

What's New?

Bruin bear comes out of hibernation

The bronze bruin statue that has guarded Ackerman Plaza since 1984, when it was placed there by the UCLA Alumni Association to celebrate its 50th anniversary, migrated slightly southward to stand closer to the new Morgan Center.

Morgan Center nears completion

Home to UCLA's Athletic department, the Morgan Center opened, although work still continues on the sleek new building's interior. When completed, the center will house 21,000 square feet of office space along with a UCLA Athletic Hall of Fame.

Ackerman houses new post office

As part of an alliance between ASUCLA and the United States Postal Service, Mail and Document Services has opened a new post office in A233 Ackerman Union. In addition to stamp sales, the post office handles services such as money orders, certified, registered, and insured mail, express mail, and priority mail. Hours are 9 a.m. to 5 p.m. Monday through Friday.

Career Center, Ombuds Office relocate

In April 2000, the UCLA Career Center and Campus Ombuds Office are to relocate to the Strathmore Building at 501 Westwood Plaza. Check their websites for exact office locations.

In-progress information added to transcripts

The Registrar's Office has added information appearing on the official UCLA academic transcript to reflect in-progress term information. Transcripts now include a list of the courses in which a student is enrolled during the term that the document is requested and reflect other in-progress information such as a change in major or the removal of an I grade.

Chancellor Carnesale speaks at the renaming ceremony of the Glorya Kaufman Hall (formerly the Dance Building) and announces renovation plans. On hand for the event is Glorya Kaufman, who donated 18 million dollars to the project — the largest single donation to dance in the United States and the largest to UCLA outside of the health sciences

Registration

Paying Fees | Enrolling in Classes | URSA | Study Lists | Spring 2000 Fee Charts |

Registration

Registration consists of paying fees and enrolling in classes.

1. Registration fees and other University charges are paid through the UCLA Student Billing Statement, also called the BAR statement, mailed monthly to your UCLA mailing address by the Student Accounting Office
2. Enrollment in classes is completed through URSA at (310) 208-0425 or <http://www.ursa.ucla.edu> (see "URSA" for full details)

You must complete both processes by the established deadlines (see "Calendar") to be officially registered and enrolled for the term.

Paying Fees

Payments can be mailed, deposited in the Administrative Main Cashier's drop slot (1125 Murphy Hall), sent Western Union Quick Collect, or payed via credit card online through CyberPay. After the published deadline, payments must be made in person at 1125 Murphy Hall and are assessed an additional \$50 late fee. For more information on paying fees, see "Billing."

Mandatory Medical Insurance

As a condition of registration, UCLA requires **international students** (graduate and undergraduate) on nonimmigrant visas and **graduate students** to have *adequate* medical insurance coverage during all periods of enrollment.

The following insurance plans are NOT acceptable and do NOT fulfill the University requirement for adequate medical/health insurance: (1) travel insurance plans of any kind, (2) any plans purchased outside the U.S. and/or not issued by a U.S. company, (3) reimbursement arrangements or vouchers, including those from home governments and consulates in the U.S.

The **Medical Insurance Plan (MIP)** that UCLA offers fulfills the University requirement for adequate medical insurance. For **graduate and international students**, the MIP fee is included each term in the BAR statement amount due. This is the only way to purchase MIP.

Students who decide to waive out of MIP because they have adequate private medical insurance must complete the Medical Insurance Waiver Request included each term with the BAR statement and submit the form when they pay their registration fees. Students whose fees are paid by financial aid, graduate fellowship funds, or other sources must submit their MIP waiver by the published registration deadline each term. Students may waive out of MIP online at <https://www.saonet.ucla.edu/health/insuranc/mipforms/auth.pl>. Dates for this online service are posted at the website.

Students who do not purchase MIP must have an adequate private medical insurance plan that provides all the following minimum benefits:

1. A minimum of \$100,000 in lifetime benefits
2. Coverage of at least 75 percent of medical expenses, with a deductible of \$500 or less and a copayment of 20 percent or less
3. A policy issued in the U.S. by a U.S. carrier
4. Inclusion of Medical Evacuation and Repatriation benefits for those on J-1 or J-2 visas

If the private medical insurance plan does not meet all of the above requirements, students must purchase MIP.

For **all other undergraduate students**, the MIP fee appears as a voluntary option on the BAR statement and is in addition to the

amount due each term. To request MIP, students must select it by marking that item on the remittance portion of the BAR statement. The remittance slip must be returned to the UCLA Administrative Main Cashier by the published registration deadline each term. This is the only way to purchase MIP.

This serves as notice of the mandatory medical insurance requirement; it is each student's responsibility to obtain the necessary information before registering. Changes and exceptions requested after students have registered cannot be honored. MIP cancellation requests must be made to the Ashe Student Health and Wellness Center Insurance Office within 10 days from the MIP effective date. For more on MIP or adequate medical insurance requirements, call the Ashe Center Insurance Office at (310) 825-4073, option 4.

Holds

Students may have holds placed on their student record, which could affect registration, enrollment, financial aid, campus services and/or release of academic transcripts for the following reasons:

1. Failure to comply with admission provisions
2. Failure to settle financial obligations with the University
3. Failure to respond to official notices

Each student who becomes subject to a hold action is given advance notice and ample time to respond. In most cases, the hold must be released from the initiating office before a student may enroll in classes or receive various campus services. You can obtain holds information on URSA OnLine at <http://www.ursa.ucla.edu/> or a reading of your holds on URSA Telephone at (310) 208-0425.

Ackerman's new post office

Enrolling in Classes

See "Class Listings" for class times, rooms, instructors, and other enrollment information. For updated listings, see the online *Schedule of Classes*. Consult "Class Listings" and your school or college advisers (see "Academic Counseling"), to assemble a program of courses.

Plan two or three alternate programs in case your first choice of courses is not available (use the "Enrollment Worksheet" on the inside back cover of this schedule to list alternate courses). Do not choose two courses in the same final examination group (see the final examination chart in "Class Listings") or select classes that conflict in meeting times. If conflicts are unavoidable, consult with the instructor of each course at the first class meeting. For detailed enrollment instructions, see "Enrollment" in this schedule.

Class Attendance

Class rosters, which identify enrolled or wait-listed students, are issued to each instructor by the Registrar's Office. Attendance in UCLA classes is limited to duly enrolled regular session or concurrent University Extension students. Guests may attend lectures only with the approval of the instructor. Students may be dropped from a course for academic reasons such as lacking the approved prerequisites

and requirements (SR542). If attendance is an academic requirement established by the instructor, students may be dropped from a course because of excessive absences.

Auditing Classes

With the consent of the instructor, registered students and interested individuals are permitted to audit classes. Arrangements are made directly with the faculty member under any rules the faculty member may establish, and those auditing ordinarily do not participate in discussions, exams, or written papers. Audited classes are not recorded on the Study List or on transcripts for regular session courses.

Class Notes

Notes or recordings made by students are for purposes of individual or group study or for other non-commercial purposes reasonably arising from the student's membership in the class or the University. Permission to make notes or recordings falls within the instructor's discretion as informed by instructional purposes, classroom order, property interests or other reasonable issues arising in the academic context. Notes and recordings may not be exchanged or distributed for commercial purposes, for compensation, or for any other purpose other than study, either between students or between a student(s) and a third party. Unless authorized by the University in advance and explicitly permitted by the instructor, commercial use of class notes or recordings constitutes an unauthorized commercial activity in violation of the *UCLA Regulations on Activities, Registered Organizations and Use of Properties*, Section IV, Paragraph A (<http://www.saonet.ucla.edu/csp/regs.htm>). Students who violate this policy are subject to University discipline.

Individual instructors retain intellectual property rights in lecture material, pursuant to U.S. copyright law and California Civil Code 980(a)(1). Misuse of course notes derived from lecture material may also subject an individual to legal proceedings brought by the instructor.

Pursuant to the guidelines reviewed by the UCLA Academic Senate (1973), lecture note subscription services are permitted, if authorized in advance by the University and if approved by the instructor. The Lecture Notes service offered by the Associated Students, UCLA is currently authorized by the University to provide a course notes subscription service for particular classes. For such classes, the note taker is approved in advance by the instructor, and the instructor may review the notes before their distribution and sale through the UCLA

Store Lecture Notes office at Ackerman Union. The list of classes with such a subscription service is available at Ackerman Union.

URSA

University Records System Access (URSA) enables all UCLA students to acquire information from their University academic records stored on the student system computer databases. Below is an overview of URSA features; see "URSA" for details.

URSA Telephone

Use URSA Telephone (310-208-0425) to process your class enrollment. You may also add, drop, or exchange classes/sections, put yourself on the wait list for a class, add a class using a PTE #, change the grading basis for a class, obtain a reading of your Study List, check your wait-list position, and obtain instructor names for all courses. Enroll during your assigned appointment periods, which you also obtain through URSA Telephone or URSA OnLine.

URSA OnLine

Use URSA OnLine (<http://www.ursa.ucla.edu/>) to process your enrollment or to view and print your Study List, undergraduate Degree Progress Report (DPR), enrollment appointment time, holds information, grades for a term, and registration status. You can also change your address information, including phone number and e-mail, privacy release designation, and PIN for accessing URSA.

Study Lists

A Study List is the record of the courses you are enrolled in for the term. Friday of the second week of instruction, your Study List of enrolled courses becomes "official" and all wait lists are eliminated. You should check your Study List through URSA after all enrollment transactions. **You are responsible for all courses and the grading basis as listed on URSA, and you cannot receive credit for courses not listed.** Errors or omissions should be corrected before your academic dean's deadline for changes by petition. Unapproved withdrawal from or neglect of a course entered on the Study List results in a failing grade.

BAR Statement | Paying Fees | Late Payment | Refunds

BAR Statement

The UCLA Student Billing Statement, also known as the BAR statement since it is generated by the Billing and Accounts Receivable (BAR) System, serves as each UCLA student's bill for registration fees and other University charges. BAR is managed by the Student Accounting Office. See <http://www.studentaccounting.ucla.edu>.

Students are automatically assigned a BAR account and mailed a statement of activity each month. The statements, which include your registration fee assessment, are generated on the dates below and mailed within three to four days.

Term	Mailing Dates
Fall Semester — Medicine	July 1
Fall Semester — Law	August 1
Fall Quarter	September 1
Winter Quarter/Spring Semester	December 1
Spring Quarter	March 1

New and reentering students have their bills mailed to them according to the above schedule if they have filed both the Statement of Intent to Register and the Statement of Legal Residence and their residence for tuition is determined.

If you receive financial aid, the Financial Aid System automatically credits your BAR account with your financial aid to pay your registration fees and most other outstanding UCLA debts, such as student health or laboratory fees.

All charges (other than registration charges) must be paid in full by the statement **deadline, the 20th of each month** (or the preceding workday if the deadline falls on a weekend or holiday), to avoid assessment of a \$20 delinquent fee. If you decide not to attend UCLA, use URSA Telephone to declare nonattendance for a term (option 5# under the Students Records Menu). Check the readmission policies outlined in "Academic Policies" in order to protect your student status.

Bruin Direct

With Bruin Direct, any credit balance refunds are deposited directly to your bank account. Notification of these transactions is sent to your current e-mail address before each deposit is made.

UCLA requires direct deposit for credit balance refunds in BAR. If you are not currently enrolled in Bruin Direct and did not receive an authorization form in the mail, you must pick up a form from the Administrative Main Cashier's Office at 1125 Murphy Hall or from Student Accounting at B303 Murphy Hall. Refunds are processed daily to students with Bruin Direct and weekly for all others.

Student Medical Insurance Plan (MIP)

As a condition of registration, UCLA requires **international students** (graduate and undergraduate) on nonimmigrant visas and **graduate students** to have adequate medical insurance coverage during all periods of enrollment. UCLA offers the Medical Insurance Plan, which fulfills the requirement. See the Mandatory Medical Insurance Requirement section in "Registration" for requirements.

Paying Fees

Detach the bottom portion of the BAR statement and mail your remittance, or drop it in the Administrative Main Cashier's drop slot, 1125 Murphy Hall. Allow at least five working days for mail delivery. The University is not responsible for materials lost or delayed in the mail.

A **late payment fee** of \$50 is assessed to all students paying registration fees after the deadline. Missing or incomplete payments or payment documents may result in loss of classes, medical insurance or assessment of late fees. Use URSA to verify that your fees have been received and processed before the dropping of classes deadline.

In the envelope provided, return the following to the **UCLA Remittance Processing Center**, 10920 Wilshire Blvd., First floor, Suite 107, Los Angeles, CA 90024-6503.

- Bottom Portion** of BAR statement
- Payment** (do not send cash; write your nine-digit UCLA student I.D. number on all checks, money orders, or other forms of payment and indicate method of payment)
 - Check or Money Order**
Make payable to REGENTS-UC. A \$60 fine is assessed if any check for registration fee payment is returned by a bank.
 - VISA/MasterCard/Discover Card**
Complete and sign the VISA/MC/Discover section on the BAR statement by the published fee payment deadline (see "Calendar"). Credit card statements must be signed and completed to be processed. **Fax payments are no longer accepted.** Refer to the other payment methods below.
- MIP Waiver Request.** Return your BAR remittance document indicating that you are waiving out of the medical insurance along with the completed MIP Waiver Request, which is included with your bill. To complete the waiver request online, see the Student Health Services website at <https://www.saonet.ucla.edu/health/insuranc/mipforms/auth.html> or link to the site through URSA On-Line. Students who fail to submit a completed MIP waiver request may be required to pay the mandatory medical insurance fee. Check your BAR account to verify that your waiver has been received and posted.

The Administrative Main Cashier's Office (310) 825-2201, is open 9 a.m. to 5 p.m. weekdays. See <http://www.amco.ucla.edu>.

Western Union Quick Collect Payment

Go to any Western Union agent location worldwide and complete a Quick Collect form for UCLA. Provide the amount of payment, your name and UCLA student I.D. number. Indicate the payment is for registration fees and the term to which it should apply. The Code City is Maincash, CA. The Western Union agent will collect your payment in U.S. currency and enter the transaction into their system. It is transmitted within minutes and recorded to your BAR account when the funds are received.

AutoPay

Students can have their own BAR account balances automatically paid by credit card. Credit cards are charged around the fifth of each month and payments are posted to BAR. See the Administrative Main Cashier or Student Accounting offices for information on how to sign up.

CyberPay via URSA

Students may use CyberPay to pay their BAR accounts by credit card through the financial section of URSA OnLine.

Address Change

It is extremely important that your **UCLA Mailing Address** is always accurate. You may change your address any of the following ways:

- On URSA OnLine at <http://www.ursa.ucla.edu/>
- By filling out the Change of Mailing Address portion on the reverse of the UCLA Billing Statement
- In person at the Enrollment and Degree Services Office, 1113 Murphy Hall.

Three times each year, all student mailing addresses are compared with the change of address list on file with the United States Postal Service (USPS). If a change of address is found with the USPS, UCLA updates the mailing address accordingly in its central student information database. You should, however, continue to inform the University of any address changes and insure that the correct address appears on URSA OnLine.

Registration Confirmation

Check URSA to confirm that your registration fee payment has been processed by the Administrative Main Cashier. For paper proof of payment, print a copy of the Registration Status screen in URSA On-Line. This can be presented with the UCLA BruinCard as proof of student status for the specified term.

Late Payment

Late Payment in Person

Anyone who did not pay registration fees by the deadline must pay a \$50 **late payment fee** between 9 a.m. and 5 p.m. weekdays at the Administrative Main Cashier's Office, 1125 Murphy Hall.

New and Reentering Students must pay their fees directly at the Administrative Main Cashier's Office once they receive an URSA notification letter or appointment letter from the Registrar's Office.

Late registration is complete when you pay registration fees and enroll in classes.

Late Payment after Friday of the Second Week

If you enroll in classes and pay registration fees after Friday of the second week of classes, you are assessed **both the \$50 late study list fee and the \$50 late registration fee**. This means it is an extra **\$100** to register and enroll after Friday of the second week.

Once fees are paid, complete an Enrollment Petition (undergraduates obtain petitions from the Registrar's Office, graduate students from their department).

All **undergraduate students** must obtain the instructor's signature for each course listed and obtain approval from the academic college or school.

Graduate students (GD college code) must obtain approval from their authorized departmental adviser.

Dentistry, Law, and Medicine students must have the written approval of their respective Student Affairs Office.

File the Enrollment Petition at 1113 Murphy Hall. Late registration is complete when you pay registration fees and enroll in classes.

Refunds

Cancellation of Registration

Prior to the first day of instruction, students may cancel registration by mailing a written notice to the Enrollment and Degree Services Office, Attn: Cancellation Clerk, 1113 Murphy Hall, Box 951429 Los Angeles, CA 90095-1429. Refund is as follows: **new students** receive a refund for fees paid except the nonrefundable acceptance of admission fee and a \$10 service fee; all **other students** receive a refund for fees paid minus the \$10 service fee.

Withdrawal

Students who withdraw from the University during the course of a term must file an acceptable Notice of Withdrawal or graduate Leave of Absence form (see the Graduate Leaves of Absence section below). The form containing complete instructions is issued at the office

of your academic dean (undergraduates) or in your department (graduates).

Failing to attend classes, neglecting courses, or stopping payment on checks tendered for registration does not constitute notice of withdrawal. A \$60 fine is assessed if any check for registration fee payment is returned by a bank for any reason, including stopped payment or insufficient funds. If no credit for courses is received, a full refund of the University registration fee for the regular session is granted to all students entering the armed forces prior to the end of the sixth week of the term, with no refund thereafter.

A percentage of the registration fees paid is refunded according to the calendar date on which the official Notice of Withdrawal or Leave of Absence form is submitted to the academic dean.

For new graduate, continuing, and reentering students, the schedule of refunds is applied to the fee paid:

100%	on or before April 3
90%	April 4-9
50%	April 10-20
25%	April 21-May 7
0%	On or after May 8

See the refund chart in "Financial Support" for new students who receive federal financial aid and withdraw in their first term.

Refund is as follows: a \$10 service fee is deducted from all 100 percent refunds; for new students, the schedule of refunds is applied to the fees paid minus the nonrefundable acceptance of admission fee and a \$10 service fee. If you receive a 100 percent refund and purchased MIP, you are not eligible for any MIP benefits for that entire term. If you receive less than a 100 percent refund and you purchased MIP, your MIP policy remains in effect for the remainder of the term, and your refund is calculated on the remainder of your registration fees. Registration fee refunds take one to two weeks to process.

If a sponsored student (on financial aid) pays registration fees with personal funds, a refund is initiated automatically through BAR. Students who initially pay registration fees with financial aid, a fee deferral, or a fee waiver, and subsequently cancel or withdraw, do NOT receive a cash refund.

Graduate Leaves of Absence

Continuing graduate students in good standing (3.0 GPA or above) who have completed at least one term of UCLA graduate work may, with the support of their department and the approval of the Graduate Division, be eligible for leaves of absence. Graduate students are allowed a maximum of six quarters of official leave of absence.

Students approved leave of absence are not permitted to use faculty time or make use of University facilities for more than 12 hours since their last registration and are not eligible for apprentice personnel employment or other services normally available to registered students.

Obtain a Request for Leave of Absence form at Graduate Admissions/Student and Academic Affairs, 1255 Murphy Hall. See "Calendar" regarding the deadline for filing the request.

A percentage of the registration fees paid is refunded according to the calendar date on which the official Request for Leave of Absence form is submitted to the Graduate Division. See refund chart above.

A \$10 service fee is deducted from all 100 percent refunds; fees paid by new M.B.A. and Dentistry students are refunded except for their respective nonrefundable Acceptance of Admissions deposit. If you receive a 100 percent refund and purchased MIP, you are not eligible for any MIP benefits for that entire term. If you receive less than a 100 percent refund and you purchased MIP, your MIP policy remains in effect for the remainder of the term, and your refund is calculated on the remainder of your registration fees.

You do not need to apply for readmission as the approved leave is for readmission to a specific term. The Registrar's Office sends forms for

you to request registration information when your leave is due to expire.

4. Obtain information on the Federal Family Educational Loan Program (FFELP), Federal Pell and Cal Grants, or undergraduate scholarships

Return a Financial Aid Notification (FAN)

Financial Aid Distribution through BAR

UCLA uses a central Billing and Receivables (BAR) system to process UCLA bills and payments. Each student is assigned an individual student account and receives a statement of activity in the mail each month. Your statement lists charges, such as registration fees, health insurance, or outstanding debts, and may include anticipated financial aid activity and the amount of funds available for a refund.

The Financial Aid System automatically credits your BAR account with your financial aid. However, in order for this to occur, you must be enrolled on at least a half-time status (six units for undergraduate and eight units for graduate students). If you are not enrolled, financial aid will not be credited to your BAR account.

BAR uses your financial aid as a credit to pay your registration fees and most other outstanding UCLA debts (such as student health visits or recreational fees). BAR does not pay housing charges. If you live on campus, you must make payment arrangements directly with the housing office.

Bank Loans and Electronic Processing

Federal Family Educational Loan Program (FFELP) loans include Federal Subsidized and Unsubsidized Stafford loans. Information on these programs is outlined in the *FFELP Guide*, which explains how to apply for loans electronically. Loans processed electronically are credited to your student account and any credit balance can be transferred directly to your personal checking or savings account using Bruin Direct (see below). Another type of FFELP loan is the Parent Loan for Undergraduate Students (PLUS). Information on this loan is provided in the PLUS Guide. PLUS Loans can not be processed electronically. Paper checks are mailed to parents for the PLUS Loan amount.

Bruin Direct

Bruin Direct allows you to have your refund check electronically transferred to your personal checking or savings account rather than waiting for the check to be generated and mailed to you.

With Bruin Direct, the Financial Aid office uses your financial aid funds to pay your registration fees and any outstanding debts, then forwards remaining funds to your personal checking or savings account.

Bruin Direct enrollment information is available in the Student Accounting Office, B303 Murphy Hall. Bruin Direct is not available if you selected a nonelectronic lender or if you have a PLUS loan.

Financial Aid Online Services

Find answers to many financial aid questions at <http://www.saonet.ucla.edu/fa.htm>. In addition to general information about applying for, evaluating, and awarding financial aid, the site has a calendar with application deadlines and provides links to scholarships, grants, and loan programs. The site also explains aid disbursement and budget adjustments and reevaluations.

URSA allows you to track financial aid information, view award amounts, and verify refund activity. See "URSA" for more information.

Scholarships for Undergraduate Students

The purpose of the Undergraduate Scholarship Program at UCLA is to reward academic excellence and promise and to provide assistance to students in need. A scholarship is expected to create opportunities for further academic growth and development.

Each scholarship is awarded for one academic year. A renewal of scholarship application must be submitted yearly. Students must also apply for financial aid by submitting a Free Application for Federal Student Aid (FAFSA). Semifinalists in the Regents Scholarship competition are given preference for these awards.

Information about university and outside agency scholarship programs is on the Scholarships website at <http://www.saonet.ucla.edu/fa/scholar/index.htm>. More information is on fastWEB (financial aid search through the web), an interactive scholarship search database at <http://www.studentservices.com/fastweb/>.

Scholarship Resource Center

The Scholarship Resource Center (SRC) helps undergraduate students search for scholarship information. The SRC, located at 233 Covell Commons, is open to all UCLA undergraduates, regardless of financial aid eligibility. The center provides referrals and serves as an information base for scholarships, fellowships, and endowments. The SRC works in conjunction with the Division of Honors and Undergraduate Programs, the Financial Aid Office, and the UCLA community.

Special features of the SRC include counseling for students in the application process, a small library of current scholarship books, a proofreading service for scholarship applications, computer access to various scholarship listings, and workshops and general information sessions. For more information, call (310) 206-2875.

Maintaining Satisfactory Progress

Federal regulations require UCLA to establish, publish, and apply standards of Satisfactory Academic Progress for financial aid eligibility. Students who fail to meet the standards become ineligible to receive financial aid until they are in compliance with these requirements. See *Satisfactory Academic Progress Guide*, available at the Financial Aid Office, for a detailed explanation.

If your unit load is below twelve units as of the third week of class in any term, your Federal Pell Grant and Cal Grant B subsistence checks are reduced or cancelled. Increases in units after the third week of class do not result in automatic reinstatement of your grants. You must contact the Financial Aid Office for information regarding an appeal. If you are dismissed, your financial aid is cancelled, and you are billed for all awards (including loans) received.

Withdrawal and Cancellation

Students who decide not to enroll for one or more terms must notify the Financial Aid Office, A129J Murphy Hall. Students are not entitled to receive financial aid for these terms.

When you withdraw, the refund/repayment policy prorates financial aid based on your last day of attendance. You are required to return any funds owed to the University and Federal Student Aid Programs. If you receive an administrative cancellation, all your financial aid for the affected term is canceled and you are billed for any funds received. Additionally, any type of withdrawal may result in having to re-apply for Stafford and/or PLUS loans. Contact the Financial Aid Office for additional information.

The registration fee schedule of refunds for students who withdraw during a term is based on calendar days, beginning with the first day of instruction, as follows:

Students attending their first term at UCLA

Days	Quarter Refund	Semester Refund
1	100%	100%
2 to 7	90%	100%
8 to 14	80%	90%

Continuing/ Returning Students

Days	Quarter Refund	Semester Refund
1	100%	100%
2 to 7	90%	90%
8 to 11	50%	90%
12 to 18	50%	50%
19 to 27	25%	50%
28 to 35	25%	25%
36 to 53	No Refund	25%
54 or more	No Refund	No Refund

If you are a financial aid recipient, the refund is returned to the Financial Aid Program from which it was received, not to you.

For detailed withdrawal information, refer to *A Guide to Refund-Repayment* available from the Financial Aid Office.

Student Loan Services

A227 Murphy Hall
9 a.m. to 5 p.m. weekdays
(310) 825-9864
<http://www.saonet.ucla.edu/loans.htm>

Services offered by Student Loan Services include

1. Distribution of nonelectronic FFELP loans
2. Processing and distribution of Student Short-Term Emergency Loan Program (9 a.m. to 4:30 p.m. weekdays)
3. Debt management sessions and loan exit interviews

Loan Fund Distribution

Students who pick up a nonelectronic loan check must present a valid driver's license, California DMV I.D. card, or passport, and have no outstanding financial holds on their records in order to receive the check. Current registration fees and all outstanding University debts are deducted from your loan funds before the balance is distributed to you (see Bruin Direct in this section about direct deposit).

Unit Requirement for Loans

According to federal regulations, undergraduate students must be enrolled in at least six units and graduate students in at least four units continuously throughout the stated loan period to receive loan funds. This information is verified before the loan is distributed to you. If you withdraw or carry **insufficient units** during the stated loan period, any remaining loan funds are returned to the lender, any remaining portion of your loan is cancelled, and you may be billed for funds you have already received. If this happens, you must reapply for a new FFELP loan that reflects your new loan period. For more information, contact the Financial Aid Office, A129J Murphy Hall.

Federal Family Educational Loan Program

Federal Family Educational Loan Program (FFELP) loans come from banks and are issued each term based on a student's application date. Electronic fund transfer (EFT) FFELP loans are distributed through BAR. Non-EFT FFELP loan checks are available at the beginning of each term at Student Loan Services, A227 Murphy Hall. Non-EFT FFELP loan checks are held for pick up for 30 days, then returned to the lender.

Notify Student Loan Services and your FFELP lender in writing within 10 days if you

1. Drop below half-time status, withdraw from UCLA, or transfer to another school
2. Change your address or telephone number, graduation date, name, and/or Social Security number (also notify Registrar's Office, either via URSA OnLine at <http://www.ursa.ucla.edu/> or in person at 1113 Murphy Hall)

Debt Management Session for First-Time UCLA Borrowers

UCLA requires first-time loan recipients to attend a debt management session **prior** to receiving loan funds. If you are a first-time borrower at UCLA, you must attend a debt management session before loan funds are distributed to you or credited to your BAR account. Call (310) 825-9864 for the schedule and location of the debt management sessions or see <http://www.saonet.ucla.edu/loans/sched.htm>.

Exit Interview Requirement

If you have ever received a loan from the Financial Aid Office and are about to graduate, transfer, withdraw, or take a leave of absence from UCLA, you are required to complete an exit interview with Student Loan Services, A227 Murphy Hall, (310) 825-9864.

Student Short-Term Emergency Loans

Interest-free short-term loans are available in Student Loan Services to all registered students who have sound credit histories and who have no outstanding financial holds on their records. Three types are currently available:

1. Emergency loans to meet very short-term emergencies; loan amount does not exceed \$200.
2. Living Expenses to meet specific and nonrecurring financial obligations. Employment verification is required.
3. Financial Aid Advance to fill the gap between the Financial Aid Office award of loans and/or grants and the actual receipt of them. Loan and grant checks are collateral for this type of loan, and the student borrower authorizes Student Loan Services to endorse financial aid checks to pay for the loan.

To apply, you must be currently registered (or using the loan to register) and present a driver's license, California DMV I.D. card, or passport. The loan must be repaid on time or a \$10 late fee is assessed. The defaulted loan may be subject to further collection actions and your future loan eligibility may be jeopardized. Past-due short-term loans must be paid with cash, money order, or cashier's check in order for you to receive University services.

Merit-Based Awards

Merit-based awards funded by the Graduate Division take the form of stipend, fee, and/or nonresident tuition awards. To receive these awards, you must return a signed contract and necessary supporting documentation to Graduate Student Support, 1228 Murphy Hall.

Fee Remissions

As a result of employment in an eligible academic apprentice personnel title, graduate students may receive certain fee remissions. Eligibility is determined by the following criteria:

1. Appointment(s) must be at least 25 percent time, not to exceed 50 percent time, and only under eligible title codes (see your department for specific details).
2. Work at least 25 percent time during the term.
3. Register and enroll in a minimum of eight units no later than the third week of instruction; Graduate Student Researchers (GSRs) enrolled in 12 units may qualify for a second fee remission.
4. Previous quarter's GPA must be 3.0 or better.

All eligible academic apprentice personnel receive partial fee remissions from the Office of the President; eligible GSRs receive an additional fee remission from the campus.

Fee Deferrals

Academic apprentice personnel can obtain a Fee Deferral from the department to extend the registration fee and nonresident tuition payment deadline by approximately two months. It is your responsibility to pay back the deferral with either personal funds or a fee award credited to your account. Students who do not meet the extended deadline are charged a late fee.

Medical Insurance Plan Premiums

The mandatory insurance premium is paid for all eligible academic apprentice personnel. **Do not waive out of health insurance** if you want the premium paid as part of your employment. To waive out of

MIP, submit the MIP waiver before the original registration fee payment deadline, because a waive out cannot be reversed during the term even if you have been given a fee deferral.

Extramural Support

The Graduate and Postdoctoral Extramural Support (GRAPES) database contains information on over 300 awards for graduate study, dissertation research, travel grants, and postdoctoral research. GRAPES is available at <http://www.gdnet.ucla.edu/grpinst.html> or contact the Special Fellowships Office, 1252 Murphy Hall, (310) 825-3521.

Taxpayer Relief Act of 1997

The Taxpayer Relief Act of 1997 (Act) enacted a number of educational tax benefits that may have an impact on the federal income tax liability of students and their families. To assist the Internal Revenue Service (IRS) monitor eligibility for these tax credits, the Act requires universities to provide certain information to the IRS on its students. A brief summary of the provisions that may apply to your attendance at UCLA follows:

Hope Scholarship Tax Credit (effective for expenses paid on or after 1/1/98) is a nonrefundable tax credit up to a maximum amount of \$1,500 for qualified tuition and fees paid by or on behalf of a student. The credit is generally available for students in their first two years enrolled at least half time in coursework leading to a recognized degree or certificate.

Lifetime Learning Credit (effective for expenses paid on or after 7/1/98) is a nonrefundable credit equal to 20 percent of the first \$5,000 of qualified tuition and fees paid by or on behalf of a student in years in which the Hope Scholarship Credit is not claimed. The credit is generally available for students enrolled in course work leading to a recognized degree or certificate. Individuals enrolled in course work to acquire or improve job skills may also be eligible for the Lifetime Learning Credit.

Student Loan Interest Deduction (effective for interest paid on or after 1/1/98) is a federal income tax deduction for an amount up to \$1,000 in interest paid on loans incurred to pay qualified education expenses.

As required by law, UCLA will report to the IRS the identity of students who have paid educational fees that may be eligible for the Hope Scholarship or Lifetime Learning Credit. On or before February 1, 1999, students will receive a corresponding report. Any questions regarding information printed on this form should be directed to Computer Data Service Inc., the University of California's education tax credit reporting service, at their toll free number, 1-877-HOPE 811, or see <http://www.1098-T.com>.

To find out if you qualify for benefits under these or other provisions of the Taxpayer Relief Act, please contact a tax consultant or call the Internal Revenue Service. **The University of California is not authorized to respond to tax questions.**

URSA Enrollment

Use URSA at (310) 208-0425 or <http://ursa.ucla.edu/> to enroll in classes, add, drop, or exchange classes, sign on to a class wait list, change the grading basis for a class, obtain a reading of your Study List, or get instructor names. Enroll during your assigned appointment periods, which you obtain from URSA Telephone or URSA OnLine.

URSA operates Sunday night 6 p.m. through Tuesday 1 a.m. and Tuesday to Saturday from 6 a.m. to 1 a.m., including holidays. See "URSA" for detailed instructions on using URSA.

Real-Time Enrollment Counts

Log onto URSA OnLine to check current, real-time class enrollment counts and waitlist numbers. The online files are updated to reflect enrollment.

Enrollment Worksheet

Refer to the Enrollment Worksheet on the inside back cover of this schedule. Read the directions carefully and fill out the worksheet before using URSA.

URSA Enrollment Appointments

Based on your class level, your undergraduate enrollment appointment, or pass, is assigned within the time and dates shown on the URSA enrollment appointment chart at the end of this section and at <http://www.registrar.ucla.edu/soc/enrolcht.htm>. URSA OnLine also provides appointment days and times.

If you are a current-term degree candidate, you must redeclare candidacy for a later term to receive enrollment appointment times.

Graduate Student Enrollment: One-Pass System

Law, Medicine, and Dentistry students enroll as instructed by their respective Student Affairs Office.

All other graduate students eligible to enroll for the next term are randomly assigned one appointment time or "pass." You can use URSA from the beginning of your specified appointment day and time through midnight on Friday of the second week of classes. Do NOT wait until the deadline day to enroll, as phone lines may be busy. You should be enrolled in courses with unit credit by the deadline to avoid the \$50 late filing of study list fee and to avoid having to obtain instructor signatures.

Undergraduate Student Enrollment: Two-Pass System

The two-pass system has been created to provide you and UCLA's 23,000 other undergraduates a more equal opportunity to obtain the courses you need for your premajor and major, to meet general education (GE) requirements, or to graduate.

Undergraduates, including those in priority groups, enroll on URSA during the enrollment appointments obtained through URSA OnLine or URSA Telephone. Spaces used in each section are carefully monitored during each priority group pass. A group may not exceed 30 percent of the spaces in any section, and all groups may not ex-

ceed 50 percent of the spaces in any section. This is based on the recommendations of a joint student/faculty task force appointed in 1989 by the Committee on Educational Policy. Groups receiving priority enrollment include students in academic difficulty, Regents and Alumni Scholars, recruited scholarship recipients, L&S Honors Programs participants, athletes in NCAA sports, and students served by the Office for Students with Disabilities.

Enroll only as specified, or you infringe on the appointment time of other students. If you request the enrollment function before your appointment time, you are informed of your correct appointment day and time.

Each undergraduate eligible to enroll for the next term is given two randomly assigned appointments based on the following hierarchy:

1. Students in priority groups
2. Seniors with 160 or more units
3. New and reentering students eligible for advance payment and/or enrollment
4. Seniors with less than 160 units
5. Juniors with less than 135 units
6. Sophomores with less than 90 units
7. Freshmen with less than 45 units

Changes in the appointment sequence are made only to correct an appointment based on an incorrect class level. To request an appointment change, go to 1113 Murphy Hall with a photo I.D. prior to the assigned appointment.

Priority Pass

If you are in a priority group and do not enroll during your priority pass appointment period, you must wait until your first pass appointment to enroll.

First Pass

During your first pass, you may only enroll in 10 units. This gives you and all other undergraduates a better chance to obtain at least two courses you need toward graduation. If you do not process your enrollment during your assigned first pass appointment period, you must wait until your second pass appointment to enroll.

Second Pass

During your second pass, you can add courses up to the maximum units allowed by your college or school. You can enroll from the beginning of your specified appointment day and time through midnight on Friday of the second week of classes. This is when wait lists are eliminated and your study list of enrolled courses becomes official. You should be enrolled in courses with unit credit by that date to avoid the \$50 late filing of study list fee and to avoid having to obtain instructor signatures and college/school approval on an Enrollment Petition (for more details, see "Study List").

After Second Pass Appointments Begin

After second pass appointments begin, undergraduates may

1. Use PTE # (see the "Enrollment in Restricted Classes" section below) to enroll through URSA or submit approved PTE forms for restricted or closed classes.
2. Submit approved petitions for special studies 199 courses.
3. Request enrollment in Passed/Not Passed (P/NP) courses over your eligible limit of units; URSA informs you if this applies to you.
4. Submit approval for an **excess unit** Study List (more than 18 units for Letters and Science/Engineering; more than 17 for Arts and Architecture/Theater, Film, and Television).

In-Person Enrollment

Any enrollment transactions you cannot complete by URSA may be processed at 1113 Murphy Hall.

1. At any time

- a. **Graduate students** may submit approved Permission to Enroll forms for restricted or closed classes
 - b. **Undergraduates** may submit approved major change forms that may affect enrollment in courses restricted to particular majors
 - c. **School of the Arts and Architecture students** may have their enrollment processed at 1100 Dickson Art Center
2. After second pass appointments begin, undergraduates may
- a. Use PTE # (see "Enrollment in Restricted Classes" below) to enroll through URSA or submit approved PTE forms for restricted or closed classes
 - b. Submit approved petitions for special studies 199 courses.
 - c. Request enrollment in Passed/Not Passed (P/NP) courses over your eligible limit of units; URSA informs you if this applies
 - d. Submit approval for an **excess unit** Study List (more than 18 units for Letters and Science/Engineering; more than 17 for Arts and Architecture/Theater, Film, and Television)

Wait Lists

Wait lists are maintained through Friday of the second week of classes unless a department deletes them earlier. This may happen on the first day of classes for some sections, especially laboratories. Check the notes under the course listing in the *Schedule of Classes*. **Do not assume you will be added to a class** (if, for example, you are first on the wait list) or that you will be dropped from a class (if, for example, you are number 100 on the wait list). You must drop yourself **before the official study list deadline** if you do not want the class.

A wait-list position within 10 percent of enrollment capacity (for example, number five for a class of 50), means you have a good chance of being enrolled. Many students wait until after the first meeting to drop a class, so wait-list positions usually change on the first and second days of classes. You advance on a wait list as enrolled students or those ahead of you on the wait list drop the course. Sometimes departments increase the enrollment capacity of the class, which automatically enrolls additional students from the wait list. Check your wait list status on URSA before Friday of the second week of classes.

You may move **backward** on wait lists if a class is **overenrolled** through the use of PTE #s or PTE forms. For example, if you are number one on the wait list for a course that has an enrollment capacity of 100 and is not overenrolled, your position is 101/100. If four students with PTE #s enroll, your position is 105/100. You are still number one on the wait list, but four people have been added to the enrolled list. You can not be enrolled until five people drop the course and the enrolled number is less than the enrollment capacity.

Enrollment in 199 Courses

To enroll in Special Studies 199 courses

1. Obtain a Petition for Enrollment in Special Studies 199 Course form from the department
2. Fill out the petition and obtain the signatures of the instructor and the instructor's department chair

After the petition is approved, check with the department of the course you are enrolling in, or with your college or school, to confirm which of the following options you can use to complete enrollment in the course:

1. Through URSA using the PTE number provided by the department
2. Through the department by leaving the form for processing
3. Through the Registrar's Office by taking the form to 1113 Murphy Hall
4. Through your School by taking the form to
 - a. 1100 Dickson Art Center for the School of the Arts and Architecture

- b. 6426 Boelter Hall for the School of Engineering and Applied Science
- c. 103 East Melnitz Hall for the School of Theater, Film, and Television

After the petition is processed, the yellow portion is given to you as a receipt.

Enrollment in Restricted Classes

You may enroll in a restricted class if you get a five-digit PTE # through URSA or an approved PTE form. A PTE # or approved form is issued at the discretion of the instructor or department offering the class. When used with the nine-digit course ID., they guarantee enrollment through URSA or in person. Inquire at the respective departmental office regarding any internal department procedures for receiving a PTE # or approved form.

PTE #s or approved PTE forms may be issued in the following cases:

1. The department/instructor offering the class may authorize **selective enrollment** if the enrollment capacity is filled. This is at the instructor's discretion and may only be approved based on criteria established by the instructor and/or department.
2. As an exception to published **restrictions** (consent of instructor, department consent, specified majors, class levels — freshmen only, juniors or above) in the *Schedule of Classes*.
3. **Closed classes** (enrollment capacity reached). When the enrollment capacity is reached, you may choose to be on a waiting list. The computer moves you into the class as enrolled people drop out or if the department increases the enrollment capacity.

If the instructor/department gives you a PTE #, use URSA to enroll in the class. Use the nine-digit course I.D. number for this transaction.

If you receive an approved PTE form

1. List **one class per form** and include term, your name and student I.D. number, nine-digit course I.D. number, department and catalog number, section number, units (if variable), and grading basis. Authorized approval signature is monitored by the Registrar's staff before processing. Approval is nontransferable, and alteration of a form, misrepresentation, or forgery is cause for disciplinary action by the Dean of Students.
2. Submit the white portion of the form for processing at 1113 Murphy Hall; the department/instructor issuing the approved form keeps the yellow copy.
3. Receive the white portion of the processed form as your receipt, along with a printout of your Study List.

Enforced Requisites

Undergraduate students are prevented from enrolling in lower division L&S courses with enforced requisites (as listed in the *UCLA General Catalog* or the online *Schedule of Classes*) if those requisites have not been met. Some courses with requisites may be in warning status, which allows enrollment but informs you that the course requisite has not been met. In "Class Listings," courses with enforced requisites are notated with a Y in the ENF REQ column, located after the course title.

If you have transfer or AP credit that was not evaluated as equivalent to a specific requisite, consult the department offering the course for review of the transfer or AP credit as shown on your DPR. Decisions by the department concerning meeting required requisites are final.

Impacted Courses: L&S Students

The College of Letters and Science designates certain lower division courses as "impacted," which refers to a few L&S courses that

1. Meet once a week and are difficult to complete if a student has not attended by the end of the second week of classes
2. Have high enrollment demand that deny qualified students enrollment because of limited resources
3. Have high instructor/student ratios, and/or
4. Involve large commitments of other resources.

Each impacted course is clearly indicated "Class Listings" by a Y in the IM (Impacted) column and an accompanying note.

You cannot drop an impacted course after the second week of a term for other than exceptionally extenuating circumstances that must be approved by the L&S Executive Committee on referral by college counseling units. Exceptionally extenuating circumstances do not include circumstances of short duration where other alternatives exist, including but not limited to a late drop of other (nonimpacted) courses or taking an Incomplete in the impacted course (see "Drop Procedures" below).

Official Study Lists

A Study List is a record of all courses you are enrolled in for the term. A registered student's Study List of enrolled courses becomes official at midnight on Friday of the second week of classes. Each student is responsible for all courses and grading basis, as listed on URSA, and cannot receive credit for courses not listed. Errors or omissions should be corrected before your academic dean's deadline for changes by petition.

Changes to Official Study List

Undergraduate Students

After Friday of the second week, when the Study List becomes official, undergraduate students are charged a fee to add courses (a PTE # is required if the class is closed or restricted) through Friday of the third week; drop courses or change variable units through Friday of the fourth week; and change the grading basis of courses through Friday of the sixth week (see the chart later in this section). A student's BAR account is charged the appropriate fee for each change to the Study List. For all other changes—including registering late, filing a late Study List, adding after the third week, dropping a course or changing variable units after the fourth week, changing grading basis after the sixth week, and so on—students must file an Enrollment Petition by the published deadline (see "Calendar"). See the Enrollment Petitions section below for details.

Student athletes must check with their L&S counselor before attempting **any** drop after fourth week.

Graduate Students

Graduate students can use URSA to add, drop, or change grading basis or variable-unit courses with a fee through the end of the last day of instruction. To add a course that is closed or restricted, you must input a valid PTE #. Your BAR account will be charged the appropriate fee per transaction.

Enrollment Petitions

Required approvals, which vary by college/school/division, are outlined on the Enrollment Petition form. No petition is accepted for processing enrollment without all required approval signatures. Such approvals must be CURRENT (an approval dated prior to a published deadline is not acceptable two weeks after the deadline). Enrollment Petitions may be purchased at UCLA Stores. See the petition for processing locations.

Undergraduates: Required for (1) adds with instructor's signature, (2) late study lists, (3) late adds/drops/credit changes, (4) late drop of impacted courses, and (5) retroactive changes. Items 3-5 may re-

quire a separate petition process with the school/college. An enrollment petition is only given to the student if the request is granted. Enrollment petitions are also required for Nursing students seeking to add, drop, or change variable units after Friday of second week.

Graduate Students: Required for late registration and late study lists. Departmental signatures are required for late registration but not for late study lists. Retroactive petitions require signatures of the department and instructor(s) as well as a supportive memorandum from the department. These are submitted to Graduate Division, 1255 Murphy Hall, for consideration.

Do not use an enrollment petition when URSA enrollment processing is available.

Changes requested after published deadlines (see "Calendar") are considered only under extraordinary circumstances by each college/school, and supportive information may be required prior to approval.

Drop Procedures

Dropping a course may reduce your study list below minimums required for full-time status, financial aid, the minimum progress requirement, and eligibility for residence halls and other services that require a specific enrollment status. The drop forms remind you about these requirements and consequences that may be triggered if the particular petition is processed. **However, it is your responsibility to satisfy these other requirements.**

Dropping an Impacted Course: L&S Students Only

Impacted courses may be dropped after the second-week deadline only under extraordinary circumstances. Each impacted course is indicated by a "Y" under the IM (Impacted) column in the class listings in the midsection of this *Schedule*. The majority of courses, however, are "nonimpacted."

You have only two weeks to drop an impacted course without a notation on your transcript. **After the end of second week, should you need to request a drop of an impacted course, consult your instructor first.** The instructor of an impacted course is committed to assisting you and may advise another academic option other than dropping the impacted course (for example, taking an Incomplete if appropriate or dropping another course that is not impacted).

If dropping is advised due to exceptional or extreme circumstances (for example, a severe illness of long duration), pick up a Dropping an Impacted Course form from your College Counseling unit (honors students at Honors Programs, A311 Murphy Hall; AAP students at AAP Counseling, 1209 Campbell Hall; athletes at the Morgan Center; all other L&S students at L&S Counseling, A316 Murphy Hall). You must explain your situation fully on the form, following its instructions carefully, and obtain a signature from the instructor. Impacted course drop requests are considered by a faculty subcommittee of the L&S Executive Committee. If approved, the dropped course appears on your transcript with a notation indicating the date and week of the term in which the drop was filed with the college.

Dropping Nonimpacted Courses

Nonimpacted courses constitute the vast majority of courses and may be dropped on or before Friday of second week through URSA with no fee or transcript notation. These courses may be dropped during third and fourth week on URSA with no transcript notation and a \$3 per course fee. Drops after Friday of fourth week may be made by obtaining a Late Drop of Nonimpacted Course form from your L&S College.

Transcript Notation for Late Drops

Processed drops of nonimpacted courses after Friday of the fourth week is recorded on your permanent undergraduate transcript. The entry records the week the course was dropped.

Late Study Lists

Any registered student who is not officially enrolled in courses for credit as of Friday of the second week of instruction must file a **Late Study List**. Use an Enrollment Petition for this process.

There is a \$50 late fee for filing a Study List after Friday of the second week of instruction. This is charged in addition to the late payment fee (see the Late Payment in Person section in "Billing").

1. Obtain the appropriate form (undergraduate students from academic dean; graduate students from department adviser) and complete as instructed.
2. File the approved form at the processing locations noted on the Enrollment Petition form. You are given a receipt of the approved/processed Study List and are responsible for all courses and grading basis as recorded. Your BAR account is charged the \$50 late fee.

Incomplete Grade Procedure

If you receive an Incomplete grade in a course and will be completing the requirements to remove it, do not reenroll in the course. Have the department send a **UCLA Report of Academic Revision** to the instructor. Once the grade is received by the Registrar's Office, a confirmation is issued to the department and/or instructor and a \$5 fee is then charged to your BAR account. **NOTE: Fees are subject to change at any time.**

The petition and grade assigned must be on file in the Registrar's Office by the end of your next **registered** term to prevent the I grade from lapsing to an F, NP, or U. The **UCLA Report of Academic Revision** can also be used to remove Incompletes that have lapsed.

Confirm that a grade has been received through URSA. Check which term the I grade was removed. If the grade is not recorded, check that your individual instructor forwarded the form with final grade and proper date of completion to the Registrar's Office.

Study List Changes via URSA

Fees for URSA adds/drops/changes are automatically charged to a student's BAR account on a per transaction basis of \$3. Anything submitted or requested as an exception to a published deadline is subject to a **penalty fee of \$10**. See "Calendar" for deadlines.

	Undergraduate Students		Graduate Students	
	No Fee	Fee	No Fee	Fee
Add a Course	Weeks 1-2	Week 3 ^a (with PTE#)	Weeks 1-2	Weeks 3-10 ^b
Drop a Course	Weeks 1-2	Weeks 3-4 ^c	Weeks 1-2	Weeks 3-10
Change Grading Basis	Weeks 1-2	Weeks 3-6	Weeks 1-2	Weeks 3-10
Change Variable Units	Weeks 1-2	Weeks 3-4	Weeks 1-2	Weeks 3-10

- a. Undergraduate students adding courses during third week are assessed a \$3 per course fee. For courses added after the official add deadline of Friday of third week, undergraduates are assessed a fee of \$3 per course plus a penalty fee of \$10 per course.
- b. Graduate students adding courses during third week are assessed a \$3 per course fee. The official graduate add deadline is Friday of third week. For courses added after this date, graduates are assessed a fee of \$3 per course plus a penalty fee of \$10 per course and the enrollments are not counted toward departmental budget allocations.
- c. L&S students may not drop impacted courses through URSA after Friday of second week. Students in the School of Nursing need approval from their school for any add or drop after the second week. Students in the schools of Arts and Architecture, Theater, Film, and Television, and Engineering and Applied Science need approval from their school for any drop after the fourth week.

**Effective Fall 1999, the add deadline for all undergraduates is Friday of third week.
DO NOT use an enrollment petition when URSA enrollment processing is available.**

Spring 2000 URSA Enrollment Appointments

Based on class level, enrollment appointments are assigned within the times and dates shown below. Find your exact enrollment appointment times through URSA at (310) 208-0425 or <http://www.ursa.ucla.edu>. Current-term degree candidates must redeclare candidacy for a later term to receive enrollment appointment time

University Records System Access

The University Records System Access (URSA) gives UCLA students, and those who have been students within the past ten years, real-time access to their University academic records.

URSA operates Sunday night 6 p.m. through Tuesday 1 a.m. and Tuesday to Saturday from 6 a.m. to 1 a.m., including holidays.

URSA is accessed two ways:

1. By logging onto **URSA OnLine** at <http://www.ursa.ucla.edu/>
2. By calling **URSA Telephone** at (310) 208-0425

Security

Security features insure that only you have access to your information. Access is based on your nine-digit UCLA student I.D. and a four-digit security code that is assigned to you when you are admitted.

The first time you access URSA, you are asked to change your assigned security code (personal identification number or PIN) to a four-digit number of your own choosing. At any time, you may change this to a different PIN through URSA OnLine.

Do not give your security code to anyone. If you tamper with another student's enrollment or personal data, you are subject to disciplinary action, up to and including suspension.

If the privacy of your security code has been compromised, or if you misplace your code, go to 1113 Murphy Hall with your BruinCard. Your security code is not given over the telephone unless an authorization to release your security code is on file at the Registrar's Office.

URSA OnLine <http://www.ursa.ucla.edu/>

For most students, URSA OnLine provides the easiest way to enroll in classes, and to gain real-time access to academic, financial, and personal records. The site is designed with an intuitive visual interface that walks you through the different steps of the procedure you are trying to accomplish, whether it be to check your BAR account,

URSA Telephone (310) 208-0425

With a touchtone phone, use URSA Telephone to access student records. When the system requests that you enter information, you are given approximately 10 seconds to make an entry and three attempts to make a correct entry, after which you are disconnected. You can enter information before the instructions are over if you are familiar with the URSA Telephone system and all the messages.

A time limit is announced at the beginning of each call. If you exceed the limit, you are disconnected. If you are in the middle of processing a transaction when your time is up, the system allows you to complete it before disconnecting you.

URSA Telephone Main Menu

After you pass the system security check (see the "Security" section above), URSA Telephone informs you that you are in the URSA Main Menu, which allows you to select the **Student Records Menu (1#)**, **Financial Aid Information (2#)**, or **Change Security Code (7#)**.

See the "URSA Telephone Command Guide" later in this section for a quick reference to the commands detailed below.

1# Student Records Menu

The Student Records Menu offers the following options:

1# Class Enrollment

Use the Class Enrollment option to add, drop, or exchange classes or sections, put yourself on a class waitlist, request or change the optional grading basis of a course, have courses on your Study List read to you, check your wait-list position, or have instructor names spelled. You may stop any transaction (add, drop, or exchange) when the system prompts you for the course I.D. number by entering nine zeros and the # button (000000000#).

Before calling URSA Telephone, prepare for enrolling by filling out the Enrollment Worksheet on the inside back cover of this schedule. You will not have time to check I.D. numbers while on the phone, as you only have 10 seconds before the system prompts you for input.

1# Add a Section/Class. Press 1 and the # button to add a class, including a class with variable units, to your Study List. **For compound classes, you must begin the enrollment process with the secondary (such as, laboratory or discussion) section of the class — called the ENROLLMENT section** (see the "Course Listing Format" section in "Class Listings"). This increases the importance of secondary sections; cancellation of a section means you lose the entire class. Be sure to recheck your courses a few days before classes begin by using function 6# for a reading of your Study List and course information or checking URSA OnLine, as sections may be cancelled by departments.

If you try to ADD a course that is full and has a wait list, you are informed of the status (for example, the enrollment capacity is full and there is a wait list of XX students). You will be given options to place yourself on the wait list or to check other sections.

2# Drop a Class. Use this function (2#) only if you are certain you want to drop a class. Use function 3# to switch sections in which you are already enrolled/wait listed.

When you request the drop function, URSA Telephone warns you about the consequences and allows you to either stop the DROP action or continue. Enter the nine-digit I.D. number of the **enrollment section** to drop the course.

3# Exchange Classes/Sections. Use this function (3#) if you wish to conditionally drop a class or switch sections within a class. For example, if you are enrolled in Course A but want to be in Course B, this function allows you to check if Course B is open while still holding your space in Course A. If Course B is open,

you are dropped from A and enrolled in B. If Course B is not open, you remain enrolled in A.

There are only two types of exchanges permitted:

1. Exchange a lecture section for another lecture section
2. Exchange a quiz/discussion/laboratory section only for another that is listed for the same lecture section on your Study List

URSA Telephone prompts for allowed exchanges.

If the system notifies you that the course I.D. numbers you have entered cannot be processed, you may repeat your request for another section or stop the transaction. Check the course listing in the *Schedule of Classes* and make sure you have entered the appropriate nine-digit I.D. numbers.

If the exchange is successful, the original class or section is dropped and the new one takes its place. If the new class is **compound**, URSA Telephone either prompts you for appropriate I.D. numbers or automatically enrolls you in required sections. If the transaction is not successful, you are not dropped from the previous class or section, and your Study List remains the same as it was before the attempted switch.

4# Change Optional Grading Basis. Use this function (4#) and input the nine-digit course I.D. number for the **enrollment section** to switch from a letter grade basis to one of the following:

P/NP (Passed/Not Passed) if you are an undergraduate student enrolled in at least 12 units

S/U (Satisfactory/Unsatisfactory) if you are a graduate student

When you change the grading basis, it is automatically changed for all parts of the class. For some classes, the grading basis cannot be changed, because the class can only be taken for a mandatory P/NP, a mandatory letter grade, and so forth.

NOTE: Undergraduates may change grading basis on URSA Telephone through Friday of the sixth week of classes and graduate students may change grading basis through the last day of instruction. No enrollment petition is needed unless college/school approval is required. Your Billing and Receivables (BAR) account is charged the appropriate fee per transaction.

5# Change Variable-Unit Course Limit. Use this function (5#) and input the nine-digit course I.D. number for the **enrollment section** to change the number of units for a variable-unit class in which you are already enrolled.

6# Study List and Course Information Submenu.

This function (6#) reads your current Study List and the class information menu. Options include

- 1# Short Reading**
Department/Subject Area Name
Catalog Course Number
Class Type
Section Number
Status — Enroll, Wait List
Total Units — Enrolled, Wait Listed
- 2# Detailed Version**
SRS Nine-digit Course Number
Department/Subject Area Name
Catalog Course Number
Class Type
Section Number
Workload Units
Grading Basis
Wait-list Position (if on Wait List) Status — Enroll, Wait List, Permission List
Total Units — Enrolled, Wait Listed
- 3# Your Wait-list Position in a Section.** To inquire, input the nine-digit course I.D. number of the **enrollment section**; the system then informs you of your position (identifying the section number) and the enrollment capacity of the section (see "Wait Lists" in "Enrollment").
- 4# Spell Instructor Names.** To inquire, input the nine-digit course I.D. number of the **enrollment section** for any class on your Study List; the system then spells the last name of the instructor or states that the instructor is a teaching assistant or "The Staff."
- 5# Meeting Time and Place of a Class.** To inquire, input the nine-digit course I.D. number of the **enrollment section** and receive the following information:
Subject Area
Catalog Course Number
Class Type

Section Number
Days/Start Time
Building/Room
Examination Code

7# Use PTE Authorization Number. Use this function to enroll in a class using the nine-digit course I.D. number and a five-digit PTE Authorization Number (PTE #) given to you by the instructor/department of a class that has restricted or closed enrollment. You may ADD a class with a PTE #, MOVE from wait-list to enrolled status, or EXCHANGE a class or secondary section.

* **END CALL.** It is important to press the star (*) button on the telephone keypad before hanging up, as the telephone line is then immediately available to someone else. The system gives you a sign-off message and then disconnects you.

2# Enrollment Appointment Times

Obtain a reading of your enrollment appointment times (first pass/second pass/priority) for a specified term using this option (see the "URSA Appointments" section in the "Enrollment"). You can also receive your exact enrollment appointment time via URSA OnLine.

3# Grades

Obtain readings of the following:

- 1# Term grades and courses and confirmation of any grade changes (including the replacement of an Incomplete grade in the term in which the work was completed)
- 2# Term and cumulative grade-point average (GPA)
- 3# Term unit total (that is, term units attempted and passed on a graded A+ to F basis, plus term Passed/Not Passed — P/NP — or Satisfactory/Unsatisfactory — S/U — units)
- 4# Cumulative unit total (that is, total graded units plus total P/NP or S/U units and transfer units)
- 5# Allows you to choose another term to access its grades, GPA, and term and cumulative unit totals

Information on URSA Telephone is the same as that available to the Registrar's Office staff. Grade changes and the replacement of Incomplete grades are updated daily. If grades are not available on the telephone, they have not been received from the instructor or are still being processed. All grades for a recent term should be accessible no later than two weeks after the last day of final examinations.

You may obtain a free printout of your grades for the most recent graded term at Academic Record Services, 1134 Murphy Hall, by presenting your valid BruinCard. This report provides a detailed evaluation of transfer credit, courses and grades for each completed term, degree requirements completed, and requirements still outstanding. You can view and print out your undergraduate DPR via URSA OnLine.

4# Holds

Obtain a reading of outstanding holds that affect your eligibility for fee assessment, enrollment, grades, transcripts, diploma, and campus services. To remove a hold and reinstate restricted services, contact the issuer of the hold. Holds information is also available on URSA OnLine.

5# Fees

Verify that your registration fees were received or declare nonattendance for a term.

- 1# Use this function to verify that your registration fees were received and to confirm the date they were processed. Fee payment information is also available via URSA OnLine.
- 2# Use this function if you are not planning to attend UCLA for a term (not including summer session) and your registration fees have not been paid. If you use this function, see readmission information under "Academic Policy."

6# Update or Review Selected Student Data

Update or review your degree expected term (undergraduates only) or allow or discontinue ethnic based mailings, and specify (one time only) your ethnic background.

- 1# Use this function to enter or change your **Degree Expected Term** (the term in which you expect to graduate). You can change this term freely until you have completed 160 units (172 units for Engineering students). Once you have reached the unit limit, your BAR account is charged a late fee of \$13 each time you change your degree expected term.

You can only enter the current term through Friday of second week. If you are a current-term candidate over the unit limit, you may complete the UCLA Declaration of Candidacy form at 1113 Murphy Hall.

- 5# Use this function to be included or excluded in **Ethnic Based Mailings** that use ethnicity as a selection criterion. Such mailings are generally approved for providing you with information regarding graduate school recruitment or other opportunities.
- 6# Use this function to specify your **Ethnic Background**. This information is used to monitor the University's compliance with federal and state civil rights laws. Once entered, this information cannot be changed through URSA Telephone.

2# Financial Aid Information

Use Financial Aid Information option to get up-to-date information regarding the status of your financial aid application, to track documents that you submitted, to check the progress of your financial aid award, and to verify the amounts of your disbursements.

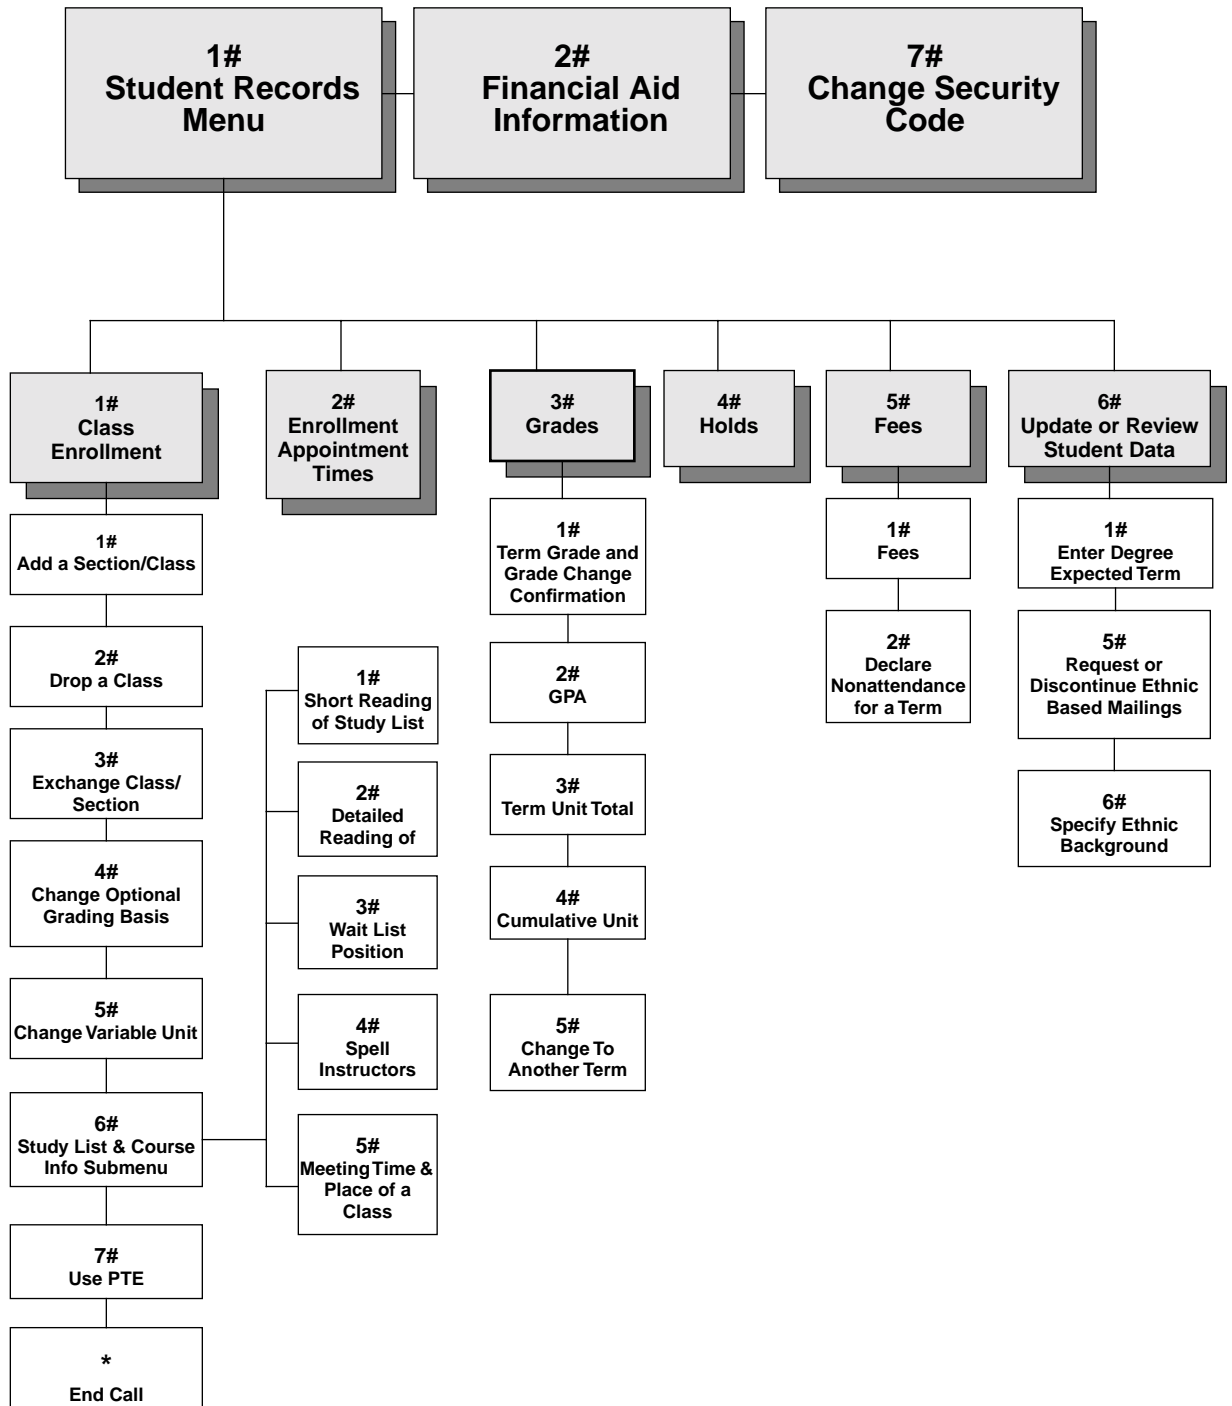

7# Change Security Code

Use this option to change the four-digit security code, or PIN, you use to access URSA Telephone or URSA OnLine. When changing your PIN, select one that you can easily remember but is difficult for someone else to guess. You can also change your PIN via URSA OnLine.

If you forget your security code, you can obtain this information in person at 1113 Murphy Hall with proper identification. You cannot receive this information over the telephone unless an authorization to release your security code is on file in the Registrar's Office. This authorization must contain your signature and a copy of some photo identification that also contains your signature. Authorizations may be faxed to (310) 206-4520.

UCLA Online

Bruin OnLineMyUCLAInstructional Enhancement
InitiativeNewsgroupsUCLA Library Electronic Resources

Bruin OnLine

Bruin OnLine (BOL) is a collection of software and services that provide UCLA students, faculty, and staff with access to e-mail, campus network services, and the Internet. Services include dial-up access using PPP at speeds up to 33.6 Kbps and access to the campus network through ethernet ports.

Using BOL you can

1. Check class availability in the online *Schedule of Classes*
2. Enroll via URSA OnLine or access your student records, including Study List, and undergraduate Degree Process Report
3. Access class webpages and discussion groups
4. Search the UCLA Library or online databases via ORION
5. Review the Calendar of Events for cultural and sporting events
6. Check the online Campus & CHS Directory for telephone numbers and e-mail addresses of faculty, students, and staff
7. Create a personal webpage or join in discussions on UseNet
8. Read wire service news from ClariNet

Accessing Bruin OnLine Services

There are two ways to access BOL **from home**. The first is by purchasing BOL software at the UCLA Store or downloading it from the BOL website. Using this method, you pay all telephone charges to access the modem pool. Setup and configuration instructions are available on the BOL CD, at 4302 Math Sciences, and at <http://www.bol.ucla.edu>.

You may also connect through BOL Gold—a fee-based remote-access service offered in partnership with EarthLink Sprint. This option provides all the features of BOL, plus access to Earthlink services, including nationwide local dial-up numbers, high speed modem options (v.90), and additional mail and webpage space at a discounted price. For more information, see <https://custos.earthlink.net/BOL.html>.

To access BOL **from a campus residence hall** room, purchase a network card from the Student Technology Center, Delta Terrace

(310-825-3400). BOL software and related instructions are available with the card.

To access BOL from the **OAC Computer Commons** or **CLICC lab**, follow the instructions posted in the lab.

System Requirements

To use BOL from home or a campus residence hall, your computer must meet the minimum configurations below. Departments may have additional recommendations for graduate student computers.

Macintosh or compatible

1. 16 MB RAM (24 MB strongly recommended)
2. 68020 processor
3. CD-ROM drive
4. Hard disk drive with 20 MB free disk space
5. 15" color monitor strongly recommended (256 colors or more)
6. Minimum 14.4 kbps modem, maximum 33.6 kbps (must support true V-34, not just V.FAST or V.F.C): external modem requires hardware handshaking cable; modem not required in campus residence halls
7. Network card for campus residence hall connections
8. Mac OS 7.5 (preferably 7.5.3) or higher

Windows PC

1. 486 or Pentium processor
2. 16 MB RAM (32 MB strongly recommended)
3. CD-ROM drive
4. Hard disk drive with 20 MB free disk space
5. 15" color monitor strongly recommended (256 colors or more)
6. Modem - minimum 14.4 Kbps, maximum 33.6 Kbps (must support true V.34, not just V.FAST or V.FC); external modem requires hardware handshaking cable; modem NOT required in campus residence halls
7. Network card for campus residence hall connections
8. Windows 95/98 or Windows NT 4.0 workstation with Service Pack 3 installed

Getting Started

To use BOL, you need a BOL ID, password, and a computer that connects to UCLA's network. You can access BOL from many locations throughout campus or from home. If you are new to BOL, you can learn its features through classes and online tutorials. Personalized assistance is also available from the BOL Help Desk.

For instructions on creating your BOL account, see the Getting Started section at <http://www.bol.ucla.edu>.

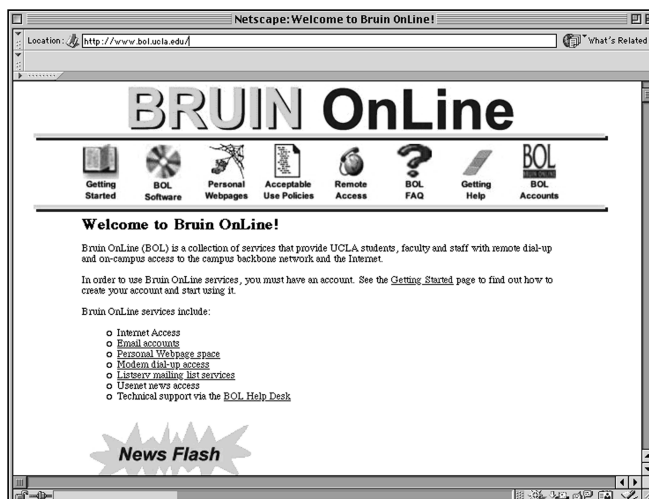

Instruction and Courses

Online instructions and tutorials can be accessed via Bruin OnLine. Courses are also available on the following topics - Introduction to BOL, Introduction to Eudora Pro, Advanced Eudora Pro, and BOL Web Templates. See www.bol.ucla.edu/help/class.html for schedules.

Access for Persons with Disabilities

OAC's Disabilities and Computing Program (DCP) has specifically adapted configurations of BOL software. Contact (310) 206-7133 for more information or see "Student Services."

For more information on Bruin OnLine, contact the BOL help desk (310) 825-7452, e-mail consult@ucla.edu, drop by 4302 Math Sciences, or check the BOL websites at <http://www.bol.ucla.edu/>

For instructions on creating your BOL account, see <http://www.bol.ucla.edu>

UCLA Homepage

The UCLA homepage (<http://www.ucla.edu>) offers access to a variety

of campus resources and information. Its main menu links to sites for Admissions and Student Services, Academic Programs, Health Sciences, Athletics, Campus Resources, Research, International Programs, Continuing Education, Alumni and Friends, and Libraries, Museums, and the Arts. In addition, the homepage links to campus calendars, directory and map, campus news, and the UCLA Store. The "Explore" site provides a virtual tour of the campus. New sites and features are frequently added to its extensive content pages.

MyUCLA

MyUCLA at <http://my.ucla.edu> provides a portal to individual student information. Students can personalize the site by entering either their Bruin OnLine I.D. and password or their University I.D. and the same four-digit passcode used to access URSA. Features of MyUCLA include

1. WebMail, an intuitive way to access your mailbox, including support for BruinOnLine, Earthlink, HUMNet, SSCNet, and other popular mail systems. You can also establish a personal address book
2. A personalized study list showing classes and class information for current and previous quarters, including grades and links to course websites
3. A notifications section for important announcements
4. A subscriptions section where students access online information from newspapers, journals, or magazines or from University departments, clubs, and organizations
5. Links to UCLA online resources, including URSA OnLine, the *Schedule of Classes*, and *UCLA General Catalog* and much more
6. A personal calendar that includes academic deadlines, subscription calendars, class specific deadlines, and your own personal entries
7. Scoped InfoSeek searches
8. General academic information.

Letters and Science students are able to obtain additional services including the ability to view their counseling appointments, check the status of petitions, and track their honors progress.

Instructional Enhancement Initiative

The Instructional Enhancement Initiative, which was launched by the College of Letters and Science, is designed to

1. Provide all Letters and Science undergraduate courses, except independent studies and other similar courses, with an individual course website for faculty, teaching assistants, and enrolled students. The sites facilitate the distribution of supplementary course materials, lecture notes, homework assignments, research links, and electronic communication, including virtual office hours and class bulletin boards for interactive question and answer sessions. Instructors decide which of these online capabilities are best suited to their course websites.
2. Provide enhanced computer laboratories with expanded hours of access for student use

Students enrolled in most Letters and Science courses are assessed a course materials fee — the Instructional Enhancement Fee (see the "Miscellaneous Fees" section in "Registration"). Fee assessment through the BAR billing statement is based on actual enrollment at the end of the fourth week of the quarter.

Newsgroups

UCLA has many newsgroups that can only be accessed from campus accounts. Bruin OnLine has its own newsgroups, for example, that post announcements about their service and where students ask questions and offer advice about computer software and hardware (ucla.bol.announce, ucla.bol.general, and ucla.bol.webpages). Other newsgroups at UCLA help computer users with specific platform questions (ucla.pc and ucla.mac), while still others post announcements and offer forums for students to ask all sorts of questions or even advertise (for example, ucla.general, ucla.announce, ucla.rumor, and ucla.forsale, to name just a few). Some classes have their own newsgroups as well.

UCLA Library Electronic Resources

Locate and identify materials through the library's web-based online information systems (see below), which can be accessed from the library website at <http://www.library.ucla.edu>. Reference librarians are available in all library units to answer questions about using online systems, as well as to provide assistance with reference and research topics.

ORION2 contains records for all UCLA Library holdings and other campus collections including the Archive Research and Study Center of the Film and Television Archive, Chicano Studies Research Center Library, Ethnomusicology Archive, Institute for Social Science Research Data Archives Library, and Instructional Media Library. ORION2 also provides library item location and circulation status, and users can request ORION Express services and SRLF items online.

The **California Digital Library**, a tenth library for the entire University of California system, provides access to the Melvyl Catalog, the California Periodicals Database, numerous abstracting and indexing databases, and gateways to other systems. The Melvyl Catalog, which is also available via telnet ([melvyl.ucop.edu](telnet://melvyl.ucop.edu)), contains information on library holdings at all nine UC campuses.

While continuing to develop and manage collections of traditional printed materials, the UCLA Library also makes a number of digital resources available for campus use through the Library site. These include College Library electronic reserves and many electronic journals, texts, reference resources, periodical indexes and abstracts.

Computer Lab Locations

- Academic Advancement Program (AAP) Computer Lab**, B118 Campbell Hall (basement level, south end), (310) 825-1908. M - Th 8 a.m. to 10 p.m., F 8 a.m. to 6 p.m., weekends noon to 6 p.m. No fee. Open to AAP students. PCs (no Macs). MS Office 97, Telnet, Netscape. Limited printing, no charge. General computing classes are offered, with focus on word processing; see lab for schedules. URL: <http://www.humnet.ucla.edu/aap>. E-mail: brucek@aap.hup.ucla.edu.
- Chemical Instructional Computing (CIC) Lab**, 6096 Young Hall, (310) 825-1853. M - F 9 a.m. to 5 p.m. No fee. Open to students taking courses in the department. Macs and PCs. Chemistry and bio-chemistry calculations and visualizations. Internet access and printing. No e-mail. URL: <http://web.chem.ucla.edu/~mouser/cic/>. E-mail: mouser@chem.ucla.edu
- College Library Instructional Computing Commons (CLICC) Lab**, 145 Powell Library, (310) 206-0271. M - Th 8 a.m. to 2 a.m., F 8 a.m. to 11 p.m., Sa 9 a.m. to 5 p.m., Su 1 to 2 a.m. No fee. Open to anyone with a BOLID. Kiosk available to set up a BOLID. Pentium III PCs and Mac G3s. General purpose for all students, with instructional software aimed at humanities and social sciences. BOL applications (Eudora, Pine, Netscape), MS Office (Word, Excel, PowerPoint), graphics (Photoshop, Illustrator, Pagemill, Pagemaker), humanities and social sciences applications. Printing: 10¢ per page for black and white, 40¢ per page for color laser. Users must set up a printing account at front counter. Printing is charged through BAR account. Scanners and stations, all with zip 250 drives and DVD, can be reserved. Pentium II laptops available for use within Powell Library. URL: <http://www.clicc.ucla.edu>. E-mail: lkemp@ucla.edu.
- CLICC Classrooms**, 307, 320, and 320B Powell Library, (310) 206-0271. M - Th 8 a.m. to 8 p.m., F 8 a.m. to 6 p.m. No fee. Drop-in only when classes are not in session. Schedules are posted in lab and classrooms daily. Faculty and TAs may reserve time for classes or office hours. Pentium III PCs and Mac G3s. General purpose for all students, with instructional software aimed at humanities and social sciences. BOL applications (Eudora, Pine, Netscape), MS Office (Word, Excel, PowerPoint), graphics (Photoshop, Illustrator, Pagemill, Pagemaker), humanities and social sciences applications. Printing: 10¢ per page for black and white, 40¢ per page for color laser. Users must set up a printing account at front counter. Printing is charged through BAR account. - Disabilities and Computing Program**, 4909 MSA, (310) 206-7133, TDD (310) 206-5155. Open by appointment to students, faculty, and staff with permanent and temporary disabilities. No fee. PCs, laptops, and technologies such as voice recognition, screen readers, enhanced text, and Braille displays. Loaner pool of adaptive hardware and software, including laptops. Consulting and training on adaptive computer technology, and on making campus computer labs and online information resources (including Orion and BOL) fully accessible and usable. No printing. Provides liaison with other labs to offer additional facilities for students with disabilities. URL: <http://www.dcp.ucla.edu>. E-mail: burke@ucla.edu.
- Humanities Computing e-Labs**, 87 and 88 Kinsey Hall, (310) 206-5630. M - F 2 p.m. to 6 p.m. (additional hours to be added and posted throughout the quarter). No fee. Priority offered to humanities students with proof of enrollment in a humanities course or major and a BOLID. Mac lab in 87 Kinsey Hall, PC lab in 88 Kinsey Hall. Humanities instructional software, BOL applications, MS Office, Internet access. Printing: 10¢ per page for black and white, 40¢ per page for color. URL: <http://www.humnet.ucla.edu/hcf/labs>. E-mail: hcflabs@humnet.ucla.edu
- Instructional Multimedia Production Lab**, 190 Powell, (310) 206-8954. Hours: contact lab; not available for drop-in. No fee. Open to students in courses that have multimedia production assignments and that are set up by instructors offering multimedia courses. Windows NT and Mac workstations. Consultation for instructors interested in setting multimedia assignments. FTP files to course servers. CD-ROM development and analog as well as digital video editing. Printing: limited pages, free. URL: <http://www.oid.ucla.edu/impl>. E-mail: impl@ucla.edu.
- Life Sciences Instructional Computing Botany Lab**, 1154 Life Sciences Building, (310) 206-0049. M - F 9 a.m. to 7 p.m. No fee. Open to students in a life sciences course. Windows NT workstations. Internet access, word processing, spreadsheets, life sciences and multimedia applications. Printing: 3¢ per side. URL: <http://www.lsic.ucla.edu>. E-mail: lsic_lab@lifesci.ucla.edu.
- Mathematical Sciences Math Program Lab**, 2817 Boelter Hall, (310) 825-7267. M - Th 8 a.m. to 11 p.m., F 8 a.m. to 6 p.m., Sa 10 a.m. to 6 p.m., Su noon to 8 p.m. No fee. (students must set up a network account to access Internet, Telnet, and BOL e-mail). Open to mathematics majors and students in mathematics or program in computing courses requiring computer use. PCs and X-terminals. Math applications. No printing. URL: <http://www.pic.ucla.edu/piclab/>. E-mail: anna@math.ucla.edu.
- Office of Residential Life Labs**, Sunset Computer Lab (inside Covell Commons) and Bradley International Center, Hedrick, Rieber, Sprout Halls and Hilgard Houses, (310) 206-2651. Sunset Computer Lab, Su - Th 10 a.m. to 1:30 a.m., F and Sa 10 a.m. to 6 p.m.; all others always open. No fee. Open to residents of on-campus housing. Residents must attend Acceptable Use Workshop to obtain a lab account (details in Sunset Computer Lab). Mainly PCs; two multimedia Macs in Sunset Computer Lab. General use, word processing, Internet access, Telnet, BOL e-mail. Printing: each resident receives 150 pages of free printing; each additional 100 pages costs \$5. Establishing Residence for Tuition Purposes

Specific criteria for establishing residence for tuition purposes is included in the Appendix of the current *UCLA General Catalog* and in the Registrar's Office Frequently Asked Questions at <http://www.registrar.ucla.edu/>. Inquiries regarding residence requirements must be directed to the Residence Deputy, 1113 Murphy Hall, (310) 825-3447. **No other university personnel are authorized to supply information relative to residence requirements for tuition purposes.**

Petition for Resident Classification is obtained and filed at 1113 Murphy Hall prior to the late registration period for the term in which you are eligible for classification from nonresident to resident status. Documentation of residence will be requested at that time.

Name Change

To change your name on official University records, or to identify capitalization, punctuation, or accent marks (for your diploma) that computer files do not accommodate, obtain and file (no fee) the UCLA Correction or Change of Name form at Academic Record Services, 1134 Murphy Hall. Forms are available in the Murphy Hall North Lobby. A new BruinCard must be obtained at 123 Kerckhoff Hall; there is a \$15 replacement fee.

Official Transcripts: Academic and Verification

Official UCLA transcripts are printed on security paper to safeguard against unauthorized duplication, alteration, and misrepresentation of the UCLA transcript. The UCLA security paper is blue with a faint background design made up of the letters "UCLA." It is bordered by a blue trim that contains the words "University of California, Los Angeles." The reverse of the document includes the transcript legend and details regarding authentication of the document.

Two versions of your official UCLA student record are available from Academic Record Services, 1134 Murphy Hall. These are the academic transcript and the verification transcript. Each version, as described below, has been designed to meet specific needs.

Academic Record Services provides transcripts for regular and Summer Sessions. For UCLA Extension courses, order from UCLA Extension, P.O. Box 24901, Los Angeles, CA 90024.

Transcripts are regularly \$5 per copy and can be ordered in person or by sending your requests to UCLA Registrar's Office, Attn: Transcripts, 1105 Murphy Hall, Box 951429, Los Angeles, CA 90095-1429. Forms for requesting transcripts in person are available in the Murphy Hall North Lobby.

Requests should include the name under which you were registered and your dates of attendance at UCLA, your date of birth, your social security number, your complete address and telephone number, number of copies needed, detailed mailing instructions including any special handling, and your full signature.

Transcripts can be faxed with payment of an additional fee: \$5 for domestic and \$10 for international faxes. For continuing students, fees can be billed to your BAR account. For all others, you may be billed or you may submit payment in the form of a check or money order payable to "Regents-UC."

Transcript requests are not processed if you have outstanding obligations to the University. Fees are subject to change at any time. Tran-

script ordering information is also available by calling (310) 825-3801 or by sending a message to transcripts@registrar.ucla.edu.

Academic Transcript

The academic transcript is your complete academic record, including a listing of courses you have taken, your grades, your grade-point average (GPA), and your earned UCLA degrees. Effective Winter 2000, transcript information reflects in-progress term information, including a list of the courses that you enrolled in during the term that the document was requested and other in progress information such as a change in major or the removal of an I grade.

Grades for completed terms are processed immediately following the conclusion of final examinations. Complete academic transcripts are available approximately 30 working days after the last day of the term. For graduating students, academic transcripts with the graduation date included are available approximately seven weeks after the end of the term. If you require earlier proof of graduation, contact your degree auditor in 1113 Murphy Hall. A fee may be charged for this service.

The minimum period required for processing and issuing academic transcripts for both registered and former students is three working days. Same-day processing service is available for an additional \$10 charge per address. To arrange for same-day processing service, contact an Academic Records Services specialist, 1134 Murphy Hall, or call (310) 825-3801.

Academic transcripts that are faxed are generally considered unofficial and may not remain confidential.

Verification Transcript

The verification transcript is intended for registration (fee payment), enrollment status, degrees, and "good student" auto insurance certification forms completed by the Registrar's Office. Verification transcripts confirm student status after registration fees have been paid for the term. Verification of student workload is based on actual enrolled units and does not consider wait-listed units or list courses for a term.

Verification of degree can be issued after your degree has been posted to your student record approximately seven weeks after the term ends. If you require verification before your degree is posted, contact your degree auditor in 1113 Murphy Hall.

The fee for a verification transcript is waived if requested for loan or student aid verifications (proof of request required). Most enrollment verifications for loans and creditors, however, are processed for the University by the National Student Loan Clearinghouse. Approved by the U.S. Department of Education, the clearinghouse is a national organization that facilitates and expedites student enrollment verifications for creditors and other student service-related agencies. The clearinghouse abides by all provisions of the Family Federal Educational Rights and Privacy Act (FERPA).

Veterans Affairs and Social Security Services

The Veterans Affairs coordinator, 1113 Murphy Hall, provides information for veterans and eligible dependents about VA educational benefits and tutorial assistance; issues fee waivers to dependents of California veterans who are deceased or disabled because of service-connected injuries and who meet the income restrictions in Education Code Section 10652; and certifies student status for recipients of Social Security benefits.

Other Student Services

Arthur Ashe Student Health and Wellness Center

The Arthur Ashe Student Health and Wellness Center (Student Health Service) is an outpatient clinic for UCLA students. Most services are prepaid by registration fees, and students may be seen by appointment or on a walk-in basis. Core (prepaid) services include visits, most procedures, X rays, and some laboratory procedures. Noncore (fee) services, such as pharmaceuticals, injections, orthopedic devices, and some laboratory procedures, are less costly than elsewhere. If students withdraw during a school term, all Ashe services continue to be available on a fee basis for the remainder of that term, effective from the date of withdrawal.

The cost of services received outside of the Ashe Center is each student's financial responsibility. Students are strongly encouraged to purchase supplemental medical insurance either through the UCLA-sponsored Medical Insurance Plan (see "Registration") or other plans that provide adequate coverage.

Office hours during the academic year are weekdays 8 a.m. to 6:30 p.m. except Tuesday, when service begins at 9 a.m. Patients without appointments and patients with orthopedic or surgery appointments are seen on the first floor; Women's and Men's Clinics and internal medicine appointments are on the second floor; all other patients with appointments (including immunizations) are seen on the third floor. Physical therapy and the insurance office are on the fourth floor. For emergency care when the Ashe Center is closed, students may obtain treatment at the UCLA Medical Center Emergency Room or UCLA Family Practice on a fee-for-service basis.

Campus Ombuds Office

The Campus Ombuds Office responds to grievances and concerns from students, staff, faculty, and administrators. Acting impartially, ombudspersons may investigate unresolved grievances or facilitate the resolution of problems for which there are no established guidelines and may also, where possible and when requested by the grievant, assist in resolving an issue through mediation (including sexual harassment cases). In April 2000, look for the Ombuds Office in its new location in the Strathmore building at 501 Westwood Plaza. See <http://www.saonet.ucla.edu/ombuds/>

Center for Student Programming

The Center for Student Programming (CSP) helps students start a club or join an existing one and serves as the official registry for all campus organizations. CSP assists students with program and leadership development and fund-raising, interprets and enforces University rules and regulations, and administers bulletin boards on campus.

Cultural and Recreational Affairs

The Department of Cultural and Recreational Affairs coordinates recreational programming and supervises campus recreational activities and services. See <http://www.saonet.ucla.edu/recreate>.

Dean of Students

The Office of the Dean of Students assists students with whatever needs they might have. Direct services include general counseling; sending emergency messages to students; and assisting in understanding University policies and procedures, including grievance procedures regarding student records, discrimination, and student debts. See <http://www.saonet.ucla.edu/dos/>.

Housing Services

On-Campus Housing

Applications for on-campus housing require a \$25 nonrefundable application fee. Students are assigned a place on the housing wait list based on the date their housing application is received.

If there are more applicants than spaces available, some applicants may not be offered an assignment prior to the beginning of the term for which they are applying. Contact the UCLA Housing Assignment Office at (310) 825-4271 for questions about the application process or see <http://www.housing.ucla.edu/housing>.

Off-Campus Housing

The Community Housing Office offers rental assistance for students, faculty and staff interested in off-campus housing. The office, located in the east patio of Sproul Hall, lists and accepts ads for a variety of living alternatives from the private sector, including apartments, roommate situations, and rooms in private homes. See <http://www.housing.ucla.edu/housing/cho.htm>

Libraries

The UCLA Library, a campuswide network of libraries serving programs of study and research in many fields, is among the top five ranked research libraries in the U.S. The total collections number more than 7.2 million volumes, and more than 90,000 serial titles are received regularly.

Undergraduates are encouraged to use the College Library, which features collections and services in support of the undergraduate curriculum. The scholarly and research needs of undergraduate and graduate students and faculty are served by the Arts Library, Louise M. Darling Biomedical Library, Richard C. Rudolph East Asian Library, Hugh and Hazel Darling Law Library, Eugene and Maxine Rosenfeld Management Library, Henry J. Bruman Maps and Government Information Library, Music Library, Charles E. Young Research Library, and Science and Engineering Library. Lower-use materials for which there is not adequate shelving space on campus are located in the Southern Regional Library Facility (SRLF).

Locate and identify materials through the library's web-based online information systems, which include ORION2, The California Digital Library, and electronic reserves. These systems can be accessed from the library website at <http://www.library.ucla.edu>.

processed from the library website at <http://www.library.ucla.edu>.

Lesbian, Gay, Bisexual, and Transgender Resource Center

The Lesbian, Gay, Bisexual, and Transgender (LGBT) Resource Center provides education, information, and advocacy services for the UCLA community. The center offers educational workshops and training seminars and maintains a small library of books and periodicals. The staff provides confidential assistance and support to students, faculty, and staff who feel they have experienced harassment or discrimination. See <http://www.saonet.ucla.edu/lgbt/>.

Office for Students with Disabilities

The Office for Students with Disabilities (OSD), A255 Murphy Hall (voice 310-825-1501, TDD 310-206-6083, fax 310-825-9656), provides a wide range of academic support services to regularly enrolled students with documented permanent or temporary disabilities in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Free support services include readers, note takers, sign language interpreters, Learning Disabilities Program, special parking, registration assistance, fee deferments authorized by the California Department of Rehabilitation, on-campus transportation, campus orientation and accessibility,

The newly opened Morgan Center

proctor and test-taking arrangements, tutorial referral, housing assistance, support groups, workshops, special materials, adaptive equipment, and referral to the Disabilities and Computing Program. Accommodations are varied and specifically designed to meet the documented disability-related needs of each student. All contact and assistance is confidential. See <http://www.saonet.ucla.edu/osd/>.

Disabilities and Computing Program

The Disabilities and Computing Program (DCP) provides adaptive technology and information access support and services for students, faculty, and staff with disabilities. Services include voice synthesis, Braille print, large print, reading machines, alternative keyboards, and voice recognition technologies. Consulting for individuals and departments is available. The program also offers web accessibility evaluations and guidelines. For further information, call voice (310) 206-7133 or TTY (310) 206-5155 or see <http://www.dcp.ucla.edu/>.

Parking and Commuter Services

Commuter Assistance-Ridesharing

The Commuter Assistance-Ridesharing (CAR) Office informs students about transportation options. Many students form or join existing UCLA **carpools or vanpools**. More than 130 vanpools commute to UCLA from nearly 80 southern California communities. Full- and part-time riding opportunities are available, and registered two- and three-person student carpools are given top priority to receive parking (see below).

These and other commuting options, including an extensive network of public transit, are described in the *UCLA Commuter Guide* at <http://www.transportation.ucla.edu/> or at Parking Services on the corner of Strathmore Place and Westwood Plaza weekdays from 7:45 a.m. to 5 p.m. For more information, call (310) 794-RIDE.

Parking Permits

Due to limited availability, parking at UCLA is offered to students who demonstrate the greatest need. Student parking permits are assigned through a need-based point system that considers class standing, commute distance, previous attendance, employment, dependent children, and professional school obligations. Students are encouraged to apply on time and follow all application and payment guidelines in order to increase their chances of receiving a permit. Permits are not guaranteed.

When assigning parking permits to students, UCLA Parking Services gives the highest priority to carpools. Carpool permits are guaranteed to all qualified two- and three-person student carpool groups that apply on time. Student carpools park in central campus parking areas and share a discounted permit fee. Students interested in forming a carpool who need help finding other students living near them should call (310) 794-RIDE and ask for a free *RideGuide*. **All members of a proposed student carpool must apply in person as a group.**

Most student permits are assigned for the academic year and can be paid for annually or quarterly. Renewal forms for students paying quarterly are automatically mailed before the Winter and Spring Quarter payment due dates. Students who are not offered a parking assignment during a given term or who wish to change their parking area need to reapply the following quarter.

Student Parking Request forms, along with important quarterly due dates and information on how to apply for a parking permit, are available by calling (310) 825-9871 or in person weekdays from 7:45 a.m. to 5 p.m. at Parking Services. Parking request forms can also be downloaded at <http://www.transportation.ucla.edu/>.

Students with permanent disabilities who have disabled persons' placards or DMV-issued disabled persons' license plates may apply to the Office for Students with Disabilities (310-825-1501) for parking assignments and on-campus transportation assistance.

Parking permits and access cards to campus lots and structures are not transferable and may be purchased only from UCLA Parking Services. **Resale is prohibited and subjects both buyer and seller to disciplinary action.**

Services for International Students

Office of International Students and Scholars

The Office of International Students and Scholars (OISS) assists students with questions about immigration, employment, government regulations, financial aid, academic and administrative procedures, cultural adjustment, and personal matters. OISS is also a designated Sexual Harassment Information Center for international students and a Harassment Information Center available to all UCLA students. OISS also provides visa assistance for faculty, researchers, and post-doctoral scholars.

Dashew International Student Center

The Dashew International Center seeks to improve student and community relationships and helps international students with language, housing, and personal concerns in addition to sponsoring cultural, educational, and social programs.

Student Legal Services

Currently registered and enrolled students with legal problems can get assistance from attorneys or law students under direct supervision of attorneys, who help students solve legal problems, including those related to landlord/tenant relations; accident and injury problems; criminal matters; domestic violence and harassment; divorces and other family law matters; automobile purchase, repair, and insurance problems; health care, credit, and financial aid issues; consumer problems; and University-related problems. Assistance is available only by appointment from 9 a.m. to 5 p.m. weekdays in 70 Dodd Hall (310-825-9894). See <http://www.saonet.ucla.edu/slgs/>.

Student Psychological Services

Student Psychological Services (SPS) offers short-term personal counsel and psychotherapy at two locations—4223 Math Sciences (310-825-0768) and A3-062 CHS (310-825-7985)—where psychologists, clinical social workers, and psychiatrists assist with situational stresses and emotional problems that may include problems with interpersonal relationships, academic stress, loneliness, difficult decisions, sexual issues, anxiety, depression, or other concerns affecting the personal growth of students.

The service is confidential and free to regularly enrolled students. Students are seen individually or may choose from a number of groups offered each term. Appointments are made on weekdays between 8 a.m. and 5 p.m. Emergency counseling is also available.

SPS is also a designated Sexual Harassment Information Center as well as a campus Harassment Information Center. These services are available to all UCLA students.

UCLA BruinCard

The UCLA BruinCard is a mandatory student identification card that is used to electronically confirm student status and eligibility for services. Supportive photo identification, such as driver's license or passport, is required when the card is issued.

The primary benefit of the BruinCard is convenience. It is a versatile card that serves the following functions:

1. Confirmation of student status
2. I.D. card for faculty, staff, and students
3. Residence halls access card
4. Library card
5. Recreation card
6. Debit card (if activated) for purchases at campus stores and restaurants on and off campus
7. E-Cash card for depositing money by credit card to your account (see www.bruincard.ucla.edu/cash)
8. AT&T calling card (if this feature is elected)
9. Time-management card for departments using the Kronos system

Students with holds from an office with which the students have an outstanding obligation (financial, academic, or administrative) may not receive services until the hold is released by the initiating office. For details on outstanding holds and initiating offices, check URSA at (310) 208-0425 or <http://www.ursa.ucla.edu>.

BruinCard centers at 123 Kerckhoff Hall, 107 UCLA Wilshire Center, and 150A Sproul Hall are open weekdays from 9 a.m. to 4 p.m. (310) 825-2336. See <http://www.bruincard.ucla.edu>.

To report lost or stolen cards or to check your account balance, call (310) 206-3199.

UCLA Career Center

The UCLA Career Center offers services and resources to help students explore academic and nonacademic career possibilities, make career decisions, obtain employment and internship leads, and develop skills for conducting a successful job search.

Services include career counseling, career resources library, graduate school planning and preparation assistance, career fairs, internship and job listings, and the BruinView™ campus Interviews. Workshops are offered on a variety of topics, including skills assessment, graduate and professional school preparation, résumé and curriculum vita writing, interviewing skills and practice, internet job search strategies, and researching corporations.

The Career Center's website provides convenient 24-hour access to BruinTraks™ listings of current full-time, part-time, seasonal, and internship positions. Students may also post their resumes online to enhance their job search.

Cyberlink™, the Career Center's on-premise computer laboratory, makes it easy to tap into a vast array of employment information from 9 a.m. to 5 p.m. weekdays (Tuesdays until 7 p.m.).

Two branch locations – EXPO Internship and Study Abroad Services, 109 Kerckhoff Hall, and Engineering and Science Career Services, 5289 Boelter Hall – offer specialized career services.

In April, 2000 the Career Center, EXPO Internship, and Study Abroad Services relocate to the Strathmore Building, 501 Westwood Plaza.

For more information see <http://career.ucla.edu> or call (310) 206-1915.

UCLA Store: Textbooks and Course Materials

Textbooks and course readers for most classes are available in the **UCLA Store – Ackerman Union**, located on the A Level of Ackerman Union. For store hours, refund policies, and textbook information, call (310) 206-0790. For information on book buyback, call (310) 206-0785.

Law, management, urban planning, social welfare, public policy, architecture, art, urban design, library and information sciences, and theater, film, and television textbooks are available at the **UCLA Store – Lu Valle Commons**. On-campus UCLA Extension textbooks are also stocked there. Call (310) 825-7238 for more information.

Textbooks for medicine, dentistry, nursing, public health, and the health sciences are available at the **UCLA Store – Health Sciences**. For more information, call (310) 825-7721.

The best times to shop are on weekends, or before 10 a.m. and after 5 p.m. on weekdays. **Save your cash register receipts**, since they are required for returns or refunds. See the "Calendar" for refund deadlines.

To find out which textbooks are required for a specific class, or to print out a complete list of books for all your classes, go to the UCLA Store site at <http://www.uclastore.com> and click on the "textbooks" icon. You will need the nine-digit course I.D. number from the *Schedule of Classes*. Computer Store price lists and the UCLA BookZone database (for reference books, study aids, and so forth) are also available online.

Grade cards, blue books, scantron forms, and enrollment petition forms are available in the Ackerman, LuValle, and Health Sciences locations of the UCLA Store.

Women's Resource Center

The Women's Resource Center (WRC) offers services to all UCLA students, with special focus on gender related issues and concerns and reentry/nontraditional student services.

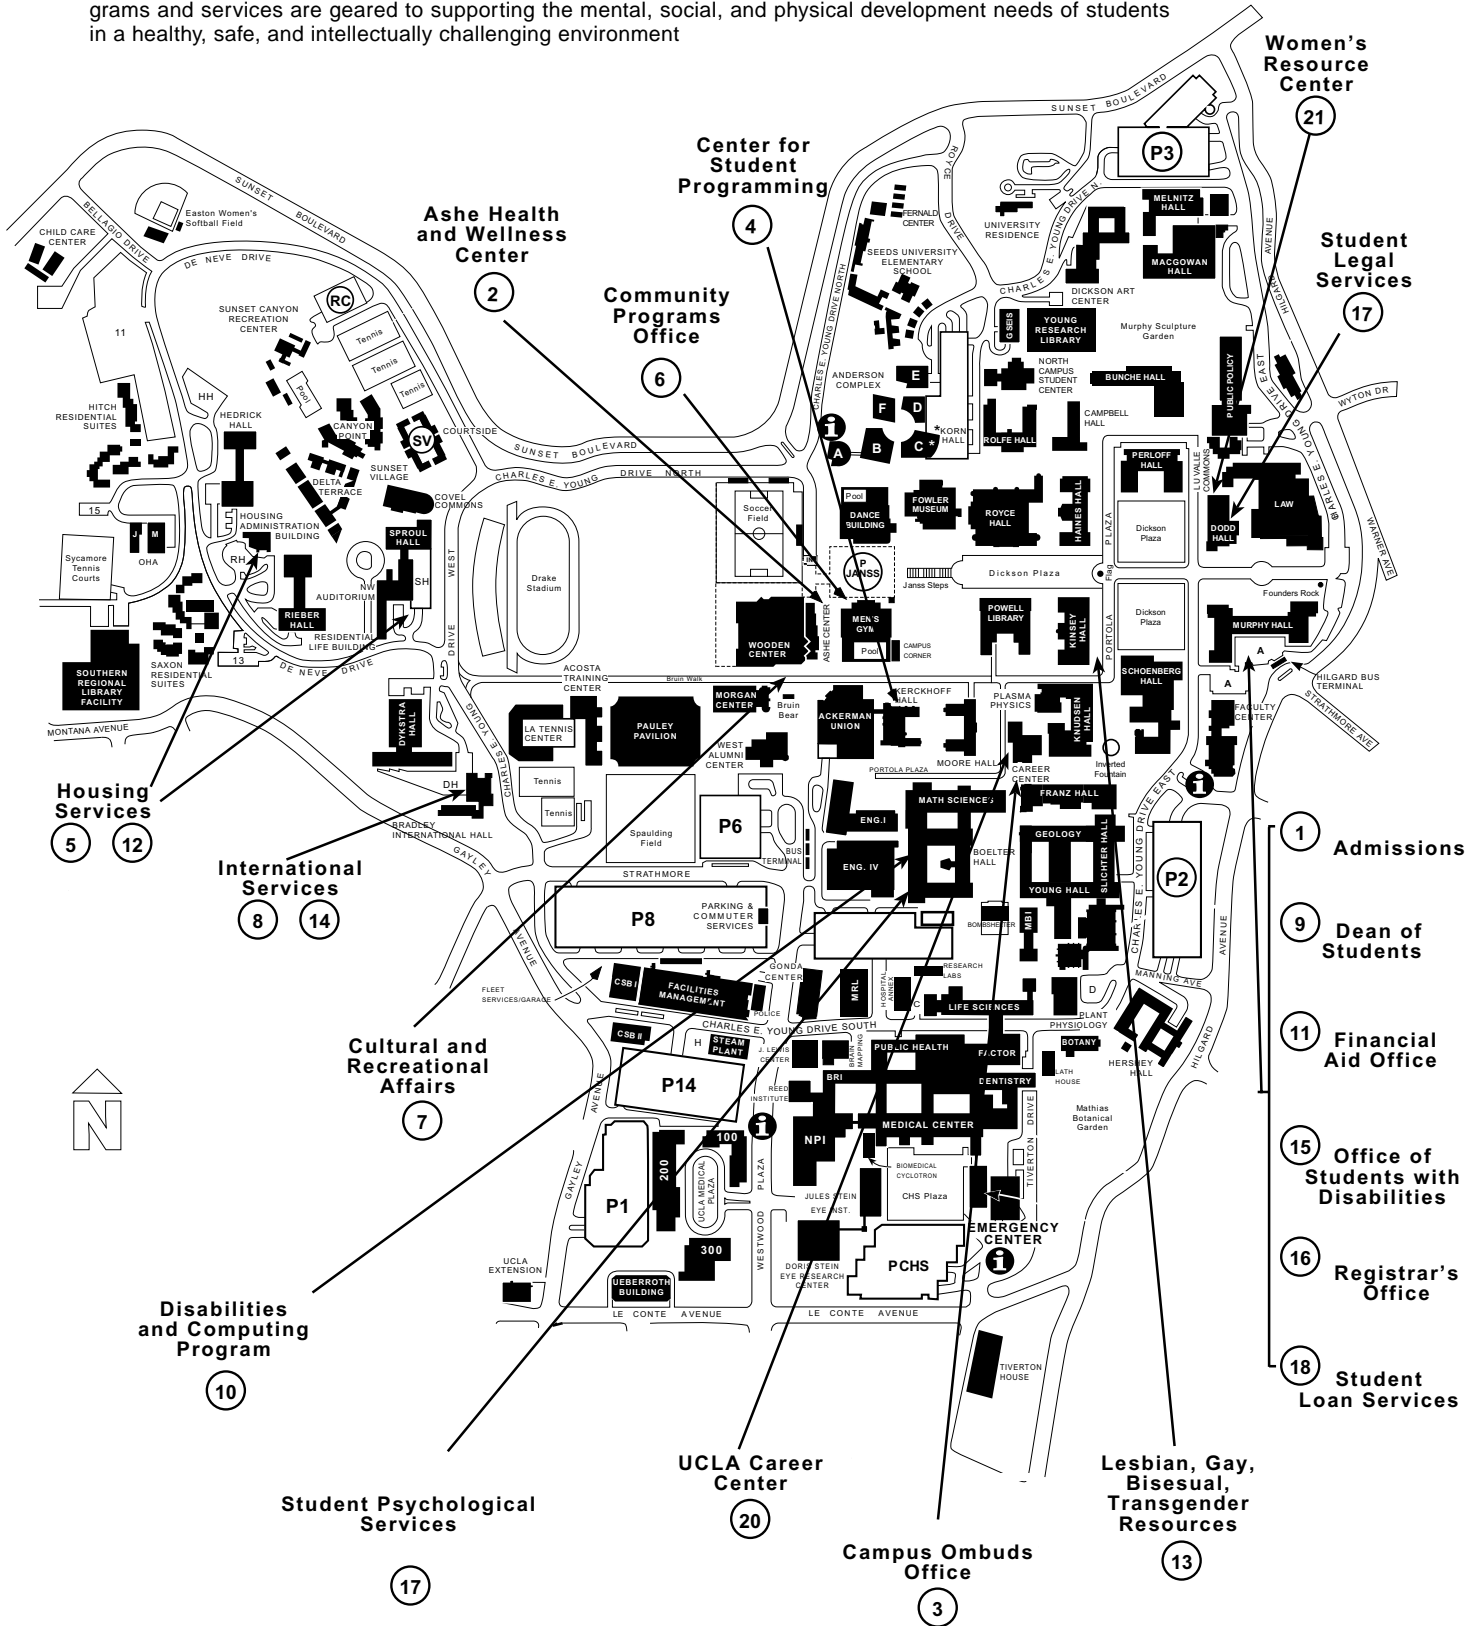

The WRC presents workshops and support groups on topics, including child care, self-defense, assertiveness training, rape prevention and education, relationship violence, career development, single parenting, health, returning to school, men's issues, and sexuality. It also offers referrals for medical, legal, career planning, personal counseling, and other services both on and off campus. In addition, rape services consultants (RSCs) — individuals who provide information, support, and resources for members of the UCLA community who have been raped or sexually assaulted — can discuss options and alternatives, help identify and assist in contacting the most appropriate support services, and answer any questions that may arise. The WRC is also a designated Sexual Harassment Information Center and campus Harassment Information Center available to all UCLA students. See <http://www.saonet.ucla.edu/wrc>.

Student Services Map

Student Services support teaching, research, and public service functions of the university by providing programs, services, and educational experiences that promote the academic success of UCLA students and enhance the quality of campus life. Programs and services are geared to supporting the mental, social, and physical development needs of students in a healthy, safe, and intellectually challenging environment

Registrar's Services Guide

The Registrar's Office is open 9 a.m. to 5 p.m. weekdays. For more detailed information, see the online *Schedule of Classes* at <http://www.registrar.ucla.edu/schedule/> or the Registrar's Office Frequently Asked Questions at <http://www.registrar.ucla.edu/faq>

Academic Policies

Admission and Enrollment Policies Degree Policies Class Levels

Admission and Enrollment Policies

Admission Applications

An application for admission must be submitted and accepted in accordance with the schedule specified in the "Calendar" section before a new student may register at the University. Preliminary information about registering is mailed to new students by their Admissions Office (Undergraduate, Graduate, Law, Medicine, or Dentistry).

Undergraduate Readmission

Continuing Student: One-Term Absence

If, after completing a term (Fall, Winter, Spring), you do not register for the following term, you may return to the University the next subsequent term as a continuing student and be eligible to register and enroll in advance.

If during your one-term absence you plan to attend another institution (including UCLA Extension), you should discuss your plans with your college/school counselor before enrolling elsewhere. On returning to the University, you must have an official transcript mailed from the institution directly to the UCLA Undergraduate Admissions Office. Once you have requested a transcript, you must complete a Transfer Credit Evaluation Request form at the Undergraduate Admissions Office, 1147 Murphy Hall, to have your coursework evaluated.

Reentering Student

To return to the University after an absence of more than one term, complete an Undergraduate Application for Readmission form and file it with the Registrar's Office in accordance with deadlines published in the "Calendar" section. A nonrefundable fee of \$40 applies.

You *must* submit official transcripts from all institutions (including UCLA Extension) with your readmission application. **Coursework is evaluated when official transcripts are received.** The paper records of nonregistered students, including transcripts submitted for transfer credit, are retained by the Registrar's Office for five academic years after your last registered term. You must resubmit official transcripts of all work completed outside of UCLA if your records have been destroyed.

Graduate Registration and Readmission

Continuous Registration Policy

Graduate students are required to be either registered and enrolled or on an official leave of absence every term until their degrees are awarded. An exception to this policy exists for certain graduate students who may be eligible to pay the filing fee (see Filing Fee for Graduate Students later in this section). Failure to register or be on an official leave of absence for any term (Fall, Winter, Spring) constitutes withdrawal from the University. If you fail to register or take an official leave of absence, you will be required to apply for readmission and are held to any changes in degree program requirements.

Graduate students may request an Application for Graduate Admission form from their department or program. A nonrefundable fee of \$40 must accompany the application when filed in accordance with deadlines published in "Calendar" section.

Filing Fee for Graduate Students

You may be eligible to pay the filing fee (half the quarterly registration fee) in lieu of full registration fees for the term in which you expect to complete final degree requirements (master's comprehensive exami-

nation, doctoral final oral examination, filing master's thesis, or filing doctoral dissertation) and receive your degree.

Doctoral students are not eligible to pay the filing fee unless registered the immediately preceding term.

Students who pay the filing fee are not eligible for University services beyond a maximum of 12 hours of faculty and staff time required to complete the requirements listed above and are not considered in the same status as registered students.

Reduced Nonresident Tuition for Students Advanced to Doctoral Candidacy

Nonresident graduate doctoral students who have advanced to candidacy are eligible for a 75 percent reduction in their annual nonresident tuition fee. The reduced nonresident tuition begins with the first academic term following the advancement to candidacy term. Students are eligible for reduced nonresident tuition for a maximum of three years (includes nonregistered time periods).

General Regulations for Graduate Students

For full details on policies outlined above, consult your departmental advisers, Graduate Admissions/Student and Academic Affairs, and the *UCLA General Catalog*.

Concurrent Enrollment

Undergraduate students enrolled in any campus of the California Community Colleges, the California State University, or the University of California may enroll without formal admission in a maximum of one course per academic term at a campus of either of the other systems on a space-available basis at the discretion of the appropriate campus authorities on both campuses. Enrollment in precollegiate courses is excluded.

You are qualified to cross enroll if you have met all the following requirements:

1. Completed at least one term at UCLA as a matriculated student
2. Enrolled for a minimum of six units for the current term
3. Earned a grade-point average of 2.0 (C) for work completed
4. Paid appropriate tuition and fees at UCLA for the current term
5. Completed appropriate academic preparation as determined by the host campus
6. Are a California resident

Obtain a UCLA SB1914 Concurrent Enrollment application from your college or school. By respective college/school Academic Senate Regulation, concurrent enrollment is not permitted except in extraordinary circumstances and no credit will be given for such courses unless the approval of your UCLA college or school has been obtained by petition prior to enrollment. A \$10 administration fee is charged for each academic term such enrollment is requested. SB1914 Concurrent Enrollment was amended by SB361, October 7, 1999.

Visitor Status

Undergraduate students enrolled at one campus of the University of California may have the opportunity to attend another UC campus for one quarter/semester on Visitor Status. UCLA students interested in the program should obtain an application from Enrollment and Degree Services, 1113 Murphy Hall. Be sure to observe the deadlines stated on the application. All applications are reviewed by your college or school. Letters and Science students should consult the College Counseling Service, A316 Murphy Hall; students in Arts and Architecture should contact the Student Services Office, 1100 Dickson; Theater, Film, and Television students should consult the Student Services Office, 103 East Melnitz Building; Engineering students should see the Student Services Office, 6426 Boelter Hall.

Reduced Fee Programs

Fee assessment for reduction in fees is based on total units enrolled as of Friday of the third week of classes.

Certain qualified **undergraduate** resident students, when properly approved by the dean of their college/school for enrollment in 10 units or less, may be eligible for a one-half reduction in the educational fee. File a **Request for Fee Reduction** with the academic dean's office by Friday of the second week of instruction. Except for these qualified and approved part-time students, there is no reduction in the University registration, educational, student union, or Undergraduate Students Association fee. Full-time University employees may apply for a reduction of the registration and educational fees at their Campus Human Resources office. If you receive the **part-time fee reduction** from your academic dean, you may not also use the UC employee reduction; you must use one or the other.

Undergraduate nonresident students with college/school approval for enrollment in 10 units or less pay only half the nonresident tuition fee. File a Request for Fee Reduction with the academic dean's office by Friday of the second week of classes for the applicable term.

For graduate students there is no reduction in the University registration, educational, nonresident tuition, student union, or Graduate Students Association fee for less than full-time programs.

Course Materials Fees

The College of Letters and Science and certain professional schools are authorized to assess course materials fees for particular courses. Depending on the academic unit, schools either assess these fees at the start of the quarter or, based on actual enrollment at the end of the fourth week of classes. Students are responsible for ensuring that all Study List errors and omissions are corrected prior to this time. All students in a course with an approved course materials fee are assessed the fee, regardless of major. The fee is nonrefundable once assessed. Students who are approved for a "Late Add" enrollment in a course after the fourth week of classes are required to pay the course materials fee, which is billed through the BAR statement, for the entire quarter.

Fee Waiver Requests

Late registration, processing, and penalty fees are waivable on request in writing to the office assessing the fees only if they were incurred through the fault of the University or because a student suffered sudden and debilitating injury or accident.

Degree Policies

Undergraduate Degrees

In order to qualify for a bachelor's degree, that is, to graduate, in any school or college at UCLA, you must earn at least a C (2.0) average in all courses taken at any University of California campus. In addition to the grade-point average requirement, you must also satisfy (1) University requirements, (2) college or school requirements, and (3) department requirements. See the *UCLA General Catalog* for details.

Degree Checks

Anytime prior to graduation you may request a review of your degree progress. Official degree checks detail those requirements remaining to be satisfied for the completion of your bachelor's degree. The degree check process varies depending on your college or school.

College of Letters and Science. For students who entered UCLA in Fall Quarter 1988 and thereafter, a Degree Progress Report (DPR) serves as your degree check. The DPR is a computer-generated assessment of all requirements for your degree and the courses you have taken to fulfill them. You can view and print your DPR through URSA OnLine or order one at a college counseling office (Academic Advancement Program, 1209 Campbell; Honors Programs, A311 Murphy; Letters and Science Counseling, A316 Murphy). Once you

receive your DPR, study it carefully. If you have questions, review it with your departmental undergraduate adviser and/or college counselor, as appropriate.

For students who entered UCLA prior to Fall Quarter 1988, the degree check is a summary of all requirements for your degree and the courses you have taken to fulfill them. You may initiate the degree check by asking your departmental undergraduate adviser to prepare one. Your adviser fills in the parts pertaining to the lower division and upper division requirements within your major. You then take the form to your college counseling office (Academic Advancement Program, 1209 Campbell; Honors Programs, A311 Murphy; Letters and Science Counseling, A316 Murphy). During this appointment, the counselor completes the degree check by filling in college and University requirements, including the upper division requirements.

School of the Arts and Architecture. Degree Progress Reports are now available via URSA OnLine as well as on request from the Office of Student Services, 1100 Dickson Art Center. If you have questions regarding your degree requirements, or whenever you print out a DPR via URSA OnLine, please make an appointment with an adviser in the Office of Student Services. Questions regarding major requirements should be referred to your departmental counselor.

School of Engineering and Applied Science. Students at a high sophomore level and above must submit a "satisfied" Academic Program Proposal to the Office of Academic and Student Affairs, 6426 Boelter Hall. All Engineering students may pick up a Graduation Evaluation Report at 6426 Boelter Hall. The report outlines each category requirement for an engineering degree and the courses you have completed for each category. You may also schedule an appointment at the Office of Academic and Student Affairs to have an official degree check completed one term prior to your graduation term.

School of Nursing. Students may initiate a request for an updated degree check by contacting the student services coordinator in the Student Affairs Office, 2-200 Factor Building.

School of Theater, Film, and Television. Students entering as freshmen receive a written degree check upon achieving junior standing. Students entering as juniors receive a degree check upon entry. Students may initiate or request an updated degree check by making an appointment with their departmental counselor in the Student Services Office, 103 East Melnitz Building.

Transfer Credit

If you plan to take courses at a college or university other than UCLA, you should first check the Articulation Agreements to determine how the courses will transfer, or consult a counselor if no Articulation Agreement exists. Articulation Agreements are lists of transferable courses from some institutions other than UCLA. To discuss Articulation Agreements, consult your college or school.

When you have completed the course(s), you must have the other institution send a copy of your transcript to the UCLA Office of Undergraduate Admissions and Relations with Schools (UARS), 1147 Murphy Hall, Box 951436, Los Angeles, CA 90095-1436. You must also go to UARS to submit a Transcript Locator Card (also known as a Transfer Credit Evaluation Request) to initiate a credit evaluation. If you are a transfer student (one who attended another college or university prior to attending UCLA), discuss transfer credit with your college or school counselor and/or your departmental adviser.

Declaration of Candidacy

To initiate the steps leading to the award of a bachelor's degree, you must identify the term you expect to complete degree requirements through URSA Telephone (option 6# on the Student Records Menu). This must be done by the time you complete 160 units (172 units for Engineering students) or a **\$13 late candidacy fee** will be charged to your BAR account. The identified term must fall within the academic year (four quarters) subsequent to the term in which you reach or expect to reach the 160- or 172-unit mark. Once you have completed 160/172 or more units, a fee will be assessed each time you change your "degree expected term" through URSA Telephone.

If you are a current-term or a past-term candidate over the unit limit, you must purchase the UCLA Declaration of Candidacy form (available from any UCLA Store) and file at 1113 Murphy Hall.

The last day to declare candidacy for the current term (with fee depending on units completed) is **Friday of the second week**. Declaration of candidacy after the second week may result in a degree award date for the following term and additional candidacy penalty fees.

You may check your degree expected term (as identified by you, the student) at any time on URSA Telephone. Your degree expected term also appears on the URSA OnLine DPR and Study List. If you still have questions about your degree candidacy status, inquire as follows: Letters and Science at 1113 Murphy Hall; Arts and Architecture/Theater, Film, and Television/Engineering/Nursing at your respective school office. A photo I.D. is required for this service. Declaring candidacy is NOT a guarantee of graduation. **Current term candidates** are not assigned enrollment appointments for the following term.

In Absentia Graduation

If you intend to complete degree requirements as a nonregistered student (take a course through UCLA Extension or at another institution, remove an Incomplete grade, and so on), you must file a request to graduate "in absentia" with your degree auditor in 1113 Murphy Hall by the second-week candidacy deadline. Students graduating "in absentia" are assessed the undergraduate in absentia degree service fee in addition to the declaration of candidacy fee if they were also not registered in the term immediately prior to their degree expected term.

Minors

L&S students must petition to enter a minor through the department/office administering the program. School of Arts and Architecture, Theater Film and Television, and Nursing students must also obtain the approval of their school. Students in the School of Engineering and Applied Science may not be admitted to minors. The last day to obtain the required approval(s) is Friday of the second week of your degree expected term. Late entry to a minor may result in a degree award date for the following term.

Satisfactory completion of the requirements for a minor is reflected on the final transcript and diploma.

Final Degree Audits and Graduation

Degree auditors in the Registrar's Office for Letters and Science students (1100 Dickson Art Center for Arts and Architecture students, 6426 Boelter Hall for Engineering students, 2-200 Factor Building for Nursing students, and 103 East Melnitz Building for Theater, Film, and Television students) are responsible for verifying each candidate's eligibility for a bachelor's degree. Your degree auditor has information pertaining to your graduation only if you have declared candidacy and completed 160 quarter units (172 units for Engineering students).

During your graduating term, inform your degree auditor of any changes to requirements for your degree (such as grade changes, petitions for substitutions or exemptions, or transfer credit). If your graduation eligibility cannot be verified, your degree auditor notifies you of any requirements still outstanding and any other problems in completing your degree.

Degree auditor telephone numbers are listed in the "Student Services Guide" in "Student Services." Contact your degree auditor only if you have questions or concerns about your degree audit. Do not call your degree auditor with questions regarding Commencement ceremonies.

For information on graduation ceremony procedures, contact your college or school. Your major department may also have information regarding awards and receptions.

If you request through URSA OnLine that no public information, including your name, be released, your name will not appear in the program booklet for Commencement ceremonies. You may check and/or change your privacy release status at any time on URSA OnLine (during operating hours; see "URSA" section for more details).

Honors

Honors at Graduation

Your college or school awards honors according to your overall GPA at graduation; these honors are reflected on official transcripts and your diploma. **To be eligible you must have completed at least 90 (98 for the School of Nursing) University of California units for a letter grade.** The levels of honors are *summa cum laude*, *magna cum laude*, and *cum laude*. The minimum GPA requirements for the 1999-00 academic year are as follows:

1. **School of the Arts and Architecture:** 3.822 for *summa cum laude*, 3.762 for *magna cum laude*, 3.653 for *cum laude*
2. **College of Letters and Science/School of Nursing:** 3.817 for *summa cum laude*, 3.715 for *magna cum laude*, 3.566 for *cum laude*
3. **School of Engineering and Applied Science:** Contact the Office of Academic and Student Affairs, 6426 Boelter Hall, for specific information.
4. **School of Theater, Film, and Television:** 3.848 for *summa cum laude*, 3.792 for *magna cum laude*, 3.663 for *cum laude*

To inquire about these requirements, which are subject to yearly change and other eligibility restrictions, contact your college or school.

Departmental Honors

Some departments in the College of Letters and Science award honors to graduates of their programs which are reflected on official transcripts and the diploma. To inquire about the availability of these honors, consult your department office.

Tips For Graduating Seniors

1. Make sure that your degree expected term is correct by using URSA Telephone (option 6# on the Student Records Menu). Your degree expected term also appears on the URSA OnLine Degree Progress Report (DPR) and Study List. If your degree expected term is incorrect, change it via URSA Telephone or by filing a UCLA Declaration of Candidacy form (available for purchase in the school supplies section at any UCLA Store) at 1113 Murphy Hall. This must be done before Friday of the second week of your last quarter.
2. Check your URSA OnLine Degree Progress Report/Grade Report during your final term to make sure that it reflects the correct major(s), minor(s), and specialization(s). If any information is in error, contact the appropriate office or your degree auditor.
3. If you are finishing your degree requirements without being enrolled at UCLA in your final term (for example, you are removing Incomplete grades, adding or dropping courses, attending another institution), you must file a request to graduate "in absentia" at 1113 Murphy Hall. This must be done before Friday of the second week of your degree expected term.
4. If you are completing course work at another institution, including UCLA Extension, your official transcripts (with grades) must be received by your degree auditor in the Registrar's Office no later than three weeks after the end of your degree expected term.
5. Students completing their work in Spring Quarter through the Education Abroad Program should declare for Summer graduation. Make sure that you have checked with your Honors counselor and your major department regarding any necessary petitions before you go abroad.
6. Students must satisfy all outstanding requirements before graduating. Any petitions to amend your records must be filed no later than the last day of your degree expected term.
7. In your final term, be sure to keep the Registrar's Office informed of changes in your mailing address. An address change can be initiated on URSA OnLine, at 1113 Murphy Hall, or on your monthly BAR statement. If you are planning to move at the end of your degree expected term and will not have access to

URSA OnLine, you should file an address change, identifying a future mailing address and effective date, before leaving.

8. Upon degree conferral, your undergraduate record is closed. You may not graduate in one term and then retroactively add majors, minors, or specializations or add and drop courses, and so forth.
9. The name on your records is the name that appears on your diploma. Submit name changes to Academic Record Services, 1134 Murphy Hall, by the last day of your degree expected term in order to be reflected on your diploma. Inform the Registrar's Office of any special accents or punctuation in your name that you would like to have reflected on your diploma.

Master's Degrees

If you expect to complete your master's degree requirements, you should submit an Advancement to Candidacy form to your department no later than the Friday of the second week of classes. See the "Calendar" section for deadline dates.

After you complete all course requirements and the comprehensive examination or the thesis, the Registrar's Office reviews your courses and grades in order to confirm the awarding of your degree. Once the process is completed (approximately six weeks after the end of the term), your degree is recorded on your record and appears on any official transcript that you order.

In your final term, keep the Registrar's Office informed of changes in your address. An address change can be initiated on URSA OnLine, at 1113 Murphy Hall, or on your monthly BAR statement.

Transcripts/Diplomas

For graduating students, academic transcripts with the graduation date included are available approximately seven weeks after the end of the term. If you require earlier proof of graduation, contact your degree auditor in 1113 Murphy Hall and request a certificate of completion. The first certificate of completion is free of charge. A \$5 fee is charged to your BAR account for each additional copy. An additional \$21 processing fee may be assessed if

1. The request for a certificate is made before grades are posted for the term, and
2. The auditor must take special action to verify a grade or grades, expedite a transfer credit evaluation, or obtain other documentation necessary to clear you for the degree

Diplomas for both undergraduate and graduate students are available approximately three to four months after the degree award date. Information about obtaining your diploma in person (no fee) or by mail (with fee) is sent to your mailing address approximately seven weeks after the end of your final term. To expedite receipt of your diploma, you are encouraged to return the diploma mailer form and remit the mailing fee. A diploma hot line with current recorded diploma information (310-825-8883) is available seven days a week, 24 hours a day. The Registrar's Office retains diplomas for five years from graduation date.

To be reflected on your diploma, name changes must be submitted to Academic Record Services, 1134 Murphy Hall, by the last day of your degree expected term. Students submitting name changes after that date must request a replacement diploma at 1113 Murphy Hall. The special order diploma fee is assessed.

If your original diploma is destroyed, a duplicate may be ordered from the Registrar's Office, Diploma Reorder, 1113 Murphy Hall. There is a fee for the replacement diploma, which bears a reissue date and the signatures of the current officials of the state and University.

Class Levels

Your class level is based on completed and any in-progress units. If you are an undergraduate student, your level determines the URSA enrollment appointment you are assigned (obtainable through URSA). If you believe the appointment you are assigned reflects an in-

correct classification, inquire at 1113 Murphy Hall concerning your level.

Class levels at UCLA are determined on the basis of the charts below:

Undergraduate Levels	
CLASS DESIGNATION	UNITS COMPLETED
Freshman (UFR)	0-44.9
Sophomore (USO)	45-89.9
Junior (UJR)	90-134.9
Senior (USR)	135 or more
Second Bachelor's (UB2)	—
Certificate/Credential (UCT)	—
Limited (UGL)	—
Special (UGS)	—
Unclassified (Summer only) (UNC)	—

Graduate Levels	
CLASS DESIGNATION	UNITS COMPLETED
Master's (M.A./M.S.) (GMT)	Master's degree objective
Professional Master's (GPM)	—
Doctorate 1 (GD1)	Not advanced to candidacy
Doctorate 2 (GD2)	Advanced to candidacy
Certificate/Credential (GCT)	—
Unclassified (Summer only) (GNC)	—
Postdoctorate (GPX)	—
No Degree Objective (GDS)	—
Professional School (PF)	—
Professional School (PF1)	First year (Law, 0-29.9 units)
Professional School (PF2)	Second year (Law, 30-55.9 units)
Professional School (PF3)	Third year (Law, 56 or more units)

Film and Television

98T. Intelligent Technologies in Contemporary American Film. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Freshmen/sophomores preferred. Examination of American film history as a space of articulation and arbitration for issue of human-technological couplings, cybernetics, and artificial intelligence, featuring films and texts from the 1960s to the present which present existential, epistemological, and ethical questions related to new frontiers in human-technological relations. Letter grading. K. Fisher

French

98T. Paris 1900: The Other Turn of the Century. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Freshmen/sophomores preferred. Using unmatched Paris Exhibition of 1900 as privileged focal point, introduction to hopes, preoccupations, and fears of French society as it made the sometimes difficult, sometimes barely noticeable transition into the 20th century. Letter grading. S. Meeker

German

98T. Beyond Babel: Translating the Holocaust at Century's End. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Freshmen/sophomores preferred. Is translation a "doomed" endeavor? Is it (im)possible to represent traumatic events in words/images? The Babelian metaphor found in much Holocaust literature and translation theories symbolizes the struggle that joins these disciplines. Exploration of their connection, while challenging dominant discourses of incommensurability. Letter grading. Z. Alexander

History

98T. Sociocultural Aspects of 20th-Century Technopoles in the American West: Los Alamos, New Mexico. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Freshmen/sophomores preferred. Examination of Los Alamos as case study on how Cold War shaped social, political, and intellectual terrain of Los Alamos, New Mexico, and the American West using multidisciplinary science studies approach. Letter grading. R. Guillen

M198. Pilgrimage to Santiago de Compostela in Year 1492. (4) (Same as Spanish M198.) Lecture, three hours; discussion, one hour. Imaginary pilgrimage to shrine of St. James in Compostela, Galicia, in northwestern Spain to provide students a multidisciplinary and multimedia introduction to cultures of Spain and of pilgrims from all parts of Europe at moment that Europe stood poised on brink of modernity. P/NP or letter grading. T. Ruiz

198A. Postwar Japanese History: Emergence of the Third Japan. (4) Lecture, three hours. Forces that shaped postwar Japanese history and questioning of the kind of Japan that will emerge in the 21st century, impacting Asia and the world. Exploration of present-day Japan within context of social, political, and economic forces shaped by postwar experience. P/NP or letter grading. S. Jameson

Honors Collegium

6. Historical Construction of Reality. (4) P/NP or letter grading. W. Roy

16. Contemporary Fiction and Psychology of the Self. (4) P/NP or letter grading. J. Hadda

24. 21st Century: Society, Environment, and Ethics. (4) P/NP or letter grading. B. Zuckerman

29. Critical Vision: History of Art as a Social and Political Commentary. (4) Instructor consent. P/NP or letter grading. P. Von Blum

30. Vietnam War and American Culture. (4) Instructor consent. P/NP or letter grading. J. Goodwin

33W. Art of Engagement. (6) (Formerly numbered 33.) Seminar, three hours; writing laboratory, two hours. Enforced requisite: English Composition 3. Not open for credit to students with credit for former course 33. Cross-curricular, cross-cultural examination of literature, art, and film as a way of discovering how writers and artists treat conflict between art as something inward and psychological and personal, and art as a vehicle of social and political import. Satisfies Letters and Science Writing II requirement. Letter grading. R. Creese

38. Frida Khalo: Multidisciplinary Construction of an Artist's Life. (4) P/NP or letter grading. I. Dosamantes-Beaudry

47. Literature of Colonization and Colonization of Literature. (4) P/NP or letter grading. T. Hutters

49. Evidence in Law, Science, History, and Journalism. (4) P/NP or letter grading. K. Graham

55. Culture and History of Utopias. (4) P/NP or letter grading. R. Jacoby

56. Language as a Window to the Mind. (4) P/NP or letter grading. S. Curtiss

57. Life and Sciences of Complexity. (4) P/NP or letter grading. F. Yates

75. On Nature of Things: Comparative Reading of Poem by Lucretius and Modern Science. (4) P/NP or letter grading. C. Pellegrini

97. Issues in American Foreign Policy: Methodology of Assessment. (4) P/NP or letter grading. S. Spiegel

99. Student Research. (1 to 4) (Not the same as course 99 prior to Fall Quarter 1999.) Tutorial (research or other scholarly work), five hours per week per unit. Entry-level research under guidance of a faculty mentor. Enrollment by contract. Students must be in good standing and enrolled in a minimum of 12 units (excluding this course). May be repeated; consult college/school adviser. P/NP grading. Staff

107. Painful Birth: Rise of Modern Capitalism in Late Medieval Italy. (4) P/NP or letter grading. M. Codebo

117. Resistance to Evil: Organized Resistance to Nazis in Occupied Europe. (4) P/NP or letter grading. M. Zeitlin

M119. Nuclear Weapons: Critical Decisions. (4) (Same as Policy Studies M116.) Letter grading. M. Intriligator

124. Midwives, Mothers, and Medicine: Perspectives on History of Childbirth. (4) P/NP or letter grading. M. Terrall

125. Interpretations of Shakespeare in Theater and Film in the 20th Century. (4) Seminar, three hours. Textual content of five Shakespearean dramas and their film and stage interpretations in the 20th century, including participation in rehearsals of production of *All's Well that Ends Well*. P/NP or letter grading. Staff

Information Studies

110. Information Resources and Libraries. (4) Not open to freshmen. P/NP or letter grading. K. Botello

Organismic Biology, Ecology, and Evolution

98T. Sex in the Sea: Oddity, Ecology, and Evolution of Marine Invertebrate Life Cycles. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Freshmen/sophomores preferred. Lecture/discussion/field experience for students interested in marine biology, invertebrate zoology, and/or developmental biology. Aspects of invertebrate reproduction and larval biology, including ecology, development, and evolution. Letter grading. S. Lee

188. Seminar: Biology and Society. (2) Instructor consent. P/NP or letter grading. R. Bohman

Philosophy

98T. Understanding Emotion. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Freshmen/sophomores preferred. Introduction to philosophical issues related to emotion. Through reading both historical and contemporary philosophical texts, focus on nature of emotion and how emotion is related both to other mental states (like belief and desire) and to other faculties (like perception and reason). Letter grading. L. Herzberg

Physics

88. Lower Division Seminar: Current Topics in Physics. (2) Limited to freshmen/sophomores. P/NP or letter grading. Staff

Policy Studies

M116. Nuclear Weapons: Critical Decisions. (4) (Same as Honors Collegium M119.) Letter grading. M. Intriligator

Psychology

98T. Acquisition and Understanding of Expertise. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Freshmen/sophomores preferred. Experts and novices have vastly different commands of a given subject. However, ways that knowledge underlying these differences is organized are not obvious. Introduction to concepts which have been discovered in recent research, and more importantly to benefits that come from greater understanding of expertise. Letter grading. T. Kubose

Spanish

M198. Pilgrimage to Santiago de Compostela in Year 1492. (4) (Same as History M198.) Lecture, three hours; discussion, one hour. Imaginary pilgrimage to shrine of St. James in Compostela, Galicia, in northwestern Spain to provide students a multidisciplinary and multimedia introduction to cultures of Spain and of pilgrims from all parts of Europe at moment that Europe stood poised on brink of modernity. Distance Learning at UCLA

UCLA students and faculty may participate in distance learning courses with other UC campuses. Each distance learning course combines an expert instructor, a rich subject area, and interaction between students from one or more locations to provide a learning experience based on sound pedagogy and state-of-the-art technologies. Instruction is supported by electronic communication, site visits by instructors, and video conferencing with instructors and fellow students.

Distance learning classrooms are in 62-073 Center for the Health Sciences (CHS) and 285 Powell Library. The CHS facility houses a 40-seat classroom. Powell Library offers a comfortable meeting room for small classes or research projects. Instructors and students have the flexibility of media classrooms and real-time interaction with remote sites via the UC Videoconferencing Network. UCLA students can see and be seen by a number of remote class sites at once while instruction is provided from UCLA or other campuses.

For additional information contact Daytra Hansel, Distance Learning Specialist, at (310) 206-7449 or via e-mail at hansel@ucla.edu.

Sociology

208B. Social Network Methods. (4) Taught at UCLA and UCR. Letter grading. P. Bonacich (UCLA)

Field Studies/Internships

The UCLA Center for Experiential Education and Service Learning (formerly Field Studies Development) provides opportunities for junior/senior students to link hands-on experience with classroom education. Many courses and programs are offered that require fieldwork in the form of internships or community service projects. Interested students should visit 160 Powell Library (310-825-7867) to set up fieldwork for the courses listed below.

Communication Studies

185. Field Studies in Communication. (2 to 4) Limited to juniors/seniors. P/NP grading. M. Gregory

Community Health Sciences

195. Field Studies in Cancer Control. (4) Instructor consent. Letter grading. D. Morisky

Developmental Disabilities Immersion Program (DDIP): Psychology

Letters and Science Writing II Courses

The College of Letters and Science Writing II requirement can be satisfied by completing a writing course selected from a list approved by the Faculty Executive Committee. Consult the online *Schedule of Classes* (<http://www.registrar.ucla.edu/schedule/>) under "Enrollment" for the most current list of approved courses.

All of the courses listed below, except English Composition 30W and 100W, satisfy a College of Letters and Science general education requirement. Consult your college adviser for general education information.

Comparative Literature

2BW. Survey of Literature: Late Middle Ages to the 17th Century. (5) (Formerly numbered Humanities 2B.) Lecture, two hours; discussion, two hours. Enforced requisite: English Composition 3. Not open for credit to students with credit for course 1B or 4BW or former course 2B. Study of selected texts from the Middle Ages to the 17th century, with emphasis on literary analysis and expository writing. Texts may include works by authors such as Chaucer, Dante, Cervantes, Marguerite de Navarre, Shakespeare, Calderón, Molière, and Racine. Satisfies Letters and Science Writing II requirement. Letter grading.

2DW. Survey of Literature: Great Books from the World at Large. (5) (Formerly numbered Humanities 2D.) Lecture, two hours; discussion, two hours. Enforced requisite: English Composition 3. Not open for credit to students with credit for course 1D or 4DW or former course 2D. Study of major literary texts usually overlooked in courses that focus only on the canon of Western literature, with emphasis on literary analysis and expository writing. Texts from at least three of the following areas read in any given term: African, Caribbean, East Asian, Latin American, and Middle Eastern literature. Satisfies Letters and Science Writing II requirement. Letter grading.

English

4HW. Critical Reading and Writing (Honors). (5) (Formerly numbered 4H.) Lecture, four hours. Enforced requisite: English Composition 3. Not open for credit to students with credit for former course 4H. Introduction to literary analysis, with close reading and carefully written exposition of selections from principal modes of literature: poetry, prose fiction, and drama. Minimum of four papers (three to five pages each) and two in-class essays. Satisfies Letters and Science Writing II requirement. Letter grading.

4W. Critical Reading and Writing. (5) (Formerly numbered 4.) Lecture, four hours. Enforced requisite: English Composition 3. Not open for credit to students with credit for former course 4. Introduction to literary analysis, with close reading and carefully written exposition of selections from principal modes of literature: poetry, prose fiction, and drama. Minimum of four papers (three to five pages each) and two in-class essays. Satisfies Letters and Science Writing II requirement. Letter grading.

English Composition

30W. Intermediate Academic Writing: Various Topics. (5) Lecture, four hours; discussion, one hour. Enforced requisite: course 3. Theme-based interdisciplinary writing course. Assignments involve students in critical reading, application, and integration of sources. Minimum of 20 pages of revised text required. Satisfies Letters and Science Writing II requirement. Letter grading.

100W. Interdisciplinary Academic Writing. (5) (Formerly numbered 100.) Lecture, four hours. Requisite: course 3. Not open to students with credit for former course 100. Designed for sophomores/juniors/seniors. Course in academic writing suitable for both lower and upper division students that helps them develop academic papers with a range of complexity and length. Focus on conventions of academic prose and genres across the disciplines. Written assignments include common forms of academic writing such as argument, research paper, and/or critical essay. Satisfies Letters and Science Writing II requirement. Letter grading.

French

14W. Introduction to French Civilization. (5) Lecture, two hours; discussion, one hour. Enforced requisite: English Composition 3. Not open for credit to students with credit for course 14. Study of contemporary French institutions and issues in political, cultural, and socio-economic realms. Structure of and recent developments in French society. Satisfies Letters and Science Writing II requirement. Letter grading.

German

60W. War. (5) Lecture, three hours; discussion, two hours. Enforced requisite: English Composition 3. Reflection on cultural history of war — on its significance from anthropological, cultural, and philosophical perspectives rather than from perspective of political and historical gains and losses. Emphasis on World War I, a war in which political and military confrontation seemed particularly attuned to a sense of confrontationalism and scandal in cultural life. Satisfies Letters and Science Writing II requirement. Letter grading.

History

10BW. Introduction to Civilizations of Africa since 1800. (5) Lecture, three hours; discussion, two hours. Enforced requisite: English Composition 3. Not open for credit to students with credit for course 10B or 10BH. Survey of social, economic, and political developments in Africa since 1800, with focus on slave trade, imperialism and colonialism, and nationalism and independence. Attention to different ideologies (nationalism, socialism, apartheid), rural/urban tensions, changing role of women. Four papers required. Satisfies Letters and Science Writing II requirement. Letter grading.

Honors Collegium

33W. Art of Engagement. (6) (Formerly numbered 33.) Seminar, three hours; writing laboratory, two hours. Enforced requisite: English Composition 3. Not open for credit to students with credit for former course 33. Cross-curricular, cross-cultural examination of literature, art, and film as a way of discovering how writers and artists treat conflict between art as something inward and psychological and personal, and art as a vehicle of social and political import. Satisfies Letters and Science Writing II requirement. Letter grading.

Life Sciences

2W. Cells, Tissues, and Organs. (6) Lecture, four hours; discussion/laboratory, three hours (alternate weeks). Enforced requisites: Chemistry 14A or 20A or former course 10A, English Composition 3. Not open for credit to students with credit for course 2. Introduction to basic principles of cell structure, organization of cells into tissues and organs, and principles of organ systems. Satisfies Letters and Science Writing II requirement. Letter grading.

Professional Schools Seminar Program

Professional schools seminars are available to all students; however, freshmen and sophomores are preferred. Enrollment is limited to 15 to 20 students. For further information, contact the Professional Schools Seminar Program Office, 160 Powell Library, (310) 825-5467.

Dentistry

98C. Psychology of Personality Types. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. "What personality is, everybody knows, but nobody can tell." How personality impacts professional relationships and everyday life. Classic and contemporary typologies reveal how personality styles shape perception, behavior, and interaction with others. Letter grading. K. Mazey

Health Services

98H. Public Health Law and Policy: Private Rights and Social Responsibility. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Examination of legal and policy issues affecting the U.S. health care system, including legal bases for governmental actions on health, limitations on governmental powers, legal regulation of health care resources, and equity and efficiency in health care. Specific issues include health insurance, reproductive rights, mental health and the law, legal aspects of AIDS, legislative strategies to promote healthful lifestyles, and legal/ethical issues in health care. Letter grading. R. Roemer

Management

98D. Employee Participation: Labor/Management Cooperation. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Overview of change in the workplace from perspective of cooperative efforts between labor and management in decision-making process. Roles of unions, companies, and government; societal implications. P/NP or letter grading. J. McMahon, R. Schwartz

Psychiatry and Biobehavioral Sciences

98D. Violence in America. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Freshmen/sophomores preferred. Survey of scope and variety of violence in the U.S., including comparisons with other developed countries. Epidemiology of various life-threatening behaviors; consideration of possible causes and potential approaches to reduction, intervention, and prevention of both interpersonal and collective violence. Letter grading. V. Matisse

98L. Does Research Make a Difference? — Sometimes. (4) Seminar, three hours. Enforced requisite: satisfaction of Subject A requirement. Billions have been spent funding research to improve educational health care and parental practices. Examination of how well the billions have — and have not — paid off in actual improvements. Letter grading. C. Wallace

Online Course Listings

This *Schedule of Classes* is current as of publication, but course listings change daily. See <http://www.registrar.ucla.edu/schedule/> for real-time updates on closed, cancelled, and wait-list sections, time and room changes, and courses that are added that term.

Departments may post course changes at their counseling offices. In addition, department counselors with access to the Student Records System (SRS) may be able to provide real-time course information and the status of classes available during counseling sessions.

View and print your Study List on URSA OnLine or check real-time class enrollment counts and waitlist numbers. Use the Study List and Course Information submenu of URSA Telephone for information on meeting day/time, location, and exam codes.

Course Listing Format

In the class listing midsection, departments are listed alphabetically, followed by their associated subdepartments or programs in alphabetical order. Under each department, course information is presented in separate columns across the page.

CATALOG NUMBER

Courses are listed in numerical sequence within each department or subdepartment by course number. Courses 1-99 are undergraduate lower division, 100-199 are undergraduate upper division, 200-299 and 500-599 are graduate level, 300-399 are professional teacher training, and 400-499 are other professional courses.

Concurrently scheduled courses (identified by a capital C before the course number) are pairs of courses, usually within a single department or program, for which credit is given at both the undergraduate and graduate level. A capital M before the course number indicates multiple-listed courses, offered in more than one department and identified under the course title, for example, Chemistry M267 — Same as Biol Ch M267.

COURSE TITLE

Course title is the 19-character abbreviation of the course that appears on your transcript. See the *UCLA General Catalog* for the full title and description of the course.

ENF REQ — ENFORCED REQUISITES

Courses with enforced requisites are indicated with a Y; those without have an N. Undergraduates are prevented from enrolling on URSA Telephone if certain requisites have not been met (see the "Enforced Requisites" section in "Enrollment").

IM — IMPACTED COURSE (L&S students only)

The impacted course column contains a Y for courses that are impacted and is blank for courses that are not. L&S undergraduates are prevented from dropping impacted courses after the second week of a term except in exceptionally extenuating circumstances (see the "Impacted Courses" section in "Enrollment").

ID NUMBER

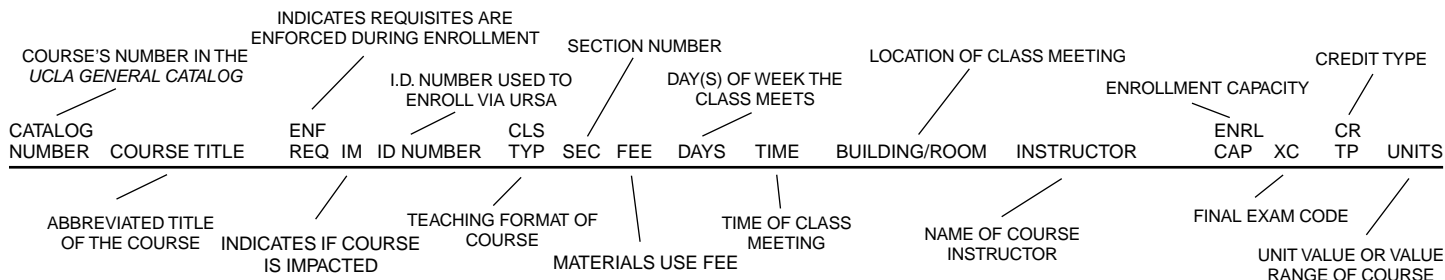

The nine-digit SRS computer I.D. number must be used for enrolling in a section. Numbers are printed only for the ENROLLMENT SECTION of the course. This section controls whether or not you are officially enrolled in the course. URSA prompts you to input the ID NUMBER for the appropriate section for enrollment and tells you if there are multiple parts, such as lecture and discussion, required. The enrollment section is generally the part of the course with the smallest enrollment capacity (discussion, laboratory, quiz, recitation) and is also called a SECONDARY section. Generally, a lecture, seminar, or tutorial is called a PRIMARY section.

CLS TYP — CLASS TYPE

Class type, also called activity type, indicates the teaching format of the course, which is defined as follows:

- LEC (Lecture) — Lectures are presented by the instructor with little or no student participation.
- Several formats involve substantial class participation, and students are often involved in the instructional process:
 - DIS (Discussion) REC (Recitation)
 - QIZ (Quiz) LIS (Listening)
 - DEM (Demonstration) SEM (Seminar)
- LAB (Laboratory) — Students carry out experiments with faculty supervision and learn the proper use of equipment and facilities.
- Two formats provide the opportunity for students to develop technical or creative skills:
 - STD (Studio) ACT (Activity)
- CLI (Clinic) — Students learn professional skills by actual practice involving patients or clients.
- FLD (Fieldwork) — Students participate in field trips in nonclassroom settings.
- TV (Televised Instruction) — All course material has been pre-recorded.

Schedule Format at a Glance

SEC — SECTION NUMBER

A course may have multiple class types that must be taken together, such as lecture and discussion or lecture and laboratory. These class types are linked and are identified by the sequence printed and numbering schemes below:

- Primary (lecture, seminar) sections are numbered sequentially (1-99). If a course has secondary sections belonging to a specific primary section (i.e., a compound class), they are numbered with the corresponding primary section number followed by a letter (A to Z). For example, for Chem 11A lecture section 1, you must choose from discussion sections 1A to 1Z. The class is listed as:
11A GENERAL CHEMISTRY ----- LEC 1
142-081-201 DIS 1A
142-081-202 DIS 1B
----- LEC 2
142-081-221 DIS 2A
142-081-222 DIS 2B

- Any section type that may be associated with several other section types is indicated by the section number prefixed with a capital M. Combinations include
 - A course with secondary (discussion, laboratory, quiz) sections associated with any of several primary sections (e.g., Chinese 2).
 - A course with multiple primary (lecture) sections and multiple secondary (both laboratory and discussion required) sections, with the laboratory section associated with any of the primary sections, such as Physics 6. These courses may have text which identifies the section type (lecture, laboratory, discussion), which is the ENROLLMENT SECTION.

FEE — MATERIALS USE FEE

The Materials Use Fee is assessed in addition to term fees for each course that you are enrolled in as of the fourth week of classes. Multiple-part class series (such as lecture, lab, and discussion), list the fee with the primary section only. It covers the price of materials and supplies used in the course and appears on your BAR statement.

DAYS

Days of the week are abbreviated as follows:

M	— Monday
T	— Tuesday
W	— Wednesday
R	— Thursday
F	— Friday
S	— Saturday
U	— Sunday
TBA	— To be arranged (time was not available at publication; contact the instructor or department)
UNSCHEd	— No regular meeting time (consult the instructor)

TIME

Courses begin and end at the time listed. Minimum class meeting time is 50 minutes. Sometimes sections have more than one meeting time, which are listed on separate lines.

BUILDING/ROOM

The meeting location of a section is indicated by the building name abbreviation followed by the room number. Multiple meeting locations are listed on separate lines.

LS 2142 — Life Sciences 2142
MS 4000A — Math Sciences 4000A
PUB POL 1343 — Public Policy Building 1343

See the "Campus Map" and the alphabetical Buildings list later in this section for building names and locations.

INSTRUCTOR

The faculty member responsible for a course is listed with last name and first initial. "The Staff" indicates an instructor was not assigned as of publication. URSA Telephone spells out instructors' names.

ENRL CAP — ENROLLMENT CAPACITY

Enrollment capacity indicates the number of students allowed to enroll in the section and is subject to departmental change. When you attempt to enroll and the capacity is full, you are informed of the wait-list size and your possible wait-list position.

XC — EXAMINATION CODE

The code number indicates the examination period for the course final, which is generally based on the meeting time of the lecture section (see "Final Examinations" later in this section). Examination code information is available through URSA Telephone. Be sure to check your examination codes prior to finals week.

Do not enroll in courses that have conflicting meeting times as this creates a conflict in examination times. You must discuss any conflict with both instructors and may have to change sections or drop the course to avoid the conflict. Faculty members may use their discretion to establish ground rules for attendance, missed examinations, late term papers, or any other means of evaluation for the course.

CR TP — CREDIT TYPE

Credit type is indicated by the following grading detail codes:

- G — Letter grade only
- PN — Passed/Not Passed
- SU — Satisfactory/Unsatisfactory
- T1, T2, T3, T4 — A two-, three-, or four-term course (In Progress) in which no credit is granted until the completion of the series.
- TP — A multiterm course with a final grade of Passed or Not Passed.
- TS — A multiterm course with a final grade of Satisfactory or Unsatisfactory.

UNITS

Unit value is the workload credit given for a course. It is generally the same as credit toward a degree, except that some courses, such as English A, AP, 2P, 3P, may have less degree credit and/or no credit toward a degree (check the course description in the *UCLA General Catalog*). **The unit value of a multiple-part class series is listed with the primary section.**

RESTRICT — RESTRICTIONS

Course restrictions **print on the line following the section entry when enrollment is restricted to certain designations** of students:

- Department Consent or Instructor Consent.** A PTE # or an approved PTE form is required. **NOTE:** Consent of department or instructor is no longer listed in the course description in the *UCLA General Catalog*. Such a restriction is subject to change by individual instructors and is only noted in the *Schedule of Classes*.
- Level.** Only students as indicated by the class level may enroll. (If the restriction is satisfied, a PTE # or an approved PTE form is not required when the section capacity has available spaces.) Levels are indicated as follows:
FR — Freshmen only
SO — Sophomores and above
JR — Juniors and above
SR — Seniors and above
GR — Graduate students only
See "Class Levels" in the "Academic Policies" section for unit breakdown for each level.
- College and/or Major.** Only students with the noted college and/or major(s) may enroll. (If the restriction is satisfied, a PTE # or an approved PTE form is not required when the section capacity has available spaces.) Thus, if a restriction reads "MATH/APP, ECON BUSINESS, BUS-ECON," the course is restricted to the specified majors.

Final Examination Policies

Final examinations, unless otherwise announced by the instructor, are held in the same room as class meetings. Examination codes are listed for each course in the print and online editions of the *Schedule of Classes*, in the Study List selections of URSA Telephone and URSA OnLine, and on the printouts of updates that are available in the forms area counter next to 1104 Murphy Hall.

An instructor's method of evaluation must be announced at the beginning of the course. Final written examinations may not exceed three hours' duration and are given only at the times and places established and published by the department chair and the Registrar's Office (Senate Regulation A-332A). No student shall be excused from assigned final examinations except as provided in the following paragraphs.

Policy on Alternate Examination Dates

In compliance with Section 92640(a) of the California Education Code, the University must accommodate requests for alternate examination dates at a time when that activity would not violate a student's religious creed. This requirement does not apply in the event that administering the test or examination at an alternate time would impose an undue hardship which could not reasonably be avoided.

Accommodation for alternate examination dates are worked out directly and on an individual basis between the student and the faculty member involved.

1. In general, students should make such requests of the instructor during the first two weeks of any given academic term, or as soon as possible after a particular examination date is announced by the instructor.
2. Students unable to reach a satisfactory arrangement with their instructor should contact the Campus Ombuds Office, 1172 Career Center, or the Office of the Dean of Students, 1206 Murphy Hall, for assistance.
3. Instructors who have questions or who wish to verify the nature of the religious event or practice involved should contact the Campus Ombuds Office or the Office of the Dean of Students for assistance.

This policy has been reviewed and approved by the Academic Senate Undergraduate Council. Faculty members should remember that while it is fully in their discretion to make arrangements with individual students for alternate examination times, including final examinations, faculty members must conduct the scheduled final examination for the class as a whole at the times and places established by the department chair and the Registrar's Office.

CHEMISTRY AND BIOCHEMISTRY

All undergraduate courses, except independent studies and other similar courses without webpages, are subject to the Instructional Enhancement Fee. See Course Materials Fees under "Miscellaneous Fees" in the "Registration" section.

Chemistry 2 is for NON-SCIENCE MAJORS ONLY. Chemistry 2 is not intended as a review before Chemistry 14A or 20A. Chemistry 17 may be used as a review before enrolling in Chemistry 14A or 20A.

	IMPACTED COURSE for L&S students: Chemistry 153L														
	For Chemistry 153L, many lectures will include a short exam; therefore, attendance at lectures is important.														
	FOR CHEMISTRY 153L, ATTENDANCE DURING THE FIRST FIFTEEN MINUTES OF EACH LAB MEETING IS MANDATORY. If you are not present, your space will be reassigned and YOU MUST drop the course.														
	YOU ARE REQUIRED TO BRING GOGGLES, LAB COAT AND LAB MANUAL TO YOUR FIRST LAB MEETING. LAB MANUALS CAN BE PURCHASED AT 20/20 COURSE READER MATERIAL AT 1141 WESTWOOD BLVD.

Korean

All undergraduate courses, except independent studies and other similar courses without webpages, are subject to the Instructional Enhancement Fee. See Course Materials Fees under "Miscellaneous Fees" in the "Registration" section.

Students who have a background in Korean and want to enroll in a Korean language (1-6 and 100ABC) course must take the Korean placement test. You will be placed in the proper level according to your score.

Students who take the test to fulfill the foreign language requirement will have their scores posted to indicate who has passed one year of the requirement and who has passed two years of the requirement.

There are no sign-ups. Show up at the test location with your UCLA ID and proof of enrollment. The test will be offered Monday, April 3, 2000, 4 to 6 p.m., in 3273 Dickson Hall.

FRENCH

All undergraduate courses, except independent studies and other similar courses without webpages, are subject to the Instructional Enhancement Fee. See Course Materials Fees under "Miscellaneous Fees" in the "Registration" section.

Enrollment in French 1 through 6 is contingent upon proper placement, as determined by the results of the departmental placement exam to be given on Wednesday, February 16, 2000, from 4 p.m. to 6 p.m. in a room to be announced.

1) Students with one or more years of high school French MUST present a placement exam score on the first day of class.

Check <http://www.registrar.ucla.edu/schedule> for daily updates

2) Students who have taken the AP exam and received a score of 3 or higher need not take the departmental placement exam, but should consult the UCLA General Catalog for credit equivalencies. 3) Students who have never had high school French may pre-enroll in French 1 without taking the placement exam, but should consult the UCLA General Catalog for credit equivalencies. 4) Transfer students who have had French at another college should check their degree progress report for credit equivalencies granted upon admission (see counselors at A316 Murphy Hall or call 825-1687). For those who miss the placement exam on February 16, it will be offered again once on Monday, April 3, 2000, from 4 to 6 p.m. in a room to be announced. After that date, the next placement exam will be offered for Fall 2000 enrollment.

All undergraduate courses, except independent studies and other similar courses without webpages, are subject to the Instructional Enhancement Fee. See Course Materials Fees under "Miscellaneous Fees" in the "Registration" section.

After the first week of classes, students may enroll in PIC classes only with permission to enroll obtained from the instructor.

PIC 1 is not open to students with credit for PIC 10A. PIC 1 and PIC 10A cannot be taken concurrently. See PIC 1S below.

PIC 1 students are asked to bring a 3 1/2" high-density floppy disk (which may be purchased from the UCLA Store) to their first discussion section.

UCLA Summer Sessions

Enrollment begins March 8

2000 Summer Sessions

Summer Sessions Office
1113 Murphy Hall

Fax: (310) 794-8160
E-mail: info@summer.ucla.edu
<http://www.summer.ucla.edu>

This special section of the Spring/Summer *Schedule of Classes* is designed to enable all UCLA students to plan a summer schedule in conjunction with their spring schedule. Detailed policy and procedure information is available in this schedule, in the summer catalog, and online.

What's New

- The Registration/Processing fee is \$300. If you drop all courses by June 23, the \$200 registration portion of the fee is refundable; the \$100 processing portion is nonrefundable. After June 23, the entire registration/processing fee is nonrefundable. If you drop all courses, you must pay the processing fee of \$100 to avoid a hold being placed on your records.
- All enrolled students who have not paid their fees in full by 5 p.m. on May 26 will be dropped from Summer Sessions courses. You are still responsible for paying the \$100 processing fee that will be charged to your Summer Sessions BAR Billing Statement.
- If you enroll after May 26, full payment is required by 5 p.m. on Friday of the week you enrolled. If payment is not posted to your account your courses may be dropped.
- A **late fee of \$100** will be assessed for each course added after the second week of each session.

How to Enroll

UCLA students can enroll in Summer Sessions courses via URSA Telephone or URSA OnLine beginning March 8 (see "URSA" for complete enrollment instructions).

Students may also fax the one-page Enrollment and Registration form (available from the Summer Sessions Office in 1113 or 1147 Murphy Hall) with charge card information to (310) 794-8160, or submit the Enrollment and Registration form in person at 1113 Murphy Hall. In-person registration and enrollment begins March 8. If you register via fax or in person, you must pay the \$100 processing fee when you submit your form, and then pay the balance of your fees according to the payment schedule.

Fees

All students, regardless of residence status, pay the same fees. The fee structure is as follows:

Registration/Processing Fee

A \$300 per student Registration /Processing fee covers registration in both sessions.

Course Fee

There is a \$100 per unit course fee for most courses. Laboratory, management, and some other courses have higher fees.

Late Fee

A **late fee of \$100** will be assessed for each course added after the second week of each session.

Fee Payment

Summer Sessions policies allow UCLA students to defer both the registration/processing and course fees when enrolling via URSA

prior to May 26, 2000. When enrolling in classes through URSA, UCLA students receive a special Summer Sessions BAR statement reflecting both the Summer Sessions Registration/Processing Fee and course fees for each course (enrolled and wait-list status). UCLA BAR statements are mailed on the first of each month and reflect all activity through the end of the previous month. If you enroll early, you have the option of making payments over time. Follow the payment schedule, making sure that the Registration/Processing fee and all course fees are paid by May 26, 2000 to avoid having your courses automatically dropped. After May 26, 2000, students are advised to make full payment via URSA OnLine or in person at the Administrative Main Cashier, 1125 Murphy Hall.

The URSA OnLine (<http://www.ursa.ucla.edu/>) BAR feature allows you to view your Summer Sessions Account activity.

Fee Payment Deadlines

When enrollment occurs (either initial enrollment or added classes) between March 8 and May 26, 2000, whether via URSA, by mail, by fax, or in person, **full payment for all courses plus the Registration/Processing fee is due by May 26 at 5 p.m.** If you fail to pay by that date, **your classes are dropped and a hold is placed on your records** according to University policy.

If you enroll beginning May 27, 2000, or add courses beginning that date, whether via URSA, by mail, by fax, or in person, **full payment for all courses plus the Registration/Processing fee is due by 5 p.m. on the Friday of the week you enrolled or added the course.** If you fail to pay by that date, **your classes may be dropped and a hold placed on your records** according to University policy.

Late payments should be made in person to the Administrative Main Cashier to ensure you receive full credit toward your summer BAR account.

Fee Payment Deadline Examples

- If you enroll in one course in Session A and one course in Session C between March 8 and May 26, full payment for courses in both sessions and the Registration/Processing fee is due by 5 p.m. on Friday, May 26, 2000.
- If you enroll in one course in Session A and one course in Session C on June 2, full payment for courses in both sessions and the Registration/Processing fee is due by 5 p.m. on Friday, June 2, 2000.

IMPORTANT! UCLA students receive a monthly Summer Sessions BAR Statement that reflects account activity as of the last business day of the month. Consequently, if you enroll after May 1, 2000, you should not wait to receive the BAR statement to make your payment to the Administrative Main Cashier, since your classes are dropped beginning May 26, 2000, if there is an outstanding balance owed for Summer Sessions. It is your responsibility to know the amount due and to pay on time. You may pay via URSA OnLine, by mail, by fax, or in person. For further assistance, contact the Summer Sessions office.

If you are unsure about the amount you owe, **check URSA OnLine, <http://www.ursa.ucla.edu/>, for a summary of your Summer Sessions account information.** (See "URSA" for detailed information about URSA OnLine.)

Note that the Summer Sessions BAR Statement is a separate account from the regular UCLA BAR Statement. You should not use your regular UCLA statement to make Summer Sessions payments, as your Summer account will not be credited and the summer courses will be dropped. **Summer Sessions payments need to be made using an "S" indicator on your payment slip.**

Refunds

The Registration/Processing fee is \$300 of which **\$100 is the nonrefundable processing fee.** The \$200 registration portion of the fee is

refunded or credited only if **all courses are dropped prior to 5 p.m. on Friday, June 23, 2000**. There is no refund of this fee if cancellation occurs after June 23, 2000.

You are entitled to a 100 percent refund of your **course** fees if you submit a Student Update Form or use URSA to formally drop the course(s) by Friday of the second week of the session. You are entitled to a 50 percent refund of your course fees if you formally drop the course(s) by Friday of the third week of each session. **No refunds are given after the third week of each session.** Refunds, less any outstanding amount owed to the University per the UCLA BAR statement, are sent to your mailing address approximately two to three weeks after a drop has been processed.

UCLA BruinCard

The UCLA BruinCard is a mandatory student identification card that is used to electronically confirm student status and eligibility for services. Cards are issued without charge to new or reentering students from the beginning to the end of their first academic term. Supportive photo identification, such as driver's license or passport, is required.

The primary benefit of the BruinCard is convenience. It is a versatile card that serves the following functions:

- Confirmation of student status
- I.D. card for faculty, staff, and students
- Residence halls access card
- Library card
- Recreation card
- Debit card (if activated) for purchases at all campus stores and restaurants
- AT&T calling card (if this feature is elected)

BruinCard centers are located in 123 Kerckhoff Hall, 107 Wilshire Center, and 150-A Sproul Hall, (310) 825-2336. To report lost or stolen cards, call (310) 206-3199.

Wait Lists

While enrollment in most courses is unlimited prior to the first day of the session, some courses have limited enrollment and are closed when filled. In some cases, however, additional students are placed on a wait list. You must resolve your wait list status during the first week of class by one of the following methods:

- Obtain a Permission to Enroll (PTE) Authorization Number from the instructor to input on URSA
- Present a signed PTE form or Student Update Form at the Summer Sessions Office
- Exchange the wait-listed course for another (through URSA or in person) prior to the end of the first week of the session
- Drop the wait-listed course (through URSA or in person)

Please note that course fees for enrolled or wait-listed courses must be paid according to the payment schedule (see "Summer Sessions Calendar") to avoid courses being automatically dropped and a hold placed according to University policy.

Add, Drop, and Change Grading Basis

You may add courses on URSA through the first two weeks of each session. However, once a session begins, URSA requires a PTE authorization number to add courses. You may also add or drop classes by using a Student Update Form, available at the Summer Sessions Office. Exchanges for a full credit are not permitted after the second week. **All in-person enrollment processing is only available at the Registrar's Office, 1113 Murphy Hall.**

You may drop courses using URSA through the fourth week for six-week courses, through the sixth week for eight-week courses, through the seventh week for nine-week courses, and through the

eighth week for ten-week courses. Grading basis changes can be done on URSA through the fourth week for six-week course, through the fifth week for eight-week courses, and through the sixth week for nine- and ten-week courses.

If any change affects your fee, you are assessed the appropriate amount by BAR. Full payment is due according to the payment schedule detailed in the "Summer Sessions Calendar" in this section. If you exceed your study load limit, it is your responsibility to obtain approval from your respective school or college.

DROP NOTE: You are not dropped from a course or relieved of financial responsibility if you fail to attend classes, reverse your credit card charges, stop payment on your registration check, or if your check is not honored by the bank. You must officially drop your course through the Summer Sessions Office or on URSA, and the balance owed is calculated according to the refund schedule (see "Summer Sessions Calendar").

Summer Degree Candidates

Students who expect to complete the UCLA degree requirements during Summer Sessions must file for degree candidacy through URSA no later than July 7. This must be done by the time you complete 160 units (172 units for Engineering students) or a late candidacy fee is charged to your BAR account. Declaration of candidacy after second week may result in a degree award date for the following term and additional candidacy penalty fees.

If you have questions about your degree candidacy status, inquire as follows: Letters and Science at A316 Murphy Hall; Arts and Architecture at 1100 Dickson Art Center; Engineering at 6426 Boelter Hall; Nursing at 2-200 Factor Building; Theater, Film, and Television at 103 East Melnitz Building.

Degrees awarded in summer are dated September 15, 2000.

Final Transcript

Official transcripts, including your graduation date, should be available within seven weeks after the end of the term. If you require earlier proof of graduation, contact your degree auditor (see the Registrar's Services Guide in "Student Services" for the phone number of your respective school or college degree auditor).

Courses dropped before a session ends do not appear on your transcript; however, changes made after the session ends **do appear** on your transcript.

Final Examinations

The final examination is usually given during the last scheduled class meeting. When a course requires a final examination, there can be no individual exemptions.

Housing

On-campus housing is available during Summer Sessions on a first-come, first-served basis. Detailed housing information is available in the *Summer Sessions Catalog* or at <http://www.housing.ucla.edu>

Parking

Parking permits for Summer Sessions go on sale May 1 at Parking Services, 555 Westwood Plaza. Permits are sold on a first-come, first-served basis. Proof of Summer Sessions Registration/Enrollment is required in order to purchase a Summer parking permit.

Recreation

Enrollment in Summer Sessions and your BruinCard are your keys to UCLA's recreational activities and facilities during the summer.

Academic Counseling

New undergraduates are encouraged to obtain counseling prior to enrollment in classes and are required to do so by the School of Engineering and Applied Science. See the list below for the names and contact numbers for your departmental or school advisers.

Arts and Architecture (310) 206-3564

Engineering and Applied Science (310) 825-2826

Nursing (310) 825-7181

Theater, Film, and Television (310) 825-5761

Letters and Science (310) 825-3382

L&S Counseling Services

The College of Letters and Science offers a wide range of academic counseling assistance to its students, including

1. Assistance with program planning
2. Assessment of degree requirements
3. Help in choosing a major
4. Counseling regarding scholastic difficulty
5. Discussion of options and alternatives
6. Group counseling sessions on specific topics
7. Requests for exceptions to regulations
8. Prehealth and prelaw open counseling sessions
9. Counseling Assistants (CAs) — graduate students from various academic departments who assist undergraduates in selecting courses and majors throughout their first and second years at UCLA. CAs also advise students who are interested in graduate school.

To schedule a same-day appointment, visit the Letters and Science Counseling Service, A316 Murphy Hall, Monday through Friday, 8:30 a.m. to 4:30 p.m.

ASK Peer Counselors

ASK Peer Counselors are available weekdays to answer brief questions and make referrals at five different campus locations: Campbell Hall (southwest corner), Franz Hall/Career Center, and Royce Quad from 10 a.m. to 2 p.m., A316C Murphy Hall (ASK Web Lab) from 10 a.m. to 3 p.m., and adjacent to 1104 Murphy Hall from 10 a.m. to 4 p.m. You can also e-mail questions to ASK@college.ucla.edu.

L&S Academic Advancement Program

Academic Advancement Program (AAP) counselors work with AAP students to plan their academic programs, monitor their progress toward a degree, provide them with information about different majors' requirements and prerequisites, and discuss graduate school and career options. AAP counselors also encourage students to explore their talents and abilities, are there to listen to students, and talk with them about academic and personal problems. For AAP students who entered UCLA fall 1994 or later, AAP counselors have full signature authority as professional L&S counselors. AAP students' official folders are housed in 1209 Campbell Hall, where petitions and other official paperwork must be submitted. Appointments are made in person weekdays 9 a.m. to 1 p.m. in 1209 Campbell Hall; appointments by phone are taken 1-3 p.m. at (310) 825-1481.

AAP Peer Counseling

AAP Peer Counseling consists of 19 advanced standing undergraduate peer counselors who work under the direct supervision of a professional counselor. Peer Counselors work with entering students and support them in the transition from high school or community col-

lege to UCLA. They focus on the students' adjustment to university life and refer them to both AAP and campus resources and services. Peer Counselor appointments for entering students can be made in person or by phone weekdays 9 a.m. to 3 p.m. in 1228 Campbell Hall, (310) 206-1572.

L&S Honors Programs

L&S Honors Programs offers a curriculum of Honors courses as well as counseling and services to students in College Honors, Honors Collegium, Departmental Scholar Program, Individual Major Program, and students going on or returning from Education Abroad. Counselors are available to help with program planning, choosing a major, planning for graduate school, and many other academic concerns. Students in College Honors may also be eligible for letters of verification, heavier course loads, and courses by examination. Obtain information on these programs and services, as well as individual appointments, in A311 Murphy Hall, (310) 825-1553.

Official Notices

The Office of the Dean of Students publishes "Official Notices" in the *Daily Bruin* at various times during the year. Such notices are important, and *all students are held responsible* for the information in them.

Official Publications

Students are responsible for observing procedures and deadlines as published by the Registrar in the following:

1. *UCLA General Catalog*. The print edition of the catalog is issued biennially and is for sale in the UCLA Store for \$6.00. To obtain a copy by mail, contact the UCLA Store at (310) 825-6064. The online edition is at <http://www.registrar.ucla.edu/catalog/>. Online program and course updates are at <http://www.registrar.ucla.edu/catalog/update/>.
2. *Schedule of Classes*. The quarterly publication of courses offered, campus calendar, and campus procedures and policies for the term is sold in the UCLA Store, Ackerman Union. To obtain a copy by mail, contact the UCLA Store at (310) 825-6064. The online edition is at <http://www.registrar.ucla.edu/schedule/>.

Nondiscrimination

The University of California, in accordance with applicable Federal and State Laws and University Policies, does not discriminate on the basis of race, color, national origin, religion, sex, disability, age, medical condition (cancer-related), ancestry, marital status, citizenship, sexual orientation, or status as a Vietnam-era veteran or special disabled veteran. The University also prohibits sexual harassment. This nondiscrimination policy covers admission, access, and treatment in University programs and activities.

Inquiries regarding the University's student-related nondiscrimination policies may be directed to the UCLA Campus Counsel, 3149 Murphy Hall, Box 951405, Los Angeles, CA 90095-1405, (310) 825-4042. Speech- and hearing-impaired persons may call TTY (310) 206-6083.

Inquiries regarding nondiscrimination on the basis of disability covered by the Americans with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act of 1973 may be directed to Dr. Douglas Martin, Special Assistant to the Chancellor/Coordinator of ADA and 504 Compliance, A239 Murphy Hall, UCLA, Box 951405, Los Angeles, CA 90095-1405, voice (310) 825-2242, TTY (310) 206-3349; <http://www.saonet.ucla.edu/ada.htm>.

Students may complain of any action which they believe discriminates against them on the ground of race, color, national origin, marital status, sex, sexual orientation, disability, or age and may contact the Office of the Dean of Students, 1206 Murphy Hall, and/or refer to Section 111.00 of the *University of California Policies Applying to Campus Activities, Organizations, and Students* (available in 1206 Murphy Hall) for further information and procedures.

Student Conduct Policies

Students are members of both society and the academic community with attendant rights and responsibilities. Students are expected to comply with the general law, University policies, and campus regulations.

A. Jurisdiction

The University shall have jurisdiction over student conduct that occurs on University property, or in connection with official University functions whether on or off University property. Although the University will not routinely invoke its disciplinary processes over student conduct that occurs off campus except in connection with an official University function, the University shall have discretion to exercise jurisdiction over conduct that occurs off campus and that would violate

student conduct and discipline policies or regulations if the conduct had occurred on campus when:

1. The alleged misconduct indicates the student poses a threat to the safety or security of any member(s) of the University community; or
2. The alleged misconduct involves academic work or the forgery, alteration, misuse of any University document, record, key, electronic device, or identification.

Specifically, the University may choose to exercise jurisdiction over off-campus incidents under section (1) above where the alleged misconduct involves:

- a. Physical abuse, including but not limited to, rape, sexual assault, sex offenses, and other physical assault; threats of violence; or conduct that threatens the health or safety of any person;
- b. Stalking (as defined in Section 102.10 of the University of California Policies Applying to Campus Activities, Organizations, and Students);
- c. Sexual harassment (as defined in Section 102.09 of the University of California Policies Applying to Campus Activities, Organizations, and Students);
- d. Hazing or any method of initiation or pre-initiation into a campus organization or any activity engaged in by the organization or members of the organization which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm to any student or other person.

In determining whether or not to exercise off-campus jurisdiction in cases under section (1) above, the University will consider the seriousness of the alleged misconduct; whether the alleged victim is a member of the campus community; the ability of the University to gather evidence, including the testimony of witnesses; or whether the off-campus conduct is part of a series of actions that occurred both on and off campus.

This section is intended only to provide guidance for the exercise of discretion by the University in invoking its jurisdiction over conduct that occurs off campus. It may not be relied upon by any student charged under this section to create any rights, substantive or procedural, or as a basis for a challenge to the exercise of the University's jurisdiction.

B. Grounds for Discipline

The Chancellor may impose discipline for violation of, or an attempt to violate any University policies or campus regulations. The lack of intent to commit a violation is not a factor in determining if a violation occurred; however, the lack of intent may be considered a mitigating factor in determining the appropriate sanction if it has been determined that a violation has occurred. Violations or attempted violations include, but are not limited to, the following types of misconduct (note that the following section numbers 102.01 through 102.25 are adapted from the University of California Policies Applying to Campus Activities, Organizations, and Students):

C. Types of Misconduct

102.01: Academic Dishonesty. All forms of academic misconduct, including but not limited to, cheating, fabrication, plagiarism, or facilitating academic dishonesty.

For the purposes of this Code, the following definitions apply:

102.01a: Cheating. Cheating includes, but is not limited to, the use of unauthorized materials, information or study aids in any academic exercise; or, helping another student commit an act of academic fraud; or, the failure to observe the expressed procedures or instructions of an academic exercise, e.g., examination

instructions regarding alternate seating or conversation during an examination.

102.01b: Fabrication. Fabrication includes, but is not limited to, falsification or invention of any information or citation in an academic exercise.

102.01c: Plagiarism. Plagiarism includes, but is not limited to, the use of another's words or ideas as if they were one's own; including, but not limited to representing, either with the intent to deceive or by the omission of the true source, part of or an entire work produced by someone other than the student, obtained by purchase or otherwise, as the student's original work; or, representing the identifiable but altered ideas, data or writing of another person as if those ideas, data or writing were the student's original work.

102.01d: Multiple Submissions. Multiple submissions includes, but is not limited to, the resubmission by a student of any work which has been previously submitted for credit in identical or similar form in one course to fulfill the requirements of a second course, without the informed permission/consent of the instructor of the second course; or, the submission by a student of any work submitted for credit in identical or similar form in one course to fulfill the requirements of a concurrent course, without the permission/consent of the instructors of both courses.

102.02: Other Forms of Dishonesty. Other forms of dishonesty, including but not limited to, fabricating information or knowingly furnishing false information or reporting a false emergency to the University or to University officials acting in the performance of their duties.

102.03: Forgery. Forgery, alteration, or misuse of any University document, record, key, electronic device, or identification. Section 102.03 applies to any individual for whom the University maintains records, regardless of current student status.

102.04: Theft. Theft of, conversion of, misappropriation of, or damage to or destruction of, any property of the University or property of others while on University premises or at official University functions; or possession of any property of the University or others stolen while on University premises or at official University functions.

102.05: Computers. Theft or other abuse of computing facilities or computer time, including but not limited to: unauthorized entry into a file to use, read, or change the contents or for any other purpose; unauthorized transfer of a file; unauthorized use of another individual's identification or password; use of computing facilities to interfere with the work of another student, faculty member, or University official; use of computing facilities to interfere with a University computing system.

Violation of the University of California Electronic Mail Policy (available on the internet at: <http://www.ucop.edu/ucophome/policies/email/>), or of any UCLA acceptable or allowable use policy, will also be considered a violation of Section 102.05.

102.06: Unauthorized Conduct. Unauthorized possession of, receipt of, duplication of, or use of the University's name, insignia, or seal. Unauthorized entry to, possession of, receipt of, or use of any University properties, equipment, resources, or services.

Selling or distributing course lecture notes, handouts, readers or other information provided by an instructor, or using them for any commercial purpose, without the express permission of the instructor.

102.07: University-Owned Housing. Violation of policies, regulations, or rules governing University-owned or -operated housing facilities or leased housing facilities located on University property.

102.08: Physical Abuse. Physical abuse, including but not limited to, rape, sexual assault, sex offenses, and other physical assault; threats of violence; or conduct that threatens the health or safety of any person.

102.08a: Rape. For the purposes of this Code, rape refers to "rape" as defined by the California Penal Code (as it may be amended from time to time). Among other acts, the Penal Code prohibits the following acts, which are summarized below:

1. Sexual intercourse against a person's will accomplished by force or threats of bodily injury.
2. Sexual intercourse against a person's will where the person has reasonable fear that she (or he) or another will be injured if she (or he) does not submit to the intercourse.
3. Sexual intercourse where the person is incapable of giving consent, or is prevented from resisting, due to alcohol or drugs, and this condition was known, or reasonably should have been known by the accused.
4. Sexual intercourse where the person is incapable of resisting because she (or he), at the time, is unconscious or asleep, and this is known to the accused.

102.08b: Sexual Assault. The act of sexual assault includes: forced sodomy (anal intercourse); forced oral copulation (oral-genital contact); rape by foreign object (forced penetration by a foreign object, including a finger); and sexual battery (the unwanted touching of an intimate part of another person for the purpose of sexual arousal). These also include situations when the accused sexually assaults a complainant incapable of giving consent, including where the complainant is prevented from resisting due to alcohol or drugs and this condition was known, or reasonably should have been known by the accused.

NOTE: For the purpose of this regulation, students should understand that:

1. Forced intercourse, or other unwanted sexual contact, is defined as rape or sexual assault whether the assailant is a stranger or an acquaintance of the complainant.
2. Intoxication of the assailant shall not diminish the assailant's responsibility for sexual assault.

102.09: Sexual Harassment. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- a. submission to such conduct is made either explicitly or implicitly a term or condition of instruction, employment, or participation in other University activity;
- b. submission to or rejection of such conduct by an individual is used as a basis for evaluation in making academic or personnel decisions affecting an individual; or
- c. such conduct has the purpose or effect of unreasonably interfering with an individual's performance or creating an intimidating, hostile, or offensive University environment.

In determining whether the alleged conduct constitutes sexual harassment, consideration shall be given to the record of the incident as a whole and to the totality of the circumstances, including the context in which the alleged incidents occurred.

102.10: Stalking. Stalking behavior in which an individual willfully, maliciously, and repeatedly engages in a knowing course of conduct directed at a specific person which reasonably and seriously alarms, torments, or terrorizes the person, and which serves no legitimate purpose.

102.11: "Fighting Words." The use of "fighting words" by students to harass any person(s) on University property, on other property to which these policies apply, or in connection with official University functions or University-sponsored programs.

"Fighting words" are those personally abusive epithets which, when directly addressed to any ordinary person are, in the context used and as a matter of common knowledge, inherently likely to provoke a violent reaction whether or not they actually do so. Such words include, but are not limited to, those terms widely recognized to be derogatory references to race, ethnicity, religion, sex, sexual orientation, disability, and other personal characteristics. "Fighting words" constitute "harassment" when the circumstances of their utterance create a hostile and intimidating environment which the student uttering them should reasonably know will interfere with the victim's ability to pursue effectively his or her education or otherwise to participate fully in University programs and activities.

102.12: Hazing. Hazing or any method of initiation or pre-initiation into a campus organization or any activity engaged in by the organization or members of the organization which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm to any student or other person.

102.13: Obstruction or Disruption. Obstruction or disruption of teaching, research, administration, disciplinary procedures, or other University activities.

102.14: Disorderly Conduct. Disorderly or lewd conduct.

102.15: Disturbing the Peace. Participation in a disturbance of the peace or unlawful assembly.

102.16: Failure to Comply. Failure to identify oneself to, or comply with directions of, a University official or other public official acting in the performance of their duties while on University property or at official University functions, or resisting or obstructing such University or other public officials in the performance of or the attempt to perform their duties.

102.17: Controlled Substances. Unlawful manufacture, distribution, dispensing, possession, use, or sale of, or the attempted manufacture, distribution, dispensing, or sale of controlled substances, identified in Federal and State law or regulations.

102.18: Alcohol. Manufacture, distribution, dispensing, possession, use, or sale of, or the attempted manufacture, distribution, dispensing, or sale of alcohol which is unlawful or otherwise prohibited by, or not in compliance with, University policy or campus regulations.

102.19: Destructive Devices. Possession, use, storage, or manufacture of explosives, firebombs, or other destructive devices.

102.20: Weapons. Except as expressly permitted by law, possession, use, storage, or manufacture of a firearm or other weapon capable of causing bodily injury.

102.21: Violation of Disciplinary Conditions. Violation of the conditions contained in the terms of a disciplinary action imposed under this Code.

102.22: Violation of Emergency or Interim Suspension Conditions. Violation of the conditions contained in a written Notice of Emergency or Interim Suspension issued pursuant to Section IV. of this Code.

102.23: Violation of Campus Restraining Order. Violation of the conditions contained in a written Campus Restraining Order issued pursuant to Section III.A.2.a.(1) of this Code.

102.24: University Properties. Using University properties for the purpose of organizing or carrying out unlawful activity.

102.25: Violations of Law. Violation of Federal, State or local laws.

Rape and Other Forms of Sexual Assault

UCLA does not tolerate sexual assault in any form, including acquaintance or date rape. Where there is probable cause to believe that the campus regulations prohibiting sexual assault have been violated, the campus pursues disciplinary actions which may include sanctions up to and including dismissal from the University.

A student charged with sexual assault can be prosecuted under California criminal statutes *and* disciplined under the campus student conduct policies and regulations. Even if the criminal justice authorities choose not to prosecute, the campus can pursue disciplinary action.

Definitions

A student who individually, or in concert with others, participates in any of the following misconduct is subject to University discipline (refer to the *University of California Policies Applying to Campus Activities, Organizations, and Students* which is available from the Office of the Dean of Students, 1206 Murphy Hall, and at <http://www.sao-net.ucla.edu/dos/>). The following language describes specific conduct which, at UCLA, may subject a student to University discipline:

For detailed definitions of rape and sexual assault, refer to Sections 102.08a and 102.08b of the Student Conduct Policies listed above.

If a Person Has Been Raped or Sexually Assaulted

Those who believe that they are the victims of rape or other forms of sexual assault should

1. **Immediately call the police department.** If possible, call 911 or the UCLA Police Department at (310) 825-1491; see <http://www.ucpd.ucla.edu>.
2. **Get medical attention.** Campus police will provide transportation to the Santa Monica UCLA Medical Center Emergency Room for emergency medical treatment and evidence collection. A counselor from the Santa Monica Rape Treatment Center will be available at that time, free of charge.

Utilize campus and community support services:

1. **Contact a Rape Services Consultant (RSC)** at the Women's Resource Center. RSCs have expertise in working with victims of rape or sexual assault. They can discuss options and alternatives, help identify the most appropriate support services, and provide information about medical care, psychological counseling, academic assistance, legal options, how to file a police report, and how to file a complaint through the Office of the Dean of Students. RSCs are available to assist UCLA faculty, staff, and students regardless of where or when the assault occurred. For assistance, contact the Women's Resource Center at (310) 206-8240 or go to 2 Dodd Hall and ask to speak to an RSC.
2. **Contact the Rape Treatment Center** at Santa Monica UCLA Medical Center (310-319-4000) for free emergency medical treatment and counseling services.

Campus Discipline Process When the Assailant Is a Student

Those who believe that they are the victims of rape or other forms of sexual assault by a student on University properties or in conjunction with an official University function may file a complaint directly with the Office of the Dean of Students, 1206 Murphy Hall.

Cases referred to the Office of the Dean of Students will be treated under the hearing procedures set forth in the *UCLA Student Conduct Code*. Where the allegation is of rape or other forms of sexual assault, and the case is referred to the Student Conduct Committee, the following *additional* procedures shall apply:

1. The complainant shall be entitled, for support, to have up to two persons of the complainant's choice accompany the complainant to the hearing. A support person may be called as a witness, and the fact that he or she is to act as a witness shall not preclude that person's attendance throughout the entire hearing. If a support person is also a witness, the committee chair (or the hearing officer) may require him or her to testify before the complainant. Neither of these persons shall be entitled to represent or defend the complainant. Similar rights shall be afforded to the accused student.
2. The complainant shall have the right to be present during the entire hearing, notwithstanding the fact that the complainant is to be called as a witness.
3. Evidence of the complainant's past sexual history, including opinion evidence, reputation evidence, and evidence of specific instances of the complainant's sexual conduct, shall not be admissible by the accused student unless the committee chair or hearing officer makes a specific finding of relevance after an offer of proof by the accused student. Under no circumstances is past sexual history admissible to prove consent. The offer of proof must be made and resolved by the panel before the complainant testifies.
4. The hearing shall be closed to spectators.

Harassment

Sexual Harassment

Every member of the campus community should be aware that the University is strongly opposed to sexual harassment and that such behavior is prohibited both by law and by University policy.

Definition

For a detailed definition of sexual harassment, refer to Section 102.09 of the Student Conduct Policies listed above.

Complaint Resolution

Experience has demonstrated that many complaints of sexual harassment can be effectively resolved through informal intervention. Individuals who experience what they consider to be sexual harassment are advised to confront the alleged offender immediately and firmly.

Additionally, an individual who believes that she or he has been sexually harassed may contact the alleged offender's supervisor and/or a Sexual Harassment Information Center counselor for help and information regarding sexual harassment complaint resolution or grievance procedures at one of the locations listed below as determined by the complainant's status at the University at the time of the alleged incident:

1. Campus Ombuds Office, 1172 Career Center, (310) 825-7627, <http://www.saonet.ucla.edu/ombuds/> (for faculty, staff, and students). April 2000, the Ombuds Office moves to the Strathmore Building at 501 Westwood Plaza.
2. Women's Resource Center, 2 Dodd Hall, (310) 825-3945 (for faculty, staff, and students)
3. Office of Residential Life, Residential Life Building, (310) 825-3401, <http://www.orl.ucla.edu> (for students)
4. Office of International Students and Scholars, 106 Bradley Hall, (310) 825-1681, <http://www.saonet.ucla.edu/intl/> (for international students)
5. Student Psychological Services, 4223 Math Sciences, (310) 825-0768, or A3-062 Center for the Health Sciences, (310) 825-7985, <http://www.saonet.ucla.edu/sps.htm> (for students)
6. Office of Vice Chancellor — Academic Personnel, 2147 Murphy Hall, (310) 206-9345 (for faculty, including non-Senate academic appointees and student academic appointees when acting in the capacity of their non-Senate appointments)

8. Medical Center Human Resources Office, 924 Westwood Boulevard (Bank of America Building), Suite 200, (310) 794-0500, (for Medical Center staff employees and students when acting in the capacity of their staff appointments)
9. UCLA Extension Dean's Office, 770 UCLA Extension (UNEX), (310) 825-5603 (for UCLA Extension faculty, staff employees, and students)

Other Forms of Harassment

The University strives to create an environment which fosters the values of mutual respect and tolerance and is free from discrimination based on race, ethnicity, sex, religion, sexual orientation, disability, age, and other personal characteristics. Certainly harassment, in its many forms, works against those values and often corrodes a person's sense of worth and interferes with one's ability to participate in University programs or activities. While the University is committed to the free exchange of ideas and the full protection of free expression, the University also recognizes that words can be used in such a way that they no longer express an idea, but rather injure and intimidate, thus undermining the ability of individuals to participate in the University community. The *University of California Policies Applying to Campus Activities, Organizations, and Students* (hereafter referred to as

Policies) presently prohibit a variety of conduct by students which, in certain contexts, may be regarded as harassment or intimidation.

For example, harassing expression which is accompanied by physical abuse, threats of violence, or conduct that threatens the health or safety of any person on University property or in connection with official University functions may subject an offending student to University discipline under the provisions of Section 102.08 of the *Policies*.

Similarly, harassing conduct, including symbolic expression, which also involves conduct resulting in damage to or destruction of any property of the University or property of others while on University premises may subject a student violator to University discipline under the provisions of Section 102.04 of the *Policies*.

Further, under specific circumstances described in the *University-wide Student Conduct Harassment Policy*, students may be subject to University discipline for misconduct which may consist solely of expression. Copies of this *Policy* are available in the Office of the Dean of Students, 1206 Murphy Hall, or in any of the Harassment Information Centers listed below:

1. Campus Ombuds Office, 1172 Career Center, (310) 825-7627, <http://www.saonet.ucla.edu/ombuds/>. April 2000, the Ombuds Office moves to the Strathmore Building at 501 Westwood Plaza

Complaint Resolution

One of the necessary measures in our efforts to assure an atmosphere of civility and mutual respect is the establishment of procedures which provide effective informal and formal mechanisms for those who believe that they have been victims of any of the above misconduct.

Many incidents of harassment and intimidation can be effectively resolved through informal means. For example, an individual may wish to confront the alleged offender immediately and firmly. An individual who chooses not to confront the alleged offender and who wishes help, advice, or information is urged to contact any of the Harassment Information Centers listed immediately above.

In addition to providing support for those who believe they have been victims of harassment, Harassment Information Centers offer persons the opportunity to learn about the phenomena of harassment and intimidation; to understand the formal and informal mechanisms by which misunderstandings may be corrected and, when appropriate, student perpetrators may be disciplined; and to consider which of the available options is the most useful for the particular circumstances.

With regard to the *Universitywide Student Conduct Harassment Policy*, complainants should be aware that not all conduct which is offensive may be regarded as a violation of this *Policy* and may, in fact, be protected expression. Thus, the application of formal institutional discipline to such protected expression may not be legally permissible. Nevertheless, the University is committed to reviewing any complaint of harassing or intimidating conduct by a student and intervening on behalf of the complainant to the extent possible.

Disclosure of Student Records

Pursuant to the Federal Family Educational Rights and Privacy Act, the California Education Code, and the University of California Policies Applying to the Disclosure of Information from Student Records, students at UCLA have the right to

1. Inspect and review records pertaining to themselves in their capacity as students, except as the right may be waived or qualified under Federal and State Laws and University Policies
2. Have withheld from disclosure, absent their prior consent for release, personally identifiable information from their student records, except as provided by the Federal and State Laws and the University Policies
3. Inspect records maintained by UCLA of disclosures of personally identifiable information from their student records
4. Seek correction of their student records through a request to amend the records or, if such request is denied, through a hearing
5. File complaints with the U.S. Department of Education regarding alleged violations of the rights accorded them by the Federal Act

UCLA, in accordance with the Federal and State Laws and the University Policies, has designated the following categories of personally identifiable information as "public information" which UCLA may release and publish without the student's prior consent: name, address (local/mailling, permanent, and/or e-mail), telephone numbers, major field of study, dates of attendance, number of course units in which enrolled, degrees and honors received, the most recent previous educational institution attended, participation in officially recognized activities (including intercollegiate athletics), and the name, weight, and height of participants on intercollegiate athletic teams.

Students who do not wish certain items (i.e., name, local/mailling, permanent, and/or e-mail address, telephone numbers, major field of study, dates of attendance, number of course units in which enrolled, and degrees and honors received) of this "public information" released and published may so indicate through URSA OnLine (<http://www.ursa.ucla.edu/>). To restrict the release and publication of the additional items in the category of "public information," complete the Decline to Release form available from the Enrollment and Degree Services, 1113 Murphy Hall.

Student records which are the subject of the Federal and State Laws and the University Policies may be maintained in a variety of offices, including the Registrar's Office, Office of the Dean of Students, UCLA Career Center, Graduate Division, and the offices of a student's college or school and major department. Students are referred to the *UCLA Campus and CHS Directory* which lists all the offices that may maintain student records, together with their campus address and telephone number. Students have the right to inspect their student records in any such office subject to the terms of the Federal and State Laws and the University Policies. Inspection of student records maintained by the Registrar's Office is by appointment only. Call (310) 206-0482 or inquire at Academic Record Services, 1134 Murphy Hall.

A copy of the Federal and State Laws, the University Policies, and the *UCLA Campus and CHS Directory* may be inspected in the office of the Information Practices Coordinator, 500 UCLA Wilshire Center. Information concerning students' hearing rights may be obtained from that office and from the Office of the Dean of Students, 1206 Murphy Hall.

In addition to the public information described above, information related to students' Social Security number, sex, and marital status, and the name(s), address(es), and telephone number(s) of their parents or next of kin are made available to the UCLA External Affairs Department for use in alumni, development, and public relations activities. To restrict the release of this additional information, complete a Request for University Relations Information Restriction form available from the Enrollment and Degree Services, 1113 Murphy Hall.

Emergencies

You should become familiar with safety instructions posted in classrooms, labs, and other campus facilities. Be prepared to respond safely and appropriately to a fire, earthquake, toxic spill, or accident.

At UCLA, 911 is the "all-purpose" emergency phone number. You do not need to dial an outside line from a campus phone, and you do not need any coins to dial 911 from a pay phone. When you call 911, try to remain calm and do not hang up until you answer all of the operator's questions.

You may also obtain general instructions during a major emergency by calling the 24-hour emergency hotline at 1-800-900-UCLA and by listening to the UCLA emergency radio at AM810. See <http://www.ehs.ucla.edu> for more information.

Here are some general guidelines for specific emergencies:

Earthquake

When an earthquake hits, take cover immediately. If you are indoors, get under a desk or table, or between seating rows in a lecture hall. **DO NOT RUN OUTSIDE.** If you are in a hallway or if you are outside, move to an open area quickly and drop to the ground, covering your head and neck as best you can. If you are in your car, stop carefully and stay in the car.

After the shaking stops, check for injuries. Do not use telephones for personal calls, as this overloads phone lines and prevents emergency personnel from reporting injuries. After a severe quake at UCLA, department heads and emergency coordinators will lead building evacuations. Do not use elevators. Go to campus evacuation areas, which are wide open spaces like the quads, athletic fields, and uncovered parking lots (see Campus Evacuation Map on next page). Wait for instructions before entering buildings or parking structures. Refrain from spreading rumors and do not go sightseeing. Remain calm and help others.

You can learn more about earthquakes by accessing the Southern California Earthquake Center at <http://sceec.ess.ucla.edu/>

Fire

If you see a fire, close the door where the fire is located, activate the nearest alarm, and call 911. When you sound the alarm or hear the alarm signal, get out of the building as quickly and calmly as possible. Do not use the elevators. Do not reenter the building until the all-clear signal has been given by emergency personnel.

UCLA does not expect students or employees to fight fires. Use a fire extinguisher only if you have had the training and you feel it is safe to do so. Be aware of campus fire alarm and extinguisher locations before a fire occurs.

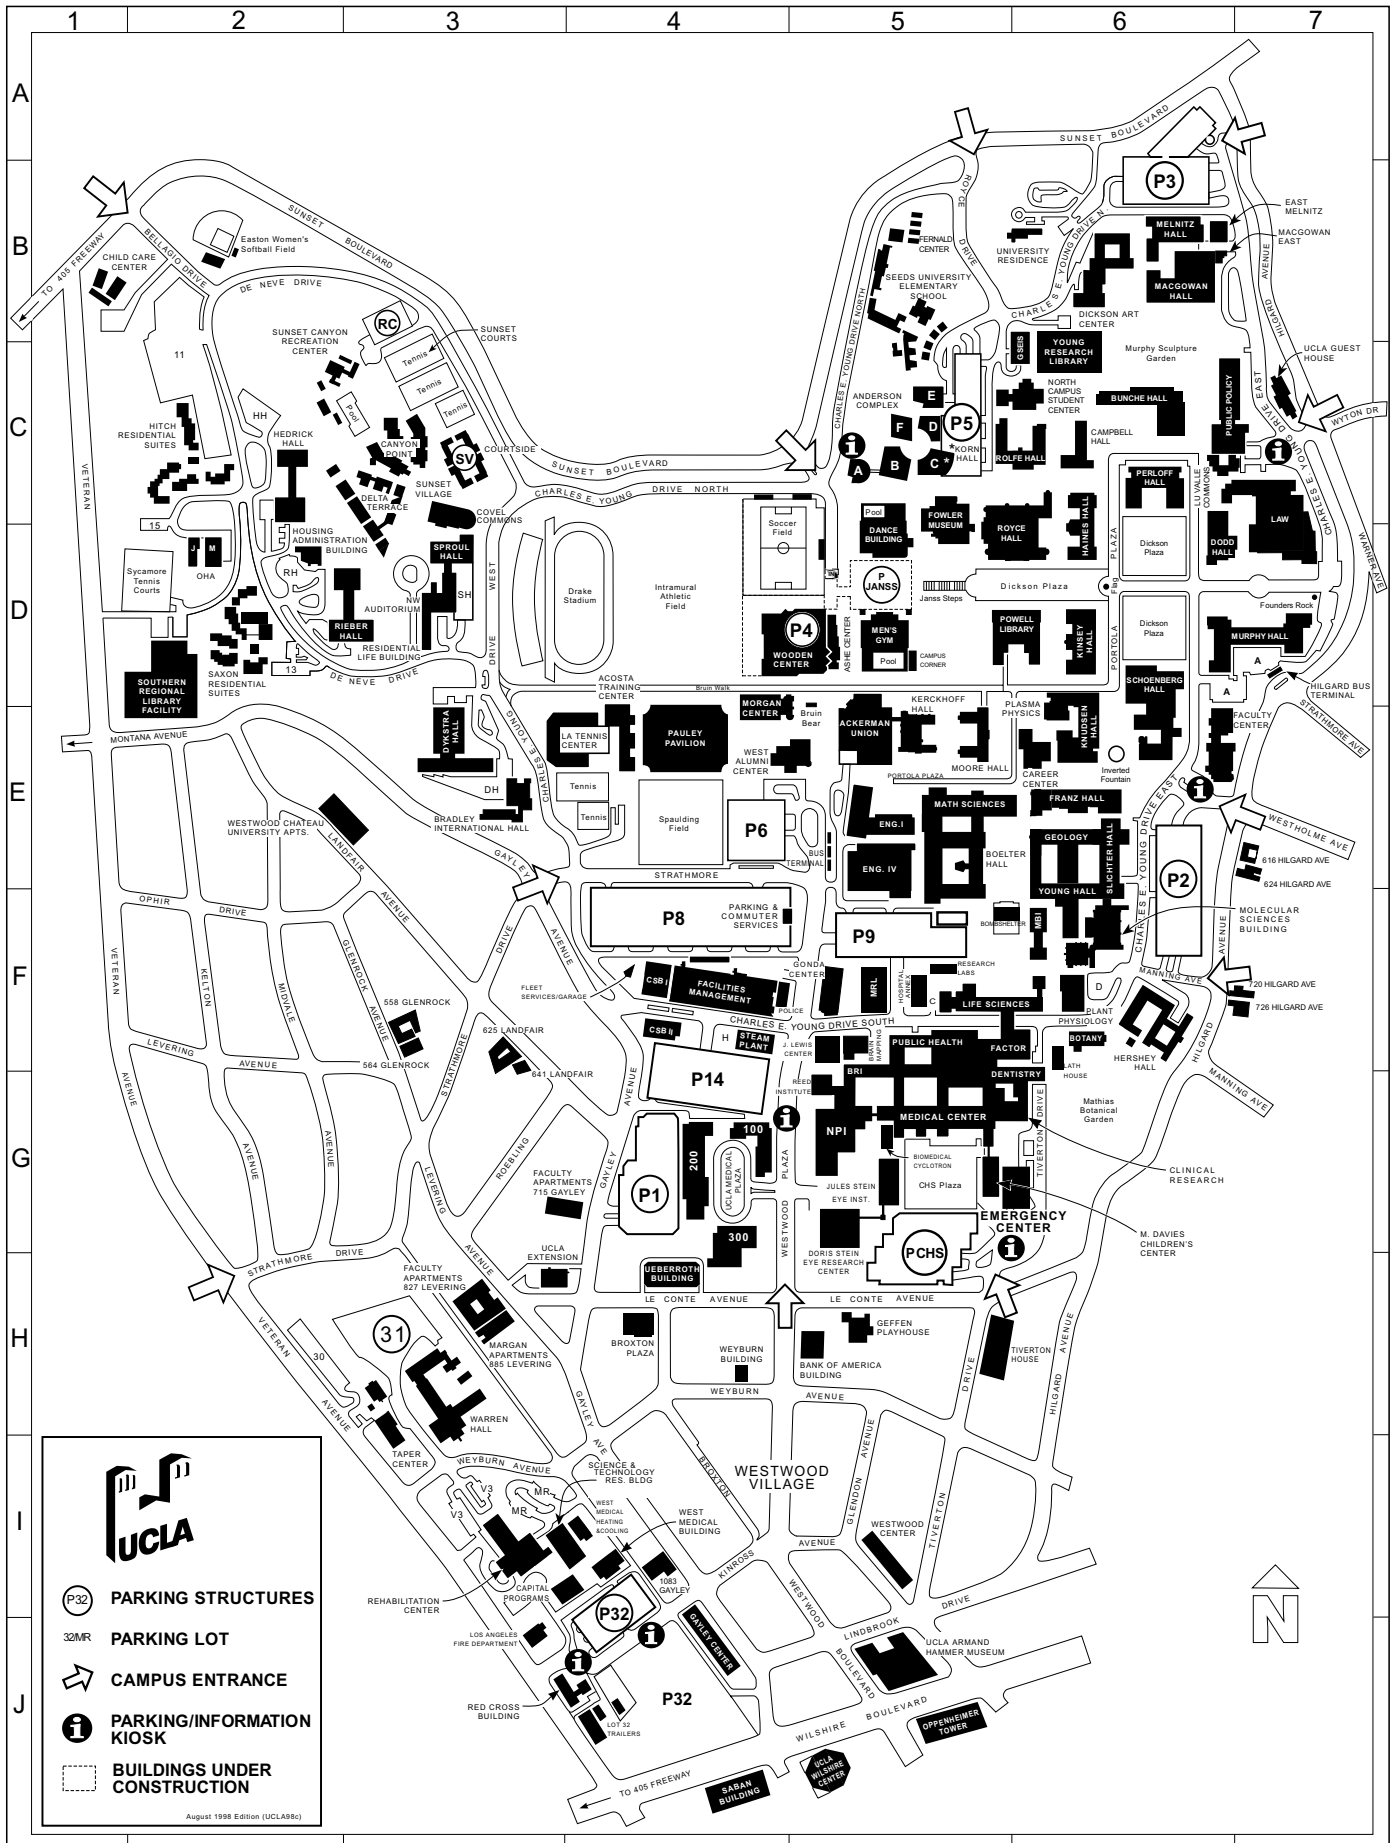

Hazardous Spills

Noxious odors may or may not indicate a toxic spill. Do not attempt to clean up any hazardous material spill involving toxic, chemical, radioactive, infectious, or flammable materials. If a spill occurs in a classroom or lab, alert the supervisor or lab manager. Call 825-5689 (UCLA Office of Environment, Health, and Safety), or 911 (after hours) if the spill happens outdoors or in an unsupervised area.

Accidents

Call 911 immediately to get assistance. If you are qualified to do so, give first aid to injured persons. Do not attempt to move the seriously injured.

Basic emergency care training is available through the Red Cross at (310) 445-9900. For further information about emergency preparedness, call the UCLA Office of Environment, Health and Safety at (310) 825-5689.
