## FRENCH AND FRANCOPHONE STUDIES

### French

Students who have never had high school French may pre-enroll in French 1 without taking the placement examination. Students with one or more years of high school French MUST present a placement examination score on the first day of class. The department placement examination is given online at <https://cclle.ucla.edu/course/view/Frenchplacementexam>, and must be taken in advance of course enrollment for all students with prior French instruction. Students must e-mail Dr. Kimberly Jansma at [jansma@humnet.ucla.edu](mailto:jansma@humnet.ucla.edu) to request a password, using "French Online Placement Examination Password" as the subject heading. Students who have taken the AP examination and received a score of 3 or higher need not take the departmental placement examination but should consult the UCLA General Catalog for credit equivalencies. Transfer students who have had French at another college should check their degree audit report for credit equivalencies granted on admission (see counselors in A316 Murphy Hall or call 310-825-3382).

Wait lists are not possible because of the three-part structure (lecture, discussion, and laboratory). Students who retake Physics 5A must enroll in all three sections: lecture, discussion, and laboratory. Once enrolled, send an e-mail to jazmine@physics.ucla.edu with your name, student ID number, and quarter in which you originally took the laboratory. You will be manually enrolled in the G99 laboratory. Some seats are held for entering students who enroll through New Student Orientation. Any student may enroll beginning September 17, 2019, space permitting, and continuing students historically have been able to enroll.
