If you are more than 15 minutes late to laboratory during the first two weeks of the term, your space will be reassigned and you must drop the course yourself. For the remainder of the term if you are more than 30 minutes late, you may not be able to complete the current laboratory and may not have the opportunity to make up the missed work, resulting in a nonpassing grade for that experiment. Any student attempting to hold a spot for another student is violating Student Conduct Code 102.05 and may be referred to the Office of the Dean of Students.

Enrollment is limited to Chemistry, Biochemistry, and Chemistry/Materials Science majors on the priority and first enrollment passes. Any student may enroll on the second pass, space permitting. Do NOT contact the instructor for a PTE number. If you are more than 15 minutes late to laboratory during the first two weeks of the term, your space will be reassigned and you must drop the course yourself. For the remainder of the term if you are more than 30 minutes late, you may not be able to complete the current laboratory and may not have the opportunity to make up the missed work, resulting in a nonpassing grade for that experiment.

French

Students who have never had high school French may enroll in French 1 without first taking the placement examination. Students with one or more years of high school French MUST present a placement examination score on the first day of class. The department placement examination is given online at <https://ccle.ucla.edu/course/view/Frenchplacementexam>, and must be taken in advance of course enrollment for all students with prior French instruction. Students must e-mail Denie Laurence at laurence@humnet.ucla.edu to request a password, using "French Online Placement Examination Password" as the subject heading. Students who have taken the AP examination and received a score of 3 or higher need not take the departmental placement examination but should consult the UCLA General Catalog for credit equivalencies. Transfer students who have had French at another college should check their degree audit report for credit equivalencies granted on admission (see counselors in A316 Murphy Hall or call 310-825-3382).

Seats are held for entering students who enroll through New Student Orientation sessions beginning July 6, 2023. Any student may enroll beginning September 19, 2023, space permitting. Wait lists are not possible because of the three-part structure (lecture, discussion, and laboratory). Students who retake Physics 5A must enroll in all three sections: lecture, discussion, and laboratory. Once enrolled, send an e-mail to mtran@physics.ucla.edu with your name, student ID number, and quarter in which you originally took the laboratory. You will be manually enrolled in the G99 laboratory.
