, Gay, Bisexual, and Transgender (LGBT) Resource Center provides education, information, and advocacy services for the UCLA community. The center offers support groups, educational workshops and training seminars and maintains a small library of books and periodicals. The staff provides confidential assistance and support to students, faculty, and staff who feel they have experienced harassment or discrimination or who wish to connect to the campus LGBT community. See www.lgbt.ucla.edu.

Office for Students with Disabilities

The Office for Students with Disabilities (OSD), provides a wide range of academic support services to regularly enrolled students with documented permanent or temporary disabilities in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. To receive services students must register with OSD. Free support services include: readers, notetakers, sign language interpreters, Learning Disabilities Program, special parking, registration assistance, fee deferments authorized by the California Department of Rehabilitation, on-campus transportation, campus orientation and accessibility, proctor and test taking arrangements, tutorial referral, housing assistance, support groups, workshops, special materials, adaptive equipment, and referral to the Disabilities and Computing Program. Academic support services are determined for each student based on specific disability-based re-

quirements. All contacts and assistance is confidential. See www.saonet.ucla.edu/osd.

Disabilities and Computing Program. The Disabilities and Computing Program (DCP) provides adaptive technology and information access support and services for students, faculty, and staff with disabilities. Applications include voice input, Braille print, large print, screen-reading software, and learning disability software. Consulting and training for individuals and departments is available. The program also offers web accessibility evaluations and guidelines. The Disabilities and Computing lab is open from 8 a.m. to 6 p.m. Monday through Thursday and 8 a.m. to 5 p.m. Friday in 4919 Math Sciences. For further information, call voice (310) 206-7133 or TTY (310) 206-5155 or visit www.dcp.ucla.edu.

Parking and Commuter Services

Commuter Assistance-Ridesharing. The Commuter Assistance-Ridesharing (CAR) Office informs students about transportation options. Many students form or join existing UCLA carpools or vanpools. More than 130 vanpools commute to UCLA from nearly 80 southern California communities. Full- and part-time riding opportunities are available, and registered two- and three-person student carpools are given top priority to receive parking (see below).

These and other commuting options, including an extensive network of public transit, are described in the *UCLA Commuter Guide* at www.transportation.ucla.edu/ or at Parking Services in the Strathmore Building on the corner of Strathmore Place and Westwood Plaza weekdays from 7:45 a.m. to 5 p.m. For more information, call (310) 794-RIDE.

Parking Permits. Due to limited availability, parking at UCLA is offered to students who demonstrate the greatest need. Student parking permits are assigned through a need-based point system that considers class standing, commute distance, previous attendance, employment, dependent children, and professional school obligations. Students are encouraged to apply on time and follow all application and payment guidelines in order to increase their chances of receiving a permit. Permits are not guaranteed.

When assigning parking permits to students, UCLA Parking Services gives the highest priority to carpools. Carpool permits are guaranteed to all qualified two- and three-person student carpool groups that apply on time. Student carpools park in central campus parking areas and share a discounted permit fee. Students interested in forming a carpool who need help finding other students living near them should call (310) 794-RIDE and ask

for a free *RideGuide*. All members of a proposed student carpool must apply in person as a group.

Most student permits are assigned for the academic year and can be paid for annually or quarterly. Renewal forms for students paying quarterly are automatically mailed before the Winter and Spring Quarter payment due dates. Students who are not offered a parking assignment during a given term or who wish to change their parking area need to reapply the following quarter.

Student Parking Request forms, along with important quarterly due dates and information on how to apply for a parking permit, are available by calling (310) 825-9871 or in person weekdays from 7:45 a.m. to 5 p.m. at Parking Services. Parking request forms can also be submitted online from the link at www.transportation.ucla.edu. Resident students and commuters can use the online form to apply for new parking permits. A valid University Identification (UID) number and Personal Identification Number (PIN) are required to apply online.

Students with permanent disabilities who have disabled persons' placards or DMV-issued disabled persons' license plates may apply to the Office for Students with Disabilities (310-825-1501) for parking assignments and on-campus transportation assistance.

Parking permits and access cards to campus lots and structures are not transferable and may be purchased only from UCLA Parking Services. Resale is prohibited and subjects both buyer and seller to disciplinary action.

Services for International Students

Office of International Students and Scholars. The Office of International Students and Scholars (OISS) assists students with questions about immigration, employment, government regulations, financial aid, academic and administrative procedures, cultural adjustment, and personal matters. OISS is also a designated Sexual Harassment Information Center for international students and a Harassment Information Center available to all UCLA students. OISS also provides visa assistance for faculty, researchers, and postdoctoral scholars.

Dashew International Student Center. The Dashew International Center seeks to improve student and community relationships and helps international students with language, housing, and personal concerns in addition to sponsoring cultural, educational, and social programs.

Student Legal Services

Currently registered and enrolled students with legal problems can get assistance from attorneys or law students under direct supervision of attorneys, who help students solve legal problems, including those related to landlord/tenant relations; accident and injury problems; criminal matters; domestic violence and harassment; divorces and other family law matters; automobile purchase, repair, and insurance problems; health care, credit, and financial aid issues; consumer problems; and University-related problems. Assistance is available only by appointment from 9 a.m. to 5 p.m. weekdays in 70 Dodd Hall (310-825-9894). See www.studentlegal.ucla.edu.

Student Psychological Services (SPS) offers short-term personal counsel and psychotherapy at two locations—4223 Math Sciences (310-825-0768) and A3-062 CHS (310-825-7985). Psycholo-

gists, clinical social workers, and psychiatrists assist with situational stresses and emotional problems that may include problems with interpersonal relationships, academic stress, loneliness, difficult decisions, sexual issues, anxiety, depression, or other concerns affecting the personal growth of students.

The service is confidential and free to regularly enrolled students. Students are seen individually or may choose from a number of groups offered each term. Appointments are made weekdays between 8 a.m. and 5 p.m. Emergency counseling is also available.

SPS is also a designated campus Sexual Harassment Information Center. These services are available to all UCLA students.

UCLA BruinCard

The UCLA BruinCard is a mandatory student identification card that is used to electronically confirm student status and eligibility for services. Supportive photo identification, such as driver's license or passport, is required when the card is issued.

The primary benefit of the BruinCard is convenience. It is a versatile card that serves the following functions:

1. Confirmation of student status
2. I.D. card for faculty, staff, and students
3. Residence halls access card
4. Library card
5. Recreation card
6. Debit card (if activated) for purchases at campus stores and restaurants on and off campus
7. E-Cash card for depositing money by credit card to your account (see www.bruincard.ucla.edu/cash)
8. AT&T calling card (if this feature is elected)
9. Time-management card for departments using the Kronos system

New services allow students to check BruinCard balances, make deposits, view recent transactions, and report lost and stolen cards. See www.bruincard.ucla.edu.

Students with holds from an office with which the students have an outstanding obligation (financial, academic, or administrative) may not receive services until the hold is released by the initiating office. For details on outstanding holds and initiating offices, check URSA at (310) 208-0425 or www.ursa.ucla.edu.

BruinCard centers at 123 Kerckhoff Hall, 107 UCLA Wilshire Center, and 150A Sproul Hall are open weekdays from 9 a.m. to 4 p.m. (310) 825-2336. Deposits only can also be made at the Administrative Main Cashier, 1125 Murphy Hall. See www.bruincard.ucla.edu.

STUDENT SERVICES MAP

Student Services support teaching, research, and public service functions of the university by providing programs, services, and educational experiences that promote the academic success of UCLA students and enhance the quality of campus life. Programs and services are geared to supporting the mental, social, and physical development needs of students in a healthy, safe, and intellectually challenging environment

Academic Policies

ADMISSION POLICIES

An application for admission must be submitted and accepted in accordance with the schedule specified in the “Calendar” section before a new student may register at the University. Preliminary information about registering is mailed to new students by their Admissions Office (Undergraduate, Graduate, Law, Medicine, or Dentistry).

Undergraduate Readmission

One-Term Absence. Students who complete a term (Fall, Winter, Spring), and do not register the following term, may return to UCLA the subsequent term as a continuing student and be eligible to register and enroll in advance.

Students on a one-term absence who plan to attend another institution—including UCLA Extension—should discuss plans with their college or school counselor before enrolling elsewhere. On returning to UCLA, they must have an official transcript mailed from the institution directly to UCLA Undergraduate Admissions and Relations with Schools (UARS). Once students request a transcript, they must complete a Transfer Credit Evaluation Request form at UARS, 1147 Murphy Hall, to have coursework evaluated.

Reentering Students. To return to the University after an absence of more than one term, complete an Undergraduate Application for Readmission form and file it with the Registrar’s Office in accordance with deadlines published in the “Calendar” section. A nonrefundable fee of \$40 applies.

Students must submit official transcripts from all institutions (including UCLA Extension) with readmission applications. Coursework is evaluated when official transcripts are received. The paper records of nonregistered students, including transcripts submitted for transfer credit, are retained by the Registrar’s Office for five academic years after the last registered term. Students must resubmit official transcripts of all work completed outside of UCLA if their records have been destroyed.

Graduate Registration and Readmission

For details on the policies below, consult *Standards and Procedures for Graduate Study at UCLA* at www.gdnet.ucla.edu/publications.html.

Continuous Registration Policy. Graduate students must be either registered and enrolled or on an official leave of absence every term until their degrees are awarded. As an exception, certain graduate students may be eligible to pay the filing fee (see below). Failure to register or be on an official leave of absence for any term (Fall, Winter, Spring) constitutes withdrawal from UCLA.

Filing Fee. Graduate students may be eligible to pay the filing fee (half the quarterly registration fee) in lieu of full registration fees for the term in which they expect to complete final degree requirements and receive their degree. Doctoral students are not eligible to pay the filing fee unless registered the immediately preceding term.

Students who pay the filing fee are not eligible for University services beyond a maximum of 12 hours of faculty and staff time required to complete degree requirements and are not considered in the same status as registered students.

Graduate Leave of Absence. Continuing graduate students in good standing (3.0 GPA or above) who have completed at least

one term of UCLA graduate work may, with the support of their department and the approval of the Graduate Division, be eligible for leaves of absence. Graduate students are allowed a maximum of six quarters of official leave of absence.

Students on approved leave of absence are not permitted to use faculty time or make use of University facilities for more than 12 hours since their last registration and are not eligible for apprentice personnel employment or other services normally available to registered students. There is no need to apply for readmission, since the approved leave is for readmission to a specific term. The Registrar’s Office notifies students about registration information when their leave is due to expire.

Obtain a Request for Leave of Absence form at Graduate Admissions/Student and Academic Affairs, 1255 Murphy Hall. See “Calendar” for the filing deadline.

Readmission. Students who fail to register or take an official leave of absence are required to apply for readmission and are held to any changes in degree program requirements. Request an Application for Graduate Admission form from graduate departments or programs. A nonrefundable fee of \$40 must accompany the application when filed in accordance with deadlines published in the “Calendar” section.

Reduced Nonresident Tuition for Doctoral Candidates. Nonresident graduate doctoral students who have advanced to candidacy are eligible for a 75 percent reduction in their annual nonresident tuition fee. The reduced nonresident tuition begins with the first academic term following the advancement to candidacy term. Students are eligible for reduced nonresident tuition for a maximum of three years (includes nonregistered time periods).

ENROLLMENT POLICIES

Concurrent Enrollment

Concurrent enrollment—defined as taking courses during regular sessions for credit at UCLA and, at the same time, at another college institution, including UCLA Extension—is not permitted except in extraordinary circumstances and no credit is given for such courses unless the approval of the UCLA College or school has been obtained by petition prior to enrollment.

At the discretion of the appropriate campus authorities on both campuses, undergraduate students enrolled in any campus of the California community colleges, the California State University, or the University of California may enroll without formal admission in a maximum of one course per academic term at a campus of either of the other systems on a space-available basis. Enrollment in precollege courses is excluded.

Students qualify to cross enroll if they meet all the following requirements:

1. Complete at least one term at UCLA as a matriculated student
2. Enroll for a minimum of six units for the current term
3. Earn a grade-point average of 2.0 (C) for work completed

4. Pay appropriate tuition and fees at UCLA for the current term
5. Complete appropriate academic preparation as determined by the host campus
6. Have California residence status

Obtain a Concurrent Enrollment application from the College or school. An administration fee is charged for each academic term such enrollment is requested.

Intercampus Visitor Program

Undergraduates enrolled at one campus of the University of California may have the opportunity to attend another UC campus for one quarter/semester on Intercampus Visitor Program. UCLA students obtain applications from Enrollment and Degree Services, 1113 Murphy Hall. Observe the deadlines on the application. Applications are reviewed by a student's college or school. L&S students should consult the College Counseling Service at A316 Murphy Hall; students in Arts and Architecture should contact the Student Services Office at 1100 Dickson; Theater, Film, and Television students should consult the Student Services Office at 103 East Melnitz Building; Engineering students should see the Student Services Office at 6426 Boelter Hall.

Simultaneous UC Enrollment

Undergraduate students may enroll simultaneously in courses offered by another UC campus. Eligible students must be registered (fees paid), in good standing, and enrolled in at least 12 units at UCLA. Students may simultaneously enroll in no more than one UC host-campus course not to exceed six units. Before attending the host campus, both campuses must give approval. Approval to enroll simultaneously on another UC campus does not guarantee credit toward specific degree or general education requirements. Application of host-campus courses to UCLA graduation requirements is determined by each college or school. Details are on the application form. Obtain applications and directions for submitting forms from the following offices: honors students in the Honors Program, A311 Murphy Hall; student athletes, JD Morgan Center; AAP students, 1209 Campbell Hall; all other Letters and Science students, Letters and Science Counseling Office, A316 Murphy Hall; Arts and Architecture Theater, Film, and Television, Engineering and Applied Science, and Nursing students, their respective Student Affairs Office.

DEGREE POLICIES

Undergraduate Degrees

To qualify for a bachelor's degree, that is, to graduate, in any school or college at UCLA, students must earn at least a C (2.0) average in all courses taken at any UC campus. In addition to the grade-point average requirement, students must satisfy (1) University requirements, (2) college or school requirements, and (3) department requirements. See the *UCLA General Catalog* for details.

Degree Checks

Anytime prior to graduation students may request a review of degree progress. Official degree checks detail requirements remaining to complete the bachelor's degree. The degree check process varies by college or school:

College of Letters and Science. For students who entered UCLA in Fall Quarter 1988 and thereafter, a Degree Progress Report (DPR) serves as your degree check. The DPR is a computer-gen-

erated assessment of all degree requirements and the courses taken to fulfill them. View and print DPRs through URSA OnLine or order one at a college counseling office (Academic Advancement Program, 1209 Campbell; Honors Programs, A311 Murphy; Letters and Science Counseling, A316 Murphy). Students should review questions about their DPR with departmental undergraduate advisers and/or college counselors, as appropriate.

Students who entered UCLA prior to Fall Quarter 1988 should consult their college counseling office (Academic Advancement Program, 1209 Campbell; Honors Programs, A311 Murphy; Letters and Science Counseling, A316 Murphy).

School of the Arts and Architecture. Degree Progress Reports are available via URSA OnLine as well as on request from the Office of Student Services, 1100 Dickson Art Center. Students should consult an adviser in the Office of Student Services when they have questions about degree requirements or when they print a DPR. Questions regarding major requirements should be referred to your departmental counselor.

Henry Samueli School of Engineering and Applied Science. Students at a high sophomore level and above must submit a "satisfied" Academic Program Proposal to the Office of Academic and Student Affairs, 6426 Boelter Hall. All Engineering students may pick up a Graduation Evaluation Report at 6426 Boelter Hall. The report outlines each category requirement for an engineering degree and the courses completed for each category. Students should obtain an official degree check at least one term prior to their graduation term. For details, see http://www.seasoasa.ucla.edu/degree_check.html.

School of Nursing. Students may initiate a request for an updated degree check by contacting the student services coordinator in the Student Affairs Office, 2-200 Factor Building.

School of Theater, Film, and Television. Students entering as freshmen receive a written degree check upon achieving junior standing. Students entering as juniors receive a degree check upon entry. Students may initiate or request an updated degree check by making an appointment with their departmental counselor in the Student Services Office, 103 East Melnitz Building.

Transfer Credit

Students who take courses at a college or university other than UCLA should first check the Articulation Agreements to determine how the courses will transfer. Articulation Agreements are lists of transferable courses from institutions other than UCLA. For questions, or if no Articulation Agreement exists, consult a counselor.

Once students complete the courses, they must have the other institution send transcripts to UARS, 1147 Murphy Hall, Box 951436, Los Angeles, CA 90095-1436. They must also go to UARS to submit a Transcript Locator Card (also known as a Transfer Credit Evaluation Request) to initiate a credit evaluation. Transfer students (who attended another college or university prior to attending UCLA) should discuss transfer credit with their college or school counselor and/or departmental adviser.

Declaration of Candidacy

To initiate the steps leading to the award of a bachelor's degree, students must identify the term they expect to complete degree requirements through URSA Telephone (option 6# on the Student Records Menu) by the time they complete 160 units (172 units for Engineering students) to avoid a \$13 late candidacy fee. The identified term must fall within the academic year (four quarters) subsequent to the term in which students reach or expect to reach the 160- or 172-unit mark. Once they complete

160/172 or more units, a fee is assessed each time students change the degree expected term.

Current-term or a past-term candidates over the unit limit must purchase the UCLA Declaration of Candidacy form at any UCLA Store and file it at 1113 Murphy Hall.

Friday of the second week is the last day to declare candidacy for the current term (with fee depending on units completed). Declaration of candidacy after the second week may result in a degree award date for the following term and additional penalty fees.

Verify the degree expected term through URSA (option 6# on the Student Records Menu of URSA Telephone or in the DPR and Study List of URSA On-Line). For questions about degree candidacy status, L&S students may inquire at 1113 Murphy Hall. Arts and Architecture, Theater, Film, and Television, Engineering, and Nursing students should see their school office. A photo I.D. is required. Declaring candidacy is not a guarantee of graduation. Current term candidates are not assigned enrollment appointments for the following term.

In Absentia Graduation

Students who intend to complete degree requirements while nonregistered (those who take a course through UCLA Extension or at another institution, remove an Incomplete grade, and so on) must file a request to graduate "in absentia" with their degree auditor in 1113 Murphy Hall by the second-week candidacy deadline. Students graduating "in absentia" are assessed the undergraduate in absentia degree service fee in addition to the declaration of candidacy fee if they were also not registered in the term immediately prior to their degree expected term.

Minors

L&S students must petition to enter a minor through the department/office administering the program. School of Arts and Architecture, Theater Film and Television, and Nursing students must also obtain the approval of their school. Students in the Henry Samueli School of Engineering and Applied Science may not be admitted to minors. The last day to obtain the required approval(s) is Friday of the second week of the degree expected term. Late entry to a minor may result in a degree award date for the following term.

Satisfactory completion of the requirements for a minor is reflected on the final transcript and diploma.

Final Degree Audits and Graduation

Degree auditors in the Registrar's Office for Letters and Science students (1100 Dickson Art Center for Arts and Architecture students, 6426 Boelter Hall for Engineering students, 2-200 Factor Building for Nursing students, and 103 East Melnitz Building for

Theater, Film, and Television students) are responsible for verifying each candidate's eligibility for a bachelor's degree. Your degree auditor has information pertaining to your graduation only if you have declared candidacy and completed 160 quarter units (172 units for Engineering students).

During their graduating term, students should inform a degree auditor of grade changes, petitions for substitutions or exemptions, transfer credits or similar changes that may effect their degree. Degree auditors notify students whose graduation eligibility cannot be verified of any requirements still outstanding and other problems in completing the degree.

Contact degree auditors only for questions about degree audits. Phone numbers are in the Registrar's Services Guide in "Student Services." For graduation ceremony procedures, contact the college or schools. Names of students who request that no public information be released do not appear in commencement ceremony programs. Students may change their privacy status on URSA OnLine.

Honors

Honors at Graduation. The college and schools award honors according to overall GPA at graduation. Honors are reflected on

official transcripts and diplomas. Eligible students must have completed at least 90 (98 for the School of Nursing) University of California units for a letter grade. The levels of honors are summa cum laude, magna cum laude, and cum laude. The minimum GPA requirements for the 2001-02 academic year are as follows:

1. **School of the Arts and Architecture:** 3.908 for summa cum laude, 3.864 for magna cum laude, 3.759 for cum laude
2. **College of Letters and Science/School of Nursing:** 3.844 for summa cum laude, 3.736 for magna cum laude, 3.588 for cum laude
3. **Henry Samueli School of Engineering and Applied Science:** Contact the Office of Academic and Student Affairs, 6426 Boelter Hall, for specific information.
4. **School of Theater, Film, and Television:** 3.860 for summa cum laude, 3.814 for magna cum laude, 3.758 for cum laude

Requirements are subject to yearly change and other eligibility restrictions. Contact the college or school for information.

Departmental Honors. Some departments in the College of Letters and Science award honors, which are reflected on official transcripts and the diploma, to graduates of their programs. Inquire about the availability of these honors at the department office.

Tips For Graduating Seniors

1. All students should verify the degree expected term in URSA (option 6# on the Student Records Menu of URSA Telephone or in the DPR and Study List of URSA OnLine). If the degree expected term is incorrect, change it via URSA Telephone or by filing a UCLA Declaration of Candidacy form (available for purchase at any UCLA Store) at 1113 Murphy Hall. This must be done before Friday of the second week of the last quarter.
2. All students should verify majors, minors, and specializations as they appear on the DPR and Grade Report during the final term. If any information is in error, contact the appropriate office or degree auditor.
3. Students finishing degree requirements without being enrolled at UCLA in the final term (because, for example, they are removing Incomplete grades, adding or dropping courses, attending another institution) must file a request to graduate "in absentia" at 1113 Murphy Hall. This must be done before Friday of the second week of the degree expected term.
4. Students completing course work at another institution, including UCLA Extension, must make sure their official transcripts (with grades) are received by the degree auditor in the Registrar's Office no later than three weeks after the end of the degree expected term.
5. Students completing their work in Spring Quarter through the Education Abroad Program should declare for Summer graduation. Check with Honors counselors and major departments about necessary petitions before going abroad.
6. All students must satisfy any outstanding requirements before graduating. Any petitions to amend records must be filed no later than the last day of the degree expected term.
7. Students in their final term should inform the Registrar's Office of mailing address changes. An address change can be initiated on URSA OnLine, at 1113 Murphy Hall, or on the monthly BAR statement. Students who plan to move at the end of the degree expected term and who will not have access to URSA OnLine should file an address change, identifying a future mailing address and effective date, before leaving.

8. Students may not graduate in one term and then retroactively add majors, minors, or specializations or add and drop courses, and so forth. Upon degree conferral, the undergraduate record is closed.
9. Students should submit name changes to Academic Record Services, 1134 Murphy Hall, by the last day of the degree expected term for it to appear correctly on the diploma. Inform the Registrar's Office of any special accents or punctuation that should be reflected on the diploma. The name on record is the name that appears on the diploma.

Master's Degrees

Students who expect to complete master's degree requirements should submit an Advancement to Candidacy form to their department no later than the Friday of the second week of classes. See "Calendar" for deadlines.

After you complete all course requirements and the comprehensive examination or the thesis, the Registrar's Office reviews your courses and grades in order to confirm the awarding of your degree. Once the process is completed (approximately six weeks after the end of the term), your degree is recorded on your record and appears on any official transcript that you order.

During the final term, inform the Registrar's Office of address changes. An address change can be initiated on URSA OnLine, at 1113 Murphy Hall, or through the monthly BAR statement.

Transcripts and Diplomas

For graduating students, academic transcripts with the graduation date included are available approximately seven weeks after the end of the term. Students requiring earlier proof of graduation may contact degree auditors in 1113 Murphy Hall and request a certificate of completion. The first certificate of completion is free of charge. A \$5 fee is charged for each additional copy. An additional \$21 processing fee may be assessed if

1. The request for a certificate is made before grades are posted for the term, and
2. The auditor must take special action to verify a grade or grades, expedite a transfer credit evaluation, or obtain other documentation necessary to clear you for the degree

Diplomas for both undergraduate and graduate students are available approximately three to four months after the degree award date. Information about obtaining diplomas in person (no fee) or by mail (with fee) is sent to student mailing addresses approximately seven weeks after the end of the final term. To expedite receipt of diplomas, students are encouraged to return the diploma mailer form and remit the mailing fee. A diploma hot line with current recorded diploma information (310-825-8883) is available seven days a week, 24 hours a day. The Registrar's Office retains diplomas for five years from graduation date.

To be reflected on your diploma, name changes must be submitted to Academic Record Services, 1134 Murphy Hall, by the last day of your degree expected term. Students submitting name changes after that date must request a replacement diploma at 1113 Murphy Hall. The special order diploma fee is assessed.

If an original diploma is destroyed, a duplicate may be ordered from the Registrar's Office, Diploma Reorder, 1113 Murphy Hall. There is a fee for the replacement diploma, which bears a reissue date and the signatures of the current officials of the state and University.

DISTANCE LEARNING AT UCLA

UCLA students and faculty may participate in distance learning courses with other UC campuses. Each distance learning course combines an expert instructor, a rich subject area, and interaction between students from one or more locations to provide a learning experience based on sound pedagogy and state-of-the-art technologies. Instruction is supported by electronic communication, site visits by instructors, and video conferencing with instructors and fellow students.

Distance learning classrooms are in 62-073 Center for the Health Sciences (CHS) and 285 Powell Library. The CHS facility houses a 40-seat classroom. Powell Library offers a comfortable meeting room for small classes or research projects. Instructors and students have the flexibility of media classrooms and real-time interaction with remote sites via the UC Videoconferencing Network. UCLA students can see and be seen by a number of remote class sites at once while instruction is provided from UCLA or other campuses.

For additional information contact Daytra Hansel, Distance Learning Specialist, at (310) 206-7449 or via e-mail at hansel@ucla.edu.

At press time, no distance learning courses are scheduled for Fall Quarter 2001.

Class Listings

ONLINE COURSE LISTINGS

This *Schedule of Classes* is current as of publication, but course listings change daily. See www.registrar.ucla.edu/schedule for real-time updates on closed, cancelled, and wait-list sections, time and room changes, and courses that are added that term.

Departments may post course changes at their counseling offices. In addition, department counselors may be able to provide real-time course information and the status of classes available.

View and print Study Lists on URSA OnLine or check real-time class enrollment counts and waitlist numbers. Use the Study List and Course Information submenu of URSA Telephone for information on meeting day/time, location, and examination codes.

COURSE LISTING FORMAT

The class listing midsection lists departments alphabetically, followed by their associated subdepartments or programs. Course information is presented in columns as described below:

CATALOG NUMBER

Courses are ordered by course number within each department or subdepartment. Courses 1-99 are undergraduate lower division, 100-199 are undergraduate upper division, 200-299 and 500-599 are graduate level, 300-399 are professional teacher training, and 400-499 are other professional courses.

A capital C before the course number, indicates concurrently scheduled courses—pairs of courses, usually within a single department or program, for which credit is given at both the undergraduate and graduate level. A capital M before the course number indicates multiple-listed courses, offered in more than one department and identified under the course title, for example, Chemistry M267 — Same as Biol Ch M267.

COURSE TITLE

Course title is the 19-character abbreviation of the course that appears on transcript. See the *UCLA General Catalog* for the full title and description of the course.

ENF REQ — ENFORCED REQUISITES

Courses with enforced requisites are indicated with a Y; those without have an N. Undergraduates are prevented from enrolling if certain requisites have not been met as described in “Enrollment.”

IM — IMPACTED COURSE (L&S students only)

The impacted course column contains a Y for courses that are impacted and is blank for courses that are not. L&S undergraduates are prevented from dropping impacted courses after the

second week of a term except in exceptionally extenuating circumstances as described in “Enrollment”.

ID NUMBER

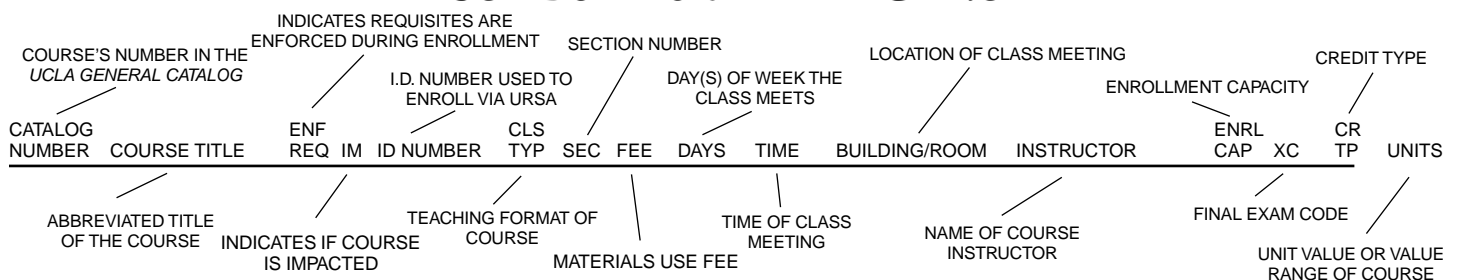

The nine-digit I.D. number must be used for enrolling in a section. Numbers are printed only for the enrollment section of the course. This section controls official enrollment in the course. URSA requires the I.D. number for the appropriate section for enrollment and indicates multiple parts, such as lecture and discussion, required. The enrollment section, or secondary section, is generally the part of the course with the smallest enrollment capacity (discussion, laboratory, quiz, recitation). Generally, a lecture, seminar, or tutorial is called a primary section.

CLS TYP — CLASS TYPE

Class type, also called activity type, indicates the teaching format of the course, which is defined as follows:

1. ACT (Activity): Students develop technical or creative skills such as painting, music, drama, or design.
2. CLI (Clinic): Students learn professional skills by actual practice involving patients or clients.
3. CNF (Conference): Students and faculty interact through small classroom sessions involving substantial class participation.
4. DEM (Demonstration): Students take part in presentations and exhibitions involving substantial class participation.
5. DIS (Discussion): Students and faculty interact through small classroom sessions that involve substantial class participation.
6. FLD (Field Work): Students participate in short or extended field trips or in other types of non-classroom settings.
7. LAB (Laboratory): Students carry out experiments requiring special laboratory equipment and facilities.
8. LEC (Lecture): Students attend faculty lectures that involve little or no student participation.
9. LSN (Listening): Students participate in audio presentations and exercises.
10. QIZ (Quiz) Students participate in sessions designed to review and test their understanding of course material.
11. REC (Recitation): Students take part in oral presentations and exhibitions involving substantial class participation.
12. RGP (Research Group Meeting): Students participate in graduate research group meetings.
13. STD (Studio): Students develop technical or creative skills such as painting, music, drama, or design.
14. SEM (Seminar): Students and faculty interact through small classroom sessions that involve substantial class participation.
15. TVI (Televised Instruction): Students view material that has been pre-recorded.
16. TUT (Tutorial): Students meet individually with faculty to review work that each student conducts independently.

SCHEDULE FORMAT AT A GLANCE

SEC — SECTION NUMBER

A course may have multiple class types that must be taken together, such as lecture and discussion or lecture and laboratory. These class types are linked and are identified by the sequence printed and numbering schemes below:

1. Primary (lecture, seminar) sections are numbered sequentially (1-99). If a course has secondary sections belonging to a specific primary section (i.e., a compound class), they are numbered with the corresponding primary section number followed by a letter (A to Z). For example, for Chem 11A lecture section 1, you must choose from discussion sections 1A to 1Z. The class is listed as:

11A GENERAL CHEMISTRY	-----	LEC 1
	142-081-201	DIS 1A
	142-081-202	DIS 1B
	-----	LEC 2
	142-081-221	DIS 2A
	142-081-222	DIS 2B

2. Any section type that may be associated with several other section types is indicated by the section number prefixed with a capital M. Combinations include
 - a. A course with secondary (discussion, laboratory, quiz) sections associated with any of several primary sections (e.g., Chinese 2).
 - b. A course with multiple primary (lecture) sections and multiple secondary (both laboratory and discussion required) sections, with the laboratory section associated with any of the primary sections, such as Physics 6. These courses identify the section type (lecture, laboratory, discussion), which is the ENROLLMENT SECTION.

FEE — MATERIALS USE FEE

The Materials Use Fee is assessed in addition to term fees for each course that you are enrolled in as of the fourth week of classes. Multiple-part class series (such as lecture, lab, and discussion), list the fee with the primary section only. It covers the price of materials and supplies used in the course and appears on your BAR statement.

DAYS

Days of the week are abbreviated as follows:

M	—	Monday
T	—	Tuesday
W	—	Wednesday
R	—	Thursday
F	—	Friday
S	—	Saturday
U	—	Sunday
TBA	—	To be arranged (time was not available at publication; contact the instructor or department)
UNSCHE	—	No regular meeting time (consult the instructor)

TIME

Courses begin and end at the time listed. Minimum class meeting time is 50 minutes. Sometimes sections have more than one meeting time, which are listed on separate lines.

BUILDING/ROOM

The meeting location of a section is indicated by the building name abbreviation followed by the room number. Multiple meeting locations are listed on separate lines.

LS 2142 — Life Sciences 2142
MS 4000A — Math Sciences 4000A
PUB POL 1343 — Public Policy Building 1343

See University Buildings below for building names and locations.

INSTRUCTOR

The faculty member responsible for a course is listed with last name and first initial. "The Staff" indicates an instructor was not assigned as of publication.

ENRL CAP — ENROLLMENT CAPACITY

Enrollment capacity indicates the number of students allowed to enroll in the section and is subject to departmental change. When you attempt to enroll and the capacity is full, you are informed of the wait-list size and your possible wait-list position.

XC — EXAMINATION CODE

The code number indicates the examination period for the course final, which is generally based on the meeting time of the lecture section (see Final Examinations later in this section). Examination code information is available through URSA. Be sure to check your examination codes prior to finals week.

Do not enroll in courses that have conflicting meeting times as this creates a conflict in examination times. You must discuss any conflict with both instructors and may have to change sections or drop the course to avoid the conflict. Faculty members may use their discretion to establish ground rules for attendance, missed examinations, late term papers, or any other means of evaluation for the course.

CR TP — CREDIT TYPE

Credit type is indicated by the following grading detail codes:

1. G — Letter grade only
2. PN — Passed/Not Passed
3. SU — Satisfactory/Unsatisfactory
4. T1, T2, T3, T4 — A two-, three-, or four-term course (In Progress) in which no credit is granted until the completion of the series.
5. TP — A multiterm course with a final grade of Passed or Not Passed.
6. TS — A multiterm course with a final grade of Satisfactory or Unsatisfactory.

UNITS

Unit value is the workload credit given for a course. It is generally the same as credit toward a degree, except that some courses, such as English A, AP, 2P, 3P, may have less degree credit and/or no credit toward a degree (check the course description in the *UCLA General Catalog*). **The unit value of a multiple-part class series is listed with the primary section.**

RESTRICT — RESTRICTIONS

Course restrictions **print on the line following the section entry when enrollment is restricted to certain designations** of students:

1. **Department Consent or Instructor Consent.** A PTE # or an approved PTE form is required. Such a restriction is subject to change by individual instructors and is only noted in the *Schedule of Classes*.
2. **Level.** Only students as indicated by the class level may enroll. (If the restriction is satisfied, a PTE # or an approved PTE form is not required when the section capacity has available spaces.) Levels are indicated as follows:
 - FR—Freshmen only
 - SO—Sophomores and above
 - JR—Juniors and above
 - SR—Seniors and above
 - GR—Graduate students only

See "Class Levels" in the "Academic Policies" section for unit breakdown for each level.
3. **College and/or Major.** Only students with the noted college and/or major(s) may enroll. (If the restriction is satisfied, a PTE # or an approved PTE form is not required when the section capacity has available spaces.) Thus, if a restriction reads "MATH/APP, ECON BUSINESS, BUS-ECON," the course is restricted to the specified majors.

FINAL EXAMINATION POLICIES

Final examinations, unless otherwise announced by the instructor, are held in the same room as class meetings. Examination codes are listed for each course in the print and online editions of the Schedule of Classes, in the Study List selections of URSA Telephone and URSA OnLine, and on the printouts of updates that are available in the forms area counter next to 1104 Murphy Hall.

An instructor's method of evaluation must be announced at the beginning of the course. Final written examinations may not exceed three hours' duration and are given only at the times and places established and published by the department chair and the Registrar's Office (Senate Regulation A-332A). No student shall be excused from assigned final examinations except as provided in the following paragraphs.

Policy on Alternate Examination Dates. In compliance with Section 92640(a) of the California Education Code, the University must accommodate requests for alternate examination dates at a time when that activity would not violate a student's religious creed. This requirement does not apply in the event that administering the test or examination at an alternate time would impose an undue hardship which could not reasonably be avoided.

Accommodation for alternate examination dates are worked out directly and on an individual basis between the student and the faculty member involved.

1. In general, students should make such requests of the instructor during the first two weeks of any given academic term, or as soon as possible after a particular examination date is announced by the instructor.
2. Students unable to reach a satisfactory arrangement with their instructor should contact the Campus Ombuds Office, 1172 Career Center, or the Office of the Dean of Students, 1206 Murphy Hall, for assistance.
3. Instructors who have questions or who wish to verify the nature of the religious event or practice involved should contact the Campus Ombuds Office or the Office of the Dean of Students for assistance.

This policy has been reviewed and approved by the Academic Senate Undergraduate Council. Faculty members should remember that while it is fully in their discretion to make arrangements with individual students for alternate examination times, including final examinations, faculty members must conduct the scheduled final examination for the class as a whole at the times and places established by the department chair and the Registrar's Office.

EAST ASIAN LANGUAGES AND CULTURES

Chinese

All L&S undergraduate courses, except independent studies and other similar courses without webpages, are subject to the Instructional Enhancement Fee. See Course Materials Fees under "Miscellaneous Fees" in the "Registration" section.

Students who can speak some Mandarin, can read some characters, and intend to enroll in Chinese 1, 1A, 2, 2A, 3, or 3R in 2001-02, must take the Elementary Level Placement Test (60-minute written test followed by 5-minute oral interview).

IF YOU DO NOT READ AND WRITE CHINESE CHARACTERS, DO NOT TAKE THE TEST. Students who pass the Elementary Level Placement Test will have fulfilled the one-year foreign language requirement.

Those who do not pass will be placed in Chinese 1, 1A, 2, 2A, 3, 3R according to their scores. Students who did not take Chinese 1, 2, 3 at UCLA but wish to enroll in Chinese 4, 4A, 5, 5A, 6 should take the Intermediate Level Test.

The Intermediate Level Test is a 60-minute written test followed by a five-minute oral interview. Students who pass the Intermediate Level Test will meet two years of the foreign language requirement. Students who do not pass the Intermediate Level Test will be placed in Chinese 4, 4A, 5, 5A, or 6 according to their scores.

There are no official sign-ups for these tests; just show up at the correct time and place with your UCLA ID and proof of enrollment.

The Elementary Level Test will be given Monday, September 24, 2001, from 3 to 5:30 p.m. in Haines 118. The Intermediate Level Test will be given Monday, September 24, 2001, from 3 to 5:30 p.m. in Royce 190. ENROLLMENT FOR EACH LANGUAGE IS BY INSTRUCTOR CONSENT ONLY. PERMISSION TO ENROLL WILL BE GIVEN OUT THE FIRST DAY OF CLASS.

FRENCH AND FRANCOPHONE STUDIES

French

All L&S undergraduate courses, except independent studies and other similar courses without webpages, are subject to the Instructional Enhancement Fee. See Course Materials Fees under "Miscellaneous Fees" in the "Registration" section.

Enrollment in French 1 through 6 is contingent on proper placement, as determined by the results of the departmental placement exam to be given on Monday, September 24, 2001, from 4 to 6 p.m. in Royce 164 (photo ID required).

For those who miss the exam on September 24, it will be offered again on Tuesday, September 25, 4-6 p.m. in location TBA. After that date, the exam will be offered Wednesday, November 7, 4 to 6 p.m., for Winter 2002 (photo ID required).

1) Students with one or more years of high school French MUST present a placement exam score on the first day of class. 2) Students who have taken the AP exam and received a score of 3 or more need not take the departmental placement exam.

3) Students who have never had high school French may preenroll in French 1 without taking the placement exam, but should consult the UCLA General Catalog for credit equivalencies.

4) Transfer students who have had French at another college should check their degree progress report for credit equivalencies granted on admission (see counselors in A316 Murphy Hall or call 825-3382).

Those students who are not in these majors but who would like to enroll in one or more of these classes should wait-list themselves in a wait-list-only section which meets at the same time as the restricted section.

The wait-list-only sections are not real classes. Students who sign up for these sections will be given PTE numbers for the restricted section only IF THERE IS SPACE AVAILABLE. PTE numbers will not be given out before classes begin.

Priority will be given to those students who have been accepted into the Accounting minor. Students must sign up for the wait-list-only sections by September 20, 2001. These sections will be cancelled after September 20.

All L&S undergraduate courses, except independent studies and other similar courses without webpages, are subject to the Instructional Enhancement Fee. See Course Materials Fees under "Miscellaneous Fees" in the "Registration" section.

After the first week of classes, students may enroll in PIC classes only with permission to enroll obtained from the instructor.

PIC 1 is not open to students with credit for PIC 10A. PIC 1 and PIC 10A cannot be taken concurrently. See PIC 1S below.

PIC 1 students are asked to bring a 3 1/2" high-density floppy disk (which may be purchased from the UCLA Store) to their first discussion section.

Physics

All L&S undergraduate courses, except independent studies and other similar courses without webpages, are subject to the Instructional Enhancement Fee. See Course Materials Fees under "Miscellaneous Fees" in the "Registration" section.

The enrollment section for Physics 6A, 6B, and 6C is the discussion section (refer to "Compound Classes" instructions listed under URSA). However, enrollment cannot be completed unless you are also able to enroll in a lab section.

Wait lists are not possible for Physics 6A, 6B, or 6C because of their three-part structure (lecture, discussion, and lab).

Fall-----Thursday, September 20, 2001, 10 a.m.-12 noon Winter-----Tuesday, October 30, 2001, 4-6 p.m. Spring-----Thursday, February 7, 2002, 4-6 p.m. Exam rooms will be announced.

Students with one or more years of high school Spanish who do not present a placement exam score will be disenrolled. Students who have never had high school Spanish may enroll in Spanish 1 without taking the placement exam.

Academic Counseling

New undergraduates are encouraged to obtain counseling prior to enrollment in classes and are required to do so by the School of Engineering and Applied Science. See the list below for the names and contact numbers for your departmental or school advisers.

Arts and Architecture (310) 206-3564

Engineering and Applied Science (310) 825-2826

Nursing (310) 825-7181

Theater, Film, and Television (310) 825-5761

Letters and Science (310) 825-3382

L&S COUNSELING SERVICES

The College of Letters and Science offers a wide range of academic counseling assistance to its students, including

1. Assistance with program planning
2. Assessment of degree requirements
3. Help in choosing a major
4. Counseling regarding scholastic difficulty
5. Discussion of options and alternatives
6. Group counseling sessions on specific topics
7. Requests for exceptions to regulations
8. Prehealth and prelaw open counseling sessions
9. Counseling Assistants (CAs)—graduate students from various academic departments who assist undergraduates in selecting courses and majors throughout their first and second years at UCLA. CAs also advise students who are interested in graduate school.

To schedule a same-day appointment, visit the Letters and Science Counseling Service, A316 Murphy Hall, Monday through Friday, 8:30 a.m. to 4:30 p.m.

ASK Peer Counselors

ASK Peer Counselors are available weekdays to answer brief questions and make referrals at five different campus locations: Campbell Hall (southwest corner), Science Quad, and Royce Quad from 10 a.m. to 2 p.m., A316C Murphy Hall (ASK Web Lab) from 10 a.m. to 3 p.m., and adjacent to 1104 Murphy Hall from 10 a.m. to 4 p.m. You can also e-mail questions to ASK@college.ucla.edu.

L&S Academic Advancement Program

Academic Advancement Program (AAP) counselors work with AAP students to plan their academic programs, monitor their progress toward a degree, provide them with information about different majors' requirements and prerequisites, and discuss graduate school and career options. AAP counselors also encourage students to explore their talents and abilities, are there to listen to students, and talk with them about academic and personal problems. For AAP students who entered UCLA fall 1994 or later, AAP counselors have full signature authority as professional L&S counselors. AAP students' official

folders are housed in 1209 Campbell Hall, where petitions and other official paperwork must be submitted. Appointments are made in person weekdays 9 a.m. to 1 p.m. in 1209 Campbell Hall; appointments by phone are taken 1-3 p.m. at (310) 825-1481.

AAP Peer Counseling

AAP Peer Counseling consists of 19 advanced standing undergraduate peer counselors who work under the direct supervision of a professional counselor. Peer Counselors work with entering students and support them in the transition from high school or community college to UCLA. They focus on the students' adjustment to university life and refer them to both AAP and campus resources and services. Peer Counselor appointments for entering students can be made in person or by phone weekdays 9 a.m. to 3 p.m. in 1228 Campbell Hall, (310) 206-1572.

Pregraduate Mentoring Programs

Pregraduate mentoring programs consist of current UCLA graduate students who advise and encourage AAP undergraduates preparing for graduate and professional degrees. Mentors hold informational workshops and forums with professionals, faculty, and graduate students. Appointments can be made in person or by calling (310) 794-4186.

L&S Honors Programs

L&S Honors Programs offers a curriculum of Honors courses as well as counseling and services to students in College Honors, Honors Collegium, Departmental Scholar Program, Individual Major Program, and students going on or returning from Education Abroad. Counselors are available to help with program planning, choosing a major, planning for graduate school, and many other academic concerns. Students in College Honors may also be eligible for letters of verification, heavier course loads, and courses by examination. Obtain information on these programs and services, as well as individual appointments, in A311 Murphy Hall, (310) 825-1553. See www.college.ucla.edu/up/honors.

Official Notices

The Office of the Dean of Students publishes "Official Notices" in the *Daily Bruin* at various times during the year. Such notices are important, and all students are held responsible for the information in them.

OFFICIAL PUBLICATIONS

Students are responsible for observing procedures and deadlines as published by the Registrar in the following:

1. *UCLA General Catalog*. The print edition of the catalog is issued biennially and is for sale in the UCLA Store for \$6.00. To obtain a copy by mail, contact the UCLA Store at (310) 825-6064. The online edition is at www.registrar.ucla.edu/catalog. Online program and course updates are at www.registrar.ucla.edu/catalog/update.
2. *Schedule of Classes*. The quarterly publication of courses offered, campus calendar, and campus procedures and policies for the term is sold in the UCLA Store, Ackerman Union. To obtain a copy by mail, contact the UCLA Store at (310) 825-6064. The online edition is at www.registrar.ucla.edu/schedule.

CLASS ATTENDANCE

Class rosters, which identify enrolled or wait-listed students, are issued to each instructor by the Registrar's Office. Attendance in UCLA classes is limited to duly enrolled regular session or concurrent University Extension students. Guests may attend lectures only with the approval of the instructor. Students may be dropped from a course for academic reasons such as lacking the approved prerequisites and requirements (SR542). If attendance is an academic requirement established by the instructor, students may be dropped from a course because of excessive absences.

AUDITING CLASSES

With the consent of the instructor, registered students and interested individuals are permitted to audit classes. Arrangements are made directly with the faculty member under any rules the faculty member may establish, and those auditing ordinarily do not participate in discussions, exams, or written papers. Audited classes are not recorded on the Study List or on transcripts for regular session courses.

CLASS NOTES

Notes or recordings made by students are for purposes of individual or group study or for other non-commercial purposes reasonably arising from the student's membership in the class or the University. Permission to make notes or recordings falls within the instructor's discretion as informed by instructional purposes, classroom order, property interests or other reasonable issues arising in the academic context. Notes and recordings may not be exchanged or distributed for commercial purposes, for compensation, or for any other purpose other than study, either between students or between a student(s) and a third party. Unless authorized by the University in advance and explicitly permitted by the instructor, commercial use of class notes or recordings constitutes an unauthorized commercial activity in violation of the *UCLA Regulations on Activities, Registered Organizations and Use of Properties*, Section IV, Paragraph A

(www.saonet.ucla.edu/csp/regs.htm). Students who violate this policy are subject to University discipline.

Further, AB 1773 was signed into law during on September , 2000, to be effective January 1, 2001. This State law amended the California Education Code, as follows:

66450. (a) Except as authorized by policies developed by the University in accordance with subdivision (a) of Section 66452, no business, agency, or person, including, but not necessarily limited to, an enrolled student shall prepare, cause to be prepared, -give, sell, transfer or otherwise distribute or publish, for any commercial purpose, any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction by an instructor of record. The prohibition applies to a recording made in any medium, including but not necessarily limited to, handwritten or typewritten class notes.

The full text of AB 1773, including a description of civil penalties and the legal and financial remedies available to the University and an individual instructor for violations of this State law, can be found at www.leginfo.ca.gov. This notice has been Prepared for distribution to all UCLA students as requested by AB 1773.

Individual instructors retain intellectual property rights in lecture material, pursuant to U.S. copyright law and California Civil Code 980(a)(1). Misuse of course notes derived from lecture material may also subject an individual to legal proceedings brought by the instructor.

Pursuant to the guidelines reviewed by the UCLA Academic Senate (1973), lecture note subscription services are permitted, if authorized in advance by the University and if approved by the instructor. The Lecture Notes service offered by the Associated Students, UCLA is currently authorized by the University to provide a course notes subscription service for particular classes. For such classes, the note taker is approved in advance by the instructor, and the instructor may review the notes before their distribution and sale through the UCLA Store Lecture Notes office at Ackerman Union. The list of classes with such a subscription service is available at Ackerman Union.

Nothing in this policy precludes an instructor from posting the course lecture notes, which they prepare or authorize to be prepared, on the UCLA-provided course website for the class, which the instructor controls. Students who are permitted by the instructor to review such course lecture notes are reminded that these policies apply to their use of any such course lecture notes posted on the course website by the instructor.

NONDISCRIMINATION

The University of California, in accordance with applicable Federal and State Laws and University Policies, does not discriminate on the basis of race, color, national origin, religion, sex, disability, age, medical condition (cancer-related), ancestry, marital status, citizenship, sexual orientation, or status as a Vietnam-era veteran or special disabled veteran. The University also prohibits sexual harassment. This nondiscrimination policy covers admission, access, and treatment in University programs and activities.

Inquiries regarding the University's student-related nondiscrimination policies may be directed to the UCLA Campus Counsel,

3149 Murphy Hall, Box 951405, Los Angeles, CA 90095-1405, (310) 825-4042. Speech- and hearing-impaired persons may call TTY (310) 206-6083.

Inquiries regarding nondiscrimination on the basis of disability covered by the Americans with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act of 1973 may be directed to Dr. Douglas Martin, Special Assistant to the Chancellor/Coordinator of ADA and 504 Compliance, A239 Murphy Hall, UCLA, Box 951405, Los Angeles, CA 90095-1405, voice (310) 825-2242, TTY (310) 206-3349; www.saonet.ucla.edu/ada.htm.

Students may complain of any action which they believe discriminates against them on the ground of race, color, national origin, marital status, sex, sexual orientation, disability, or age and may contact the Office of the Dean of Students, 1206 Murphy Hall, and/or refer to Section 111.00 of the *University of California Policies Applying to Campus Activities, Organizations, and Students* (available in 1206 Murphy Hall) for further information and procedures.

STUDENT CONDUCT POLICIES

Students are members of both society and the academic community with attendant rights and responsibilities. Students are expected to comply with the general law, University policies, and campus regulations.

A. Jurisdiction

The University shall have jurisdiction over student conduct that occurs on University property, or in connection with official University functions whether on or off University property. Although the University will not routinely invoke its disciplinary processes over student conduct that occurs off campus except in connection with an official University function, the University shall have discretion to exercise jurisdiction over conduct that occurs off campus and that would violate student conduct and discipline policies or regulations if the conduct had occurred on campus when:

1. The alleged misconduct indicates the student poses a threat to the safety or security of any member(s) of the University community; or
2. The alleged misconduct involves academic work or the forgery, alteration, misuse of any University document, record, key, electronic device, or identification.

Specifically, the University may choose to exercise jurisdiction over off-campus incidents under section (1) above where the alleged misconduct involves:

- a. Physical abuse, including but not limited to, rape, sexual assault, sex offenses, and other physical assault; threats of violence; or conduct that threatens the health or safety of any person;
- b. Stalking (as defined in Section 102.10 of the *University of California Policies Applying to Campus Activities, Organizations, and Students*);
- c. Sexual harassment (as defined in Section 102.09 of the *University of California Policies Applying to Campus Activities, Organizations, and Students*);
- d. Hazing or any method of initiation or pre-initiation into a campus organization or any activity engaged in by the organization or members of the organization which

causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm to any student or other person.

In determining whether or not to exercise off-campus jurisdiction in cases under section (1) above, the University will consider the seriousness of the alleged misconduct; whether the alleged victim is a member of the campus community; the ability of the University to gather evidence, including the testimony of witnesses; or whether the off-campus conduct is part of a series of actions that occurred both on and off campus.

This section is intended only to provide guidance for the exercise of discretion by the University in invoking its jurisdiction over conduct that occurs off campus. It may not be relied upon by any student charged under this section to create any rights, substantive or procedural, or as a basis for a challenge to the exercise of the University's jurisdiction.

B. Grounds for Discipline

The Chancellor may impose discipline for violation of, or an attempt to violate any University policies or campus regulations. The lack of intent to commit a violation is not a factor in determining if a violation occurred; however, the lack of intent may be considered a mitigating factor in determining the appropriate sanction if it has been determined that a violation has occurred. Violations or attempted violations include, but are not limited to, the following types of misconduct (note that the following section numbers 102.01 through 102.25 are adapted from the *University of California Policies Applying to Campus Activities, Organizations, and Students*):

C. Types of Misconduct

102.01: Academic Dishonesty. All forms of academic misconduct, including but not limited to, cheating, fabrication, plagiarism, or facilitating academic dishonesty.

For the purposes of this Code, the following definitions apply:

102.01a: Cheating. Cheating includes, but is not limited to, the use of unauthorized materials, information or study aids in any academic exercise; or, helping another student commit an act of academic fraud; or, the failure to observe the expressed procedures or instructions of an academic exercise, e.g., examination instructions regarding alternate seating or conversation during an examination.

102.01b: Fabrication. Fabrication includes, but is not limited to, falsification or invention of any information or citation in an academic exercise.

102.01c: Plagiarism. Plagiarism includes, but is not limited to, the use of another's words or ideas as if they were one's own; including, but not limited to representing, either with the intent to deceive or by the omission of the true source, part of or an entire work produced by someone other than the student, obtained by purchase or otherwise, as the student's original work; or, representing the identifiable but altered ideas, data or writing of another person as if those ideas, data or writing were the student's original work.

102.01d: Multiple Submissions. Multiple submissions includes, but is not limited to, the resubmission by a student of any work which has been previously submitted for credit in identical or similar form in one course to fulfill the requirements of a second course, without the informed permission/consent of the instructor of the second course; or,

the submission by a student of any work submitted for credit in identical or similar form in one course to fulfill the requirements of a concurrent course, without the permission/consent of the instructors of both courses.

102.02: Other Forms of Dishonesty. Other forms of dishonesty, including but not limited to, fabricating information or knowingly furnishing false information or reporting a false emergency to the University or to University officials acting in the performance of their duties.

102.03: Forgery. Forgery, alteration, or misuse of any University document, record, key, electronic device, or identification. Section 102.03 applies to any individual for whom the University maintains records, regardless of current student status.

102.04: Theft. Theft of, conversion of, misappropriation of, or damage to or destruction of, any property of the University or property of others while on University premises or at official University functions; or possession of any property of the University or others stolen while on University premises or at official University functions.

102.05: Computers. Theft or other abuse of computing facilities or computer time, including but not limited to: unauthorized entry into a file to use, read, or change the contents or for any other purpose; unauthorized transfer of a file; unauthorized use of another individual's identification or password; use of computing facilities to interfere with the work of another student, faculty member, or University official; use of computing facilities to interfere with a University computing system.

Violation of the University of California Electronic Mail Policy (see www.ucop.edu/ucophome/policies/email), or of any UCLA acceptable or allowable use policy, will also be considered a violation of Section 102.05.

102.06: Unauthorized Conduct. Unauthorized possession of, receipt of, duplication of, or use of the University's name, insignia, or seal. Unauthorized entry to, possession of, receipt of, or use of any University properties, equipment, resources, or services.

Selling or distributing course lecture notes, handouts, readers or other information provided by an instructor, or using them for any commercial purpose, without the express permission of the instructor.

Selling commencement tickets.

102.07: University-Owned Housing. Violation of policies, regulations, or rules governing University-owned or -operated housing facilities or leased housing facilities located on University property.

102.08: Physical Abuse. Physical abuse, including but not limited to, rape, sexual assault, sex offenses, and other physical assault; threats of violence; or conduct that threatens the health or safety of any person.

102.08a: Rape. For the purposes of this Code, rape refers to "rape" as defined by the California Penal Code (as it may be amended from time to time). Among other acts, the Penal Code prohibits the following acts, which are summarized below:

1. Sexual intercourse against a person's will accomplished by force or threats of bodily injury.

2. Sexual intercourse against a person's will where the person has reasonable fear that she (or he) or another will be injured if she (or he) does not submit to the intercourse.

3. Sexual intercourse where the person is incapable of giving consent, or is prevented from resisting, due to alcohol or drugs, and this condition was known, or reasonably should have been known by the accused.

4. Sexual intercourse where the person is incapable of resisting because she (or he), at the time, is unconscious or asleep, and this is known to the accused.

102.08b: Sexual Assault. The act of sexual assault includes: forced sodomy (anal intercourse); forced oral copulation (oral-genital contact); rape by foreign object (forced penetration by a foreign object, including a finger); and sexual battery (the unwanted touching of an intimate part of another person for the purpose of sexual arousal). These also include situations when the accused sexually assaults a complainant incapable of giving consent, including where the complainant is prevented from resisting due to alcohol or drugs and this condition was known, or reasonably should have been known by the accused.

NOTE: For the purpose of this regulation, students should understand that:

1. Forced intercourse, or other unwanted sexual contact, is defined as rape or sexual assault whether the assailant is a stranger or an acquaintance of the complainant.
2. Intoxication of the assailant shall not diminish the assailant's responsibility for sexual assault.

102.09: Sexual Harassment. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- a. submission to such conduct is made either explicitly or implicitly a term or condition of instruction, employment, or participation in other University activity;
- b. submission to or rejection of such conduct by an individual is used as a basis for evaluation in making academic or personnel decisions affecting an individual; or
- c. such conduct has the purpose or effect of unreasonably interfering with an individual's performance or creating an intimidating, hostile, or offensive University environment.

In determining whether the alleged conduct constitutes sexual harassment, consideration shall be given to the record of the incident as a whole and to the totality of the circumstances, including the context in which the alleged incidents occurred.

102.10: Stalking. Stalking behavior in which an individual willfully, maliciously, and repeatedly engages in a knowing course of conduct directed at a specific person which reasonably and seriously alarms, torments, or terrorizes the person, and which serves no legitimate purpose.

102.11: "Fighting Words." The use of "fighting words" by students to harass any person(s) on University property, on other property to which these policies apply, or in connection with official University functions or University-sponsored programs.

"Fighting words" are those personally abusive epithets which, when directly addressed to any ordinary person are, in the context used and as a matter of common knowledge, inherently likely to provoke a violent reaction whether or not they actually do so. Such words include, but are not limited to, those terms widely recognized to be derogatory references to race, ethnicity,

religion, sex, sexual orientation, disability, and other personal characteristics. "Fighting words" constitute "harassment" when the circumstances of their utterance create a hostile and intimidating environment which the student uttering them should reasonably know will interfere with the victim's ability to pursue effectively his or her education or otherwise to participate fully in University programs and activities.

102.12: Hazing. Hazing or any method of initiation or pre-initiation into a campus organization or any activity engaged in by the organization or members of the organization which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm to any student or other person.

102.13: Obstruction or Disruption. Obstruction or disruption of teaching, research, administration, disciplinary procedures, or other University activities.

102.14: Disorderly Conduct. Disorderly or lewd conduct.

102.15: Disturbing the Peace. Participation in a disturbance of the peace or unlawful assembly.

102.16: Failure to Comply. Failure to identify oneself to, or comply with directions of, a University official or other public official acting in the performance of their duties while on University property or at official University functions, or resisting or obstructing such University or other public officials in the performance of or the attempt to perform their duties.

102.17: Controlled Substances. Unlawful manufacture, distribution, dispensing, possession, use, or sale of, or the attempted manufacture, distribution, dispensing, or sale of controlled substances, identified in Federal and State law or regulations.

102.18: Alcohol. Manufacture, distribution, dispensing, possession, use, or sale of, or the attempted manufacture, distribution, dispensing, or sale of alcohol which is unlawful or otherwise prohibited by, or not in compliance with, University policy or campus regulations.

102.19: Destructive Devices. Possession, use, storage, or manufacture of explosives, firebombs, or other destructive devices.

102.20: Weapons. Except as expressly permitted by law, possession, use, storage, or manufacture of a firearm or other weapon capable of causing bodily injury.

102.21: Violation of Disciplinary Conditions. Violation of the conditions contained in the terms of a disciplinary action imposed under this Code.

102.22: Violation of Emergency or Interim Suspension Conditions. Violation of the conditions contained in a written Notice of Emergency or Interim Suspension issued pursuant to Section IV. of this Code.

102.23: Violation of Campus Restraining Order. Violation of the conditions contained in a written Campus Restraining Order issued pursuant to Section III.A.2.a.(1) of this Code.

102.24: University Properties. Using University properties for the purpose of organizing or carrying out unlawful activity.

102.25: Violations of Law. Violation of Federal, State or local laws.

RAPE AND OTHER FORMS OF SEXUAL ASSAULT

UCLA does not tolerate sexual assault in any form, including acquaintance or date rape. Where there is probable cause to believe that the campus regulations prohibiting sexual assault have been violated, the campus pursues disciplinary actions which may include sanctions up to and including dismissal from the University.

A student charged with sexual assault can be prosecuted under California criminal statutes and disciplined under the campus student conduct policies and regulations. Even if the criminal justice authorities choose not to prosecute, the campus can pursue disciplinary action.

Definitions

A student who individually, or in concert with others, participates in any of the following misconduct is subject to University discipline (refer to the *UCLA Student Conduct Code* which is available from the Office of the Dean of Students, 1206 Murphy Hall, and at www.deanofstudents.ucla.edu). The following language describes specific conduct which, at UCLA, may subject a student to University discipline:

For detailed definitions of rape and sexual assault, refer to Sections 102.08a and 102.08b of the Student Conduct Policies listed above.

If a Person Has Been Raped or Sexually Assaulted

Those who believe that they are the victims of rape or other forms of sexual assault should

1. **Immediately call the police department.** If possible, call 911 or the UCLA Police Department at (310) 825-1491; see www.ucpd.ucla.edu.
2. **Get medical attention.** Campus police will provide transportation to the Santa Monica UCLA Medical Center Emergency Room for emergency medical treatment and evidence collection. A counselor from the Santa Monica Rape Treatment Center will be available at that time, free of charge.

Utilize campus and community support services:

1. **Contact a Rape Services Consultant (RSC)** at the Center for Women and Men. RSCs have expertise in working with victims of rape or sexual assault. They can discuss options and alternatives, help identify the most appropriate support services, and provide information about medical care, psychological counseling, academic assistance, legal options, how to file a police report, and how to file a complaint through the Office of the Dean of Students. RSCs are available to assist UCLA faculty, staff, and students regardless of where or when the assault occurred. For assistance, contact the Center for Women and Men at (310) 206-8240 or go to 2 Dodd Hall and ask to speak to an RSC.
2. **Contact the Rape Treatment Center** at Santa Monica UCLA Medical Center (310-319-4000) for free emergency medical treatment and counseling services.

Campus Discipline Process When the Assailant Is a Student

Those who believe that they are the victims of rape or other forms of sexual assault by a student on University properties or in conjunction with an official University function may file a complaint directly with the Office of the Dean of Students, 1206 Murphy Hall.

Cases referred to the Office of the Dean of Students will be treated under the hearing procedures set forth in the *UCLA Student Conduct Code*. Where the allegation is of rape or other forms of sexual assault, and the case is referred to the Student Conduct Committee, the following additional procedures shall apply:

1. The complainant shall be entitled, for support, to have up to two persons of the complainant's choice accompany the complainant to the hearing. A support person may be called as a witness, and the fact that he or she is to act as a witness shall not preclude that person's attendance throughout the entire hearing. If a support person is also a witness, the committee chair (or the hearing officer) may require him or her to testify before the complainant. Neither of these persons shall be entitled to represent or defend the complainant. Similar rights shall be afforded to the accused student.
2. The complainant shall have the right to be present during the entire hearing, notwithstanding the fact that the complainant is to be called as a witness.
3. Evidence of the complainant's past sexual history, including opinion evidence, reputation evidence, and evidence of specific instances of the complainant's sexual conduct, shall not be admissible by the accused student unless the committee chair or hearing officer makes a specific finding of relevance after an offer of proof by the accused student. Under no circumstances is past sexual history admissible to prove consent. The offer of proof must be made and resolved by the panel before the complainant testifies.
4. The hearing shall be closed to spectators.

HARASSMENT

Sexual Harassment

Every member of the campus community should be aware that the University is strongly opposed to sexual harassment and that such behavior is prohibited both by law and by University policy.

Definition

For a detailed definition of sexual harassment, refer to Section 102.09 of the Student Conduct Policies listed above.

Complaint Resolution

Experience has demonstrated that many complaints of sexual harassment can be effectively resolved through informal intervention. Individuals who experience what they consider to be sexual harassment are advised to confront the alleged offender immediately and firmly.

Other Forms of Harassment

The University strives to create an environment which fosters the values of mutual respect and tolerance and is free from discrimination based on race, ethnicity, sex, religion, sexual orientation, disability, age, and other personal characteristics. Certainly harassment, in its many forms, works against those values and often corrodes a person's sense of worth and interferes with one's ability to participate in University programs or activities. While the University is committed to the free exchange of ideas and the full protection of free expression, the University also recognizes that words can be used in such a way that they no longer express an idea, but rather injure and intimidate, thus undermining the ability of individuals to participate in the University community. The *University of California Policies Applying to Campus Activities, Organizations, and Students* (hereafter referred to as *Policies*) presently prohibit a variety of conduct by students which, in certain contexts, may be regarded as harassment or intimidation.

For example, harassing expression which is accompanied by physical abuse, threats of violence, or conduct that threatens the health or safety of any person on University property or in connection with official University functions may subject an offending student to University discipline under the provisions of Section 102.08 of the *Policies*.

Similarly, harassing conduct, including symbolic expression, which also involves conduct resulting in damage to or destruction of any property of the University or property of others while on University premises may subject a student violator to University discipline under the provisions of Section 102.04 of the *Policies*.

Further, under specific circumstances described in the *University-wide Student Conduct Harassment Policy*, students may be subject to University discipline for misconduct which may consist solely of expression. Copies of this *Policy* are available in the Office of the

Dean of Students, 1206 Murphy Hall, or in any of the Harassment Information Centers listed below:

1. Campus Ombuds Office, 501 Westwood Plaza, 105 Strathmore Building, (310) 825-7627, www.saonet.ucla.edu/ombuds/.

Complaint Resolution

One of the necessary measures in our efforts to assure an atmosphere of civility and mutual respect is the establishment of procedures which provide effective informal and formal mechanisms for those who believe that they have been victims of any of the above misconduct.

Many incidents of harassment and intimidation can be effectively resolved through informal means. For example, an individual may wish to confront the alleged offender immediately and firmly. An individual who chooses not to confront the alleged offender and who wishes help, advice, or information is urged to contact any of the Harassment Information Centers listed immediately above.

In addition to providing support for those who believe they have been victims of harassment, Harassment Information Centers offer persons the opportunity to learn about the phenomena of harassment and intimidation; to understand the formal and informal mechanisms by which misunderstandings may be corrected and, when appropriate, student perpetrators may be disciplined; and to consider which of the available options is the most useful for the particular circumstances.

With regard to the *Universitywide Student Conduct Harassment Policy*, complainants should be aware that not all conduct which is offensive may be regarded as a violation of this *Policy* and may, in fact, be protected expression. Thus, the application of formal institutional discipline to such protected expression may not be legally permissible. Nevertheless, the University is committed to reviewing any complaint of harassing or intimidating conduct by a student and intervening on behalf of the complainant to the extent possible.

DISCLOSURE OF STUDENT RECORDS

Pursuant to the Federal Family Educational Rights and Privacy Act, the California Education Code, and the University of California Policies Applying to the Disclosure of Information from Student Records, students at UCLA have the right to

1. Inspect and review records pertaining to themselves in their capacity as students, except as the right may be waived or qualified under Federal and State Laws and University Policies
2. Have withheld from disclosure, absent their prior consent for release, personally identifiable information from their student records, except as provided by the Federal and State Laws and University Policies

3. Inspect records maintained by UCLA of disclosures of personally identifiable information from their student records
4. Seek correction of their student records through a request to amend the records or, if such request is denied, through a hearing
5. File complaints with the U.S. Department of Education regarding alleged violations of the rights accorded them by the Federal Act

UCLA, in accordance with the Federal and State Laws and the University Policies, has designated the following categories of personally identifiable information as "public information" which UCLA may release and publish without the student's prior consent: name, address (local/ mailing, permanent, and/ or e-mail), telephone numbers, major field of study, dates of attendance, number of course units in which enrolled, degrees and honors received, the most recent previous educational institution attended, participation in officially recognized activities (including intercollegiate athletics), and the name, weight, and height of participants on intercollegiate athletic teams.

Students who do not wish certain items (i.e., name, local/ mailing, permanent, and/ or e-mail address, telephone numbers, major field of study, dates of attendance, number of course units in which enrolled, and degrees and honors received) of this "public information" released and published may so indicate through URSA OnLine (www.ursa.ucla.edu/). To restrict the release and publication of the additional items in the category of "public information," complete the Decline to Release form available from the Enrollment and Degree Services, 1113 Murphy Hall.

Student records which are the subject of the Federal and State Laws and the University Policies may be maintained in a variety of offices, including the Registrar's Office, Office of the Dean of Students, UCLA Career Center, Graduate Division, and the offices of a student's college or school and major department. Students are referred to the *UCLA Campus and CHS Directory* which lists all the offices that may maintain student records, together with their campus address and telephone number. Students have the right to inspect their student records in any such office subject to the terms of the Federal and State Laws and the University Policies. Inspection of student records maintained by the Registrar's Office is by appointment only. Call (310) 206-0482 or inquire at Academic Record Services, 1134 Murphy Hall.

A copy of the Federal and State Laws, the University Policies, and the *UCLA Campus and CHS Directory* may be inspected in the office of the Information Practices Coordinator, 500 UCLA Wilshire Center. Information concerning students' hearing rights may be obtained from that office and from the Office of the Dean of Students, 1206 Murphy Hall.

In addition to the public information described above, information related to students' Social Security number, sex, and marital status, and the name(s), address(es), and telephone number(s) of their parents or next of kin are made available to the UCLA External Affairs Department for use in alumni, development, and public relations activities. To restrict the release of this additional information, complete a Request for University Relations Information Restriction form available from the Enrollment and Degree Services, 1113 Murphy Hall.

EMERGENCIES

Students should be familiar with safety instructions posted in classrooms, labs, and other campus facilities. Be prepared to

respond safely and appropriately to a fire, earthquake, toxic spill, or accident.

At UCLA, 911 is the “all-purpose” emergency phone number. You do not need to dial an outside line from a campus phone, and you do not need any coins to dial 911 from a pay phone. When you call 911, try to remain calm and do not hang up until you answer all of the operator’s questions.

You may also obtain general instructions during a major emergency by calling the 24-hour emergency hotline at 1-800-900-UCLA and by listening to the UCLA emergency radio at AM810. See www.ehs.ucla.edu for more information.

Here are some general guidelines for specific emergencies:

Earthquake

When an earthquake hits, take cover immediately. If you are indoors, get under a desk or table, or between seating rows in a lecture hall. **DO NOT RUN OUTSIDE.** If you are in a hallway or if you are outside, move to an open area quickly and drop to the ground, covering your head and neck as best you can. If you are in your car, stop carefully and stay in the car.

After the shaking stops, check for injuries. Do not use telephones for personal calls, as this overloads phone lines and prevents emergency personnel from reporting injuries. After a severe quake at UCLA, department heads and emergency coordinators will lead building evacuations. Do not use elevators. Go to campus evacuation areas, which are wide open spaces like the quads, athletic fields, and uncovered parking lots (see Campus Evacuation Map on next page). Wait for instructions before entering buildings or parking structures. Refrain from spreading rumors and do not go sightseeing. Remain calm and help others.

You can learn more about earthquakes by accessing the Southern California Earthquake Center at scec.ess.ucla.edu.

Fire

If you see a fire, close the door where the fire is located, activate the nearest alarm, and call 911. When you sound the alarm or hear the alarm signal, get out of the building as quickly and calmly as possible. Do not use the elevators. Do not reenter the building until the all-clear signal has been given by emergency personnel.

UCLA does not expect students or employees to fight fires. Use a fire extinguisher only if you have had the training and you feel it is safe to do so. Be aware of campus fire alarm and extinguisher locations before a fire occurs.

Hazardous Spills

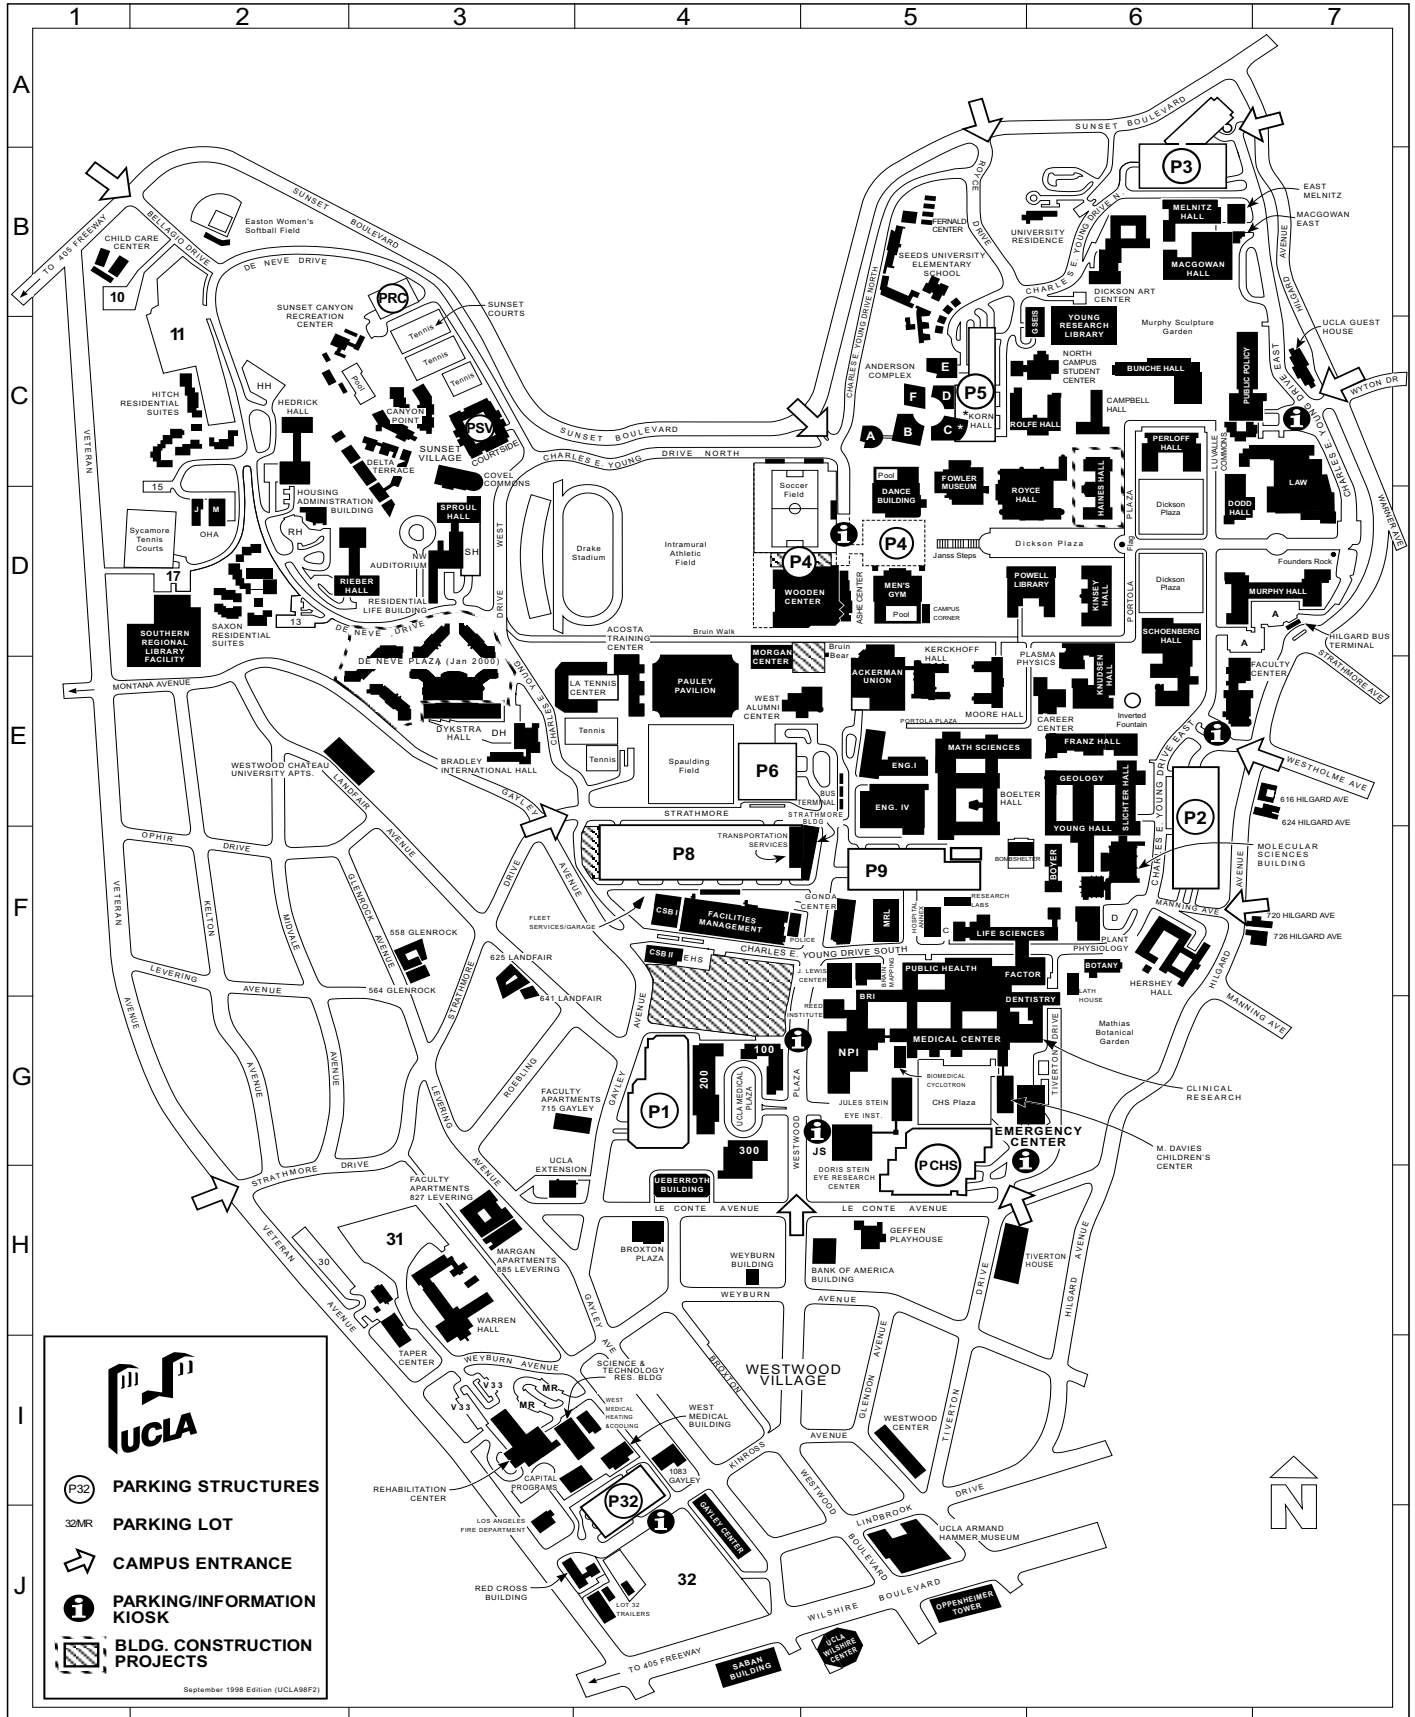

Noxious odors may or may not indicate a toxic spill. Do not attempt to clean up any hazardous material spill involving toxic, chemical, radioactive, infectious, or flammable materials. If a spill occurs in a classroom or lab, alert the supervisor or lab manager. Call 825-5689 (UCLA Office of Environment, Health, and Safety), or 911 (after hours) if the spill happens outdoors or in an unsupervised area.

Accidents

Call 911 immediately to get assistance. If you are qualified to do so, give first aid to injured persons. Do not attempt to move the seriously injured.

Basic emergency care training is available through the Red Cross at (310) 445-9900. For further information about emergency preparedness, call the UCLA Office of Environment, Health and Safety at (310) 825-5689.
