## Fees Public Health M.P.H. and Dr.P.H. Degree Programs Annual 2014-15

**Fees are subject to revision without notice.**

The charges below include tuition, student services fee, professional degree supplemental tuition, and other charges, as well as UCLA campus-based fees that are assessed to all full-time students. The charges are flat fees based on enrollment status (e.g., undergraduate, graduate student, professional school student), not the number of enrolled units. They do not include additional course or unit-based fees such as course materials fees that may be assessed for enrollment in selected courses, room and board costs for living on campus, or books and supplies. **Summer Sessions** has a separate fee schedule. For information on reduced fee programs, see **Reduced Fee Programs**.

The tuition, fees, and charges posted to the student billing statement are estimates based on existing amounts. These figures may not be final. Actual tuition, fees, and charges are subject to change by the Regents of the University of California and could be affected by state funding reductions. Accordingly, final approved tuition and fee levels (and thus a student's final balance due) may differ from the amounts shown. See the [fees menu](#) page for updated fee information.
