Students must put themselves on the wait list during first pass. Final enrollment is finalized during the first week of the term. Enrollment cannot take place during the priority enrollment pass for this course. If you are more than 15 minutes late to laboratory during the first two weeks of the term, your space will be reassigned and you must drop the course yourself. For the remainder of the term if you are more than 30 minutes late, you may NOT be able to complete the current laboratory and may not have the opportunity to make up the missed work, resulting in a nonpassing grade for that experiment.

Students who have never had high school French may pre-enroll in French 1 without taking the placement examination. Students with one or more years of high school French MUST present a placement examination score on the first day of class. The department placement examination is given online at <https://ccle.ucla.edu/course/view/Frenchplacementexam>, and must be taken in advance of course enrollment for all students with prior French instruction. Students must e-mail Dr. Kimberly Jansma at jansma@humnet.ucla.edu to request a password, using "French Online Placement Examination Password" as the subject heading. Students who have taken the AP examination and received a score of 3 or higher need not take the departmental placement examination but should consult the UCLA General Catalog for credit equivalencies. Transfer students who have had French at another college should check their degree audit report for credit equivalencies granted on admission (see counselors in A316 Murphy Hall or call 310-825-3382).

Seats are held for entering students who enroll through New Student Orientation, beginning July 9, 2021. Any student may enroll beginning September 14, 2021, space permitting. Wait lists are not possible because of the three-part structure (lecture, discussion, and laboratory). Students who retake Physics 5A must enroll in all three sections: lecture, discussion, and laboratory. Once enrolled, send an e-mail to mtran@physics.ucla.edu with your name, student ID number, and quarter in which you originally took the laboratory. You will be manually enrolled in the G99 laboratory.

Wait lists are not possible because of the three-part structure (lecture, discussion, and laboratory). Students who retake Physics 5C must enroll in all three sections: lecture, discussion, and laboratory. Once enrolled, send an e-mail to mtran@physics.ucla.edu with your name, student ID number, and quarter in which you originally took the laboratory. You will be manually enrolled in the G99 laboratory.

WRITING PROGRAMS

English as a Second Language

The English as a Second Language Placement Examination (ESLPE) will be given at a date, time, and location to be determined. See <http://www.wp.ucla.edu> for more information on the examination schedule, location, and registration. You are required to take the English as a Second Language placement examination during your first quarter of study at UCLA. Failure to do so results in a hold on future enrollment and campus services. English as a Second Language policy for attendance and late enrollment: The department will cancel your enrollment if you do not attend at least one of the first two class meetings.
