If you are more than 15 minutes late to laboratory during the first two weeks of the term, your space will be reassigned and you must drop the course yourself. For the remainder of the term if you are more than 30 minutes late, you may NOT be able to complete the current laboratory and may not have the opportunity to make up the missed work, resulting in a nonpassing grade for that experiment. Any student attempting to hold a spot for another student is violating Student Conduct Code 102.05 and may be referred to the Office of the Dean of Students.

If you are more than 15 minutes late to laboratory during the first two weeks of the term, your space will be reassigned and you must drop the course yourself. For the remainder of the term if you are more than 30 minutes late, you may NOT be able to complete the current laboratory and may not have the opportunity to make up the missed work, resulting in a nonpassing grade for that experiment.

French

Students who have never had high school French may enroll in French 1 without first taking the placement examination. Students with one or more years of high school French MUST present a placement examination score on the first day of class. The department placement examination is given online at <https://ccle.ucla.edu/course/view/Frenchplacementexam>, and must be taken in advance of course enrollment for all students with prior French instruction. Students must e-mail Dr. Kimberly Jansma at jansma@humnet.ucla.edu to request a password, using "French Online Placement Examination Password" as the subject heading. Students who have taken the AP examination and received a score of 3 or higher need not take the departmental placement examination but should consult the UCLA General Catalog for credit equivalencies. Transfer students who have had French at another college should check their degree audit report for credit equivalencies granted on admission (see counselors in A316 Murphy Hall or call 310-825-3382).

WRITING PROGRAMS

English as a Second Language

The English as a Second Language Placement Examination (ESLPE) will be given at a date, time, and location to be determined. See <http://www.wp.ucla.edu> for more information on the examination schedule, location, and registration. You are required to take the English as a Second Language placement examination during your first quarter of study at UCLA. Failure to do so results in a hold on future enrollment and campus services. English as a Second Language policy for attendance and late enrollment: The department will cancel your enrollment if you do not attend at least one of the first two class meetings.

English Composition

English Composition policy for attendance and late enrollment (all classes): The department will cancel your enrollment in any English Composition class if you do not attend at least one of the first two class meetings. After the first two class meetings, wait-listed students who have attended both class meetings may enroll only with permission to enroll (PTE) obtained from the instructor. For English Composition 3 and all subsequent courses, students must satisfy the University of California Entry-Level Writing requirement before enrolling. For detailed information about the Entry-Level Writing requirement, see the UCLA General Catalog or <https://www.wp.ucla.edu/undergraduate/undergraduate-writing-requirements/freshman/>. The Fall Quarter Analytical Writing Placement Examination (AWPE) Examination will be given at a time and location to be determined. For more information, see <https://www.wp.ucla.edu/undergraduate/undergraduate-writing-requirements/freshman/>.

Seats are held for entering students who enroll through New Student Sessions beginning July 8, 2022. Any student may enroll beginning September 13, 2022, space permitting. Enrollment is limited to students who have been held for English Composition 1 by results of the Analytical Writing Placement Examination.
