For the remainder of the term if you are more than 30 minutes late, you may NOT be able to complete the current laboratory and may not have the opportunity to make up the missed work, resulting in a nonpassing grade for that experiment.

Students must put themselves on the wait list during first pass. Final enrollment is done during the first week of the term. IF YOU ARE MORE THAN 15 MINUTES LATE TO LABORATORY DURING THE FIRST TWO WEEKS OF THE TERM, YOUR SPACE WILL BE REASSIGNED AND YOU MUST DROP THE COURSE YOURSELF. For the remainder of the term if you are more than 30 minutes late, you may NOT be able to complete the current laboratory and may not have the opportunity to make up the missed work, resulting in a nonpassing grade for that experiment.

The enrollment section is the discussion section (refer to "Compound Classes" instructions listed under MyUCLA). Enrollment cannot be completed unless you are also able to enroll in a laboratory section. Wait lists are not possible because of the three-part structure (lecture, discussion, and laboratory). Students who retake Physics 5A must enroll in all three sections: lecture, discussion, and laboratory. Once enrolled, send an e-mail to dzeff001@physics.ucla.edu with your name, student ID number, and quarter in which you originally took the laboratory. You will be manually enrolled in the G99 laboratory.

The enrollment section is the discussion section (refer to "Compound Classes" instructions listed under MyUCLA). Enrollment cannot be completed unless you are also able to enroll in a laboratory section. Wait lists are not possible because of the three-part structure (lecture, discussion, and laboratory). Students who retake Physics 6C must enroll in all three sections: lecture, discussion, and laboratory. Once enrolled, if you are retaking the class and want to transfer your laboratory score so that you do not have to retake the laboratory portion, send an email to dzeff001@physics.ucla.edu with your name, student ID number, and quarter in which you originally took the laboratory. You will be manually enrolled in the G99 laboratory.
