If you are more than 15 minutes late to laboratory during the first two weeks of the term, your space will be reassigned and you must drop the course yourself. For the remainder of the term if you are more than 30 minutes late, you may NOT be able to complete the current laboratory and may not have the opportunity to make up the missed work, resulting in a nonpassing grade for that experiment. Any student attempting to hold a spot for another student is violating Student Conduct Code 102.05 and may be referred to the Office of the Dean of Students.

If you are more than 15 minutes late to laboratory during the first two weeks of the term, your space will be reassigned and you must drop the course yourself. For the remainder of the term if you are more than 30 minutes late, you may NOT be able to complete the current laboratory and may not have the opportunity to make up the missed work, resulting in a nonpassing grade for that experiment. Any student attempting to hold a spot for another student is violating Student Conduct Code 102.05 and may be referred to the Office of the Dean of Students.

CLUSTER PROGRAM

Clusters

Upon satisfactorily completing Clusters M1A, M1B, and M1CW, students receive credit for the following requirements: one Social Analysis GE, one Life Sciences with lab GE, and one Physical Sciences with lab GE. In addition, students receive credit for one additional GE of their choice (Historical Analysis or Social Analysis or Life Sciences without lab or Physical Sciences without lab). Upon satisfactorily completing Clusters M1A, M1B, and M1CW, students will fulfill the Writing II requirement. Students must receive a grade of D- or better each quarter to receive general education credit and continue in the course. To receive credit for Writing II, students must satisfy Writing I by the end of the year, successfully complete fall and winter quarters, and earn a grade of C or better in spring quarter. For a complete summary of clusters credits, see <http://www.uei.ucla.edu/academic-programs/ucla-cluster-program/benefits>.

French

Students who have never had high school French may pre-enroll in French 1 without taking the placement examination. Students with one or more years of high school French MUST present a placement examination score on the first day of class. The department placement examination is given online at <https://ccle.ucla.edu/course/view/Frenchplacementexam>, and must be taken in advance of course enrollment for all students with prior French instruction. Students must e-mail Dr. Kimberly Jansma at jansma@humnet.ucla.edu to request a password, using "French Online Placement Examination Password" as the subject heading. Students who have taken the AP examination and received a score of 3 or higher need not take the departmental placement examination but should consult the UCLA General Catalog for credit equivalencies. Transfer students who have had French at another college should check their degree audit report for credit equivalencies granted on admission (see counselors in A316 Murphy Hall or call 310-825-3382).

			Wait lists are not possible because of the three-part structure (lecture, discussion, and laboratory). Students who retake Physics 5A must enroll in all three sections: lecture, discussion, and laboratory. Once enrolled, send an e-mail to mtran@physics.ucla.edu with your name, student ID number, and quarter in which you originally took the laboratory. You will be manually enrolled in the G99 laboratory.

English Composition

English as a Second Language policy for attendance and late enrollment (all classes): The department will cancel your enrollment in any English Composition class if you do not attend at least one of the first two class meetings. After the first two class meetings, wait-listed students who have attended both class meetings may enroll only with permission to enroll (PTE) obtained from the instructor. For English Composition 3 and all subsequent courses, students must satisfy the University of California Entry-Level Writing requirement before enrolling. For detailed information about the Entry-Level Writing requirement, see the UCLA General Catalog or <http://www.wp.ucla.edu>. The Spring Quarter Analytical Writing Placement Examination (AWPE) will be given at a time and location to be determined. For more information, see <http://www.wp.ucla.edu>.
