## FRENCH AND FRANCOPHONE STUDIES

### French

French 1 enrollment is contingent on proper placement as determined by the results of the departmental placement examination which is given online.

Students must e-mail Dr. Kimberly Jansma at [jansma@humnet.ucla.edu](mailto:jansma@humnet.ucla.edu) to request a password, using "French Online Placement Examination Password" as the subject heading.

Students need the password to take the examination. The link for the examination is <https://ccle.ucla.edu/course/view/Frenchplacementexam>.

(1) Students with one or more years of high school French MUST present a placement examination score on the first day of class.

(2) Students who have taken the AP examination and received a score of 3 or higher need not take the departmental placement examination but should consult the UCLA General Catalog for credit equivalencies.

(3) Students who have never had high school French may preenroll in French 1 without taking the placement examination but should consult the UCLA General Catalog for credit equivalencies.

(4) Transfer students who have had French at another college should check their degree progress report for credit equivalencies granted on admission (see counselors in A316 Murphy Hall or call 310-825-3382).

For Physics 6A, the enrollment section is the discussion section (refer to "Compound Classes" instructions listed under MyUCLA). Enrollment cannot be completed unless you are also able to enroll in a laboratory section.

For Physics 6A, wait lists are not possible because of the three-part structure (lecture, discussion, and laboratory).

Students who retake Physics 6A must enroll in all three sections: lecture, discussion, and laboratory.

Once enrolled, if you are retaking the class and want to transfer your laboratory score so that you do not have to retake the laboratory portion,

send an email to dzeff001@physics.ucla.edu with your name, student ID number, and quarter in which you originally took the laboratory. You will be manually enrolled in the G99 laboratory.

For Physics 6B, the enrollment section is the discussion section (refer to "Compound Classes" instructions listed under MyUCLA). Enrollment cannot be completed unless you are also able to enroll in a laboratory section.																	
For Physics 6B, wait lists are not possible because of the three-part structure (lecture, discussion, and laboratory).																	
Students who retake Physics 6B must enroll in all three sections: lecture, discussion, and laboratory.																	
Once enrolled, if you are retaking the class and want to transfer your laboratory score so that you do not have to retake the laboratory portion, send an email to dzeff001@physics.ucla.edu with your name, student ID number, and quarter in which you originally took the laboratory. You will be manually enrolled in the G99 laboratory.
