What's New?

Civic Engagement 18—Bruin Leaders: Model of Social Change

In Winter and Spring quarters, look for a new course: Civic Engagement 18. Titled Bruin Leaders: Model of Social Change, this one-unit Passed/Not Passed course is designed to give students an introduction to community-based service opportunities through which they can begin to develop critical analysis and leadership skills. Through a series of interactive lectures, students are introduced to issues of public concern in a diverse democratic society. A community service component of the course allows students to choose from an array of service opportunities available at UCLA or in the local community.

The lectures are sponsored by the Student Affairs Division of Student and Campus Life and the Center for Student Programming under the Bruin Leaders Program. Students are required to attend an orientation session during the first week of the quarter at which they will be given PTEs for enrollment. See <http://www.bruinleaders.ucla.edu> for more information and a list of lectures. Students can also call the Bruin Leaders Program Office at (310) 206-5071 or send them e-mail at blp@ucla.edu.

GE Sophomore Seminars: 88GE

GE Sophomore Seminars are designed for sophomore or junior students who have not taken or have not completed a GE Cluster. They offer students an opportunity to combine a pair of GE courses that count toward a GE foundation and fulfill the College GE seminar requirement. Students enroll in a GE lecture one quarter and a complementary 88GE seminar the following quarter. Seminars are open to 100 students—20 students per seminar section.

In 2006-07, two GE pairs are offered. Students who enroll in Classics 20 (Fall Quarter 2006) or History 2C (Winter Quarter 2007) lectures are eligible to enroll the following quarter in an associated 88GE Sophomore Seminar that explores the previous quarter's lecture topics in greater depth in a small group setting. Seminar sections are taught by teaching assistants under the supervision of the lecture instructor. The lecture instructor also teaches a section.

UCLA Summer Programs 2007

Enrollment for 2007 travel study begins November 15. Travel study offers over 30 programs on five continents. See <http://www.summer.ucla.edu/travel/>. Enrollment for institutes and special programs begins December 15. See <http://www.summer.ucla.edu>. Enrollment for regular Summer Session courses begins February 1 through URSA.

URSA Access Changes from UID/PIN to UCLA Logon

URSA, along with other campus applications such as MyUCLA, can no longer be accessed using a student's UID/PIN. After October 29, access and authentication is through the UCLA Logon ID, formerly called the Bruin OnLine ID or BOL ID. This change is part of a transition plan to use UCLA Logon as the primary logon ID for the campus single sign-on service. If a student already has a Bruin OnLine ID, it is now his or her UCLA Logon. Continue to use it to access all services wherever your Bruin OnLine ID was used before. Those who do not have a UCLA Logon or have forgotten their password should go to <https://logon.ucla.edu> for assistance in creating an account or resetting a password.

University Credit Union Reopens in Ackerman

After a brief closure for remodeling, the University Credit Union (UCU) branch has reopened in Ackerman Union with expanded services. The University Credit Union is a not-for-profit financial cooperative that has been serving the UCLA community since 1951. It specializes in meeting the financial needs of UCLA students, faculty, staff, and their families by providing lower-cost services, lower-rate loans, and higher savings interest. The Credit Union can be visited at its branch in A-Level Ackerman Union, or at its main branch at 1500 S. Sepulveda Blvd. Contact the Credit Union at (310) 477-6628 or online at <http://www.ucu.org>.

Eli and Edythe Broad Art Center

This fall, the newly-named Eli and Edythe Broad Art Center reopened. The Broads donated \$23.2 million toward the construction of a renovated complex that provides modern facilities for the visual arts programs of the School of the Arts and Architecture, including interactive multimedia technology, studio space for students, updated classrooms, and galleries for student exhibitions and public presentations, as well as office and conference space. The facility houses the department of Art, department of Design I Media Arts, and the New Wight Gallery. Reconstructing and seismically repairing the existing eight-story structure—severely damaged in the 1994 Northridge earthquake—Richard Meier & Partners Architects transformed the building, creating a distinctive new home for the world-class visual arts programs of the school while integrating the complex into the surrounding campus. The contemporary building of architectural concrete, teak, stainless steel, and glass offers greatly-improved program space that is both more appropriate for the working methods of contemporary artists and flexibly designed to accommodate future needs. The entry plaza, adjacent to the Franklin D. Murphy Sculpture Garden, features a 42.5-ton torqued ellipse by Richard Serra.

Registration

Registration consists of paying fees and enrolling in classes.

1. Registration fees and other University charges are due the 20th of each month. BAR (Billing and Receivable) accounts can be viewed through URSA
2. Enrollment in classes is completed through URSA at <http://www.ursa.ucla.edu> (see "URSA" in the Enrollment section for full details)

Complete both processes by the established deadlines (see the Calendar section) to be officially registered and enrolled for the term.

Paying Fees

Payments can be mailed, deposited in the Administrative Main Cashier drop slot (1125 Murphy Hall), or paid by credit card through URSA.

Declaring Non-Attendance

You may declare non-attendance if you are not planning to attend UCLA for a term and your registration fees have not been paid for that term. If you use this option on URSA, be sure to consult the Academic Policies section in this *Schedule* for readmission information.

If you are a graduate student, declaring non-attendance does not put you on an official leave of absence. That status requires submission of a leave of absence form, obtained from your department, for department and Graduate Division approval.

Student Health Insurance Plan

Insurance is a condition of registration at the University of California. As such, the cost of the Student Health Insurance Plan (SHIP) is billed along with other UCLA fees each academic term. The SHIP fee is waivable if a waiver is submitted by the fee payment deadline for each term. Waiving SHIP is an online process.

SHIP fulfills all of the requirements mandated for adequate medical/health insurance as defined by the University. The Ashe Student Health and Wellness Center is the primary health care provider for SHIP and is where all nonemergency medical care must be initiated for SHIP claim payment consideration. See <http://www.studenthealth.ucla.edu>.

Waiving SHIP

Students may waive SHIP if they (1) maintain active enrollment in an adequate medical/health insurance plan that meets all established requirements, (2) apply for a SHIP waiver each term within established deadlines, and (3) correctly complete the online SHIP waiver form.

Students must apply for a SHIP waiver online. See the Ashe Center website for details, including a definition of qualifying adequate private medical/health insurance. Follow the Online Services link from <http://www.studenthealth.ucla.edu>.

Deadlines for Waiving SHIP

Third-party individuals may not waive SHIP for a student. Waivers must be submitted by the stated deadlines whether or not fees have been paid by that date. Deadlines are strictly enforced.

The schedule for waiving SHIP is as follows:

Fall Quarter	September 1-20
Winter Quarter	December 1-20
Spring Quarter	March 1-20

Fall Semester	August 1-20
Spring Semester	December 1-20

The above information serves as official notice of the UCLA mandatory medical/health insurance requirement. All students are responsible for providing complete and accurate information that must be submitted by the stated deadlines.

Fee Exemptions

A student who is the spouse, registered domestic partner, or child of a resident law enforcement officer or fire fighter killed in active duty is exempt from nonresident tuition and fees in accordance with Section 68120 of the State of California Education Code. In accordance with Section 32320 of the State of California Education Code, a student may be exempt from mandatory systemwide fees but not from nonresident tuition fees if: (a) the student is the child or dependent of a U.S. military veteran who has a service-connected disability or who was killed in service; (b) the student is the dependent of a California National Guard member who, while in active State service, acquired a service-connected disability or was killed in service; or (c) the student is the surviving spouse who has not remarried, or registered domestic partner who has not subsequently married or registered as a domestic partner, of a California National Guard member who, while in active State service, acquired a service-connected disability or was killed in service. A nonresident student who meets the requirements of Section 68130.5 of the State of California Educational Code regarding attendance and graduation from a California high school is exempt from paying nonresident tuition.

Students who believe they are entitled to one of these exemptions must apply for it before registering. Without this authorization, students are not permitted to register without paying the entire fee. Graduate and undergraduate students should apply for a fee exemption at the Registrar's Office. For more information, see <http://www.registrar.ucla.edu/fees/>. For more information about residence for tuition purposes and related fee exemptions, see the Residence section of the Appendix in the *UCLA General Catalog* or the Registrar's Office FAQ regarding residence for tuition purposes at <http://www.registrar.ucla.edu/faq/residence.htm>.

Reduced Fee Programs

Fee assessment for reduction in fees is based on total units enrolled as of Friday of the third week of classes.

Certain undergraduate students, when properly approved by the dean of their College/school for enrollment in 10 units or less, may be eligible for a one-half reduction in the educational fee. File a Request for Fee Reduction with the academic dean's office by Friday of the second week. Except for these qualified and approved part-time students, there is no reduction in the University registration, educational, student union, or Undergraduate Students Association fee.

Undergraduate nonresident students with College/school approval for enrollment in 10 units or less pay only half the nonresident tuition fee. File a Request for Fee Reduction with the academic dean's office by Friday of the second week of classes for the applicable term.

For graduate students there is no reduction in the University registration, educational, nonresident tuition, student union, or Graduate Students Association fee for less than full-time programs.

Full-time University employees may apply for a reduction of the registration and educational fees at their Campus Human Resources office. Applications are available on the Campus Human Resources website at <http://www.chr.ucla.edu>. If you receive the part-time fee reduction from your academic dean, you may not also use the UC employee reduction; you must use one or the other.

Course Materials Fees

The College of Letters and Science and the UCLA professional schools assess course materials fees to cover the cost of equipment and to help offset the costs of providing course websites and computer laboratories. Depending on how the fees were approved, they are assessed with registration fees or after Friday of the fourth week of the quarter.

Materials Use fee (sometimes known as a lab fee) and the Instructional Enhancement fee (IEI) are course materials fees that are assessed by course unit at the end of the fourth week of the quarter. Students are responsible for ensuring that all Study List errors and omissions are corrected prior to the end of the second week. Students are assessed these fees regardless of major. Students who are approved for "Late Add" enrollment after the third week of classes are required to pay course material fees. The fees are billed once a quarter through BAR and are non-refundable once assessed.

Education Abroad Program reciprocity students and CAPPP (Washington Internship) students are exempt from the Instructional Enhancement fee. For more information about the Instructional Enhancement fee, see the UCLA Online section of the *Schedule*. For a listing of fee amounts, see the Miscellaneous Fee chart of the *Schedule* or <http://www.registrar.ucla.edu/fees/>.

Fee Waiver Requests

Late registration, processing, and penalty fees are waivable on request in writing to the office assessing the fees only if they were incurred through the fault of the University or because a student suffered sudden and debilitating injury or accident.

Holds

Students may have holds placed on their student records which could affect registration, enrollment, financial aid, campus services, and/or release of academic transcripts for the following reasons:

1. Failure to comply with admission or academic provisions
2. Failure to settle financial obligations with the University
3. Failure to respond to official notices

Each student who becomes subject to a hold action is given advance notice and ample time to respond. The hold must be released by the initiating office before a student may enroll in classes or receive various campus services. Obtain information on holds through URSA at <http://www.ursa.ucla.edu>.

Enrolling in Classes

See the Class Listings section for class times, rooms, instructors, and other enrollment information. For updated listings, see the online *Schedule of Classes*. See the Class Listings section and your school or College advisers (listed in the Academic Counseling section) to assemble a program of courses.

Plan two or three alternate programs in case your first choice of courses is not available. Do not choose two courses in the same final examination group (see the final examination chart in the Class Listings section) or select classes that conflict in meeting times. If conflicts are unavoidable, consult with the instructor of each course at the first class meeting. For enrollment instructions, see the Enrollment section in this *Schedule*.

Hepatitis B Vaccine Requirement

The California State Legislature requires as a condition of enrollment that students 18 years and younger demonstrate immunity from hepatitis B. The Ashe Center offers the hepatitis B vaccine to eligible students. Students who have not had the vaccine should start the series before their first term begins. Because this is a state requirement, students who have not completed the immunization series and submitted proof of completion to the Ashe Center by the time their third term begins will have a hold placed on their records.

Proof of compliance with the requirement is electronic through the Ashe Center website at <http://www.studenthealth.ucla.edu>.

URSA Enrollment

University Records System Access (URSA) enables UCLA students to acquire information from their University academic records and to enroll in classes. Use URSA at <http://www.ursa.ucla.edu> to process class enrollment and determine assigned appointment periods.

Students may also use URSA for other enrollment-related tasks, such as adding, dropping, or exchanging classes, signing onto a wait list or checking wait-list status, or changing the grading basis for a class. See "URSA" in the Enrollment section for more information on services and features.

Study Lists

A Study List is the record of the courses a student enrolls in for the term. Friday of the second week of instruction, the Study List of enrolled courses becomes "official" and all wait lists are eliminated. Check Study Lists through URSA after all enrollment transactions.

Students are responsible for all courses and the grading basis as listed on URSA and cannot receive credit for courses not listed. Errors or omissions should be corrected before the academic dean's deadline for changes by petition. Unapproved withdrawal from or neglect of a course entered on the Study List results in a failing grade.

Billing

Fee Disclaimer

Fees shown represent the amounts currently estimated for this quarter. Every effort will be made to keep fees at this level for the term. However, given continuing budget uncertainties, circumstances may require an adjustment in these amounts during the term.

BAR Accounts and Charges

All students are assigned a BAR (Billing and Accounts Receivable) account. A BAR account records all charges and payments (excluding housing) associated with registration along with other service charges that are assessed to students. Accounts are administered electronically (eBill, through URSA).

Students must pay all charges in full by the 20th of the month following the posting date of the charge. Registration fee payment deadlines are as follows:

Fall Term	September 20
Winter Term	December 20
Spring Term	March 20

If the 20th falls on a weekend or holiday, the due date is the last business day prior to the 20th. After the payment deadline, students are assessed a delinquent fee.

If registration fees are not paid in full by the payment deadline, a late registration fee is assessed, and classes are dropped in accordance with the drop class deadline (see the Calendar section). Note: the Student Health Insurance Plan (SHIP) fee is part of registration fees and is due and payable at the time registration fees are paid. For information about waiving the SHIP fee, see <http://www.studenthealth.ucla.edu>.

Failure to settle financial obligations with the University may result in a hold being placed on the student's record. Such a hold could affect registration, enrollment, financial aid, campus services, and release of academic transcripts. See the Registration section for additional information about holds.

Students with a valid e-mail address established in URSA receive monthly courtesy e-mail reminders prior to payment deadlines.

Methods of Payment

eBill. BAR accounts are administered electronically (eBill) through URSA. Monthly financial activity is displayed for the current month, as well as account activity for the last 24 months. URSA also provides a link to the Student Financial Services website (<http://www.sfs.finance.ucla.edu/ebills.asp>) where students can find important communications from the university regarding registration and university policies. Students can pay their BAR account electronically using Visa, MasterCard, or Discover Card. Students can also print a remittance document from the eBill webpage and mail payments with a check or money order. UCLA converts checks into electronic payments. Those who wish to opt out of this process should send e-mail to Student Financial Services at asksfs@finance.ucla.edu for instructions.

In-Person Payment. Students may make payments in person by check or cash only at the Administrative Main Cashier Office located at 1125 Murphy Hall, 9 a.m. to 5 p.m. weekdays. See <http://www.sfs.finance.ucla.edu>. Fax payments are not accepted.

Returned Check Policy

Returned Check Fine. The returned check fee is \$25.

Cash Only Policy for Returned Check Writers. Any person who has more than two checks returned unpaid to the university is placed on a cash-only basis (i.e., cash, credit card, cashier's check, or money order) for all future transactions. A letter will be mailed to the current mailing/billing address on file if this threshold is met, and no future checks will be accepted. The Administrative Main Cashier is not responsible for delivery of mail or the accuracy of the address on file.

Enforcement of Cash-Only Policy. Check payments made in person at the Administrative Main Cashier or the Remittance Processing Center will not be accepted from customers who have been placed on a cash-only basis. Check payments mailed to the Remittance Processing Center by customers on a cash-only basis will be accepted, but credit will not be posted to their BAR account for two weeks.

Financial Aid Distribution

The Financial Aid System automatically credits BAR accounts of students who receive financial aid. Registration fees and other outstanding UCLA debts, such as student health or laboratory fees, are deducted. Students must be enrolled at least half time to receive financial aid disbursements. See the Financial Support section.

Bruin Direct

With Bruin Direct, BAR system refunds are deposited directly to student bank accounts. Students are notified of transactions via e-mail before each deposit is made. UCLA requires Bruin Direct for BAR refunds, and students not currently enrolled must pick up a form from the Administrative Main Cashier Office in 1125 Murphy Hall or from Student Accounting in 1121 Murphy Hall. The form is also available at <http://www.sfs.finance.ucla.edu>. Bruin Direct refunds are processed daily. Refunds by mail are processed weekly.

Medical Insurance Waivers

As a condition of registration, UCLA requires all students to have adequate medical insurance. The UCLA Student Insurance Plan (SHIP) fulfills this requirement and is billed through BAR. Students with adequate private medical insurance may waive SHIP by completing the online waiver and submitting it by the published deadline. Students who do not waive by the deadline may be required to pay the SHIP fee. Students should verify that the waiver has been posted through BAR. For waiver requests, see <http://www.studenthealth.ucla.edu> or link to the site through URSA.

Student Responsibilities

Address Change

Students must keep their UCLA mailing and e-mail addresses up to date and may change them

1. On URSA at <http://www.ursa.ucla.edu>
2. In person at Enrollment and Degree Services, 1113 Murphy Hall

Three times each year, student mailing addresses are updated from the change of address list on file with the U.S. Postal Service. Students must, however, still inform UCLA when they change addresses and verify that their addresses are correct on URSA.

Registration Confirmation

Check registration status on URSA to confirm that registration fee payments have been processed.

Late Payment

A late payment fee of is assessed to all students paying registration fees after the deadline. Late registration is complete once students pay registration fees and enroll in classes.

After Friday of the Second Week

Students who enroll in classes and pay registration fees after Friday of the second week of classes are assessed both the late Study List fee and the late registration fee, resulting in extra costs to register and enroll.

Undergraduate students must obtain the instructor's signature for each course listed and obtain approval from the academic College or school.

Graduate students (GD college code) must obtain approval from their authorized departmental adviser.

Dentistry, Law, and Medicine students must have the written approval of their respective Student Affairs Office.

File the Enrollment Petition at 1113 Murphy Hall after paying fees for the term. Late registration is complete when students pay registration fees and enroll in classes.

Refunds and Reductions

Under the conditions described below, some UCLA students may be eligible for a full or partial refund of fees paid.

Cancellation of Registration. Prior to the first day of instruction, students may cancel registration by mailing a written notice to the Enrollment and Degree Services Office, Attn: Cancellation Clerk, 1113 Murphy Hall, UCLA, Box 951429, Los Angeles, CA 90095-1429. Refund is as follows: new students receive a 100 percent refund for fees paid except for the nonrefundable acceptance of admission fee and a \$10 service fee; all other students receive a 100 percent refund for fees paid minus the \$10 service fee.

Withdrawal. Students who withdraw from the University during the course of a term must file an acceptable Notice of Withdrawal form. Undergraduates may obtain this form at the office of the academic dean. Graduate students may obtain it from their respective departments.

Failing to attend classes, neglecting courses, or stopping payment on checks tendered for registration does not constitute notice of withdrawal. A fine is assessed if any check for registration fee payment is returned by a bank for any reason, including stopped payment or insufficient funds. If no credit for courses is received, a full refund of the University registration fee for the regular session is granted to all students entering the armed forces prior to the end of the sixth week of the term, with no refund thereafter.

A percentage of the registration fees paid is refunded according to the calendar date on which the official Notice of Withdrawal or Leave of Absence form is submitted to the academic dean.

Refund is as follows: a \$10 service fee is deducted from all 100 percent refunds; for new students, the schedule of refunds is applied to the fees paid minus the nonrefundable acceptance of admission fee and a \$10 service fee. Fees paid by new M.B.A. and Dentistry students are refunded except for their respective nonrefundable acceptance of admissions deposit. Students who receive a 100 percent refund and purchased SHIP are not eligible for any SHIP benefits for that entire term. For students who receive less than a 100 percent refund and purchased SHIP, the SHIP policy remains in effect for the remainder of the term, and refunds are calculated on the remainder of their registration fees minus the SHIP fee. Registration fee refunds take one to two weeks to process.

If a sponsored student (on financial aid) pays registration fees with personal funds, a refund is initiated automatically through BAR.

Students who initially pay registration fees with financial aid, a fee deferral, or a fee waiver, and subsequently cancel or withdraw, do not receive a cash refund.

The schedule of refunds is applied to the fee paid as follows:

Graduate Students

Graduate Leaves of Absence. For graduate students on official leave of absence, a percentage of registration fees paid is refunded according to the calendar date on which the official Request for Leave of Absence is submitted to the Graduate Division. If fees are paid by departmental funds, students may end up owing fees if the leave of absence petition is filed after the first day of classes. For refund information, see the chart above; for more on graduate leaves of absence, see the Academic Policies section.

Filing Fee. Graduate students may be eligible for and billed the filing fee (half the quarterly registration fee) in lieu of full registration fees for the term in which they expect to complete final degree requirements. See the Academic Policies section for requirements.

Reduced Nonresident Tuition. Nonresident graduate doctoral students who have advanced to candidacy are eligible for a 100 percent reduction in their annual nonresident tuition fee. See the Academic Policies section for requirements.

Fee Deferrals. Academic apprentice personnel are eligible to receive a fee deferral for part or all of the registration fees assessed during the term in which they serve as an academic apprentice. Students are responsible for paying fees by the deferred payment deadline, which is generally two months after the standard term due date. Whether students attend UCLA, take a leave of absence, or withdraw from the University, they are responsible for the fees but may be eligible to receive a partial fee refund, according to the refund schedule above. Fees not paid by the deadline are subject to the late fee charge.

Financial Support

Financial support at UCLA is handled by the Financial Aid Office, Loan Services Office, and Graduate Student Support Office. Students and their families should also be aware of tax benefits that could help offset the cost of fees and tuition.

Financial Aid Office

A129J Murphy Hall
9 a.m. to 5 p.m. weekdays
(310) 206-0400
<http://www.fao.ucla.edu>
e-mail: finaid@saonet.ucla.edu

At the Financial Aid Office students can

1. Obtain information on the Federal Family Educational Loan Program (FFELP), Federal Pell and Cal Grants, or undergraduate scholarships
2. Get counseling on how to prepare the Financial Aid Application and supporting documents
3. Report changes in their financial situation
4. Pick up petition and revision forms
5. Submit all requested documentation

Financial Aid Application

To apply for financial aid, students must complete the Free Application for Federal Student Aid (FAFSA) at <http://www.fafsa.ed.gov>. Applications are available in early January and the priority filing deadline is March 2. Applicants completing the FAFSA after the March 2 deadline will be considered for limited funding.

Financial Aid Online Services

The Financial Aid Office website (<http://www.fao.ucla.edu>) provides full service information to students. In addition to information about applying for, evaluating, and awarding financial aid, the website allows students to access and print important publications and required forms. Students can also use the site to access MyFAO which houses their electronic Financial Aid Notification (eFAN), financial aid file status information, missing information requests, summer financial aid application, and renewal scholarship application. An electronic bulletin board highlighting important events and upcoming deadlines also appears on the website, as well as important links to grants, scholarships, and loan programs.

The Financial Aid Office uses e-mail as its primary method of communicating with students. Students will be notified electronically if additional documentation is required to complete their file, when they have been awarded financial aid and have an eFAN available for review, and for other important events that require student interaction. To ensure that students receive all important notifications, it is imperative to maintain a valid e-mail address on URSA.

Financial Aid Distribution through BAR

UCLA uses a central Billing and Receivables (BAR) system to process bills and payments, including financial aid. Each student is assigned an individual BAR account. See the Billing section for methods of payment. Statements list charges, such as registration fees, health insurance, or outstanding debts, and may include anticipated financial aid activity and the amount of funds available for a refund.

The Financial Aid System automatically credits BAR accounts with students' financial aid. Students must, however, be enrolled at least half-time (6 units for undergraduate and 4 units for graduate students) for financial aid to be credited to their BAR account. Certain holds may also prevent disbursement of aid to BAR.

BAR uses financial aid as a credit to pay student registration fees and most other outstanding UCLA debts (such as student health visits or recreational fees). BAR does not pay housing charges. Students who live on campus must make payment arrangements directly with the housing office.

Bank Loans and Electronic Processing

Federal Family Educational Loan Program (FFELP) loans include Federal Subsidized and Unsubsidized Stafford loans. These programs are outlined in the *FFELP Guide*, which explains how to apply for loans electronically. Loans processed electronically are credited to student accounts, and any credit balance can be transferred directly to personal checking or savings accounts using Bruin Direct (see below).

Another type of FFELP loan is the Parent Loan for Undergraduate Students (PLUS), which is explained in the *Guide to the Federal Parent PLUS Loan*. When parents apply for PLUS loans, they can have electronic disbursements sent to BAR, which pays registration fees and any outstanding debts, then forwards remaining funds to a specified student's account. Alternatively, parents may request paper PLUS checks, which are mailed to the parents once the Loan Services Office verifies the student's half-time enrollment.

The Graduate PLUS loan is available to graduate students. Graduate PLUS loans are processed electronically and disbursed to student accounts. More information is available in the *Graduate PLUS Guide*.

All loan guides are available at <http://www.fao.ucla.edu>.

Bruin Direct

With Bruin Direct students may have refund checks electronically transferred to a personal checking or savings account. The Financial Aid Office uses available financial aid to pay registration fees and any outstanding debts, then forwards remaining funds to the specified account.

Bruin Direct enrollment information is available in the Student Accounting Office. Bruin Direct is not available to students if they selected a nonelectronic lender. Contact the Financial Aid Office for a list of preferred electronic lenders or see the FFELP/PLUS guides.

Scholarships for Undergraduate Students

The Undergraduate Scholarship Program at UCLA rewards academic excellence and promise, and provides assistance to students in need. A scholarship is expected to create opportunities for further academic growth and development.

Each scholarship is awarded for one academic year. A renewal of scholarship application must be submitted yearly. See <http://www.fao.ucla.edu> to complete the application online. The application is available on the Web in early January, and must be submitted by March 2 for the following academic year. Students must also apply for financial aid by submitting a Free Application for Federal Student Aid (FAFSA) at <http://www.fafsa.ed.gov>. Semifinalists in the Regents Scholarship competition are given preference for these awards.

Information about university and outside agency scholarship programs is at <http://www.fao.ucla.edu>. More information is on FastWeb (financial aid search through the Web), an interactive scholarship search database at <http://www.studentservices.com>.

Scholarship Resource Center. The Scholarship Resource Center (SRC) helps undergraduate students search for scholarship information. The SRC is open to all UCLA undergraduates, regardless of financial aid eligibility. The center provides referrals and serves as an information base for scholarships, fellowships, and endowments. The SRC works in conjunction with the Division of Honors and

Undergraduate Programs, the Financial Aid Office, and the UCLA community.

Special features of the SRC include counseling for students in the application process, a small library of current scholarship books, a proofreading service for scholarship applications, computer access to various scholarship listings, and workshops and general information sessions. 233 Covell Commons, (310) 206-2875, <http://www.college.ucla.edu/up/SRC/>.

Unit Requirements

The Financial Aid Office checks units on the census date at the end of the third week of classes. Enrollment below half time on that date results in cancellation of aid and billing for funds received. Once aid is reduced or cancelled, it is not reinstated automatically if the unit count increases after the census date. Federal Pell Grants are not reinstated if the unit count increases after the census date.

For undergraduate students, half-time enrollment is 6 units. Some undergraduate awards (Federal Pell Grant, Cal Grant B Stipend) require full-time enrollment (12 units) to maintain maximum eligibility.

For graduate students, half-time enrollment is 4 units.

Maintaining Satisfactory Progress

Federal regulations require UCLA to establish, publish, and apply standards of satisfactory academic progress for financial aid eligibility. Students who fail to meet the standards become ineligible to receive financial aid until they are in compliance with these requirements. For more information, see *A Guide to Satisfactory Academic Progress*, available from the Financial Aid Office and online at <http://www.fao.ucla.edu> under the FAO Publications link.

Withdrawal and Cancellation

Students who decide not to enroll for one or more terms must notify the Financial Aid Office. Students are not entitled to receive financial aid for those terms.

For students who withdraw for a term, the Return of Federal Aid policy determines the amount of financial aid they are eligible to keep for that term. The calculation is based on the date students submit the official withdrawal form to their College/school or department.

The amount of financial aid students are entitled to keep is prorated based on the number of days they were enrolled. Any financial aid received in excess of the prorated eligibility must be repaid. Students who have completed 60 percent of the enrollment period at the time they withdraw are not required to return any funds for the term.

For more information about the exact amount of financial aid students are eligible to keep after withdrawal, see the *Guide to the Return of Federal Aid*, available in the Financial Aid Office and online at <http://www.fao.ucla.edu>.

For students who receive an administrative cancellation for a term, all financial aid for the effected term is cancelled. They are not entitled to receive any funds for the term and are expected to repay any amount received.

Students who withdraw or are cancelled for a term may have to reapply for Stafford and/or PLUS loans. They should contact the Financial Aid Office and indicate the term they plan on returning to UCLA.

Loan Services Office

A227 Murphy Hall
9 a.m. to 5 p.m. weekdays
(310) 825-9864
<http://www.loans.ucla.edu>

Services offered by the Loan Services Office include

1. Distribution of paper FFELP and auxiliary loan checks
2. Processing and distribution of short-term loans (eLOAN) 9 a.m. to 4:30 p.m. weekdays
3. Debt management sessions and loan exit interviews

Loan Fund Distribution

Students who wish to pick up a paper loan check must present a valid driver's license, state I.D. card, military I.D., or passport and have no outstanding financial holds on their records in order to receive the check.

Unit Requirement for Loans

According to federal regulations, undergraduate students must be enrolled in at least 6 units and graduate students in at least 4 units continuously throughout the stated loan period to receive loan funds. This information is verified before loans are distributed. If a student withdraws or carries insufficient units during the stated loan period, any remaining loan funds are returned to the lender, any remaining portion of the loan is cancelled, and the student may be billed for funds already received. In such cases, students must reapply for a new FFELP loan that reflects the new loan period. For more information, contact the Financial Aid Office.

Federal Family Educational Loan Program

Federal Family Educational Loan Program (FFELP) loans come from banks and are issued each term based on a student's application date.

Electronic Fund Transfer (EFT) FFELP loans are disbursed through BAR. Current registration and all outstanding University debts are deducted from the student's loan funds before the remaining balance (or refund) is distributed. See "Bruin Direct" in this chapter concerning direct deposit of BAR refunds.

Non-EFT FFELP loan checks are available at the beginning of each term at the Loan Services Office. Non-EFT FFELP loan checks are held for pick up for thirty (30) days, then returned to the lender.

Students must notify the Registrar, the Loan Services Office, and their FFELP lender in writing within 10 days if they

1. Drop below half-time status, withdraw from UCLA, or transfer to another school
2. Change their address or telephone number, graduation date, name, and/or Social Security number (notify the Registrar's Office, either through URSA at <http://www.ursa.ucla.edu> or in person at 1113 Murphy Hall)

First-Time UCLA Borrower Requirement

Federal regulations governing the student loan programs require that anyone borrowing student loans at UCLA for the first time must complete an online debt management exam prior to receiving loan funds. This online exam explains the rights and responsibilities associated with loans and provides solutions for minimizing debt loads. Until this requirement is fulfilled, a University hold will prevent loan funds from being disbursed. For more information, see <http://www.loans.ucla.edu>.

Exit Interview Requirement

Students who have ever received a long-term university-based loan and are about to graduate, transfer, withdraw, or take a leave of absence from UCLA are required to complete exit interview documents with the Loan Services Office, A227 Murphy Hall, (310) 825-9864.

Short-Term Loans

Interest-free loans are available in the Loan Services Office. Applications are accepted in person only. To qualify for such loans, students

must be currently enrolled at UCLA with sufficient accepted funding to cover current quarter or semester registration fees, and have no record of a defaulted short-term loan within the past year. Applicants must present one of the following photo I.D.s: BruinCard, driver's license, state I.D. card, military I.D., or passport. Three loan types are currently available:

1. **Emergency Loan:** A loan of up to \$200 for those who meet the above criteria
2. **Living Expense Loan:** A loan of up to \$350 for those who meet the above criteria and are employed. Written employment verification must be submitted. Verification must be on company letterhead, show weekly hours worked, and be signed by the employed student's supervisor. Students employed by UCLA may use their current pay statement. If self-employed, the student's business license must be submitted
3. **Financial Aid Advance:** A loan to bridge the gap between the awarding of current-quarter financial aid and the actual receipt of funds. Loans are generally made against federal Stafford, federal Perkins, university, and approved electronically-disbursed parent loans

The loan must be repaid on time or a late fee is assessed. The defaulted loan may be subject to further collection actions, and future loan eligibility may be jeopardized. Past-due short-term loans must be paid with cash, money order, or cashier's check in order to receive University services.

Graduate Student Support Office

1228 Murphy Hall
(310) 825-1025
<http://www.gdnet.ucla.edu>

Merit-Based Awards

Merit-based awards funded by the Graduate Division take the form of stipend, fee, and/or nonresident tuition awards. To receive these awards, students must return a signed contract and necessary supporting documentation to Graduate Student Support, 1228 Murphy Hall.

Fee Remissions

As a result of employment in an eligible academic apprentice personnel title, graduate students may receive certain fee remissions. Eligibility is determined by the following criteria:

1. Appointment(s) must be at least 25 percent time, not to exceed 50 percent time, and only under eligible title codes (students should see their departments for specific details)
2. Work at least 25 percent time during the term
3. Register and enroll in a minimum of 12 units no later than the third week of instruction
4. Cumulative GPA must be 3.0 or better

Fee Deferrals

Academic apprentice personnel can obtain a Fee Deferral from their department to extend the registration fee and nonresident tuition payment deadline by approximately two months. It is the students' responsibility to pay back the deferral with either personal funds or a fee award credited to their accounts. Students who do not meet the extended deadline are charged a late fee.

Medical Insurance Plan Premiums

The mandatory insurance premium is paid for all eligible academic apprentice personnel. Students should not waive out of health insurance if they want the premium paid as part of their employment.

To waive out of GSHIP, submit the online waiver before the original registration fee payment deadline. A waiver out cannot be reversed during the term even if students have been given a fee deferral.

Extramural Support

The Graduate and Postdoctoral Extramural Support (GRAPES) database contains information on over 300 awards for graduate study, dissertation research, travel grants, and postdoctoral research. GRAPES is available at <http://www.gdnet.ucla.edu/grpinst.htm> or from the Graduate Outreach, Diversity and Fellowships Office, 1252 Murphy Hall, (310) 825-3521.

Educational Tax Benefits

A number of educational tax benefits may have an impact on the federal income tax liability of students and their families. To assist the Internal Revenue Service (IRS) monitor eligibility for tax credits, UCLA must provide certain information to the IRS on its students. A brief summary of the provisions that may apply to students in attendance at UCLA follows:

Hope Scholarship Tax Credit is a nonrefundable tax credit up to a maximum amount of \$1,500 for qualified tuition and fees paid by or on behalf of a student. The credit is generally available for students in their first two years enrolled at least half time in coursework leading to a recognized degree or certificate.

Lifetime Learning Credit is a nonrefundable credit equal to 20 percent of the first \$10,000 of qualified tuition and fees paid by or on behalf of a student in years in which the Hope Scholarship Credit is not claimed. The credit is generally available for students enrolled in coursework leading to a recognized degree or certificate. Individuals enrolled in coursework to acquire or improve job skills may also be eligible for the Lifetime Learning Credit.

Student Loan Interest Deduction is a federal income tax deduction for an amount up to \$2,500 in interest paid on loans incurred to pay qualified education expenses.

As required by law, UCLA will report to the IRS the identity of students who have paid educational fees that may be eligible for the Hope Scholarship or Lifetime Learning Credit. The university must report the following:

1. student social security number, name, street address, city, state, and ZIP code
2. payments received for qualified tuition and related expenses
3. adjustments to qualified tuition and related expenses for a prior year
4. scholarships or grants
5. adjustments to scholarships or grants for a prior year
6. reimbursements or refunds of qualified tuition and related expenses from an insurance contract
7. half-time student status
8. graduate student status

On or before February 1 of the current tax year, students will receive a corresponding report. Any questions regarding information printed on this form should be directed to TCRS, the University of California's education tax credit reporting service, at their toll free number (877) 467-3821, or see <http://www.tcrs.com>.

To find out if you qualify for benefits under these or other provisions of the Taxpayer Relief Act, contact a tax consultant or call the Internal Revenue Service. **The University of California is not authorized to respond to tax questions.**

Enrollment

Use URSA at <http://www.ursa.ucla.edu> to enroll in classes, add, drop, exchange, or change the grading basis of classes, join a wait list, and view Study Lists. Students enroll during appointment times, which they obtain through URSA.

URSA Enrollment

University Records System Access (URSA) gives UCLA students, and those who have been students within the past 10 years, real-time access to their University academic records. URSA operates Sunday night from 6 p.m. through Tuesday at 1 a.m. and Tuesday through Saturday from 6 a.m. to 1 a.m., including holidays.

URSA is accessed by logging on to <http://www.ursa.ucla.edu> with a UCLA Logon ID and password. Do not give your UCLA Logon ID and password to anyone. If you tamper with another student's enrollment or personal data, you are subject to disciplinary action, up to and including suspension.

URSA is the easiest way to enroll in classes and to gain real-time access to academic, financial, and personal records. The site is designed with an intuitive visual interface that walks you through the different steps of the procedure you are trying to accomplish, whether it be to check your BAR account, change address information, view your Study List, or see your term grades.

Appointments

Enrollment appointments are based on class level and assigned within the time and dates shown on the chart at the end of this section or at <http://www.registrar.ucla.edu/soc/enrolcht.htm>.

Current-term degree candidates must redeclare candidacy for a later term to receive enrollment appointment times.

Graduate Student Enrollment

Law, Medicine, and Dentistry students enroll as instructed by their respective Student Affairs Office.

All other graduate students eligible to enroll for the next term are randomly assigned one appointment time or pass and can use URSA from the beginning of the specified appointment time through midnight on Friday of the second week of classes. Students should be enrolled in courses with unit credit by the deadline to avoid the \$50 late filing of Study List fee and to avoid having to obtain instructor signatures.

Undergraduate Student Enrollment

A two-pass system is used for UCLA's 25,000 undergraduates to ensure that everyone has the opportunity to enroll in required premajor, major, and GE courses and to graduate.

Undergraduates eligible to enroll for the next term enroll on URSA during two randomly-assigned appointments, which fall within pass periods that are prioritized as follows:

1. Students in priority groups
2. Seniors with 160 or more units
3. New and reentering students eligible for advance payment and/or enrollment
4. Seniors with less than 160 units
5. Juniors with less than 135 units
6. Sophomores with less than 90 units
7. Freshmen with less than 45 units

Priority enrollment groups include students in academic difficulty, Regents and Alumni Scholars, recruited scholarship recipients, Letters and Science Honors Programs participants, athletes in NCAA sports, and students served by the Office for Students with Disabilities. Sections are carefully monitored during each priority group pass to ensure that any one group does not exceed 30 percent and that all groups do not exceed 50 percent of a section's spaces, in accordance with recommendations of a task force appointed by the Committee on Educational Policy.

URSA does not allow students to enroll before their specified time and informs them of their correct appointment day and time.

Changes in the appointment sequence are made only to correct an appointment based on an incorrect class level. To request an appointment change, go to 1113 Murphy Hall with a photo I.D. prior to the assigned appointment.

Priority Pass. During their priority pass, students may only enroll in 10 units unless otherwise noted by their priority group. Students in a priority group who do not enroll during their priority pass appointment period must wait until their first pass appointment to enroll.

First Pass. During their first pass, students **may only enroll in 10 units**. This gives all undergraduates a better chance to obtain at least two courses needed toward graduation. Students who do not process their enrollment during the assigned first pass must wait until their second pass appointment to enroll.

Second Pass. During their second pass, students can add courses up to the maximum units allowed by their College or school. They can enroll from the beginning of the specified appointment day and time through midnight on Friday of the second week of classes when wait lists are eliminated and Study Lists of enrolled courses become official. Students should be enrolled in courses with unit credit by that date to avoid paying the late Study List filing fee and obtaining instructor signatures and College/school approval on Enrollment Petitions (for more details, see "Official Study Lists").

After second pass appointments begin, undergraduates may

1. Use a Permission to Enroll (PTE) number (see the Enrollment in Restricted Classes section) to enroll through URSA for restricted or closed classes. Undergraduates may submit approved major change forms that may affect enrollment in courses restricted to particular majors
2. Submit approved petitions for contract courses
3. Request enrollment in Passed/Not Passed (P/NP) courses over the eligible limit of units (URSA informs students if this applies)
4. Submit approval for an **excess unit** Study List (more than 19 units for Letters and Science; more than 21 for School of Engineering; more than 20 for School of the Arts and Architecture; more than 19 for School of Theater, Film, and Television)

Wait Lists

Wait lists are maintained through Friday of the second week of classes unless a department deletes them earlier. This may happen on the first day of classes for some sections, especially laboratories. Check the notes under the course listing in the *Schedule of Classes*. Students should not assume they will be added to a class or dropped from a class (if, for example, they are number one or number 100 on the wait list). Students must drop themselves before the official Study List deadline if they do not want the class.

A wait-list position within 10 percent of enrollment capacity (for example, number five for a class of 50) indicates a good chance of being enrolled. Many students drop classes after the first meeting, at

which point other students may enroll in the class or advance on the wait list. Sometimes departments increase the enrollment capacity of the class, which automatically enrolls additional students from the wait list. Check URSA before Friday of the second week of classes to determine wait-list status.

Students may move backward on wait lists if a class is overenrolled through the use of PTE numbers. For example, a student who is first on the wait list for a course that has an enrollment capacity of 100 and is not overenrolled may move from position 101/100 to 105/100 if four students with PTE numbers enroll. The student cannot be enrolled until five people drop the course and the enrolled number is less than the enrollment capacity.

Enrollment in Restricted Classes

Students may enroll through URSA in a restricted class if they get a five-digit PTE number. A PTE number is issued at the discretion of the instructor or department offering the class. When used with the nine-digit course I.D., it guarantees enrollment through URSA. Inquire at the respective departmental office regarding any internal department procedures for receiving a PTE number.

PTE numbers may be issued in the following cases:

1. The department/instructor offering the class may authorize **selective enrollment** if the enrollment capacity is filled. This is at the instructor's discretion and may only be approved based on criteria established by the instructor and/or department
2. As an exception to published **restrictions** (consent of instructor, department consent, specified majors, class levels—freshmen only, juniors or above) in the *Schedule of Classes*
3. **Closed classes** (enrollment capacity reached). When the enrollment capacity is reached, students may choose to be on a wait list. They are moved into the class as enrolled students drop out or if the department increases the enrollment capacity

If the instructor/department assigns a PTE number, use the nine-digit course I.D. to enroll in the class through URSA.

Enforced Requisites

Undergraduate students are prevented from enrolling in lower division Letters and Science courses with enforced requisites (as listed in the *UCLA General Catalog* or the online *Schedule of Classes*) if those requisites have not been met. Some courses with requisites may be in warning status, which allows enrollment but informs students that the course requisite has not been met. In the Class Listings section, courses with enforced requisites are notated with a Y in the ENF REQ column, located after the course title.

Students with transfer or AP credit that was not evaluated as equivalent to a specific requisite should consult the department offering the course for review of the transfer or AP credit as shown on their DPR. Decisions by the department concerning meeting requisites are final.

Impacted Courses

Courses that meet the criteria below and have been approved by the Faculty Executive Committee of the College or schools are designated as "impacted" courses.

1. Meet once a week and are difficult to complete if a student has not attended by the end of the second week of classes
2. Have high enrollment demand that deny qualified students enrollment because of limited resources
3. Have high instructor/student ratios, and/or
4. Involve large commitments of other resources

Each impacted course is clearly indicated in the Class Listings section by a Y in the IM (Impacted) column. In the online *Schedule of Classes*, the designation is listed under "Crns Info" or the "ID Number" which links to expanded information about a course.

Students cannot drop an impacted course after the second week of a term for other than exceptionally extenuating circumstances as described in "Drop Procedures."

Enrollment in Contract Courses

Students use their MyUCLA webpages to initiate a petition to enroll in a contract course. To start the process and obtain the contract forms, students login to MyUCLA, look under "MyUCLA Features," and scroll down to "Contract Courses." Contract forms are available for the following course numbers: Honors Contracts (89HC, 189HC), Student Research Program (99), and upper-division tutorials (195-199).

Each form is customized for a specific course number. Before filling out the form, students need to prepare a short description of the proposed course of study, the nature of the faculty supervision, and the type of tangible evidence of work completed that will be presented at the conclusion of the course. The name of the faculty mentor who is to supervise the course is also needed at the time the form is filled out. After this information is entered, print the form and obtain the necessary signatures.

For students pursuing an internship (course 195), consult with either a departmental adviser or the Center for Community Learning (A265 Murphy Hall) to determine which unit coordinates the internship. Internships coordinated through the Center for Community Learning require a site supervisor's signature.

After obtaining the signatures of the instructor and the instructor's department chair, students must check with the department of the course in which they are enrolling, or with their College or school, to confirm which of the following options to use to complete enrollment in the course:

1. Through the department by leaving the form for processing
2. Through the appropriate school by taking the form to
 - a. 6426 Boelter Hall for the Henry Samueli School of Engineering and Applied Science
 - b. 103 East Melnitz Building for the School of Theater, Film, and Television
 - c. 2-200 Factor Building for the School of Nursing
3. Through the Registrar's Office by taking the form to 1113 Murphy Hall

The deadline to enroll in a contract course without a fee is Friday of the second week of classes; to enroll with a fee, the deadline is Friday of the third week of classes.

Once a contract is processed, students can print out their study list which serves as a record of enrollment.

Official Study Lists

A Study List is a record of all courses a student is enrolled in for a term. A registered student's Study List of enrolled courses becomes official at midnight on Friday of the second week of classes. Each student is responsible for all courses and the grading basis for each course, as listed on URSA, and cannot receive credit for courses not listed. Errors or omissions should be corrected before the College or school deadline for changes by petition. Unapproved withdrawal from or neglect of a course entered on the Study List results in a failing grade.

Undergraduate Study List Changes

Undergraduate students can make changes to their Study List through Friday of the second week without a fee. After Friday of the second week, when the Study List becomes official, undergraduate students are charged a fee to make changes. The fees are assessed through BAR.

For late enrollment transactions after the published deadlines, students should contact their respective counseling units for forms and procedures:

- College AAP students, 1209 Campbell Hall
- College athletes, Morgan Center
- College honors students, A311 Murphy Hall
- All other College students, A316 Murphy Hall
- Henry Samueli School of Engineering and Applied Science, 6426 Boelter Hall
- School of Arts and Architecture, 2200 Broad Art Center
- School of Theater, Film, and Television students, 103 East Melnitz Building
- School of Nursing, 2-200 Factor Building

Add a Course

Undergraduate students adding courses during the third week are assessed a \$5 per course fee. For courses added after the official

add deadline of Friday of the third week, they are assessed a fee of \$5 per course plus a penalty fee of \$15 per course. A PTE number is required if the class is closed or restricted. After week three, College or school approval is required to add a class.

Change Variable Units

Undergraduate students changing units through URSA on a variable unit class during third and fourth week are assessed a \$5 per course fee. After fourth week, students are assessed a fee of \$5 per class plus a penalty fee of \$15 per class. After week four, College or school approval is required to make changes.

Drop a Course

Drop deadlines vary by College or school and the type of course (impacted or non-impacted). See "Drop Procedures" and the drop chart for more detailed information.

Note: Student athletes may not drop a class after the first day of class without their counselor's approval.

Change the Grading Basis of a Course

Undergraduate students changing the grading basis through URSA of an optionally graded during weeks three through six are assessed a \$5 per course fee. Changes after Friday of sixth week require a petition, and students are assessed a fee of \$5 per class plus a penalty fee of \$15 per class. See "Changing Grading Basis" for more detailed information.

Late Study Lists

Registered students who are not officially enrolled in courses for credit as of Friday of the second week of instruction must file a late Study List. Use an Enrollment Petition for this process.

There is a \$50 late Study List fee for filing a Study List after Friday of the second week of instruction as described under "Late Payment" in the Billing section. Fees are assessed through BAR.

1. Obtain the appropriate form: undergraduate students from the College or school advising unit; graduate students from a department adviser.
2. Obtain the necessary signatures and file the approved form at the processing locations noted on the Enrollment Petition form. Students are given a receipt of the approved/processed Study List and are responsible for all courses and grading basis as recorded.

Drop Procedures

Dropping a course may reduce a Study List below minimums required for full-time status, financial aid, the minimum-progress requirement, and eligibility for residence halls and other services that require a specific enrollment status. The drop form reminds students about these requirements and the consequences that may be triggered if the petition is processed. It is each student's responsibility to meet enrollment unit requirements.

Dropping Nonimpacted Courses

Nonimpacted courses constitute the vast majority of courses and may be dropped on or before Friday of the second week through URSA with no fee or transcript notation. Nonimpacted courses may be dropped during the third and fourth week through URSA with no transcript notation and a \$5 per course fee. Drops after fourth week are assessed a fee of \$5 per class plus a penalty fee of \$15 per

class. Drops after fourth week incur a transcript notation noting the week the class was dropped.

The drop periods for classes vary by College or school. See the drop chart later in this section.

Students in the College of Letters and Science can drop non-impacted courses through URSA without a transcript notation through Friday of fourth week. In weeks five through seven, students in the College can drop courses through URSA without an instructor's signature. During weeks eight through ten, students are restricted to three approved drops in their academic career. For drops after seventh week, an instructor's signature and College approval is required.

For students in the Henry Samueli School of Engineering, the School of the Arts and Architecture, and the School of Theater, Film, and Television, students can drop courses through URSA without a transcript notation through Friday of fourth week. After fourth week, they must obtain a drop petition from their academic deans' office.

Dropping Impacted Courses

Students have only two weeks to drop an impacted course without a notation on their transcript. After Friday of second week, students who need to request a drop of an impacted course should first consult their instructor for advice on other options.

Impacted courses may be dropped after the second-week deadline only under extraordinary circumstances. Each impacted course is indicated by a Y in the IM (Impacted) column in the class listings in the *Schedule of Classes*.

If dropping is advised due to exceptional or extreme circumstances (such as severe illness), students must obtain a Late Impacted Drop Petition or a Retroactive Drop Petition from their counseling unit. Students must explain their situation on the form and obtain a signature

from the instructor. For College of Letters and Science students, impacted course drop requests are considered by a faculty subcommittee of the Faculty Executive Committee. If approved, the dropped course appears on the student's transcript with a notation indicating the week of the term in which the drop petition was filed, and the late drop fee is assessed.

Transcript Notation for Late Drops

Drops of impacted courses processed after Friday of second week and drops of nonimpacted courses processed after Friday of fourth week are recorded on the permanent undergraduate transcript. The entry records the week the course was dropped using the following format:

```

COGNITIVE PSYCH   PSYCH  120A   4.0   B+
SHAKESPEARE      ENGL   90     4.0
                COURSE DROPPED WEEK 8
    
```

Changing Grading Basis

Courses with Optional Grading Basis

Courses with an optional grading basis allow students (not instructors) to choose either a Letter grade or a Passed/Not Passed grade (for undergraduates) or Satisfactory/Not Satisfactory grade (for graduate students). In URSA and the *Schedule of Classes*, the grade or credit type for classes with an optional grading basis is displayed as blank—no abbreviation appears in the credit type column. The default grading basis for such classes is Letter grade.

Undergraduate students in good academic standing can change the grading basis on these courses through URSA. The deadline for undergraduates to make changes is Friday of sixth week. Graduate students can make changes through the last day of instruction. In the

online *Schedule of Classes*, on the class listing page, click on "Crs Info" to determine if a course has optional grading, or see the course description in the catalog at <http://www.registrar.ucla.edu/catalog/updates/>.

Courses with Mandatory Grading Basis

Courses with a mandatory (non-optional) grading basis (e.g., Letter Grade only, Passed/Not Passed, Satisfactory/Not Satisfactory) are designated G, PN, or SU in URSA. The grading basis of these courses cannot be changed through URSA. Undergraduate students in good academic standing must petition to request a change in grading basis. The deadline for undergraduates to petition for change is Friday of sixth week. Graduate students can petition for change through the last day of instruction.

1. Using a Student Petition form, obtain approval to change grading basis from the department offering the class.
2. If departmental approval is granted, file the petition with the College or school counseling unit if you are an undergraduate student or with Graduate Division if you are a graduate student.
3. If the request is approved by the College, school, or Graduate Division, the petition is sent to the Registrar's Office, and the change in grading basis is recorded on the Study List.

(Engineering students at 6426 Boelter Hall; Letters and Science honors students at Honors Programs, A311 Murphy Hall; AAP students at AAP Counseling, 1209 Campbell Hall; athletes at the Morgan Center; all other Letters and Science students at College Academic Counseling, A316 Murphy Hall).

Graduate Study List Changes

Graduate students can use URSA to add, drop, change grading basis, or change variable units through the end of the last day of instruction. Fees are assessed through BAR after Friday of second week.

Graduate students adding courses during the third week are assessed a \$5 per course fee. The official graduate add deadline is Friday of third week. For courses added after this date, graduates are assessed a fee of \$5 per course plus a penalty fee of \$15 per course and the enrollments are not counted toward departmental budget allocations. To add a course that is closed or restricted, students must input a valid PTE number.

Special Programs Enrollment

Concurrent Enrollment

Concurrent enrollment—defined as taking courses during regular sessions (Fall, Winter, and Spring terms) for credit at UCLA and, at the same time, at another non-UC institution, including UCLA Extension—is not permitted except in extraordinary circumstances, and no credit is given for such courses unless the approval of the UCLA College or school has been obtained by petition prior to enrollment.

Intersegmental Cross-Enrollment

At the discretion of the appropriate campus authorities on both campuses, California Education Code sections 66755 and 66756 (amended by SB 361 passed in 1999) allow undergraduate students enrolled in any campus of the California community colleges, the California State University, or the University of California to enroll without formal admission in a maximum of one course per academic term at a campus of either of the other systems on a space-available basis. Enrollment in precollege courses is excluded.

UCLA students qualify for intersegmental cross-enrollment if they meet all the following requirements:

1. Complete at least one term at UCLA as a matriculated student
2. Enroll for a minimum of 6 units for the current term
3. Earn a grade-point average of 2.0 (C) for work completed
4. Pay appropriate tuition and fees at UCLA for the current term
5. Complete appropriate academic preparation as determined by the host campus
6. Have California residence status

Obtain a concurrent enrollment application from the College or school. An administration fee is charged for each academic term such enrollment is requested.

Intercampus Visitor Program

Undergraduates enrolled at one campus of the University of California may have the opportunity to attend another UC campus for one quarter or semester on the Intercampus Visitor Program. UCLA students obtain applications from Enrollment and Degree Services, 1113 Murphy Hall. Observe the deadlines on the application. Applications are reviewed by a student's College or school. Letters and Science students should contact College Academic Counseling in A316 Murphy Hall; Arts and Architecture students should contact the Student Services Office in 2200 Broad Art Center; Theater, Film, and Television students should contact the Student Services Office in 103 East Melnitz Building; Engineering students should contact the Student Services Office in 6426 Boelter Hall.

Simultaneous UC Enrollment

Undergraduate students may enroll simultaneously in courses offered by another UC campus. Eligible students must be registered (fees paid), in good standing, and enrolled in at least 12 units at UCLA. Students may simultaneously enroll in no more than one UC host-campus course not to exceed 6 units. Before attending the host campus, both campuses must give approval. Approval to enroll simultaneously on another UC campus does not guarantee credit toward specific degree or General Education requirements. Application of host-campus courses to UCLA graduation requirements is determined by the College or school. Details are on the application form. Obtain applications and directions for submitting forms from the following offices: honors students, A311 Murphy Hall; student athletes, Morgan Center; AAP students, 1209 Campbell Hall; all other Letters and Science students, College Academic Counseling, A316 Murphy Hall; Arts and Architecture, Theater, Film, and Television, Engineering and Applied Science, and Nursing students, their respective Student Affairs Office. The form is also available online at <http://www.registrar.ucla.edu/forms/>.

Student Responsibility

A registered student's Study List of enrolled courses becomes official at midnight on Friday of the second week of classes. Students are responsible for all courses and grading basis, as listed on URSA, and cannot receive credit for courses not listed. **In planning courses for a term, students are responsible for avoiding class conflicts and avoiding conflicting or multiple same-day final examinations.** See "Final Examination Policies" in the Class Listings section.

UCLA Online

Bruin OnLine

124 Kerckhoff Hall
 Help Desk (310) 267-4357
<http://www.bol.ucla.edu>
 e-mail: consult@ucla.edu

Bruin OnLine (BOL) is a collection of software and services that provide UCLA students, faculty, and staff with access to e-mail, campus network services, and the Internet. Services include dialup access using PPP at speeds up to 56 kbps and wireless access to the campus network, along with wired connections through Ethernet ports.

Accessing Bruin OnLine Services

On campus, BOL services are available anywhere there is network access, including campus computing laboratories, libraries, and campus residence hall rooms; and anywhere there is wireless network coverage.

BOL can be accessed from off campus by

1. Using the BOL modem pool (310 area code). Users pay all telephone charges for toll or long-distance access (310 area code)
2. Using your own Internet Service Provider (ISP), connect through the BOL proxy server to access UCLA restricted resources such as software and library journals. See <http://www.bol.ucla.edu/services/proxy/> for more information

Access for Persons with Disabilities

The Academic Technology Services (ATS) Disabilities and Computing Program (DCP) has specifically adapted configurations of BOL software. Call (310) 206-7133 for more information or see the Student Services section.

Bruin OnLine Wireless

Wireless Internet access is available in select locations on campus for UCLA Logon ID holders with their own 802.11b-compliant laptop or handheld computer. For more information, see <http://www.bol.ucla.edu/wireless/>. For a map of wireless coverage areas, see <http://www.bol.ucla.edu/services/wireless/coverage/>.

Getting Started

To use BOL, you need a UCLA Logon ID and password, and a computer that connects to the UCLA network. You can access BOL from many locations throughout campus or from home. Personalized assistance is also available from the BOL Help Desk.

For instructions on creating a UCLA Logon ID, see the BOL website at <http://www.bol.ucla.edu>.

UCLA Logon

A UCLA Logon allows authentication for a variety of online campus services, networks, and materials. With this ID, users can

1. Access class webpages and discussion groups
2. Search the UCLA Library and online databases
3. Create e-mail mailing lists
4. Download Internet browsers, anti-virus software, and FTP programs
5. Create personal webpages
6. Check e-mail

7. Authenticate to use the BOL Proxy Server
8. Access the UCLA wireless network

Campus Computer Laboratories

Student computer laboratories are supported through Academic Technology Services (ATS) and the College Library Instructional Computing Commons (CLICC), a collaborative effort between ATS, Center for Digital Humanities, Social Sciences Computing, Office of Instructional Development, and College Library. Some 15 computer laboratories are available throughout campus, each with computers, peripherals, software, and services that cater to specific areas of study.

Access to the laboratories varies; departmental laboratories may require enrollment in either the major or a class. General purpose laboratories merely require a UCLA Logon ID and password, which is available free of charge to UCLA students, faculty, and staff. Kiosks to set up an account are available at several locations.

For a map of the locations, hours, and general information, see <http://www.computerlabs.ucla.edu>.

Electronic Mailing Lists (Listservs)

Bruin OnLine offers a mailing list service that manages electronic mail discussion and e-newsletter distribution to list subscribers. Mailing lists are available for any academic purpose; new list requests from students require verification of faculty sponsorship. For more information, see <http://www.bol.ucla.edu/services/lists/>.

Instructional Enhancement Initiative

The Instructional Enhancement Initiative is designed to

1. Provide course websites for faculty, teaching assistants, and enrolled students. The sites facilitate the distribution of supplementary course materials, lecture notes, homework assignments, research links, and electronic communication, including virtual office hours and class bulletin boards for interactive question and answer sessions. Instructors decide which of these online capabilities are best suited to their course websites
2. Provide enhanced computer laboratories with expanded hours of access for student use

Students enrolled in undergraduate non-tutorial courses in the College of Letters and Science and undergraduate non-tutorial courses (including graduate non-tutorial courses taught concurrently with undergraduate courses) in the Henry Samueli School of Engineering and Applied Science are assessed a per-unit course materials fee, called the Instructional Enhancement Fee. For fee amounts, see the Miscellaneous Fee chart in the Registration section or online at <http://www.registrar.ucla.edu/fees/>. Fee assessment through BAR is based on actual enrollment at the end of the fourth week of the quarter. Instructional Enhancement fees apply to all

students except Education Abroad Program reciprocity students and CAPP (Washington Internship) students.

For questions about IEI fees, see <https://be.my.ucla.edu/faq/aboutIEI.htm> (College of Letters and Science) or <http://www.seas.ucla.edu/feeinfo/> (Henry Samueli School of Engineering and Applied Science).

MyUCLA

MyUCLA at <http://my.ucla.edu> provides a portal to individual student information. Students can personalize the site by entering either their UCLA Logon ID and password. Features of MyUCLA include

1. Full featured WebMail support, including personal address books, enabling access to POP3 or IMAP4 compliant mail systems and including additional functionality when accessing Bruin OnLine
2. A personalized Study List showing classes and class information for current and previous quarters, including grades and links to course websites
3. A notifications section for important announcements
4. A subscriptions section where students access online information from newspapers, journals, or magazines or from University departments, clubs, and organizations
5. Links to UCLA online resources, including URSA, the *Schedule of Classes* and *UCLA General Catalog*, and much more
6. A personal calendar that includes academic deadlines, subscription calendars, class specific deadlines, and personal entries
7. Scoped InfoSeek searches
8. General academic information

Letters and Science students obtain additional services, including the ability to view their counseling appointments, check the status of petitions, and track their honors progress.

Newsgroups

Usenet is a worldwide discussion system of newsgroups classified by subject. Newsgroups available on news.ucla.edu include the [ucla.*](http://news.ucla.edu) hierarchy which is dedicated to topics specific to UCLA and is not transmitted outside of UCLA.

Bruin OnLine has its own newsgroups, for example, that post announcements about its service and where students can ask questions about computer software and hardware ([ucla.bol.announce](http://news.ucla.edu/bol/announce), [ucla.bol.general](http://news.ucla.edu/bol/general), and [ucla.bol.webpages](http://news.ucla.edu/bol/webpages)). Other newsgroups help with platform questions ([ucla.pc](http://news.ucla.edu/pc) and [ucla.mac](http://news.ucla.edu/mac)), while still others post announcements and offer forums (for example, [ucla.general](http://news.ucla.edu/general), [ucla.announce](http://news.ucla.edu/announce), [ucla.rumor](http://news.ucla.edu/rumor), and [ucla.forsale](http://news.ucla.edu/forsale)). Some classes have their own newsgroups as well (see [ucla.classes.*](http://news.ucla.edu/classes) hierarchy).

Newsgroups offered by news.ucla.edu can be accessed through a newsreader client such as Outlook Express, Mozilla, or Netscape. For more information, see <http://www.bol.ucla.edu/services/news/>.

Online Directory

The UCLA Online Directory offers directory information about faculty, staff, students, and departments. Student listings in the directory are generated through URSA and are updated nightly (excluding weekends) by the Registrar's Office, which administers student privacy

rights for release of student information. A student may change address, telephone number, e-mail address, and privacy options through URSA. Changes to address and privacy options may also be submitted using a change form, available in the Murphy Hall north-west lobby and filed at 1113 Murphy Hall. For more details on privacy options, see "Disclosure of Student Records" in the Official Notices section or see URSA at <http://www.ursa.ucla.edu>. To access the Online Directory, see <http://www.directory.ucla.edu>.

Student Technology Center

The Student Technology Center coordinates computing connectivity to the campus network for students living in on-campus housing, including network card purchase and installation, Bruin OnLine software, and technical support. The center houses a computer laboratory with Macintosh and Windows computers. It also offers scanning, CD burning, and printing services. Located opposite Covell Commons at 330 De Neve Drive, (310) 825-3400; see <http://www.resnet.ucla.edu>.

UCLA Homepage

The UCLA homepage (<http://www.ucla.edu>) offers a gateway for access to information on campus teaching, research, and service. Its main menu links to sites for prospective and current students; arts, museums, and athletic events; and academic, library, and research information. It also offers access to the Online Directory and pages for alumni. In addition, the current students link connects to URSA, MyUCLA, student services, computing laboratories, and campus news. A search feature allows for easy browsing through the thousands of webpages that comprise the UCLA site, including those for departments, programs, and services.

UCLA Library Electronic Resources

Locate and identify materials through the library's web-based online information systems (see below), which can be accessed from the library website at <http://www.library.ucla.edu>. Reference librarians are available in all library units, online, and by phone to answer questions about using online systems, as well as to provide assistance with reference and research topics.

The **UCLA Library Catalog** contains records for all UCLA Library holdings and other campus collections, including the Archive Research and Study Center of the Film and Television Archive, Chicano Studies Research Center Library, Ethnomusicology Archive, Institute for Social Science Research Data Archives Library, and Instructional Media Library. It also provides library item location and circulation status, and users can request document delivery services and SRLF items online.

The **Melvyl Catalog**, which is also available through telnet, contains information on holdings at all University of California campuses as well as a number of other collections.

While continuing to develop and manage collections of traditional printed materials, the UCLA Library also makes a number of digital resources available for campus use through the library site. These include electronic reserves and many electronic journals, texts, reference resources, periodical indexes, and abstracts.

Student Services

Student Services support the teaching, research, and public service functions of the University while they promote the academic success of UCLA students and enhance the quality of campus life.

Registrar's Office Services

In addition to enrollment services, the Registrar's Office helps students determine residence status, change names on official records, and obtain transcripts and degrees. See the Registrar's Services Guide for a complete list of services.

Establishing Residence for Tuition Purposes

Specific criteria for establishing residence for tuition purposes is included in the Appendix of the current *UCLA General Catalog* and in the Registrar's Office Frequently Asked Questions at <http://www.registrar.ucla.edu/faq/>. Direct inquiries about residence requirements to the Residence Deputy, 1113 Murphy Hall, (310) 825-3447. No other University personnel are authorized to supply information about residence requirements for tuition purposes.

The Petition for Residence Classification is obtained on the Registrar's Office website and filed at 1113 Murphy Hall prior to the late registration period for the term in which you are eligible for classification from nonresident to resident status. Documentation of residence will be requested at that time.

Name Change

To change their names on official University records, or to identify capitalization, punctuation, or accent marks (for their diploma) that computer files do not accommodate, students must obtain and file (no fee) the UCLA Name Change or Correction form at Enrollment and Degree Services, 1113 Murphy Hall. Proof of former and new name must be submitted with the form. Forms are available in the Murphy Hall northwest lobby and at <http://www.registrar.ucla.edu/forms/>. A new BruinCard must be obtained at 123 Kerckhoff Hall for a \$21 replacement fee.

Official Transcripts

Two versions of official UCLA student records are available from Academic Record Services, 1134 Murphy Hall. These are the academic transcript and the verification transcript. Each is designed to meet specific needs.

Academic Record Services provides transcripts for regular and summer sessions. For UCLA Extension courses, order from UCLA Extension, P.O. Box 24901, Los Angeles, CA 90024.

Official UCLA transcripts are printed on security paper to safeguard against unauthorized duplication, alteration, and misrepresentation. The paper has a multicolor security background with a faint background design and a border with the words "University of California, Los Angeles." Authentication details are located in the lower right hand corner of the transcript, and the transcript legend is located on the reverse of the document.

Academic Transcript

The academic transcript is a student's complete academic record, including a listing of courses taken, transfer credit, units, grades, grade-point average (GPA), earned UCLA degrees, and in-progress term information, which includes a list of the courses that student enrolled in during the term the document was requested, and other

in-progress information such as a change in major or the removal of an I grade.

Grades for completed terms are processed immediately following the conclusion of final examinations. Complete academic transcripts are available approximately two weeks after the last day of the term. For graduating students, academic transcripts with the graduation date included are available approximately seven weeks after the end of the term. If you require earlier proof of graduation, contact your degree auditor in 1113 Murphy Hall. A fee may be charged for this service.

The minimum period required for processing and issuing academic transcripts for both registered and former students is three working days. Expedited service (processing within 24 hours) is available for an additional \$10 charge per addressee.

Verification Transcript

The verification transcript certifies registration (fee payment), enrollment status, and degrees. For auto insurance "good student" discount, insurance forms should be presented at 1134 Murphy Hall. The verification fee is required for this service. Verification transcripts confirm student status only after registration fees have been paid for the term. Verification of student workload is based on actual enrolled units and does not consider wait-listed units or list courses for a term.

Verification of degree can be issued after your degree has been posted to your student record approximately seven weeks after the term ends. If you require verification before your degree is posted, contact your degree auditor in 1113 Murphy Hall.

The fee for a verification transcript is waived if requested for loan or student aid verifications (proof of request required). Most enrollment verifications for loans and creditors, however, are processed for the University by National Student Clearinghouse.

Third-Party Verifications

UCLA has authorized National Student Clearinghouse to act as its agent for all third-party verifications of student enrollment and degrees. Degree verification for the most recent term is available approximately eight weeks after the term ends. The Clearinghouse abides by all provisions of the Family Educational Rights and Privacy Act (FERPA). See <http://www.studentclearinghouse.org>.

Ordering Transcripts

Academic and verification transcripts can be ordered through URSA online at <http://www.ursa.ucla.edu>, in person at 1134 Murphy Hall, or by sending a request to the Registrar's Office, Attn: [Academic or Verification] Transcripts, 1105 Murphy Hall, UCLA, Box 951429, Los Angeles, CA 90095-1429.

Other Student Services

Programs and services are geared to supporting the mental, social, and physical development needs of students in a healthy, safe, and intellectually challenging environment.

Ashe Student Health and Wellness Center

The Arthur Ashe Student Health and Wellness Center (Student Health Service) is the campus health service and an outpatient health facility for all registered UCLA students. Most services are subsidized by registration fees, but there are minimal fees for all services. Visit, core laboratory, and X-ray fees for students with the Student Health Insurance Plan (SHIP) are written off by SHIP. There are co-pays for pharmaceuticals. Service fees for students without SHIP are billed directly to students' BAR accounts.

If students withdraw during a term, the Ashe Center continues to be available for the remainder of the term on a full-fee basis from the date of withdrawal. If students withdraw with no refund, SHIP is maintained and services remain available as described above.

The cost of services received outside the Ashe Center is each student's financial responsibility. Students who waive the UCLA Student Health Insurance Plan (SHIP) need to ensure that they are enrolled in a plan adequate to cover expenses incurred outside of the Ashe Center.

Office hours during the academic year are weekdays 8 a.m. to 6:30 p.m. except Friday, when service begins at 9 a.m. Patients without appointments (walk-ins) are seen on the first floor. Patients with appointments are seen on the first, second, or third floor. Physical therapy and the insurance office are on the fourth floor. Located at 221 Westwood Plaza; see <http://www.studenthealth.ucla.edu>.

For emergency care when the Ashe Center is closed, students may obtain treatment at the UCLA Medical Center Emergency Room on a fee-for-service basis. It is the student's responsibility to have insurance billed.

BruinCard

The UCLA BruinCard is a mandatory student identification card that is used to electronically confirm student status and eligibility for services. Supportive photo identification, such as a driver's license or passport, is required when the initial card is issued.

The primary benefit of the BruinCard is convenience. It is a versatile card that serves the following functions:

1. Confirmation of student status
2. I.D. card for faculty, staff, and students
3. Residence halls access and meal card
4. Library card
5. Recreation card
6. Debit card (if activated) for purchases at campus stores and restaurants on and off campus
7. Time-management card for departments using the Kronos system
8. Access to Big Blue Bus

New services allow students to check BruinCard balances, make deposits, view recent transactions, and report lost and stolen cards online at <http://www.bruincard.ucla.edu>.

Students with holds from an office with which they have an outstanding obligation (financial, academic, or administrative) may not receive services until the hold is released by the initiating office. For details on outstanding holds and initiating offices, check URSA at <http://www.ursa.ucla.edu>.

BruinCard centers in 123 Kerckhoff Hall, 107 UCLA Wilshire Center, and 150A Sproul Hall are open weekdays from 9 a.m. to 4 p.m., (310) 825-2336.

To report lost or stolen cards or check your account balance, see <http://www.bruincard.ucla.edu>.

Career Center

The UCLA Career Center offers services and resources to help students and alumni explore career possibilities, make career plans, develop skills for conducting a successful job search, obtain internship and study abroad positions, and secure part- and full-time employment.

Services include career counseling; career laboratory; graduate and preprofessional school planning; letters of reference service; credentials file services; Ph.D. career services; career fairs; information sessions; BruinView™ jobs, internships, and interviews; Bruin Alum-Link™ career counseling for UC eligible alumni; and BruinView™ for Alumni.

Career Center hours are 9 a.m. to 5 p.m. weekdays. Located in the Strathmore Building second and third floors, 501 Westwood Plaza, (310) 206-1915; see <http://career.ucla.edu>.

Center for Student Programming

The Center for Student Programming (CSP) helps students start a club or join an existing one and serves as the official registry for all campus organizations. Staff members advise activities ranging from the Spirit Squad and greek life to campus retention and student outreach. CSP assists students with program and leadership development and fund-raising, interprets and enforces University rules and regulations, and administers bulletin boards on campus. Located at 105 Kerckhoff Hall; see <http://www.studentactivities.ucla.edu>.

Center for Women and Men

The Center for Women and Men offers services to all UCLA students, with special focus on gender-related issues.

In addition to individual counseling, the center presents workshops and support groups on a variety of topics, including assertiveness training, child care, career and leadership development, healthy relationships, men's issues, returning to school, single parenting, sexual violence prevention and education, and health and wellness. It also offers referrals for medical, legal, career planning, personal counseling, and other services both on and off campus. In addition, rape services consultants (RSCs)—individuals who provide information, support, and resources for members of the UCLA community who have been raped or sexually assaulted—can discuss options and alternatives, help identify and assist in contacting the most appropriate support services, and answer any questions that may arise. The center is also a designated Sexual Harassment Information Center available to all UCLA students. Located at B44 Student Activities Center; see <http://www.thecenter.ucla.edu>.

Cultural and Recreational Affairs

The Department of Cultural and Recreational Affairs (UCLA Recreation) coordinates recreational programming and supervises campus recreational activities, facilities, and services. Located at 2131 Wooden Center; see <http://www.recreation.ucla.edu>.

Dashew Center for International Students and Scholars

The Dashew Center for International Students and Scholars assists students with questions about immigration, employment, government regulations, financial aid, academic and administrative procedures, cultural adjustment, and personal matters. The center provides visa assistance for faculty, researchers, and postdoctoral scholars. It also offers programming to meet the needs of the campus multicultural population. Located at 106 Bradley International Hall; see <http://www.intl.ucla.edu>.

Dean of Students

The Office of the Dean of Students assists students with whatever needs they might have. Direct services include general counseling; sending emergency messages to students; and assisting in understanding University policies and procedures, including grievance procedures regarding student records, discrimination, and student debts. Located at 1206 Murphy Hall; see <http://www.deanofstudents.ucla.edu>.

Disabilities and Computing Program

The Disabilities and Computing Program (DCP) provides adaptive technology and information access support and services for students, faculty, and staff with disabilities. Applications include voice input, Braille print, large print, screen-reading software, and learning disability software. Consulting and training for individuals and departments are available. The program also offers Web accessibility evaluations and guidelines. The Disabilities and Computing Laboratory is open from 8 a.m. to 5 p.m. Monday through Friday. Libraries

The UCLA Library, a campuswide network of libraries serving programs of study and research in many fields, is among the top 10 ranked research libraries in the U.S. The total collections number more than 8 million volumes, and nearly 80,000 serial titles are received regularly.

Undergraduates are encouraged to use the College Library, which features collections and services in support of the undergraduate curriculum. The scholarly and research needs of undergraduate and graduate students and faculty are served by the Arts Library, Louise M. Darling Biomedical Library, Richard C. Rudolph East Asian Library, Hugh and Hazel Darling Law Library, Eugene and Maxine Rosenfeld Management Library, Music Library, Charles E. Young Research Library, and Science and Engineering Library. Lower-level materials for which there is not adequate shelving space on campus are located in the Southern Regional Library Facility (SRLF).

Locate and identify materials through the library's web-based online information systems, which include the UCLA Library Catalog and the Melvyl Catalog. These systems can be accessed from the library website at <http://www.library.ucla.edu>.

Office for Students with Disabilities

The Office for Students with Disabilities (OSD) provides a wide range of academic support services to regularly enrolled students with documented permanent or temporary disabilities in compliance with Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990, and University policies. Academic support services are determined for each student based on specific disability-based requirements. Services include campus orientation and accessibility, note takers, readers, sign language interpreters, Learning Disability Program, registration assistance, test-taking facilitation, special parking assistance, real-time captioning, assistive listening devices, on-campus transportation, adaptive equipment, support groups and workshops, tutorial referral, special materials, housing assistance, referral to UCLA's Disabilities and Computing Program, and processing of California Department of Rehabilitation authorizations. There is no fee for any of these services. All contacts and assistance are handled confidentially. Located at A255 Murphy Hall, voice (310) 825-1501, TDD (310) 206-6083; see <http://www.saonet.ucla.edu/osd/>.

Office of Ombuds Services

The Office of Ombuds Services is a resource that provides assistance in resolving conflicts, disputes, or complaints on an informal

basis to all members of the UCLA community. This office is independent, neutral, and confidential. Located at 105 Strathmore Building. For more information see <http://www.ombuds.ucla.edu> or call (310) 825-7627.

Parking and Commuter Services

Commuter Assistance-Ridesharing

The Commuter Assistance-Ridesharing (CAR) Office informs students about transportation options. Learn more about commuting options online or at the CAR office, located at 100 Strathmore Building (Strathmore Drive and Westwood Plaza), 7:45 a.m. to 5 p.m. weekdays, (310) 794-RIDE. See <http://www.transportation.ucla.edu>.

Many students form or join existing UCLA carpools or vanpools. More than 135 vanpools commute to UCLA from nearly 80 Southern California communities. Full- and part-time vanpool riding opportunities are available. Registered two- and three-person student carpools are given top priority to receive parking (see below).

Two discount fare options cover nearly all public transit coming to campus. *BruinGo!* offers a \$.25 fare on the Santa Monica Big Blue Bus and Culver CityBus lines (BruinCard required). The *Go Metro* quarterly pass offers half-price fares on LADOT Commuter Express and Metro bus lines, and Metro Rail.

Parking Permits

Due to limited availability, parking at UCLA is offered to students who demonstrate the greatest need. Student parking permits are assigned through a point system that considers class standing, commute distance, employment, dependent children, and professional school obligations. Students are encouraged to apply on time and follow all application and payment guidelines in order to increase their chances of receiving a permit. Permits are not guaranteed.

When assigning parking permits to students, UCLA Parking Services gives the highest priority to carpools. Carpool permits are guaranteed to all qualified two- and three-person student carpool groups that apply on time. Student carpools park in central campus parking areas and share a discounted permit fee. Students interested in forming a carpool who need help finding other students living near them should call (310) 794-RIDE. All members of a proposed student carpool must apply using a paper application.

Most student permits are assigned for the academic year and can be paid for annually or quarterly. Renewal forms for students paying quarterly are automatically mailed before the Winter and Spring Quarter payment due dates. Students who are not offered a parking assignment during a given term (or who wish to change their parking area) need to reapply the following quarter.

Student Parking Request forms, along with important quarterly due dates and information on how to apply for a parking permit, are available online, by calling (310) 825-9871, or in person weekdays from 7:45 a.m. to 5 p.m. at Parking Services. Students are encouraged to complete and submit parking applications online, check parking status and, if approved for parking, pay for their permit through a secure online payment process. See <http://www.parking.ucla.edu/appmain.htm>.

Students with permanent disabilities who have disabled persons' placards or DMV-issued disabled persons' license plates, and students with short-term disabilities, may apply to the Office for Students with Disabilities, (310) 825-1501, for parking assignments and on-campus transportation assistance.

Parking permits and access cards to campus lots and structures are not transferable and may be purchased only from UCLA Parking Services. Resale is prohibited and subjects both buyer and seller to disciplinary action.

Student Legal Services

Currently registered and enrolled students with legal problems or questions about their legal rights can get assistance from attorneys or law students under direct supervision of attorneys who help students resolve legal problems, including those related to landlord/tenant relations; accident and injury problems; criminal matters; domestic violence and harassment; divorces and other family law matters; automobile purchase, repair, and insurance problems; health care, credit, and financial aid issues; consumer problems; and University-related problems. Assistance is available only by appointment from 9 a.m. to 5 p.m. weekdays. Located in 70 Dodd Hall, (310) 825-9894; see <http://www.studentlegal.ucla.edu>.

Student Psychological Services

Student Psychological Services (SPS) offers short-term personal counsel and psychotherapy at 221 Westwood Plaza (Wooden Center West), (310) 825-0768. Psychologists, clinical social workers, and psychiatrists assist with situational stresses and emotional problems that may include problems with interpersonal relationships, academic stress, loneliness, difficult decisions, sexual issues, anxiety, depression, or other concerns affecting the personal growth of students. See <http://www.sps.ucla.edu>.

The service is confidential and available to regularly enrolled students. Students are seen individually or may choose from a number of groups offered each term. Appointments are made weekdays between 8 a.m. and 5 p.m. Emergency and walk-in counseling are also available. There is a \$10 fee for all clinical services. If a student is enrolled in SHIP, these clinical fees are paid by SHIP.

SPS provides screening and brief intervention for alcohol and substance abuse prevention. SPS is also a designated campus Sexual Harassment Information Center. These services are available to all UCLA students.

Academic Policies

Admission Policies

An application for admission must be submitted and accepted in accordance with the schedule specified in the Calendar section before a new student may register at the University. Preliminary information about registering is mailed to new students by their Admissions Office (Undergraduate, Graduate, Law, Medicine, or Dentistry). Please note: Your admission to the University is only guaranteed for the term you are admitted. If you do not register for this "admit" term, you must apply for admission again.

Undergraduate Readmission

One-Term Absence

Students who complete a term (Fall, Winter, Spring), and do not register the following term, may return to UCLA the subsequent term as a continuing student and be eligible to register and enroll in advance.

Reentering Students

To return to the University after an absence of more than one term, complete an Undergraduate Application for Readmission form and file it with the Registrar's Office. A nonrefundable fee applies (see "Miscellaneous Fees" in the Registration section).

To obtain a readmission application

1. Call 310-825-1091, option 6, and request that one be sent via mail
2. Send e-mail to webfback@registrar.ucla.edu and request that one be sent via mail
3. Send a self-addressed, stamped envelope marked "Readmission" to UCLA Registrar's Office, Attn: Readmission, 1113 Murphy Hall, Box 951429, Los Angeles, CA 90095-1429

Deadlines for filing applications for readmission are shown below. If a deadline falls on a Saturday or Sunday, it is extended to the next business day. Students are encouraged to apply at least four weeks prior to the deadline. Applications received after the deadline are assessed a late readmission fee and, if applicable, a late registration fee (see "Miscellaneous Fees").

Fall Quarter	August 15
Winter Quarter	November 25
Spring Quarter	February 25

Students who have attended any educational institution—including another University of California campus or UCLA Extension—since their last attendance at UCLA must submit official transcripts from those schools with their application (unless work is being completed abroad). Students admitted prior to Fall 1988 who have not been registered at UCLA for the last five years are required to resubmit official transcripts of *all* work completed outside UCLA. Action taken on the application is contingent upon receipt and evaluation of these transcripts. Mail the completed application, Statement of Legal Residence, and official transcripts (if applicable) to UCLA Registrar's Office, Attn: Readmission, 1113 Murphy Hall, Box 951429, Los Angeles, CA 90095-1429.

Graduate Registration and Readmission

For details on the policies below, consult *Standards and Procedures for Graduate Study at UCLA* at <http://www.gdnet.ucla.edu/publications.html>.

Continuous Registration Policy

Graduate students must be either registered and enrolled or on an official leave of absence every term until their degrees are awarded.

As an exception, certain graduate students may be eligible to pay the filing fee (see below). Failure to register or be on an official leave of absence for any term (Fall, Winter, Spring) constitutes withdrawal from UCLA.

Filing Fee

Graduate students may be eligible to pay the filing fee (half the quarterly registration fee) in lieu of full registration fees for the term in which they expect to complete final degree requirements and receive their degree. Doctoral students are not eligible to pay the filing fee unless registered the immediately preceding term. International students must pay the filing fee by the deadline for registration at the beginning of a term.

Students who pay the filing fee are not eligible for University services beyond a maximum of 12 hours of faculty and staff time required to complete degree requirements and are not considered in the same status as registered students.

Graduate Leave of Absence

Continuing graduate students in good standing (3.0 GPA or above) who have completed at least one term of UCLA graduate work may, with the support of their department and the approval of the Graduate Division, be eligible for leaves of absence. Graduate students are allowed a maximum of six quarters of official leave of absence. International students must consult with the Office of International Students and Scholars before applying for a leave of absence. Federal policy governing students on F-1 and J-1 visas restricts leaves of absence to certain conditions. Therefore, the Office of International Students and Scholars, in consultation with the Graduate Division, individually evaluates each international graduate student request for a leave of absence to determine that it meets federal (and University) eligibility criteria.

Students on approved leave of absence are not permitted to use faculty time or make use of University facilities for more than 12 hours since their last registration and are not eligible for apprentice personnel employment or other services normally available to registered students. There is no need to apply for readmission, since the approved leave is for readmission to a specific term. The Registrar's Office notifies students about registration information when their leave is due to expire.

Students obtain a Request for Leave of Absence form from their academic department. See the Calendar section for the filing deadline.

Readmission

Students who fail to register or take an official leave of absence are required to apply for readmission and are held to any changes in degree program requirements. Complete the online Application for Graduate Admission. A nonrefundable readmission application fee must be paid when the application is filed in accordance with deadlines published in the Calendar section.

Reduced Nonresident Tuition for Doctoral Candidates

Nonresident graduate doctoral students who have advanced to candidacy are eligible for a 100 percent reduction in their annual nonresident tuition fee. The reduced nonresident tuition begins with the first academic term following the advancement to candidacy term. Students are eligible for reduced nonresident tuition for a maximum of three years (includes nonregistered time periods).

Degree Policies

Undergraduate Degrees

To qualify for a bachelor's degree, that is, to graduate in any school or College at UCLA, students must earn at least a C (2.0) average in all courses taken at any UC campus. In addition to the grade-point average requirement, students must satisfy (1) University requirements, (2) College or school requirements, and (3) department requirements. See the *UCLA General Catalog* for details.

Degree Checks

Anytime prior to graduation students may request a review of degree progress. Official degree checks detail requirements remaining to complete the bachelor's degree. The degree check process varies by College or school:

College of Letters and Science. The Degree Progress Report (DPR) serves as the degree check. The DPR is a computer-generated assessment of all degree requirements and the courses taken to fulfill them. View and print DPRs through URSA or order one at a College counseling office (Academic Advancement Program, 1209 Campbell Hall; Honors Programs, A311 Murphy Hall; College Academic Counseling, A316 Murphy Hall). Students should review questions about their DPR with departmental undergraduate advisers and/or College counselors, as appropriate.

Students who entered UCLA prior to Fall Quarter 1988 should consult their College counseling office (Academic Advancement Program, 1209 Campbell Hall; Honors Programs, A311 Murphy Hall; College Academic Counseling, A316 Murphy Hall).

School of the Arts and Architecture. Degree Progress Reports are available through URSA as well as on request from the Office of Student Services, 2200 Broad Art Center. Students should consult an adviser in the Office of Student Services when they have questions about degree requirements or when they print a DPR. Questions regarding major requirements should be referred to the departmental counselor.

Henry Samueli School of Engineering and Applied Science. Students starting their upper division major field course work must submit a "satisfied" Academic Program Proposal to the Office of Academic and Student Affairs, 6426 Boelter Hall. All engineering students may pick up a Graduation Evaluation Report at 6426 Boelter Hall. The report outlines each category requirement for an engineering degree and the courses completed for each category. Students should obtain an official degree check at least one term prior to their graduation term. For details, see http://www.seasoasa.ucla.edu/degree_check.html.

School of Nursing. Students may initiate a request for an updated degree check by contacting the student services coordinator in the Student Affairs Office, 2-200 Factor Building.

School of Theater, Film, and Television. Students entering as freshmen receive a written degree check on achieving junior standing. Students entering as juniors receive a degree check on entry. Students may initiate or request an updated degree check by making an appointment with their departmental counselor in the Student Services Office, 103 East Melnitz Building.

Transfer Credit

Students who take courses at a college or university other than UCLA should first check the Articulation Agreements to determine how the courses will transfer. Articulation Agreements are lists of transferable courses from institutions other than UCLA. For questions, or if no Articulation Agreement exists, consult a counselor.

Once students complete the courses, they must have the other institution send transcripts to UARS, 1147 Murphy Hall, Box 951436,

Los Angeles, CA 90095-1436. They must also go to UARS to submit a Transcript Locator Card (also known as a Transfer Credit Evaluation Request) to initiate a credit evaluation. Transfer students (who attended another college or university prior to attending UCLA) should discuss transfer credit with their College or school counselor and/or departmental adviser.

Declaration of Candidacy

To initiate the steps leading to the award of a bachelor's degree, students must identify the term they expect to complete degree requirements through URSA by the time they complete 160 units (172 units for engineering students) to avoid a \$20 late candidacy fee. The identified term must fall within the academic year (four quarters) subsequent to the term in which students reach or expect to reach the 160- or 172-unit mark. Once they complete 160/172 or more units, a fee is assessed each time students change the degree expected term.

Current-term or past-term candidates over the unit limit must purchase the UCLA Declaration of Candidacy form at any UCLA Store and file it at 1113 Murphy Hall. The form is also available online at <http://www.registrar.ucla.edu/forms/>.

Friday of the second week is the last day to declare candidacy for the current term (with fee depending on units completed). Declaration of candidacy after the second week may result in a degree award date for the following term and additional penalty fees.

Verify the degree expected term through URSA. For questions about degree candidacy status, Letters and Science students may inquire at 1113 Murphy Hall. Arts and Architecture, Engineering, Theater, Film, and Television, and Nursing students should see their school office. A photo I.D. is required. Declaring candidacy is not a guarantee of graduation. Current-term candidates are not assigned enrollment appointments for the following term.

In Absentia Graduation

Students who intend to complete degree requirements while nonregistered (those who take a course through UCLA Extension or at another institution, remove an Incomplete grade, and so on) must file a request to graduate "in absentia" with their degree auditor in 1113 Murphy Hall by the second-week candidacy deadline. Students graduating "in absentia" are assessed the undergraduate in absentia degree service fee in addition to the declaration of candidacy fee if they were also not registered in the term immediately prior to their degree expected term.

Minors

Letters and Science students must petition to enter a minor through the department/office administering the program. School of Arts and Architecture, Engineering, Theater, Film, and Television, and Nursing students must also obtain the approval of their school. The last day to obtain the required approval(s) is Friday of the second week of the degree expected term. Late entry to a minor may result in a degree award date for the following term.

Satisfactory completion of the requirements for a minor is reflected on the final transcript and diploma.

Final Degree Audits and Graduation

Degree auditors in the Registrar's Office for Letters and Science students (2200 Broad Art Center for Arts and Architecture students, 6426 Boelter Hall for Engineering students, 2-200 Factor Building for Nursing students, and 103 East Melnitz Building for Theater, Film, and Television students) are responsible for verifying each candidate's eligibility for a bachelor's degree. Degree auditors have information pertaining to a student's graduation only if that student has declared candidacy and completed 160 quarter units (172 units for engineering students).

During their graduating term, students should inform a degree auditor of grade changes, petitions for substitutions or exemptions, transfer credits, or similar changes that may affect their degree. Degree auditors notify students whose graduation eligibility cannot be verified of any requirements still outstanding and other problems in completing the degree.

Contact degree auditors only for questions about degree audits. Phone numbers are in the Registrar's Services Guide in the Student Services section. For graduation ceremony procedures, contact the College or schools. Names of students who request that no public information be released do not appear in commencement ceremony programs. Students may change their privacy status on URSA.

Honors

Latin Honors

The College and schools award Latin honors according to overall grade-point average at graduation. Honors are reflected on official transcripts and diplomas. Eligible students must have completed at least 90 (98 for the School of Nursing) University of California units for a letter grade. The levels of honors are summa cum laude, magna cum laude, and cum laude. The minimum GPA requirements for the 2006-2007 academic year are as follows:

1. **School of the Arts and Architecture:** 3.924 for summa cum laude, 3.862 for magna cum laude, 3.777 for cum laude
2. **College of Letters and Science:** 3.862 for summa cum laude, 3.769 for magna cum laude, 3.638 for cum laude
3. **School of Nursing:** 3.862 for summa cum laude, 3.769 for magna cum laude, 3.638 for cum laude
4. **Henry Samueli School of Engineering and Applied Science:** Contact the Office of Academic and Student Affairs, 6426 Boelter Hall, for specific information
5. **School of Theater, Film, and Television:** 3.907 for summa cum laude, 3.857 for magna cum laude, 3.753 for cum laude

Requirements are subject to yearly change and other eligibility restrictions. Contact the College or school for information.

Departmental Honors

Some departments in the College of Letters and Science award honors, which are reflected on official transcripts and the diploma, to graduates of their programs. Inquire about the availability of these honors in the department office.

Tips For Graduating Seniors

1. All students should verify the degree expected term through URSA. If the degree expected term is incorrect, change it through URSA or by filing a UCLA Declaration of Candidacy form (available for purchase at any UCLA Store or online at <http://www.registrar.ucla.edu/forms/>) at 1113 Murphy Hall. This must be done before Friday of the second week of the last quarter
2. All students should verify majors, minors, and specializations as they appear on the DPR and Grade Report during the final term. If any information is in error, contact the appropriate office or degree auditor
3. Students finishing degree requirements without being enrolled at UCLA in the final term (because, for example, they are removing Incomplete grades, adding or dropping courses, attending another institution) must file a request to graduate "in absentia" at 1113 Murphy Hall. This must be done before Friday of the second week of the degree expected term
4. Students completing coursework at another institution, including UCLA Extension, must make sure their official transcripts (with grades) are received by the degree auditor in the Registrar's

Office no later than three weeks after the end of the degree expected term

5. Students completing their work in Spring Quarter through the Education Abroad Program should declare for Summer graduation. Check with Honors counselors and major departments about necessary petitions before going abroad
6. All students must satisfy any outstanding requirements before graduating. Any petitions to amend records must be filed no later than the last day of the degree expected term

Master's Degrees

Students who expect to complete master's degree requirements should submit an Advancement to Candidacy form to their department no later than the Friday of the second week of classes. See the Calendar section for deadlines.

After you complete all course requirements and the comprehensive examination or the thesis, the Registrar's Office reviews your courses and grades in order to confirm the awarding of your degree. Once the process is completed (approximately six weeks after the end of the term), your degree is recorded on your record and appears on any official transcript that you order.

During the final term, inform the Registrar's Office of address changes. An address change can be initiated on URSA, at 1113 Murphy Hall, or through the monthly BAR statement.

Transcripts and Diplomas

For graduating students, academic transcripts with the graduation date included are available approximately seven weeks after the end of the term. Students requiring earlier proof of graduation may contact degree auditors in 1113 Murphy Hall and request a certificate of completion. The first certificate of completion is free of charge; a fee is charged for each additional copy. An additional

processing fee may be assessed if

1. The request for a certificate is made before grades are posted for the term and
2. The auditor must take special action to verify a grade or grades, expedite a transfer credit evaluation, or obtain other documentation necessary to clear you for the degree

Diplomas for both undergraduate and graduate students are available approximately three to four months after the degree award date. Information about obtaining diplomas in person (no fee) or by mail (with fee) is sent to student mailing addresses approximately seven weeks after the end of the final term. To expedite receipt of diplomas, students are encouraged to return the diploma mailer form and remit the mailing fee. A diploma hot line with current recorded diploma information, (310) 825-8883, is available seven days a week, 24 hours a day. The Registrar's Office retains diplomas for five years from graduation date. Diplomas more than five years old are held by

the UCLA Alumni Association, James West Alumni Center, (800) 825-2586.

To be reflected on the diploma, name changes must be submitted to Enrollment and Degree Services, 1113 Murphy Hall, by the last day of the degree expected term. Students submitting name changes after that date must request a replacement diploma at 1113 Murphy Hall. The special order diploma fee is assessed.

If an original diploma is destroyed, a duplicate may be ordered from the Registrar's Office, Diploma Reorder, 1113 Murphy Hall. The duplicate diploma request form is also available online at <http://www.registrar.ucla.edu/forms/>. There is a fee for the replacement diploma, and it bears a reissue date and the signatures of the current officials of the state and University.

Closure of Student Record

Student records are closed to revisions in enrollment, grading, and academic actions upon award of a degree. Students are responsible for requesting review of their record prior to award of their degree. See UCLA Procedure 220.1 Student Grievances Regarding Challenge to Content of Student Records Under the Family Educational Rights and Privacy Act, which may be found at http://adminvc.ucla.edu/appm/public/220_1.html.

Changes requested by an individual after award of a degree are considered by the College or school only under extraordinary circumstances. Supportive documentation is required. Upon action of the academic dean, a statement of the request for revision and a note of the change will be recorded only in the memoranda section of the transcript.

Intercampus Course Offerings

For enrollment policies regarding distance learning, see "Simultaneous UC Enrollment" in the Enrollment section of the *Schedule*. The enrollment form, *Undergraduate Application for Simultaneous UC Enrollment*, can be obtained from the Registrar's Office forms website at <http://www.registrar.ucla.edu/forms/>.

Distance Learning at UCLA

Distance learning courses offered through UCLA connect students and faculty through live real-time interaction to sites outside UCLA, including other universities and institutions around the world. Through the use of videoconference technology, participants at both sites can see and hear each other, and multisite conferencing is available to enable students at three or four different locations to take the same course together.

Distance learning courses and videoconferencing can take place wherever there is a network connection to the Internet, which includes 80 percent of general assignment classrooms at UCLA. In addition, there are facilities on campus dedicated for use as distance learning classrooms and for videoconferencing.

For more information, contact Don Roby at (310) 206-6591 or send e-mail to vidcon@ucla.edu. For further information about the classrooms that have Internet connectivity, see <http://www.oid.ucla.edu/avs/>. For course I.D. numbers, times, and locations, see the appropriate department and course listing section of the *Schedule of Classes*.

At press time, no distance learning courses are scheduled for Winter Quarter 2007.

Distance Learning for Less Commonly Taught Languages

In order to make the most of language resources available at the University of California campuses, the UC Consortium for Language Learning and Teaching encourages the use of distance learning to promote access to the less commonly taught languages. Through UC Simultaneous Enrollment, students can enroll in language courses that use videoconferencing to bring students and faculty members from different campuses together.

Other UC Campuses Incoming Videoconferencing Courses

In 2006-07, UC Berkeley is offering language courses in beginning Danish and advanced (second-year) Danish via videoconference. Each class session is transmitted via Internet videoconferencing to UCLA so that students at UCLA can participate and interact in real time with students in the UCB classroom. UCLA videoconferencing sessions are held in the Instructional Media Laboratory, 270 Powell Library Building.

UCLA students can request enrollment in the UCB classes using the *Undergraduate Application for Simultaneous UC Enrollment* form. Applications are available (1) online at <http://www.registrar.ucla.edu/forms/>,

Civic Engagement Opportunities

Quarter in Washington, DC

The Center for American Politics and Public Policy (CAPPP) selects undergraduates each fall, winter, and spring to participate in its Quarter in Washington Program. The program offers an opportunity to combine UCLA courses with research and field experience. Students live in Washington for up to 12 weeks, dividing their time between courses taught by UC faculty members and a part-time field internship placement. They are registered as UCLA students and earn credit for all classes taken. The core course is multiple-listed in history, political science, and sociology and meets the capstone requirement for the Public Affairs minor. At least one course in a subject other than political science, such as economics or history, is offered each quarter. All courses take advantage of Washington's unique resources for study and research. Center administrators help students find field placement, which is central to a research seminar each student takes, in a Washington organization. Contact the CAPPP Office, 4250 Public Policy Building, (310) 206-3109 or send e-mail to info@cappp.ucla.edu; see <http://www.cappp.ucla.edu>.

University of California Center Sacramento

The University of California Center Sacramento (UCCS) is an academic state government program sponsored by the UC Office of the President. The center's long-term goal is to bring together UC faculty with undergraduate and graduate students to pursue research related to state government, politics, and public policy.

The quarterly experiential learning program offers students an opportunity to intern, take seminar courses from UC faculty, and conduct in-depth policy research. Along with internship placement and academic courses, the center offers a speaker series featuring prominent guests from state government. The residential program is open to juniors and seniors who have completed a significant part of their upper division and major courses. UCCS is open to students in all fields of study. Contact the UCLA Center for Community Learning, A265 Murphy Hall, (310) 825-7867; see <http://uccs.universityofcalifornia.edu>.

Fiat Lux Freshman Seminars

Fiat Lux freshman seminars span the rich array of fields studied at UCLA. The seminars, taught by faculty members in their areas of expertise, inform freshman students about topics of intellectual importance and enable them to participate in critical discussion of these topics with a small group of peers. Since the seminars illuminate the many paths of discovery explored by UCLA faculty members, the seminars take their name from the motto of the University of California: *Fiat Lux—Let There be Light!*

For a list of seminars offered each quarter, see <http://www.registrar.ucla.edu/schedule/fiatlux2.asp>.

College Academic Counseling

The College of Letters and Science offers a wide range of academic counseling assistance to its students, including

1. Assistance with program planning
2. Assessment of degree requirements
3. Help in choosing a major
4. Counseling regarding scholastic difficulty
5. Discussion of options and alternatives
6. Group counseling sessions on specific topics
7. Requests for exceptions to regulations
8. ASK Peer counselors
9. Counseling Assistants (CAs)—graduate students from various academic departments who assist undergraduates in selecting courses and majors throughout their first and second years at UCLA. CAs also advise students who are interested in graduate and professional schools.

To schedule a same-day appointment, visit College Academic Counseling, A316 Murphy Hall, Monday through Friday from 8:30 a.m. to 4:30 p.m.

ASK Peer Counselors

ASK Peer Counselors are trained undergraduates who provide academic information and advice for Letters and Science students from a unique peer perspective. The program encourages students who might not otherwise seek academic guidance to obtain information with greater convenience and a minimum of formality. Counselors advise students on College rules and regulations, deadlines, referrals, petitions, and general academic issues. ASK also publishes a weekly newsletter, *UCLA Confidential*, and updates the College online frequently-asked questions webpage. Counselors are available weekdays on a walk-up basis at six different campus locations: A-level Ackerman Union from 11 a.m. to 2 p.m. Tuesday through Thursday, De Neve Plaza from 1 p.m. to 5 p.m. Tuesday and Thursday, Math Sciences (northwest corner) and Royce Quad from 10 a.m. to 2 p.m., A316C Murphy Hall (ASK Web Lab) from 10 a.m. to 3 p.m., and adjacent to 1104 Murphy Hall from 10 a.m. to 4 p.m. Counselors can also answer e-mail questions at ask@college.ucla.edu. See <http://www.college.ucla.edu/ask/>.

Academic Advancement Program

Academic Advancement Program (AAP) counselors work with AAP students to plan their academic programs, monitor their progress toward a degree, provide them with information about different majors' requirements and requisites, and discuss graduate school and career options. AAP counselors also encourage students to

explore their talents and abilities, are there to listen to students, and talk with them about academic and personal problems. AAP counselors have full signature authority as professional Letters and Science counselors. AAP students' official folders are housed in 1209 Campbell Hall, where petitions and other official paperwork must be submitted. Appointments are made 9 a.m. to 5 p.m. in person at 1209 Campbell Hall or by phone at (310) 206-1550.

AAP Peer Counseling

AAP Peer Counseling consists of 19 advanced standing undergraduate peer counselors who work under the direct supervision of a professional counselor. Peer counselors work with entering students and support them in the transition from high school or community college to UCLA. They focus on the students' adjustment to university life and refer them to both AAP and campus resources and services. Peer counselor appointments for entering students can be made in person or by phone weekdays from 9 a.m. to 3 p.m. in 1228 Campbell Hall, (310) 206-1572.

Graduate Mentor Program

The Graduate Mentor Program (GMP) provides outreach to and counseling for AAP students who are interested in pursuing advanced degrees. Graduate mentors advise AAP undergraduates on the graduate and professional school application process. Mentors hold workshops on the application process, statement of purpose, and letters of recommendation; present forums with faculty and professionals; and coordinate internship and field studies opportunities. Appointments are made 9 a.m. to 5 p.m. in person at 1201A Campbell Hall or by phone at (310) 794-4186.

College of Letters and Science Honors Programs

Letters and Science Honors Programs offer a curriculum of honors courses as well as counseling and services to students in College Honors, Honors Collegium, Departmental Scholar Program, Individual Major Program, and students going on or returning from Education Abroad. Counselors are available to help with program planning, choosing a major, planning for graduate school, and many other academic concerns. Students in College Honors may also be eligible for letters of verification, heavier course loads, and courses by examination. Obtain information on these programs and services, as well as individual appointments, in A311 Murphy Hall, (310) 825-1553. See <http://www.college.ucla.edu/up/honors/>.

Official Notices

The Office of the Dean of Students publishes Official Notices in the *Daily Bruin* at various times during the year. Such notices are important, and all students are held responsible for the information in them.

Auditing Classes

With the consent of the instructor, registered students and interested individuals are permitted to audit classes. Arrangements are made directly with the faculty member under any rules the faculty member may establish, and those auditing ordinarily do not participate in discussions, examinations, or written papers. Audited classes are not recorded on the Study List or on transcripts for regular session courses.

Cell Phone and Pager Policy

Any disruption of a class due to the audible beeping or use of cell phones or pagers will be treated as a violation of Section 102.13 of the *UCLA Student Conduct Code* and will subject a student to sanctions up to and including suspension or dismissal. Cell phones and pagers must be turned off while in classes, libraries, or other quiet areas.

Class Attendance

Class rosters, which identify enrolled or wait-listed students, are issued to each instructor by the Registrar's Office. Attendance in UCLA classes is limited to duly enrolled regular session or concurrent University Extension students. Guests may attend lectures only with the approval of the instructor. Students may be dropped from a course for academic reasons such as lacking the approved requisites and requirements (SR542). If attendance is an academic requirement established by the instructor, students may be dropped from a course because of excessive absences.

Class Notes

Notes or recordings made by students are for purposes of individual or group study or for other noncommercial purposes reasonably arising from the student's membership in the class or the University. Permission to make notes or recordings falls within the instructor's discretion as informed by instructional purposes, classroom order, property interests, or other reasonable issues arising in the academic context. Notes and recordings may not be exchanged or distributed for commercial purposes, for compensation, or for any other purpose other than study, either between students or between a student(s) and a third party. Unless authorized by the University in advance and explicitly permitted by the instructor, commercial use of class notes or recordings constitutes an unauthorized commercial activity in violation of the *UCLA Regulations on Activities, Registered Organizations, and Use of Properties*, Section IV, Paragraph A (<http://www.studentactivities.ucla.edu>). Students who violate this policy are subject to University discipline.

Further, AB 1773 was signed into law on September 23, 2000, to be effective January 1, 2001. This State law amended the California Education Code as follows:

66450. (a) Except as authorized by policies developed by the University in accordance with subdivision (a) of Section 66452, no business, agency, or person, including, but not necessarily limited to, an enrolled student shall prepare, cause to be prepared, give, sell, transfer, or otherwise distribute or publish, for any commercial

purpose, any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction by an instructor of record. The prohibition applies to a recording made in any medium, including but not necessarily limited to, handwritten or typewritten class notes.

The full text of AB 1773, including a description of civil penalties and the legal and financial remedies available to the University and an individual instructor for violations of this State law, can be found at <http://www.leginfo.ca.gov>. This notice has been prepared for distribution to all UCLA students as requested by AB 1773.

Individual instructors retain intellectual property rights in lecture material, pursuant to U.S. copyright law and California Civil Code 980(a)(1). Misuse of course notes derived from lecture material may also subject an individual to legal proceedings brought by the instructor.

Pursuant to the guidelines reviewed by the UCLA Academic Senate (1973), lecture note subscription services are permitted, if authorized in advance by the University and if approved by the instructor. The Lecture Notes service offered by the Associated Students UCLA is currently authorized by the University to provide a course notes subscription service for particular classes. For such classes, the note taker is approved in advance by the instructor, and the instructor may review the notes before their distribution and sale through the UCLA Store Lecture Notes office in Ackerman Union. The list of classes with such a subscription service is available in Ackerman Union.

Nothing in this policy precludes an instructor from posting the course lecture notes, which they prepare or authorize to be prepared, on the UCLA-provided course website for the class, which the instructor controls. Students who are permitted by the instructor to review such course lecture notes are reminded that these policies apply to their use of any such course lecture notes posted on the course website by the instructor.

Disclosure of Student Records

Pursuant to the Federal Family Educational Rights and Privacy Act (FERPA), the California Information Practices Act, and the *University of California Policies Applying to the Disclosure of Information from Student Records*, students at UCLA have the right to

1. Inspect and review records pertaining to themselves in their capacity as students, except as the right may be waived or qualified under Federal and State Laws and University Policies
2. Have withheld from disclosure, absent their prior written consent for release, personally identifiable information from their student records, except as provided by Federal and State Laws and University Policies
3. Inspect records maintained by UCLA of disclosures of personally identifiable information from their student records
4. Seek correction of their student records through a request to amend the records or, if such request is denied, through a hearing (see UCLA Procedure 220.1)
5. File complaints with the U.S. Department of Education regarding alleged violations of the rights accorded them by the FERPA

UCLA, in accordance with Federal and State Laws and University Policies, has designated the following categories of personally identifiable information as "directory information" which UCLA may release and publish without the student's prior consent: name, address (local/mailling, permanent, and/or e-mail), telephone numbers, major

field of study, dates of attendance, enrollment status, grade level, number of course units in which enrolled, degrees and honors received, the most recent previous educational institution attended, participation in officially recognized activities (including intercollegiate athletics), and the name, weight, and height of participants on intercollegiate athletic teams.

Students who do not wish certain items (i.e., name, local/mailling, permanent, and/or e-mail address, telephone numbers, major field of study, dates of attendance, number of course units in which enrolled, and degrees and honors received) of this "directory information" released and published may so indicate through URSA (<http://www.ursa.ucla.edu>). To restrict the release and publication of the additional items in the category of "directory information," complete the UCLA FERPA Restriction Request form available from Enrollment and Degree Services, 1113 Murphy Hall.

Student records which are the subject of Federal and State Laws and University Policies may be maintained in a variety of offices, including the Registrar's Office, Office of the Dean of Students, UCLA Career Center, Graduate Division, and the offices of a student's College or school and major department. Students are referred to the *UCLA Telephone Directory* which lists all the offices that may maintain student records, together with their campus address and telephone number. Students have the right to inspect their student records in any such office subject to the terms of Federal and State Laws and University Policies. Inspection of student records maintained by the Registrar's Office is by appointment only and must be arranged three working days in advance. Call (310) 825-3801 or inquire at Academic Record Services, 1134 Murphy Hall.

A copy of Federal and State Laws, University Policies, and the *UCLA Telephone Directory* may be inspected in the office of the Information Practices Coordinator, 600 UCLA Wilshire Center. Information concerning students' hearing rights may be obtained from the Office of the Dean of Students, 1206 Murphy Hall.

In addition to the directory information described above, information related to students' Social Security number, sex, and marital status, and the name(s), address(es), and telephone number(s) of their parents or next of kin are made available to the UCLA External Affairs Department for use in alumni, development, and public relations activities. To restrict the release of this additional information, complete a Request for External Affairs Information Restriction form available from Enrollment and Degree Services, 1113 Murphy Hall.

Emergencies

Students should be familiar with safety instructions posted in classrooms, laboratories, and other campus facilities. Be prepared to respond safely and appropriately to a fire, earthquake, toxic spill, or accident.

At UCLA, 911 is the "all-purpose" emergency phone number. You do not need to dial an outside line from a campus phone, and you do not need any coins to dial 911 from a pay phone. When you call 911, try to remain calm and do not hang up until you answer all of the operator's questions.

You may also obtain general instructions during a major emergency by calling the 24-hour emergency hot line at (800) 900-UCLA and by listening to the UCLA emergency radio at AM810. See <http://www.ehs.ucla.edu> for more information.

Here are some general guidelines for specific emergencies:

Earthquake

When an earthquake hits, take cover immediately. If you are indoors, get under a desk or table, or between seating rows in a lecture hall. DO NOT RUN OUTSIDE. If you are in a hallway or if you are outside,

move to an open area quickly and drop to the ground, covering your head and neck as best you can. If you are in your car, stop carefully and stay in the car.

After the shaking stops, check for injuries. Do not use telephones for personal calls, as this overloads phone lines and prevents emergency personnel from reporting injuries. After a severe quake at UCLA, department heads and emergency coordinators will lead building evacuations. Do not use elevators. Go to campus evacuation areas, which are wide open spaces like the quads, athletic fields, and uncovered parking lots. Wait for instructions before entering buildings or parking structures. Refrain from spreading rumors and do not go sightseeing. Remain calm and help others.

You can learn more about earthquakes by accessing the Southern California Earthquake Center at <http://scec.ess.ucla.edu>.

Fire

If you see a fire, close the door where the fire is located, activate the nearest alarm, and call 911. When you sound the alarm or hear the alarm signal, get out of the building as quickly and calmly as possible. Do not use the elevators. Do not reenter the building until the all-clear signal has been given by emergency personnel.

UCLA does not expect students or employees to fight fires. Use a fire extinguisher only if you have had the training and you feel it is safe to do so. Be aware of campus fire alarm and extinguisher locations before a fire occurs.

Hazardous Spill

Noxious odors may or may not indicate a toxic spill. Do not attempt to clean up any hazardous material spill involving toxic, chemical, radioactive, infectious, or flammable materials. If a spill occurs in a classroom or laboratory, alert the supervisor or laboratory manager. Call (310) 825-5689 (UCLA Office of Environment, Health, and Safety) or 911 (after hours) if the spill happens outdoors or in an unsupervised area.

Accident and Injury

Call 911 immediately to get assistance. If you are qualified to do so, give first aid to injured persons. Do not attempt to move the seriously injured.

Basic emergency care training is available through the Red Cross at (310) 445-9900. For further information about emergency preparedness, call the UCLA Office of Environment, Health, and Safety at (310) 825-5689.

All work-related injuries must be reported to your supervisor. In addition, any serious injuries (including fatalities) must be reported to Cal/OSHA. Report the injury to the office of Environment, Health, and Safety on the 24-hour injuries report hot line at (310) 825-9797. Environment, Health, and Safety will notify Cal/OSHA.

Examination Policies

Midterm Examinations

UCLA Policy 870, II (B) 6: Midterm examinations are expected to be held during regularly-scheduled class meeting times. However, large classes with multiple sections requiring a common midterm examination can schedule examinations outside regular class meeting times on a space-available basis with the following limitations:

- a. Notice of the midterm dates and times must be published in the Schedule of Classes and URSA before enrollment begins. Late requests will not be scheduled.
- b. Instructors must put the midterm examination dates in the course syllabus.

- c. Instructors must announce the midterm dates on the 1st day of class and inform students that it is acceptable to request alternate times.
- d. Instructors should make a good faith effort to accommodate alternate examinations times for students with course conflicts.
- e. To comply with Section 92640(a) of the California Education Code, instructors must accommodate requests for alternate examination dates at a time when that activity would not violate a student's religious creed. See UCLA Policy 870, Section II (B) 8, Alternate Examination Dates.

Final Examinations

UCLA Policy 870, II (B) 7: An instructor's method of evaluation must be announced at the beginning of the Course. Final written examinations may not exceed three hours' duration and are given only at the times and places established and published by the department chair and the Registrar's Office. See UCLA Senate Regulation A-332 (A) for the policy on final examinations.

Final examinations are generally held in the same room as Class meetings; however, by prior arrangement with the Registrar's Office, common final examinations can be scheduled and extra room locations may be booked on a space-available basis. Changes in classroom location must be arranged through the Registrar's Office. Examination codes, times, and locations are listed in the online *Schedule of Classes* and URSA.

Alternate Examination Dates

UCLA Policy 870, II (B) 8: No student shall be excused from assigned final examinations except as provided in Senate Regulation A332 or in Section 92640(a) of the California Education Code policy on alternate examinations. The University must accommodate requests for alternate examination dates at a time when that activity would not violate a student's religious creed. This requirement does not apply in the event that administering the test or examination at an alternate time would impose an undue hardship which could not reasonably be avoided. Accommodation for alternate examination dates are worked out directly and on an individual basis between the student and the faculty member involved.

Faculty members should remember that while it is fully at their discretion to make arrangements with individual students for alternate examination times, including final examinations, they must conduct the scheduled final examination for the Class as a whole at the times and places established by the department chair and the Registrar's Office.

Harassment

Sexual Harassment

The University of California is committed to creating and maintaining a community where all persons who participate in University programs and activities can work and learn together in an atmosphere free from all forms of harassment, exploitation, or intimidation. Every member of the University community should be aware that the University is strongly opposed to sexual harassment, and that such behavior is prohibited both by law and by University policy. The University will respond promptly and effectively to reports of sexual harassment, and will take appropriate action to prevent, to correct, and if necessary, to discipline behavior that violates this policy. See <http://www.sexualharassment.ucla.edu>.

Definitions

For detailed definitions of **sexual harassment**, refer to Section 102.09 of the Student Conduct Policies listed above.

Complaint Resolution

Experience has demonstrated that many complaints of sexual harassment can be effectively resolved through informal intervention. Individuals who experience what they consider to be sexual harassment are advised to confront the alleged offender immediately and firmly.

Additionally, an individual who believes that she or he has been sexually harassed may contact the Sexual Harassment Coordinator or a Sexual Harassment Information Center counselor for help and information regarding sexual harassment complaint resolution or grievance procedures, or may file a complaint of harassment directly with the appropriate Complaint Resolutions Officer. The appropriate Complaint Resolutions Officer is determined by the status of the accused harasser. For further details contact the Sexual Harassment Coordinator, Pamela Thompson, at 310-206-3417, 2241 Murphy Hall.

Other Forms of Harassment

The University strives to create an environment which fosters the values of mutual respect and tolerance and is free from discrimination based on race, ethnicity, sex, religion, sexual orientation, disability, age, and other personal characteristics. Certainly harassment, in its many forms, works against those values and often corrodes a person's sense of worth and interferes with one's ability to participate in University programs or activities. While the University is committed to the free exchange of ideas and the full protection of free expression, the University also recognizes that words can be used in such a way that they no longer express an idea, but rather injure and intimidate, thus undermining the ability of individuals to participate in the University community. The *University of California Policies Applying to Campus Activities, Organizations, and Students* (hereafter referred to as *Policies*) presently prohibit a variety of conduct by students which, in certain contexts, may be regarded as harassment or intimidation.

For example, harassing expression which is accompanied by physical abuse, threats of violence, or conduct that threatens the health or safety of any person on University property or in connection with official University functions may subject an offending student to University discipline under the provisions of Section 102.08 of the *Policies*.

Similarly, harassing conduct, including symbolic expression, which also involves conduct resulting in damage to or destruction of any property of the University or property of others while on University premises may subject a student violator to University discipline under the provisions of Section 102.04 of the *Policies*.

Further, under specific circumstances described in the *University-wide Student Conduct Harassment Policy*, students may be subject to University discipline for misconduct which may consist solely of expression. Copies of this *Policy* are available in the Office of the Dean of Students, 1206 Murphy Hall, or in any of the Harassment Information Centers listed below:

1. Center for Women and Men, B44 Student Activities Center, (310) 825-3945, <http://www.thecenter.ucla.edu>
2. Office of Fraternity and Sorority Relations, 105 Kerckhoff Hall, (310) 825-6322, <http://www.greeklife.ucla.edu>
3. Office of International Students and Scholars, 106 Bradley Hall, (310) 825-1681, <http://www.intl.ucla.edu/home.htm>
4. Office of Ombuds Services, 105 Strathmore Building, (310) 825-7627, <http://www.ombuds.ucla.edu>
5. Office of Residential Life, Residential Life Building, (310) 825-3401, <http://www.orl.ucla.edu/>
6. Student Psychological Services, 2nd Floor Wooden Center West, (310) 825-0768, <http://www.sps.ucla.edu>

Complaint Resolution

One of the necessary measures in our efforts to assure an atmosphere of civility and mutual respect is the establishment of procedures which provide effective informal and formal mechanisms for those who believe that they have been victims of any of the above misconduct.

Many incidents of harassment and intimidation can be effectively resolved through informal means. For example, an individual may wish to confront the alleged offender immediately and firmly. An individual who chooses not to confront the alleged offender and who wishes help, advice, or information is urged to contact any of the Harassment Information Centers listed immediately above.

In addition to providing support for those who believe they have been victims of harassment, Harassment Information Centers offer persons the opportunity to learn about the phenomena of harassment and intimidation; to understand the formal and informal mechanisms by which misunderstandings may be corrected and, when appropriate, student perpetrators may be disciplined; and to consider which of the available options is the most useful for the particular circumstances.

With regard to the *Universitywide Student Conduct Harassment Policy*, complainants should be aware that not all conduct which is offensive may be regarded as a violation of this *Policy* and may, in fact, be protected expression. Thus, the application of formal institutional discipline to such protected expression may not be legally permissible. Nevertheless, the University is committed to reviewing any complaint of harassing or intimidating conduct by a student and intervening on behalf of the complainant to the extent possible.

Nondiscrimination

The University of California, in accordance with applicable Federal and State Laws and University Policies, does not discriminate on the basis of race, color, national origin, religion, sex, gender identity, pregnancy (including pregnancy, childbirth, and medical conditions related to pregnancy and childbirth), disability, age, medical condition (cancer-related), ancestry, marital status, citizenship, sexual orientation, or status as a Vietnam-era veteran or special disabled veteran. The University also prohibits sexual harassment. This nondiscrimination policy covers admission, access, and treatment in University programs and activities.

Inquiries regarding the University's student-related nondiscrimination policies may be directed to the UCLA Campus Counsel, 3149 Murphy Hall, Box 951405, Los Angeles, CA 90095-1405, (310) 825-4042. Speech- and hearing-impaired persons may call TTY (310) 206-6083.

Inquiries regarding nondiscrimination on the basis of disability covered by the Americans with Disabilities Act (ADA) of 1990 or Section 504 of the Rehabilitation Act of 1973 may be directed to Karen Henderson-Winge, Coordinator of ADA and 504 Compliance, A239 Murphy Hall, UCLA, Box 951405, Los Angeles, CA 90095-1405, voice (310) 825-7906, TTY (310) 206-3349, <http://www.saonet.ucla.edu/ada.htm>.

Students may complain of any action which they believe discriminates against them on the ground of race, color, national origin, marital status, sex, sexual orientation, disability, or age and may contact the Office of the Dean of Students, 1206 Murphy Hall, and/or refer to Section 111.00 of the *University of California Policies Applying to Campus Activities, Organizations, and Students* (available in 1206 Murphy Hall or at <http://www.ucop.edu/ucophome/coordrev/ucpolicies/aos/toc.html>) for further information and procedures.

Official Publications

Students are responsible for observing procedures and deadlines published by the Registrar's Office in the following publications:

1. *UCLA General Catalog*. The catalog includes courses and programs approved by the UCLA Academic Senate. The print edition is issued regularly and is for sale at the UCLA Store. The online edition (<http://www.registrar.ucla.edu/catalog/>) has updates for course descriptions and undergraduate programs (i.e., majors, minors, specializations)
2. *Schedule of Classes*. There is no print edition of the *Schedule*. The online *Schedule* (<http://www.registrar.ucla.edu/schedule/>) lists courses offered each term. It includes fee charts, an academic calendar with key deadline dates, and academic policies and procedures; registration, enrollment, and billing information; and Official Notices

Plagiarism and Student Copyright

Plagiarism of any form is a violation of UCLA Student Conduct Code Section 102.01—Academic Dishonesty. Instructors are permitted to use one or more plagiarism-detection services to assist in the confirmation that the academic work submitted by a student is original work and has not been duplicated from an existing work.

All class assignments are expected to be original works submitted by individual students or, if directed by the instructor, by students working in a team. Should a student purchase or otherwise acquire a document from a third party (such as <http://www.term-paper-example.com>) and submit such a document as original work for the class assignment, such action is plagiarism and a violation of the code.

Instructors may require that all students enrolled in the class submit their work for confirmation by a plagiarism-detection service designated by the instructor. Failure by a student to submit assigned work is the equivalent, at the discretion of the instructor, to the student failing to submit the paper for grading.

Students retain full copyright ownership to their academic work. However, if the plagiarism-detection service used by the instructor includes a protocol that the vendor retains a copy of the submitted work, such practice is approved by UCLA for the vendor's sole purpose of comparison with other academic work subsequently submitted by others. The vendor may not use academic work submitted by UCLA students for any other purpose.

Instructors are encouraged to indicate to all students at the start of the academic term whether (a) a plagiarism-detection service will be used in the class for academic assignments; and (b) whether the service will be applied to all students enrolled in the class or on a spot-check basis. Nonetheless, instructors may decide to use a plagiarism-detection service after the start of the academic term, either on an across-the-board or spot-check basis. The instructor's discretion in such matters is final and not subject to appeal.

Students are encouraged to familiarize themselves with the *UCLA Student Conduct Code* and the official statements regarding cheating and plagiarism. These and other relevant documents are available on the website of the Office of the Dean of Students at <http://www.deanofstudents.ucla.edu/studentconduct.htm>.

The grading process for a student suspected of having engaged in plagiarism or other form of cheating is described in the Academic Senate Manual Regulations, Section 4, Paragraphs A-306 and A-315 (see <http://www.senate.ucla.edu>).

Rape and Other Forms of Sexual Assault

UCLA does not tolerate sexual assault in any form, including rape, acquaintance rape, or date rape. Where there is probable cause to believe that the campus regulations prohibiting sexual assault have been violated, the campus pursues disciplinary actions which may include sanctions up to and including dismissal from the University.

A student charged with sexual assault can be prosecuted under California criminal statutes and disciplined under the campus student conduct policies and regulations. Even if the criminal justice authorities choose not to prosecute, the campus can pursue disciplinary action.

For updated information, see http://www.deanofstudents.ucla.edu/ON-Rape_and_Other_Forms_of_Sexual_Assault.htm.

Definitions

For detailed definitions of **rape** and **sexual assault**, refer to Sections 102.08a and 102.08b of the Student Conduct Policies listed above.

If a Person Has Been Raped or Sexually Assaulted

Those who believe that they are the victims of rape or other forms of sexual assault should

1. **Immediately call the police department.** If possible, call 911 or the UCLA Police Department at (310) 825-1491; see <http://www.ucpd.ucla.edu>
2. **Get medical attention.** Campus police will provide transportation to the Santa Monica UCLA Medical Center Emergency Room for emergency medical treatment and evidence collection. A counselor from the Santa Monica Rape Treatment Center will be available at that time, free of charge

Utilize campus and community support services:

1. **Contact a Rape Services Consultant (RSC)** at the Center for Women and Men. RSCs have expertise in working with victims of rape or sexual assault. They can discuss options and alternatives, help identify the most appropriate support services, and provide information about medical care, psychological counseling, academic assistance, legal options, how to file a police report, and how to file a complaint through the Office of the Dean of Students. RSCs are available to assist UCLA faculty, staff, and students regardless of where or when the assault occurred. For assistance, contact the Center for Women and Men at (310) 825-3945 or go to B44 Student Activities Center and ask to speak to an RSC
2. **Contact the Rape Treatment Center** at Santa Monica UCLA Medical Center, (310) 319-4000, for free emergency medical treatment and counseling services

Campus Discipline Process When the Assailant is a Student

Those who believe that they are the victims of rape or other forms of sexual assault by a student on University properties or in conjunction with an official University function may file a complaint directly with the Office of the Dean of Students, 1206 Murphy Hall.

Cases referred to the Office of the Dean of Students are treated under the hearing procedures set forth in the *UCLA Student Conduct Code*. Where the allegation is of rape or other forms of sexual assault, and the case is referred to the Student Conduct Committee, the following *additional* procedures shall apply:

1. The complainant shall be entitled, for support, to have up to two persons of the complainant's choice accompany the complainant to the hearing. A support person may be called as a witness, and the fact that he or she is to act as a witness shall not preclude that person's attendance throughout the entire hearing. If a support person is also a witness, the committee chair (or the hearing officer) may require him or her to testify prior to the complainant. Neither of these persons shall be entitled to represent or defend the complainant. Similar rights shall be afforded to the accused student
2. The complainant shall have the right to be present during the entire hearing, notwithstanding the fact that the complainant is to be called as a witness
3. Evidence of the complainant's past sexual history, including opinion evidence, reputation evidence, and evidence of specific instances of the complainant's sexual conduct, shall not be admissible by the accused student unless the committee chair or hearing officer makes a specific finding of relevance after an offer of proof by the accused student. Under no circumstances is past sexual history admissible to prove consent. The offer of proof must be made and resolved by the panel before the complainant testifies
4. The hearing shall be closed to spectators

Student Conduct Policies

The *UCLA Student Conduct Code (Code)* has been revised and is effective Fall Term, 2005. The *Code* is subject to change. The most recent version can always be found on the Dean of Students Office website at http://www.deanofstudents.ucla.edu/on-printed_policies.htm.

The Chancellor may impose discipline for the commission or attempted commission (including aiding or abetting in the commission or attempted commission) of the types of misconduct delineated in Section II.B of the *Code*. Discipline may be imposed whether or not such misconduct also violates the law, and whether or not proceedings are or have been pending in the courts involving the same acts. Because of this, students might be involved in University disciplinary proceedings before, after, or during court proceedings.

A. Jurisdiction

The University has jurisdiction over student conduct that occurs on University property, or in connection with official University functions whether on or off University property. Although the University will not routinely invoke its disciplinary processes over student conduct that occurs off campus except in connection with an official University function, the University has discretion to exercise jurisdiction over conduct that occurs off campus and that would violate student conduct and discipline policies or regulations if the conduct had occurred on campus when

1. The alleged misconduct indicates the student poses a threat to the safety or security of any member(s) of the University community; or
2. The alleged misconduct involves academic work or the forgery, alteration, or misuse of any University document, record, key, electronic device, or identification.

Specifically, the University may choose to exercise jurisdiction over off-campus incidents under alternative A1 above where the alleged misconduct involves

- a. Physical abuse, including but not limited to rape, sexual assault, sex offenses, and other physical assault; threats of violence; or conduct that threatens the health or safety of any person;
- b. Stalking (as defined in Section 102.10 of the *University of California Policies Applying to Campus Activities, Organizations, and Students*);

- c. Sexual harassment (as defined in Section 160.00 et seq. of the *University of California Policies Applying to Campus Activities, Organizations, and Students*);
- d. Participation in hazing or any method of initiation or pre-initiation into a campus organization or other activity engaged in by the organization or members of the organization at any time that causes or is likely to cause physical injury, or personal degradation or disgrace resulting in psychological harm to any student or other person.

In determining whether or not to exercise off-campus jurisdiction in cases under alternative A1 above, the University will consider the seriousness of the alleged misconduct; whether the alleged victim is a member of the campus community; the ability of the University to gather evidence, including the testimony of witnesses; or whether the off-campus conduct is part of a series of actions that occurred both on and off campus.

This section is intended only to provide guidance for the exercise of discretion by the University in invoking its jurisdiction over conduct that occurs off campus. It may not be relied upon by any student charged under this section to create any rights, substantive or procedural, or as a basis for a challenge to the exercise of the University's jurisdiction.

B. Types of Misconduct

Violations or attempted violations include, but are not limited to, the following types of misconduct.

102.01: Academic Dishonesty. All forms of academic misconduct, including, but not limited to, cheating, fabrication, plagiarism, multiple submissions, or facilitating academic misconduct. For the purposes of the *Code*, the following definitions apply:

102.02: Other Forms of Dishonesty. Other forms of dishonesty, including, but not limited to, fabricating information or knowingly fur-

nishing false information or reporting a false emergency to the University.

Abuses include, but are not limited to, unauthorized entry, use, transfer, or tampering with the communications of others, and interference with the work of others and with the operation of computer and electronic communications facilities, systems, and services.

Violation of the *UCLA E-mail Policy and Guidelines* (available on the Internet at http://www.adminvc.ucla.edu/appm/public/app_0355_0.html), of the *University of California Electronic Communications Policy* (available at <http://www.ucop.edu/ucophome/policies/ec/>), or of any other University acceptable or allowable use policy will also be considered a violation of Section 102.05.

102.06: Unauthorized Use of University Resources or Name. Unauthorized entry to, possession of, receipt of, or use of any University services, equipment, resources, or properties, including the University's name, insignia, or seal.

102.07: University Housing and Parking.

102.07a: University Housing. Violation of policies, regulations, or rules governing University-owned, -operated, or -leased housing facilities or other housing facilities located on University property.

102.07b: Parking. Violation of policies, regulations, or rules governing University parking services or University-owned or -operated parking facilities.

102.08: Physical Abuse. Physical abuse, including, but not limited to rape, sexual assault, sex offenses, and other physical assault; threats of violence; or conduct that threatens the health or safety of any person.

Rape (For the purposes of the *Code*, rape refers to "rape" as defined by the California Penal Code, as it may be amended from time to time). The following acts, among others, are prohibited:

1. Sexual intercourse against a person's will accomplished by force or threats of bodily injury.
2. Sexual intercourse against a person's will where the person has reasonable fear that she (or he) or another will be injured if she (or he) does not submit to the intercourse.
3. Sexual intercourse where the person is incapable of giving consent, or is prevented from resisting, due to alcohol or drugs, and this condition was known, or reasonably should have been known, by the accused.
4. Sexual intercourse where the person is incapable of resisting because she (or he), at the time, is unconscious or asleep, and this is known to the accused.

Sexual Assault. The act of sexual assault includes forced sodomy (anal intercourse); forced oral copulation (oral-genital contact); rape by foreign object (forced penetration by a foreign object, including a finger); and sexual battery (the unwanted touching of an intimate part of another person for the purpose of sexual arousal). These also include situations when the accused sexually assaults a complainant incapable of giving consent, including where the complainant is pre-

vented from resisting due to alcohol or drugs and this condition was known, or reasonably should have been known, by the accused.

NOTE: For the purpose of this regulation, students should understand that

1. Forced intercourse, or other unwanted sexual contact, is defined as rape or sexual assault whether the assailant is a stranger or an acquaintance of the complainant.
2. Intoxication of the assailant shall not diminish the assailant's responsibility for sexual assault.

102.09: Sexual Harassment, as defined in University policy (see Section 160.00), reads in part: Sexual harassment is unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when submission to or rejection of this conduct explicitly or implicitly affects a person's employment or education, unreasonably interferes with a person's work or educational performance, or creates an intimidating, hostile, or offensive working or learning environment. In the interest of preventing sexual harassment, the University will respond to reports of any such conduct.

Please refer to the *Policy on Sexual Harassment and Complaint Resolution Procedures* (see Section 160.00) for the entire definition. The *Policy on Sexual Harassment and Complaint Resolution Procedures* is incorporated into the *Policy on Student Conduct and Discipline*.

102.10: Stalking. Stalking behavior in which a student repeatedly engages in a course of conduct directed at another person and makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her family; where the threat is reasonably determined by the University to seriously alarm, torment, or terrorize the person; and where the threat is additionally determined by the University to serve no legitimate purpose.

102.11: Harassment. As defined in Section 102.11 of the *University of California Policies Applying to Campus Activities, Organizations, and Students*, "harassment" by a student of any person. For the purposes of this section, harassment:

- a. is the use, display, or other demonstration of words, gestures, imagery, or physical materials, or the engagement in any form of bodily conduct, on the basis of race, color, national or ethnic origin, alienage, sex, religion, age, sexual orientation, or physical or mental disability, that has the effect of creating a hostile and intimidating environment sufficiently severe or pervasive to substantially impair a reasonable person's participation in University programs or activities, or use of University facilities;
- b. must target a specific person or persons; and
- c. must be addressed directly to that person or persons.

NOTE: The Office of the President has issued the following guidance on interpretation and application of this section (102.11: Harassment): "Prior to applying this provision of policy to any student conduct, the Office of General Counsel will be consulted regarding its proper interpretation and application in light of the specific circumstances."

102.12: Hazing. Participation in hazing or any method of initiation or pre-initiation into a campus organization or other activity engaged in by the organization or members of the organization at any time that causes, or is likely to cause, physical injury or personal degradation or disgrace resulting in psychological harm to any student or other person.

102.13: Obstruction or Disruption. Obstruction or disruption of teaching, research, administration, disciplinary procedures, or other University activities.

102.14: Disorderly Conduct. Disorderly or lewd conduct.

102.15: Disturbing the Peace. Participation in a disturbance of the peace or unlawful assembly.

102.16: Failure to Comply. Failure to identify oneself to, or comply with directions of, a University official or other public official acting in the performance of his or her duties while on University property or at official University functions, or resisting or obstructing such University or other public officials in the performance of or the attempt to perform their duties.

102.17: Controlled Substances. Unlawful manufacture, distribution, dispensing, possession, use, or sale of, or the attempted manufacture, distribution, dispensing, or sale of, controlled substances, identified in Federal and State law or regulations.

102.18: Alcohol. Manufacture, distribution, dispensing, possession, use, or sale of, or the attempted manufacture, distribution, dispensing, or sale of, alcohol which is unlawful or otherwise prohibited by, or not in compliance with, University policy or campus regulations.

102.19: Destructive Devices. Possession, use, storage, or manufacture of explosives, firebombs, or other destructive devices.

102.20: Weapons. Except as expressly permitted by law, possession, use, storage, or manufacture of a firearm or other weapon capable of causing bodily injury.

102.21: Violation of Disciplinary Conditions. Violation of the conditions contained in the terms of a disciplinary action imposed under the *Code*.

102.22: Violation of Interim or Emergency Suspension Conditions. Violation of the conditions contained in a written Notice of Interim or Emergency Suspension issued pursuant to Section IV of the *Code*.

102.23: Unauthorized Use or Sale of University Materials.

Except as provided herein, no student shall give, sell, or otherwise distribute to others or publish any recording made during any course presentation without the written consent of the University and the instructor/presenter. This policy is applicable to any recording in any medium, including handwritten or typed notes.

Any distribution of a recording of a course presentation at UCLA that captures the actual sounds and/or images of that course presentation, in any medium, must consider not only the rights of the instructor and the University, but also those of other parties. Examples include the privacy rights of students enrolled in the course, the rights of guest lecturers, and the copyright interests in materials authored by others that are displayed or presented during the course presentation. It may be necessary to secure rights from these parties before any recording, distribution, publication, or communication occurs.

102.23a: Selling Course Notes. Selling, preparing, or distributing for any commercial purpose course lecture notes or video or audio recordings of any course unless authorized by the University in advance and explicitly permitted by the course instructor in writing. The unauthorized sale or commercial distribution of course notes or recordings by a student is a violation of the *Code* whether or not it was the student or someone else who prepared the notes or recordings.

102.23b: Copying Course Notes. Copying for any commercial purpose handouts, readers, or other course materials provided by an instructor as part of a University of California course unless authorized by the University in advance and explicitly permitted by the course instructor or the copyright holder in writing (if the instructor is not the copyright holder).

102.23c: Commencement Tickets. Selling Commencement tickets.

102.24: University Properties. Using University properties for the purpose of organizing or carrying out unlawful activity.

102.25: Violations of Law. Violation of Federal, State, or local laws.

Class Listings

Course Listing Format

The *Schedule of Classes* (<http://www.registrar.ucla.edu/schedule/>) is available online in both HTML and PDF versions. In the HTML version, enrollment counts and wait lists are updated in real time. The online *Schedule* has links to department homepages, course webpages, library reserves, and the UCLA Store. It also includes search features for classes, General Education courses, and course units. The PDF version is printer-friendly and represents data at the time of publication. It is not updated.

In the class listings section of the PDF version of the *Schedule*, departments are listed alphabetically, followed by their associated subject areas in alphabetical order. Under each department, class information is presented in separate columns across the page.

In the online *Schedule*, subject areas are listed alphabetically by term. Select a term and subject area (e.g., History) and click the Get Classes button to find classes offered for that term. Select a course from the list and click the View Course button to see class details.

Undergraduate Individual Contract Courses

Undergraduate individual studies courses generally are not listed the PDF version of the *Schedule*. For individual sections of these classes, see the online *Schedule*.

Students use their MyUCLA webpages to initiate a petition to enroll in a contact course. To start the process and obtain the contact forms, students log in to MyUCLA, look under their MyUCLA Features, and scroll down to Contract Courses. Contact forms are available for the following course numbers: Honors Contracts (89HC, 189HC), Student Research Program (99), and upper-division tutorials (195-199). Contracts are available when enrollment begins for a term. See <https://be.my.ucla.edu/specialstudies/default.asp> for contracts.

Graduate Individual Studies Courses

Graduate individual studies courses numbered 260, 296, 375, 400, and 595-599 do not appear in the PDF version of the *Schedule*. For individual sections of these classes, see the online *Schedule* or URSA.

CATALOG NUMBER

The catalog number is used to identify particular courses. Courses numbered 1-99 are undergraduate lower division, 100-199 are undergraduate upper division, 200-299 and 500-599 are graduate level, 300-399 are professional teacher training, and 400-499 are other professional courses.

Concurrently scheduled courses (identified by a capital C before the catalog number) are pairs of courses, usually within a single department or program, for which credit is given at both the undergraduate and graduate level. Concurrently scheduled courses are offered at the same time and place with the same instructor, but workload and

performance standards are evaluated differently for students at each level.

Multiple-listed courses (identified by a capital M before the catalog number) are courses of the same format and level offered jointly by more than one department. For example, Language in Culture is offered by the Department of Anthropology (Anthropology M140) and the Department of Linguistics (Linguistics M146).

COURSE TITLE

Course title is the 19-character abbreviation of the course that appears on the transcript. See the *UCLA General Catalog* for the full title and description of the course.

ENF REQ — Enforced Requisites

Courses with enforced requisites are indicated with a Y; those without have an N. Undergraduates are prevented from enrolling if certain requisites have not been met as described in the Enrollment section.

IM — Impacted Course

The impacted course column displays a Y for courses that are impacted and is blank for courses that are not. Undergraduates are prevented from dropping impacted courses after the second week of a term except in exceptionally extenuating circumstances as described in the Enrollment section.

ID NUMBER

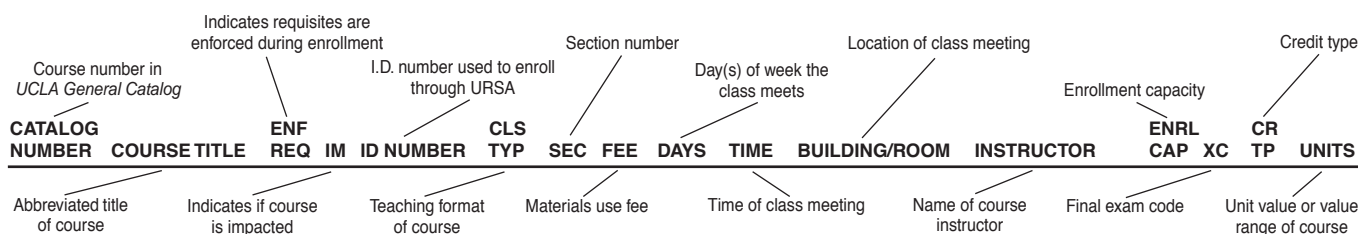

The nine-digit I.D. number is used for enrolling in a section. Numbers are printed only for the enrollment section of the course. This section controls official enrollment in the course. URSA requires the I.D. number for the appropriate section for enrollment and indicates multiple parts, such as lecture and discussion, required. The enrollment section, or secondary section, is generally the part of the course with the smallest enrollment capacity (discussion, laboratory, quiz, recitation). Generally, a lecture, seminar, or tutorial is called a primary section.

CLS TYP — Class Type

Class type, also called activity type, indicates the teaching format of the course, which is defined as follows:

1. ACT (Activity): Students develop technical or creative skills such as painting, music, drama, or design
2. CLI (Clinic): Students learn professional skills by actual practice involving patients or clients
3. CNF (Conference): Students and faculty interact through small classroom sessions involving substantial class participation
4. DEM (Demonstration): Students take part in presentations and exhibitions involving substantial class participation
5. DIS (Discussion): Students and faculty interact through small classroom sessions that involve substantial class participation
6. FLD (Fieldwork): Students participate in short or extended field trips or in other types of nonclassroom settings
7. LAB (Laboratory): Students carry out experiments requiring special laboratory equipment and facilities

Schedule Format at a Glance

8. LEC (Lecture): Students attend faculty lectures that involve little or no student participation
9. LSN (Listening): Students participate in audio presentations and exercises
10. QIZ (Quiz): Students participate in sessions designed to review and test their understanding of course material
11. REC (Recitation): Students take part in oral presentations and exhibitions involving substantial class participation
12. RGP (Research Group Meeting): Students participate in graduate research group meetings
13. SEM (Seminar): Students and faculty interact through small classroom sessions that involve substantial class participation
14. STU (Studio): Students develop technical or creative skills such as painting, music, drama, or design
15. TUT (Tutorial): Students meet individually with faculty to review work that each student conducts independently
16. TVI (Televised Instruction): Students view material that has been prerecorded

SEC — Section Number

A course may have multiple class types that must be taken together, such as lecture and discussion or lecture and laboratory. These class types are linked and are identified by the sequence printed and numbering schemes below:

1. Primary (lecture, seminar) sections are numbered sequentially (1-99). If a course has secondary sections belonging to a specific primary section (i.e., a compound class), they are numbered with the corresponding primary section number followed by a letter (A to Z). For example, for Chem 11A lecture section 1, you must choose from discussion sections 1A to 1Z. The class is listed as:

11A GENERAL CHEMISTRY	-----	LEC 1
	142-081-201	DIS 1A
	142-081-202	DIS 1B
	-----	LEC 2
	142-081-221	DIS 2A
	142-081-222	DIS 2B

2. Any section type that may be associated with several other section types is indicated by the section number prefixed with a capital M. Combinations include
 - a. A course with secondary (discussion, laboratory, quiz) sections associated with any of several primary sections (e.g., Chinese 2)
 - b. A course with multiple primary (lecture) sections and multiple secondary (both laboratory and discussion required) sections, with the laboratory section associated with any of the primary sections, such as Physics 6. These courses identify the section type (lecture, laboratory, discussion), which is the ENROLLMENT SECTION

FEE — Materials Use Fee

The Materials Use Fee is assessed in addition to term fees for each course that you are enrolled in as of the fourth week of classes. Multiple-part class series (such as lecture, laboratory, and discussion) list the fee with the primary section only. It covers the price of materials and supplies used in the course and appears on your BAR statement.

DAYS

Days of the week are abbreviated as follows:

M — Monday
 T — Tuesday
 W — Wednesday
 R — Thursday
 F — Friday
 S — Saturday
 U — Sunday

TBA — To be arranged (time was not available at publication; contact the instructor or department)

UNSCHEd — No regular meeting time (consult the instructor)

VAR — Class meetings vary throughout the week and quarter (consult the instructor)

TIME

Courses begin and end at the time listed. Minimum class meeting time is 50 minutes. Sometimes sections have more than one meeting time, which are listed on separate lines.

BUILDING/ROOM

The meeting location of a section is indicated by the building name abbreviation followed by the room number. Multiple meeting locations are listed on separate lines.

LS 2142 — Life Sciences 2142

MS 4000A — Math Sciences 4000A

PUB POL 1343 — Public Policy Building 1343

See "University Buildings" for building names and locations.

INSTRUCTOR

The faculty member responsible for a course is listed with last name and first initial. "The Staff" indicates an instructor was not assigned as of publication.

ENRL CAP — Enrollment Capacity

Enrollment capacity indicates the number of students allowed to enroll in the section and is subject to departmental change. When you attempt to enroll and the capacity is full, you are informed of the wait-list size and your possible wait-list position.

XC — Examination Code

The code number indicates the examination period for the course final, which is generally based on the meeting time of the lecture section (see "Final Examinations" chart). Examination code information is available through URSA. Be sure to check your examination codes prior to finals week.

Do not enroll in courses that have conflicting meeting times as this creates a conflict in examination times. You must discuss any conflict with both instructors and may have to change sections or drop the course to avoid the conflict. Faculty members may use their discretion to establish ground rules for attendance, missed examinations, late term papers, or any other means of evaluation for the course.

CR TP — Credit Type (Grade Type)

Credit type is indicated by the following grading detail codes:

1. Blank — Letter grade or P/NP (In the *Schedule of Classes* and URSA, classes with an optional grading basis are displayed as blank—no abbreviation appears in the credit type column. The default grading basis for such classes is Letter grade. See the Enrollment section for regulations on changing grading basis.)
2. G — Letter grade only
3. NG — Non-graded section of a multiple-part course
4. PN — Passed/Not Passed
5. SU — Satisfactory/Unsatisfactory
6. T1, T2, T3, T4 — A two-, three-, or four-term course (In Progress) in which no credit is granted until the completion of the series
7. TP — A multiterm course with a final grade of Passed or Not Passed
8. TS — A multiterm course with a final grade of Satisfactory or Unsatisfactory

UNITS

Unit value is the workload credit given for a course. It is generally the same as credit toward a degree, except that some courses (e.g., English A, AP, 2P, 3P) may have less degree credit and/or no credit toward a degree (check the course description in the *UCLA General*

Catalog). The unit value of a multiple-part class series is listed with the primary section.

RESTRICT – Restrictions

Course restrictions **print on the line following the section entry when enrollment is restricted to certain designations** of students:

- Department Consent or Instructor Consent.** A PTE number is required. Consent of department or instructor is no longer listed in the course description in the *UCLA General Catalog*. Such a restriction is subject to change by individual instructors and is only noted in the *Schedule of Classes*
- Level.** Only students as indicated by the class level may enroll. (If the restriction is satisfied, a PTE number is not required when the section capacity has available spaces.) Levels are indicated as follows:

FR — Freshmen only
 SO — Sophomores and above
 JR — Juniors and above
 SR — Seniors and above
 GR — Graduate students only

See “Class Levels” in the Academic Policies section for unit breakdown for each level

- College and/or Major.** Only students with the noted college and/or major(s) may enroll. (If the restriction is satisfied, a PTE number is not required when the section capacity has available spaces.) Thus, if a restriction reads “MATH/APP, ECON BUSINESS, BUS-ECON,” the course is restricted to the specified majors

Final Examination Policies

Final examinations, unless otherwise announced by the instructor, are held in the same room as class meetings. Examination codes are listed for each course in the *Schedule of Classes* and in the Study List selections on URSA.

An instructor's method of evaluation must be announced at the beginning of the course. Final written examinations may not exceed three hours' duration and are given only at the times and places established and published by the department chair and the Registrar's Office (Senate Regulation A-332A). **In planning courses for a term, students are responsible for avoiding class conflicts and avoiding conflicting or multiple same-day final examinations. No student shall be excused from assigned final examinations except as provided in the following paragraphs.**

Policy on Alternate Examination Dates

In compliance with Section 92640(a) of the California Education Code, the University must accommodate requests for alternate examination dates for any test or examination at a time when that activity would not violate a student's religious creed. This requirement does not apply in the event that administering the test or

examination at an alternate time would impose an undue hardship which could not reasonably be avoided.

Accommodation for alternate examination dates are worked out directly and on an individual basis between the student and the faculty member involved.

1. In general, students should make such requests of the instructor during the first two weeks of any given academic term, or as soon as possible after a particular examination date is announced by the instructor
2. Students unable to reach a satisfactory arrangement with their instructor should contact the Office of Ombuds Services, 105 Strathmore Building, or the Office of the Dean of Students, 1206 Murphy Hall, for assistance
3. Instructors who have questions or who wish to verify the nature of the religious event or practice involved should contact the Office of Ombuds Services or the Office of the Dean of Students for assistance

This policy has been reviewed and approved by the Academic Senate Undergraduate Council. Faculty members should remember that while it is fully in their discretion to make arrangements with individual students for alternate examination times, including final examinations, faculty members must conduct the scheduled final examination for the class as a whole at the times and places established by the department chair and the Registrar's Office.

FRENCH AND FRANCOPHONE STUDIES

French

A per-unit Instructional Enhancement Fee is assessed on most L&S undergraduate nontutorial classes. See the Miscellaneous Fee Chart at <http://www.registrar.ucla.edu/fees> for fee amounts.

Enrollment in French 1 thru 6 is contingent on proper placement as determined by the results of the departmental placement examination to be given Tuesday, November 7, 2006, from 4 to 6 p.m. in A24 Haines Hall (photo I.D. required).

(1) Students with one or more years of high school French MUST present a placement examination score on the first day of class.

(2) Students who have taken the AP examination and received a score of 3 or higher need not take the departmental placement examination but should consult the UCLA General Catalog for credit equivalencies.

(3) Students who have never had high school French may pre-enroll in French 1 without taking the placement examination but should consult the UCLA General Catalog for credit equivalencies.

(4) Transfer students who have had French at another college should check their degree progress report for credit equivalencies granted on admission (see counselors in A316 Murphy Hall or call 310-825-3382).

For those who miss the placement examination on November 7, it will be offered again on January 4 and 8 from 4 to 6 p.m. in 160 Royce Hall (photo I.D. required). The next examination will be offered for Spring Quarter 2007 enrollment.
