

UCLA Approved On-Site Classes Spring 2021 Quarter

COURSE	COURSE TITLE
BIOENGR 299	Seminar: Bioengineering Topics
BIOENGR 596	Directed Individual or Tutorial Studies
BIOENGR 598	Research for and Preparation of MS Thesis
C&EE 200	Civil and Environmental Engineering Graduate Seminar
C&S BIO 198A	Honors Research in Computational and Systems Biology
C&S BIO 198B	Honors Research in Computational and Systems Biology
C&S BIO 199	Directed Research in Computational and Systems Biology
CHEM 285	Materials Chemistry Laboratory
CHEM 596	Directed Individual Study or Research
CHEM 598	Research for and Preparation of MS Thesis
CHEM 599	Research for and Preparation of PhD Dissertation
CH ENGR 299	Departmental Seminar
COM SCI 201	Computer Science Seminar
COM SCI M229S	Seminar: Current Topics in Bioinformatics
COM SCI 596	Directed Individual or Tutorial Studies
DENTISTRY CL402.01C	Clinical Endodontics
DENTISTRY CL402.02C	Clinical Restorative Dentistry
DENTISTRY CL402.09C	Clinical Periodontics
DENTISTRY CL403.01C	Clinical Endodontics
DENTISTRY CL403.02C	Clinical Restorative Dentistry
DENTISTRY CL403.05C	Oral Radiology Rotation
DENTISTRY CL403.06C	Oral Surgery Rotation
DENTISTRY CL403.07C	Clinical Pediatric Dentistry
DENTISTRY CL403.09C	Clinical Periodontics
DENTISTRY CL403.10C	Clinical Prosthodontics
DENTISTRY CL403.16C	Venice Clinic Rotation
DENTISTRY CL403.19C	Clinical Preventive Dentistry
DENTISTRY CL403.23C	Nitrous Oxide
DENTISTRY CL403.26C	Clinical Treatment Planning
DENTISTRY CL403.27C	Patient Assessment Rotation
DENTISTRY CL403.29C	Clinical Patient Management
DENTISTRY CL403.30C	Special Patient Care Rotation
DENTISTRY CL404.01C	Clinical Endodontics
DENTISTRY CL404.02C	Clinical Restorative Dentistry
DENTISTRY CL404.04C	Urgent Care Rotation
DENTISTRY CL404.06C	Oral Surgery Rotation
DENTISTRY CL404.07C	Clinical Pediatric Dentistry
DENTISTRY CL404.09C	Clinical Periodontics
DENTISTRY CL404.10C	Clinical Prosthodontics
DENTISTRY CL404.16C	Venice Clinic Rotation
DENTISTRY CL404.19C	Clinical Preventive Dentistry
DENTISTRY CL404.23C	Nitrous Oxide
DENTISTRY CL404.26C	Clinical Treatment Planning
DENTISTRY CL404.29C	Clinical Patient Management
DENTISTRY CL404.31C	Community-Based Clinical Education
DENTISTRY RFE104	Direct Restoration II
DENTISTRY RFE105	Dental Morphology
DENTISTRY RFE106	Indirect Restoration
DENTISTRY RFE211	Direct Restoration
DENTISTRY RFE212	Indirect Restoration
DENTISTRY RFE217	Orthodontic Techniques
DENTISTRY RFE218	Introduction to Pediatric Dentistry
DENTISTRY RFE220	Removable Partial Dentures
DENTISTRY RFE221	Immediate Dentures

Note: class locations may change to online or other locations at anytime due to health or campus protocols. Check Schedule of Classes for current location.

UCLA Approved On-Site Classes Spring 2021 Quarter

DENTISTRY RFE313	Esthetic Dentistry
DESMA 403	Graduate Critique
EC ENGR 299	MS Project Seminar
EE BIOL 106	Experimental Marine Invertebrate Biology
EE BIOL 123A	Field Marine Ecology
EE BIOL 124A	Field Ecology
EE BIOL 124B	Field Ecology
EE BIOL 132	Field Behavioral Ecology
EE BIOL 148	Biology of Marine Plants
EE BIOL 187	Variable Topics in Ecology and Evolutionary Biology
EE BIOL 195	Community or Corporate Internships in Ecology and Evolutionary Biology
EE BIOL 198A	Honors Research in Ecology and Evolutionary Biology
EE BIOL 198B	Honors Research in Ecology and Evolutionary Biology
EE BIOL 198C	Honors Research in Ecology and Evolutionary Biology
EE BIOL 198D	Honors Research in Ecology and Evolutionary Biology
EE BIOL 199	Directed Research in Ecology and Evolutionary Biology
EE BIOL 596	Directed Individual (or Tutorial) Studies
EE BIOL 597	Preparation for MA Comprehensive Examination or PhD Qualifying Examinations
EE BIOL 599	PhD Dissertation Research and Writing
EPS SCI 228	Introduction to Planetary Dynamos
HIST 596	Directed Studies
HUM GEN 431A	Fieldwork
MAT SCI 121L	Materials Science of Semiconductors Laboratory
MAT SCI 132	Structure and Properties of Metallic Alloys
MAT SCI 140B	Materials Selection and Engineering Design B
MAT SCI 296	Seminar: Advanced Topics in Materials Science and Engineering
MECH&AE 298	Seminar: Engineering
MGMT 220-1	Corporate Financial Reporting
MGMT 232A-1	Investment Management
MGMT 235-2	Venture Capital and Private Equity
MGMT 265-2	Brand Management
MGMT 267-1	Digital Marketing Analytics
MGMT 407-2	Business Analytics with Spreadsheets
MGMT 405-1	Economic Analysis for Managers
MGMT 408-1	Financial Policy for Managers
MGMT 408-3	Financial Policy for Managers
MGMT 411-1	Marketing Strategy and Policy
MGMT 411-2	Marketing Strategy and Policy
MGMT 422-1	Leadership in Practice
MGMT 422-2	Leadership in Practice
MGMT 439-3	Marketing Strategy
MGMT 440-1	Strategy and Structure for Corporate Buyouts and Acquisitions
MGMTFE 408-1	Foundations of Finance
MGMTFE 408-2	Foundations of Finance
MGMTFE 408-3	Foundations of Finance
MGMTFE 408-4	Foundations of Finance
MGMTFE 408-5	Foundations of Finance
MGMTFE 411-1	Marketing Management
MGMTFE 411-2	Marketing Management
MGMTFT 409-1	Organizational Behavior
MGMTFT 409-2	Organizational Behavior
MGMTFT 409-3	Organizational Behavior
MGMTFT 409-4	Organizational Behavior
MGMTFT 409-5	Organizational Behavior
MGMTFT 421B-1	Feedback and Coaching

Note: class locations may change to online or other locations at anytime due to health or campus protocols. Check Schedule of Classes for current location.

UCLA Approved On-Site Classes Spring 2021 Quarter

MGMTFT 421B-2	Feedback and Coaching
MGMTFT 421B-3	Feedback and Coaching
MGMTFT 421B-4	What You Need to Say
MGMTFT 421B-5	Choice Architecture: How to Nudge Others to Make Better Decisions
MGMTFT 421B-6	Choice Architecture: How to Nudge Others to Make Better Decisions
MGMTFT 421B-7	Making Difficult Decisions: Behavioral Ethics in Leadership
MGMTFT 421B-8	Making Difficult Decisions: Behavioral Ethics in Leadership
MGMTFT 421B-9	Choice Architecture: How to Nudge Others to Make Better Decisions
MGMTMFE 431-1	Quantitative Asset Management
MGMTMFE 431-2	Data Analytics and Machine Learning
MGMTMSA 408-1	Operations Analytics
MGMTMSA 413-1	Industry Seminar II
MGMTMFE 405	Computational Methods
MIL SCI Z	Leadership Laboratory
MIMG 196A/B	Research Apprenticeship I in Microbiology, Immunology, and Molecular Genetics
MOL BIO 596	Directed Individual Studies
MOL BIO 599	PhD Dissertation Research and Writing
PBMED 202C	Applications of Medical Physics to Clinical Problems: Radiation Therapy
PBMED 203	Physics of Radiation Therapy
PHILOS 596	Directed Individual Studies
PSYCH 277B	Advanced Clinical Assessment
PSYCH 401	Fieldwork in Clinical Psychology
PSYCH 410F	Clinical Assessment Supervision
PUB PLC 496	Public Policy Internships
PUB PLC 596	Directed Studies
SOC WLF 401C	Field Practicum
SOC WLF 402C	Adv Field Practicum
THEATER 472	Production Practice in Theater, Film, Video, and Digital Media
THEATER 474	Advanced Projects in Design and Production
THEATER C457C	Costume Construction Techniques
THEATER 242	Introduction to Design in Production

Individual research courses may be offered in-person by academic departments. Please check with your home academic department to determine if an offering is available.

Note: class locations may change to online or other locations at anytime due to health or campus protocols. Check Schedule of Classes for current location.
